General

1. What is the MTW Supplement to the Annual PHA Plan?

The MTW Supplement to the Annual PHA Plan ([HUD-50075-MTW](#)) is a web-based form which collects information about policies implemented by MTW Expansion Agencies or policies that

¹ The 2016 MTW Expansion Statute authorized HUD to extend the MTW Demonstration Program to an additional 100 public housing agencies (PHAs). MTW Expansion Agencies are PHAs that are fully designated as MTW pursuant to Section 239 of the Fiscal Year 2016 Appropriations Act, P.L. 114-113 (2016 MTW Expansion Statute).

² The Moving to Work (MTW) Operations Notice establishes requirements for the implementation and continued operation of the expansion of the MTW demonstration program pursuant to the 2016 MTW Expansion Statute. The MTW Operations Notice applies to all public housing agencies (PHAs) designated as MTW pursuant to the 2016 MTW Expansion Statute and to any previously designated MTW Agency that elects to operate under the terms of the notice.

will be implemented in the future. The MTW Supplement asks for information about each of the MTW Waivers and associated activities that are made possible by the MTW Operations Notice, Safe Harbor Waivers and Agency-Specific Waivers, and a few other types of information. MTW agencies will fill in information/data through a fillable form and the information collected will be stored in a database so that it can be analyzed by HUD. MTW Expansion Agencies use the form to communicate their plans for implementation of Waivers and associated activities, with residents and community stakeholders through required public comment processes, and HUD uses the information collected to monitor and evaluate the MTW Demonstration program. MTW Expansion Agencies will submit the MTW Supplement to HUD annually through an online system and may amend their submission as needed.

2. When can an MTW Expansion Agency submit their MTW Supplement to the Annual PHA Plan?

An MTW Expansion Agency may submit their MTW Supplement to the Annual PHA Plan after the Agency's MTW Amendment to the Annual Contributions Contract (ACC) has been fully executed by HUD. After the MTW PHA has a fully executed MTW Amendment to the ACC, it may submit the MTW Supplement as part of the next regularly scheduled Annual PHA Plan submission or as an amendment to the current Annual PHA Plan.

3. When is the MTW Supplement to the Annual PHA Plan due?

MTW Expansion Agencies must submit the MTW Supplement no later than seventy-five (75) days prior to the beginning of the Agency's fiscal year.

4. Does the MTW Supplement take the place of the Annual PHA Plan submission?

No. The MTW Supplement *does not* take the place of the Annual PHA Plan submission. The MTW Supplement is supplemental to the Annual PHA Plan (i.e., an addendum).

5. Are Qualified Agencies required to submit their Annual PHA Plan every year now that they have been designated as an MTW Agency?

No. Per the [MTW Operations Notice](#), MTW Agencies that are qualified under 24 CFR 903.3(c) are not required to submit the Annual PHA Plan each year, however, Qualified MTW Agencies are still required to submit the MTW Supplement annually.

6. How will an Agency be notified of approval or disapproval of the MTW Supplement to the Annual PHA Plan?

MTW Expansion Agencies will be notified of the status of the MTW Supplement via an approval or disapproval letter from the HUD Field Office.

7. Why does my MTW Supplement conditional approval letter state that there are Agency Specific waiver or Safe Harbor waiver decisions still pending?

Where additional review time by HUD is necessary, a conditional approval letter for the PHA Plan and MTW Supplement will state that the waiver decision is pending and the MTW Agency

must await further instructions from HUD prior to implementing a Safe Harbor Waiver and/or an Agency-Specific Waiver.

8. Can the MTW Supplement be amended at any time during the Fiscal Year?

Yes. An MTW Expansion Agency may request to amend their MTW Supplement through the online system at any time during the fiscal year. The agency should select “amended annual submission” as the submission type within the web-based system within the web-based system.

9. Can an MTW Expansion Agency make changes to the MTW Supplement once it’s submitted into the web-based system?

Yes. If you need to make changes to the form after it has been submitted into the web-based system, you will need to contact your designated point of contact at the HUD Field Office and request that your MTW Supplement submission be returned for revisions. After it has been returned for revision, the PHA may make any desired changes and resubmit in the web-based system.

Section C – MTW Waivers and Associated MTW Activities

10. Can an MTW Expansion Agency utilize waivers under Housing Quality Standards (Waiver 5) while participating in the Uniform Physical Condition Standards for Vouchers (UPCS-V) Demonstration?

An MTW Expansion Agency may concurrently participate in the UPCS-V Demonstration and the MTW Demonstration. The MTW Expansion Agency may also utilize HQS flexibilities under the MTW Operations Notice.

11. (NEW) For MTW Waivers and Associated Activities that have been approved in a previous Fiscal Year submission but have not been implemented yet at the time the PHA is drafting its MTW Supplement for the next Fiscal Year (FY), which status category for the waiver should be selected?

The MTW PHA should select “Plan to Implement in the Submission Year” and enter the previously submitted information regarding the waiver/activity.

For example, a PHA has received approval for its FY22 MTW Supplement to the PHA Plan, which includes some MTW Waivers. When this PHA is submitting its FY23 MTW Supplement to the PHA Plan (or an amendment), it has not yet implemented some of these approved waivers/activities. When drafting and submitting its FY23 MTW Supplement to the PHA Plan, the PHA should select “Plan to Implement in the Submission Year” and can copy and paste information that was submitted in FY22 for those waivers/activities, if it still plans to implement.
