

# **Notice of Due Date for Submission**

## **FY22 Capital Fund Emergency Safety and Security Applications and**

### **New Notice PIH Notice 2022-05 —**

### **Due Wednesday, June 15, 2022**

On **March 10, 2022**, HUD issued **PIH Notice 2022-05** (the "Notice"), which set forth the Emergency Safety and Security annual funding notification and application process. The Notice remains in effect until amended, superseded or rescinded. Per paragraph IX of the Notice, HUD is notifying PHAs that FY22 Emergency Safety and Security applications will be due no later than the **close of business 5:00pm Eastern Daylight Time (EDT) Wednesday, June 15, 2022**.

#### **New Procurement Prohibition:**

**New Prohibition regarding Procurement of Security Equipment produced by Huawei Technologies Company or ZTE Corporation: Per 2 C.F.R. § 200.216 and Public Law 115-232, section 889, Safety and Security grantees are prohibited from using grant funds to purchase, lease, or renew or extend contracts for security equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities).**

#### **Available Funding**

The Consolidated Appropriations Act, 2022, ("2022 Appropriations Act") (Public Law No: 117-103.) was enacted on March 15, 2022. The 2022 Appropriations Act maintains the set-aside of Capital Funds for emergencies and natural disasters at \$75 million with various competitive set-asides. The 2022 Appropriations Act requires that not less than \$10 million of the set-aside for emergency capital needs be used for necessary safety and security measures to address crime and drug-related activity and the threat of carbon monoxide poisoning in public housing. HUD will fund \$10 million of Safety and Security capital grants in FY22. Per the Notice, HUD has the flexibility to hold separate competitions for Safety and Security grants for carbon monoxide detectors and Safety and Security grants for crime prevention measures. However, as in FY20 and FY21, HUD is electing to hold one competition for both carbon monoxide detector and crime prevention grants. Each PHA is limited to a total grant award of \$250,000 for FY22 Safety and Security grants. HUD will treat separate applications for carbon monoxide detectors and crime prevention measure as a single application for purposes of conducting the lottery.

#### **Link to notice PIH Notice 2022-05:**

[2022-05 ESSG Final \(hud.gov\)](https://www.hud.gov/sites/dfiles/PIH/documents/PIH2022-05.pdf) (if the link does not work type the following into the address line of your web browser: <https://www.hud.gov/sites/dfiles/PIH/documents/PIH2022-05.pdf> )

PHAs should review the Notice thoroughly to fully understand the requirements for these funds. If a PHA has eligible activities and decides it wishes to apply for available funds, it should refer to Paragraph XI of the Notice for the application submission requirements. There is no separate application that needs to be submitted, only the submission requirements in Paragraph XI of the Notice

Per the Notice, please submit a .PDF copy of the application (**in one, single .PDF file**) with all applicable documents listed in Paragraph XII of the Notice to the PIH OCI mailbox - [PIHOCI@hud.gov](mailto:PIHOCI@hud.gov) For general questions, please call the Office of Capital Improvements at 202-402-4799 (TTY 800-877-8339) or send an email [to safetyandsecurityquestions@hud.gov](mailto:safetyandsecurityquestions@hud.gov)
