Section 6 - Authority certifications and assurances.

(A) By executing this Mixed-Finance ACC Amendment, the Authority certifies to HUD and, as applicable, agrees that:

(1) it has executed with HUD a 1995 version of the ACC to facilitate the execution of this Mixed-Finance ACC Amendment;

(2) any Project Units to be newly constructed at the Development with Capital Funds under section 9(d) of the Act, or with Operating Funds under section 9(g)(2) of the Act (applicable to small Authorities, only), or other Public Housing Funds are eligible to receive formula funding in accordance with the requirements set forth in section 9(g)(3) of the Act;

(3) it will not use Public Housing Funds to pay for the development cost of the Project Units if such development would result in a net increase in the number of public housing units that the Authority owned, assisted, or operated on October 1, 1999, as provided in 24 CFR 905.602(b) or successor legislation;

(4) it has the legal authority under State and local law to develop public housing units through the establishment or selection of an owner entity (the "Owner Entity"), and to enter into all agreements and provide all assurances as required by HUD, the HUD-approved Development Proposal submitted by the Authority under 24 CFR part 905.606 ("the Proposal"), and this Mixed-Finance ACC Amendment. The Authority also warrants that it has the legal authority under State and local law to enter into any proposed partnership and to fulfill its obligations as a partner thereunder, and that it has obtained all necessary approvals for this purpose;

(5) the Project will be developed in accordance with the HUD-approved Proposal, including the same number of Project Units, the budget set forth in Exhibit F of this Mixed-Finance ACC Amendment, and the HUD-determined total development cost (TDC) and housing construction cost (HCC) limits for the Project;

(6) it will ensure that the requirements for development of, admission to, continued occupancy of, management, and modernization of the Project Units are in accordance with all requirements applicable to public housing, including the Act, HUD regulations thereunder (and, to the extent applicable, any HUD-approved waivers of regulatory requirements), the ACC, this Mixed-Finance ACC Amendment, the HUD-approved Proposal, other requirements specific to public housing programs, such as HOPE VI and Choice Neighborhoods, if applicable, the Authority's standard public housing admissions and occupancy policies adopted in accordance with Federal law and described in the Authority's approved Public Housing Agency Annual Plan, or any approved amendment to the Plan (the "Plan") or any contrary provisions in the MTW Agreement; *provided, however*, that the Authority may adopt modifications of its standard public housing admissions and occupancy policies for purposes of its mixed-finance projects generally, or specifically for the Project, to the extent these modifications conform with the requirements of Federal law, including but not limited to 24 CFR parts 903, 905, 960, and 966 (and expressly including tenants' advance notice and comment rights afforded by 24 CFR § 966.3 and § 966.52 relating to modifications of standard public housing lease and grievance procedures, respectively), and such modified admissions and occupancy policies are described in the Plan and made applicable to the Project prior to occupancy, and all other pertinent Federal statutory, executive order, and regulatory requirements, as those requirements may be amended from time to time. The requirements set forth in this paragraph are hereafter to be collectively referred to as the "Applicable Public Housing Requirements";

(7) it will ensure that the Project is developed in accordance with all requirements applicable to the development of public housing, including, without limitation, the Act, the ACC (except that any requirement set forth in the ACC shall be superseded by a modified requirement set forth in this Mixed-Finance ACC Amendment), the Mixed-Finance ACC

Amendment, the Proposal, the HUD-approved declaration of restrictive covenants to be recorded against the Development (the "Declaration"), the requirements of other public housing programs, such as HOPE VI or Choice Neighborhoods, if applicable, and all other pertinent Federal statutory, executive order, and regulatory requirements, as those requirements may be amended from time to time;

(8) there is no action, proceeding, or investigation now pending, nor any basis therefore, known or believed to exist by the Authority, which: (i) questions the validity of this Mixed-Finance ACC Amendment, or any action taken, or to be taken, under it, or; (ii) is likely to result in any materially adverse change in the authorities, properties, liabilities, or condition (financial or otherwise) of the Authority or the Proposal, or of any participating party, that would materially or substantially impair the Authority's or such participating party's ability to perform any of the obligations imposed upon it under the Proposal and this Mixed-Finance ACC Amendment;

(9) it has obtained all Federal, State, and local government approvals, permits and reviews required by law, or reasonably required by HUD, to be obtained by the Authority for commencement of the activities set forth in the Proposal, and all participating parties have obtained all such approvals, permits and reviews required to be obtained by the participating parties for commencement of such activities;

(10) if the Authority will pay for more than its pro rata share of the cost of common area improvements related to the Development, it further agrees that the common area improvements will benefit all residents of the Development;

(11) to the extent the Authority's Proposal provides that public housing units within a Development will not be specifically designated as public housing units, but will be a fixed percentage of the housing units and number of bedrooms developed under the Proposal, the Authority agrees to certify that the percentage of public housing units, and the percentage of bedrooms, to be developed under the Proposal will be maintained by the Owner Entity for the term of the low income use restrictions;

(12) it will immediately notify HUD of (i) any material change in any representations, statements, certifications or other matters contained in the Authority's Proposal, this Mixed-Finance ACC Amendment, and (ii) any default of which it has notice under any agreement submitted to HUD as part of the evidentiary materials hereunder;

(13) it will ensure that the portion of reserves to be replenished with Operating Fund assistance provided under section 9(e) of the Act (the "Project Reserves") shall remain dedicated for use in operating and maintaining the Project Units, or shall be returned to the Authority for use in connection with its other public housing projects;

(14) it will ensure that the Applicable Public Housing Requirements are binding upon the Owner Entity and any partner of the Authority and, to the extent determined necessary by HUD, upon any other participating party. In addition, in the event of any noncompliance with the requirements of the Applicable Public Housing Requirements, the Authority agrees to take all necessary enforcement action to ensure such compliance or, alternatively to pursue any legal or equitable remedies that HUD deems appropriate;

(15) the representations, statements, certifications and other matters contained in the

Proposal were, to the best of the Authority's information and belief, true and complete in all material respects as of the date of submission of the Proposal to HUD (including the dates of any separate submissions for a specific Authority), and upon the execution of this Mixed-Finance ACC Amendment and will continue to be true and complete in all material respects as of the date of any amendment to this Mixed-Finance ACC Amendment, except as modified by such amendment (and any corollary modification to the Proposal that the Authority deems necessary);

(16) this Mixed-Finance ACC Amendment has been executed and delivered by the Authority in such a manner and form as to comply with all applicable laws so as to make this Mixed-Finance ACC Amendment the valid and legally binding act and agreement of the Authority;

(17) it will use, or ensure the use of, Program Income during the grant period, in accordance with 2 CFR § Subpart D, only for eligible program costs or other affordable housing purposes as outlined in that certain HUD-approved Program Income Certification, attached hereto as Exhibit H, and incorporated herein by this reference. The Authority agrees that after the end of the award period, any gross income received by the Authority or a sub grantee that was directly generated by a grant-supported activity (or earned only as the result of funding provided under Section 3 of this Mixed-Finance ACC Amendment), including, without limitation, principal and interest on loans made with grant funds, will be utilized solely for eligible program costs or other affordable housing purposes. This covenant will survive any termination of the grant and, at HUD's direction, may be incorporated into any documentation related to the closeout of the grant;

(18) it will take all steps necessary to ensure that, in the event of a foreclosure or other adverse action brought against the Owner Entity with respect to the Development (including, but not limited to the Project Units), the operation of the Project Units will not be adversely affected;

(19) The certifications are made to the best of the certifier's knowledge, information and belief. The certifier acknowledges that the certifications are subject to HUD's authority to prosecute false claims and the sanctions of 24 CFR 905.804;

(20) The Authority shall ensure that the development of the Project Units will be in compliance with labor standards applicable to the development of public housing including, but not limited to, wage rates determined under the Davis-Bacon Act (40 U.S.C. 3141 *et seq.*). If the proposed development will include Project Units that are not specifically designated units, the Authority shall ensure that such labor requirements are met with respect to the development of all units that may, at any time, be used as Project Units. Wherever HUD financial assistance is expended for housing or community development, economic opportunities will be made available to the greatest extent feasible, to low-and very low-income persons and businesses pursuant to section 3 of the Housing and Urban Development Act of 1968. The requirements of Section 3 apply to projects or activities that are funded with covered HUD financial assistance in their entirety, regardless of whether the project or activity is fully or partially funded with covered assistance. "Section 3 covered assistance" is defined at 24 CFR 135.5, and includes PIH operating and capital funds, modernization funding, HOPE VI and other assistance listed in that definition;

(21) The Authority has ensured and will continue to ensure the irrevocability, amount, source and availability of financing committed to the Development by the participating party or

parties. Irrevocability of funds means that binding legal documents, such as loan agreements, mortgages/deeds of trust, partnership agreements, operating agreements, or similar documents committing funds have been executed by the applicable parties, though disbursement of such funds may be subject to meeting progress milestones, avoiding default, and meeting other commercially reasonable conditions precedent under such documents. For developments involving revolving loan funds, the irrevocability of funds means that funds in an amount identified to HUD as the maximum revolving loan have been committed pursuant to legally binding documents, though disbursement of such funds may be subject to meeting progress milestones, the absence of default, and meeting other commercially reasonable conditions precedent under such documents. The Authority has ensured the amount, source and availability of funds by the participating parties by reviewing the legal documents described above, confirming the terms of the documents and confirming that such documents are duly executed by the participating parties;

(22) The Authority shall take all steps necessary to ensure compliance with the applicable civil rights laws as stated in 24 CFR 5.105(a), including: nondiscrimination; affirmatively furthering fair housing; and accessibility requirements for persons with disabilities; and,

(23) HUD's Declaration of Restrictive Covenants is recorded properly under local law and procedures and that it encumbers the property in the order approved by HUD. The terms of the restriction must be in compliance with 42 U.S.C. 1437g(d)(3), as those requirements may be amended from time to time.

(B) The Authority warrants that it will include, or cause to be included:

(1) in all its agreements or contracts with the partner, the Owner Entity, and/or other participating parties receiving Public Housing Funds under section 9(d) of the Act, or other appropriations act or section of the Act, and/or Operating Funds under section 9(e) of the Act, an acknowledgement that a transfer of the Public Housing Funds and/or Operating Funds by the Authority to the partner, the Owner Entity, or other participating party will not be (and shall not be deemed to be) an assignment of Public Housing Funds and/or Operating Funds, and the partner, Owner Entity, or other participating party will not succeed to any rights or benefits of the Authority under the ACC or this Mixed-Finance ACC Amendment, or any other grant documents, such as the HOPE VI or Choice Neighborhoods Grant Agreements, if applicable, or attain any privileges, authorities, interests, or rights in or under the ACC or this Mixed-Finance ACC Amendment, or any other grant documents, such as the HOPE VI or Choice Neighborhoods Grant Agreements, if applicable; and,

(2) in all its agreements or contracts with the partner, the Owner Entity, or other participating parties, and in all contracts with any party involving the use of Public Housing Funds and/or Operating Funds, a provision that nothing contained in the ACC or this Mixed-Finance ACC Amendment, or any other agreement, such as the HOPE VI or Choice Neighborhoods Grant Agreements, if applicable, nor in any agreement or contract between the parties, nor any act of HUD, the Authority, or any of the parties, will be deemed or construed to create any relationship of third-party beneficiary, principal and agent, limited or general partnership, joint venture, or any association or relationship involving HUD; provided, however, that the mortgagee under the first mortgage or deed to secure debt and note secured thereby, as said documents are more specifically identified in Exhibit E hereto (respectively, referred to herein as the "First Mortgage" and "Note") shall be entitled to rely upon Section 12(C) and (D) of

this Mixed-Finance ACC Amendment.

(C) The Authority hereby acknowledges that HUD has approved the Proposal in reliance upon the Authority's representations that the Authority, the partner(s), the Owner Entity(ies), and other participating parties will, and the Authority hereby further agrees that it will, or will cause the participating parties to:

(1) carry out the activities ascribed to them in accordance with the Proposal and the approved evidentiary documents (as set forth in Exhibit E hereto) and the requirements of this Mixed-Finance ACC Amendment;

(2) complete those activities in accordance with the schedule set forth in Exhibit D, including the development of the Project Units;

(3) have (or will have when necessary to implement their activities in accordance with the Proposal), the financial capacity to assure carrying out the activities to their completion;

(4) invest, or cause to be invested, in the activities described in the Proposal all funds identified in Exhibit F hereto.

(D) HUD has also relied upon the Authority's, the Owner Entity's, and the partner(s)'s representations that they and all other participating parties, prior to the use of the Public Housing Funds for the Project (except for predevelopment funding approved by HUD), will enter into legally binding agreements, as identified in Exhibit E to this Mixed-Finance ACC Amendment, to provide funding for completion of the Development in compliance with the requirements of this Mixed-Finance ACC Amendment.

Section 7 – Evidentiary Materials.

(A) Identification of Evidentiary Materials. Exhibit E to this Mixed-Finance ACC Amendment shall include a list of all evidentiary materials applicable to the Development.

(B) Submission of Evidentiary Materials. The Authority shall submit to HUD for review and approval the following evidentiary materials. Such evidentiary materials must be submitted in the form of legally binding and enforceable commitments of the participating parties to undertake and complete the specified activities connected with the Proposal:

(1) This mixed-finance amendment to the ACC executed by the Authority and HUD, along with any required exhibits, as applicable;

(2) HUD's Declaration of Restrictive Covenants, to be properly recorded in the appropriate land records, in the form and order of priority approved by HUD. The restriction must assure that the public housing units will be available for use by eligible low-income families in accordance with all Applicable Public Housing Requirements for the period required by law:

(3) A Regulatory and Operating Agreement between the Authority and the owner entity that provides binding assurances that the public housing units will be operated in accordance with all Applicable Public Housing Requirements. This Agreement should also describe the methodology for providing operating subsidy to the public housing units in the Development, the Development's reserve structure, and other provisions as required by HUD;

(4) A copy of the lease and memorandum of lease between the Authority and the owner entity encompassing all land included in the Development;

(5) An ALTA survey of the Development;

(6) A title policy reflecting the following:

(i) Evidence of fee simple or leasehold title to the real property which must be in the form of an original ALTA (or other form acceptable to HUD) policy of owner's or mortgagee's title insurance, which must identify the real property and the ownership interests of the Authority, Owner Entity, and other participating parties (as appropriate) as the owners or lessees of record of such property;

(ii) The title policy must also reflect any instruments securing any private or public financing, including any loan of Public Housing Funds that have been recorded against the title, and also reflect that the Declaration of Restrictive Covenants, as required by Section 10 of this Mixed-Finance ACC Amendment, is the first encumbrance recorded against the Development, or is recorded in the order approved by HUD, to ensure that the Project Units are operated in accordance with the Applicable Public Housing Requirements for the period required by law and this Mixed-Finance ACC Amendment;

(7) A legal opinion prepared by counsel to the Authority and counsel to the Owner, as follows:

(i) Counsel must opine to the following for each document submitted as an evidentiary material under Section 7(B) to this Mixed-Finance ACC Amendment:

(a) An examination of the authority of all parties to the documents and all persons executing the documents on behalf of the parties has been made and that the parties and said persons were authorized to enter into and execute the documents; and

(b) Each document constitutes a valid and legally enforceable agreement or contract under the laws of the Authority's State and the commitments and/or agreements evidenced thereby can be carried out in accordance with their terms under State and local law, and conform to the provisions of the Proposal approved by HUD and the requirements of this Mixed-Finance ACC Amendment, and that there is nothing in such document that conflicts with, or is inconsistent with, the Proposal and this Mixed-Finance ACC Amendment.

(ii) Minimally, separate written opinions of the Authority's counsel and the Owner Entity's counsel are required.

(iii) Counsel may rely upon the certification of other persons, or the written statements or opinions of other counsel, provided that a copy of each such certification, statement, or opinion must be attached to the opinion of that counsel.

(iv) If counsel predicates an opinion upon "information and belief," then in all such cases the counsel's opinion must contain, or have attached thereto, a statement or description of all of the information upon which the belief of counsel is predicated.

(8) A revised and updated Proposal consistent with this Mixed-Finance Amendment to the ACC;

(9) A management agreement, management plan and form of tenant lease for the public housing units, if the units will be managed by an entity other than the Authority;

(10) Mixed-Finance Certifications and Assurances (HUD form 50161); and,

(11) The Authority shall provide such additional documents and certifications as may be required by HUD.

(C) Form of Submission of Evidentiary Materials. All final evidentiary materials submitted to HUD must be in the form of either duplicate originals of the fully executed documents or photographic copies of the fully executed originals of the documents and must be submitted in one complete binder(s) with an index and tabbed dividers or submitted on a CD or other electronic medium approved by HUD, with an index and with each document copied to the CD or other electronic medium as a discrete file. In addition, the submission must include a certification that each document is a true and complete copy of the original, as previously approved by HUD in draft form or, if changes have been made since HUD approval, a list of all substantive changes.

(D) Amendment of approved evidentiary materials. After HUD has approved evidentiary materials submitted in accordance with this Mixed-Finance ACC Amendment, the evidentiary material document may not be amended in any material respect without the prior written approval of HUD.

(E) Recordkeeping. Except as otherwise required by the ACC and 2 CFR subpart D, the Authority must retain for inspection, upon reasonable notice and request by HUD, all documentation of the mixed-finance closing including, but not limited to: all development agreements, related management agreements, surveys, title policies, zoning assurances, environmental reports and approvals, partnership agreements, ground leases, regulatory agreements, development financing documents, and any recorded documents encumbering the use of the land. The documentation must be retained in one location for the period required by the application regulations or such lesser period of time if the property is disposed to a new owner entity.

Section 8 - Draw down of Funds.

(A) The Authority shall ensure that Public Housing Funds are expended only in accordance with the requirements set forth in this Mixed-Finance ACC Amendment and the approved budget set forth in Exhibit F to this Mixed-Finance ACC Amendment.

(B) In the event that funds in addition to those set forth in the budget(s) at Exhibit F are received from any source in connection with the Development, such excess funds may only be used, as approved by HUD in writing, for: (1) cost overruns; (2) additional betterments; (3) other purposes for the benefit of the Project residents and/or the Development; or (4) as otherwise approved by HUD.

(C) The Authority shall request all draw downs of grant funds under the Line of Credit

Control System (eLOCCS), unless and until another payment system is designated by HUD. The Authority shall comply with all rules, guidelines and notices established for the development of public housing under the e-LOCCS system, or any substitute system, in connection with the draw down of Public Housing Funds.

(D) HUD may withhold payments under this Mixed-Finance ACC Amendment in accordance with 2 CFR Subpart D, except that indebtedness of the Authority to the United States, which is not related to a Project under this Mixed-Finance ACC Amendment, shall not be the basis for withholding payments under this Mixed-Finance ACC Amendment pursuant to 24 CFR Subpart D.

(E) After HUD provides the Authority with written notification that the final evidentiary materials submitted to HUD, as listed in Exhibit E, have been reviewed and approved, the Authority may request a draw-down of Public Housing Funds pursuant to the approved budget in Exhibit F.

(F) No grant funds may be drawn down under this Mixed-Finance ACC Amendment during any period in which the Authority has failed to file with HUD any overdue financial report(s).

Section 9 - Covenant Against Disposition and Encumbrances.

With respect only to the Project under this Mixed-Finance ACC Amendment, Section 7 of the ACC is modified in its entirety to read as follows:

(A) Neither the Project Units nor any part thereof shall be demolished or disposed of, encumbered in any way, or the assets of the Project pledged as collateral for a loan, other than in accordance with the terms of the Applicable Public Housing Requirements and with prior written approval of HUD, so long as this Mixed-Finance ACC Amendment remains in force with respect to the Project, with the exception of: (1) mortgages identified in Exhibit B of this Mixed-Finance Amendment which have been approved by HUD, (2) dwelling leases with eligible families for the Project Units; and (3) normal uses associated with the operation of the Project,

(B) No transfer, conveyance, or assignment shall be made without the prior written approval of HUD of: (1) any interest of a managing member, general partner, or controlling stockholder (any such interest being referred to as a "Controlling Interest") of the Owner Entity; or (2) a Controlling Interest in any entity which has a Controlling Interest in the Owner Entity; or (3) prior to the payment in full of all equity contributions described in the approved evidentiary documents listed in the Mixed-Finance ACC Amendment, any other interest in the Owner Entity, or in any partner or member thereof.

(C) Notwithstanding the foregoing, HUD consent is not required where a business organization that has a limited interest (non-controlling and non-managing) in the Owner Entity transfers a non-controlling and non-managing interest in the business organization provided that the Owner Entity: (i) provides HUD with written notice of such transfer and (ii) certifies to HUD that the new owner of the limited interest remains obligated to fund its equity contribution in accordance with the terms of the HUD-approved organizational documents of the Owner Entity.

(D) Notwithstanding the foregoing, the prior approval of HUD shall not be required for the exercise by the investor, i.e., limited partner, limited owner, etc. or its affiliates of their rights

to remove a Controlling Interest of the Owner Entity and to designate an affiliate of the investor as a substitute Controlling Interest under the terms of the Partnership Agreement or Operating Agreement, provided that HUD is given prior written notice of default under the Partnership Agreement or Operating Agreement and of the exercise of the removal and appointment right therein (the "Notice"). However, HUD consent shall be required for the appointment of such substitute Controlling Interest to extend beyond a ninety (90) day period. Such 90-day period will commence on the date of the Notice (the "Interim Replacement Period"). With notice to HUD, the Interim Replacement Period may be extended for an additional 90 days to allow the substitute Controlling Interest of the Owner Entity to find a replacement Controlling Interest acceptable to HUD and all other parties, provided that prior to the expiration of such additional 90-day period, the substitute Controlling Interest demonstrates that the investor is continuing to fund (or has already funded) its equity contribution, as required under the Partnership Agreement or Operating Agreement, and that the Project continues to be operated in a manner consistent with the Applicable Public Housing Requirements. Notwithstanding the foregoing, any rights of the investor or its affiliates to appoint a substitute Controlling Interest pursuant to this paragraph remains subject to the prior written approval of the Authority.

(E) HUD and the Authority authorize the Controlling Interest to collaterally assign and pledge its interest in the Owner Entity to a Bridge Lender in connection with a Construction Loan Agreement between the Bridge Lender and the Owner Entity dated on or about the date hereof, and to allow the Bridge Lender to exercise any of its rights pursuant thereto, so long as the Bridge Lender gives prompt written notice to HUD of the exercise of such rights at the time of such exercise (the "Pledge Notice"). However, the consent of HUD and the Authority shall be required for the appointment of any substitute Controlling Interest (including Bridge Lender or its Affiliates) extending beyond a 90-day period. Such 90-day period will commence on the date of the Pledge Notice (the "Pledge Replacement Period"). With notice to the Authority and notice and prior written approval of HUD, the Pledge Replacement Period may be extended for an additional 90 days to allow the substitute Controlling Interest of the Owner Entity to find a replacement Controlling Interest acceptable to HUD and the Authority provided that prior to the expiration of such additional 90-day period, the substitute Controlling Interest demonstrates that the Investor is continuing to fund (or has already funded) its equity contribution as required by the Partnership Agreement or Operating Agreement and that Project continues to be operated in accordance with the Applicable Public Housing Requirements.

(F) HUD will not unreasonably withhold, delay, or condition a request by the Owner Entity for HUD's consent to an internal reorganization of the corporate or partnership structure of the Owner Entity or any of the partners, members or stockholders of the Owner Entity.

Section 10 - Declaration of Restrictive Covenants.

With respect only to the Project under this Mixed-Finance ACC Amendment, Section 8 of the ACC is modified in its entirety to read as follows:

The Authority shall require the Owner Entity to execute and file for record against the Development, in the order approved by HUD, a Declaration in the form approved by HUD. The Declaration shall confirm and evidence the Owner Entity's obligation, during the term of this Mixed-Finance ACC Amendment and the Regulatory and Operating Agreement covering the Project Units and during such further period when such approval may be required by law as then in effect, to develop, maintain and operate the Project Units in compliance with the Applicable Public Housing Requirements. The Declaration shall provide further that it may not

be modified, amended or released without the prior written approval of HUD.

Section 11 - Restoration.

With respect to the Project, as defined in Section 1 of this Mixed-Finance ACC Amendment, Section 13(B) of the ACC is modified in its entirety to read as follows:

(B) In the event of a taking or threatened taking by condemnation or other exercise of eminent domain of all or a portion of the Development (collectively a "Taking") or the occurrence of a fire or other casualty resulting in damage to all or a portion of the Development (collectively a "Casualty"), the following shall apply:

The Authority shall promptly cause the restoration, reconstruction, and/or repair ("Restoration") of any damaged or destroyed property of the Development, but only to the extent that insurance proceeds or condemnation award proceeds ("Proceeds") permit and only if Restoration is feasible. The obligation for Restoration, to the extent Proceeds and other funds (if any are made available by the Owner Entity or the Authority) permit, is also a requirement with which the Owner Entity must comply, if Restoration is feasible. In addition, each mortgagee must permit Restoration if Proceeds permit and if Restoration is feasible (rather than require application of Proceeds to reduce mortgage debt.)

Restoration is deemed "feasible" if (without limitation), following Restoration, the financial viability of the Project would not be materially impaired from its condition prior to the casualty, including (without limitation) if tax benefits would not be materially reduced or if committed sources of debt or equity financing would not be relieved of their obligation to fund as a result of the Casualty. Further, a mortgage may provide and a mortgagee may exercise (with HUD approval as provided below), an option to apply any Proceeds to repayment of the mortgage debt instead of restoration, if any of the following conditions is met in the reasonable determination of the mortgagee or, if different, the lender: (i) there is no substantial certainty of sufficient funds for Restoration (whether from insurance proceeds, a condemnation award or settlement, or other funds that may be provided by the Owner Entity, the Authority or other lenders); (ii) there is no substantial certainty that Restoration will be completed prior to the maturity date of the note secured by the mortgage; (iii) if the loan is a construction loan, there is no substantial certainty that committed and sufficient loan repayment sources will be available upon Restoration, completion and loan maturity; (v) there is no substantial certainty that the operating income of the Development following Restoration will be sufficient to meet all operating costs and other expenses, payments for reserves, and loan repayment obligations relating to the Development; or (vi) there is no substantial certainty that Restoration of the Development to a condition approved by lender will be completed prior to the earlier of the maturity date of the loan or any fixed date resulting from tax credit requirements or otherwise imposed by schedule sources of repayment for the loan.

In the event a lender, Owner Entity and/or Authority determines that Restoration is not feasible, the Authority shall apply to HUD for approval not to restore the project, which shall not be unreasonably withheld, conditioned or delayed. Upon HUD approval not to restore the project, Proceeds shall be applied as follows:

(1) to pay-off or reduce outstanding mortgage debt in accordance with the recordation order of the mortgage liens on the Development;

(2) to reduce any outstanding indebtedness of the Owner Entity to the Authority for an unsecured loan;

(3) to reimburse the Authority for any funds disbursed to the Owner Entity for development of the Development other than by loan. Such reimbursement shall include any funds provided by the Authority for predevelopment work or soft costs;

(4) to the Owner Entity, in an amount equal to the amount that the Owner Entity or its general partner or managing member is required to pay to any investor member or partner in connection with the Casualty or Taking, as provided for in the Owner Entity's limited partnership agreement or operating agreement, such as repurchase of an interest, the triggering of "credit adjusters", or otherwise;

(5) to the Owner Entity, to the extent not otherwise covered by paragraph (4), in an amount equal to the amount that the Owner Entity is required to pay or distribute upon dissolution in accordance with its limited partnership agreement or operating agreement, including without limitation all debts of the Owner Entity whether to third persons or to partners or members, and whether for funds advanced, property or services, but disregarding for this purpose any provision in the limited partnership agreement or operating agreement for distribution of residual funds.
