

# Notice of Due Date for Submission of FY19 Capital Fund Emergency Safety and Security Applications – Due Wednesday, June 5, 2019

On March 9, 2016, HUD issued PIH Notice 2016-03 (the “Notice”), which set forth the Emergency Safety and Security annual funding notification and application process. The Notice remains in effect until amended, superseded or rescinded. Per section 9 of the Notice, HUD is notifying PHAs that FY19 Emergency Safety and Security applications will be due no later than the **close of business 5:00pm Eastern Daylight Time (EDT) Wednesday, June 5, 2019.**

## **Available Funding – Increase to \$10 million in FY19 from \$5 million in FY18**

The Consolidated Appropriations Act, 2019, (“2019 Appropriations Act”) (Public Law No: 116-6) was enacted on February 15, 2019. The 2019 Appropriations Act increased the set-aside of Capital Funds for emergencies and natural disasters from \$21.5 million to \$30 million. The 2019 Appropriations Act requires that not less than \$10 million of the set-aside for emergency capital needs be used for necessary safety and security measures to address crime and drug-related activity in public housing. HUD will fund \$10 million of Safety and Security capital grants in FY19, an increase of \$5 million from the amount that was funded in FY18 - \$5 million.

PHAs should review the Notice thoroughly to fully understand the requirements for these funds. If a PHA has eligible activities and decides it wishes to apply for available funds, it should refer to section 10 of the Notice for the application submission requirements. There is no separate application that needs to be submitted, only the submission requirements in section 10 of the Notice.

**Note: HUD made a technical change with PIH Notice 2016-03.** The form HUD-50077 is now the HUD-50077-ST-HCV-HP.
