Greetings!

November is Native American Heritage Month. It is a time that the Tribes and the public focus on contributions of Native American’s in their Nation, State, Community or Tribe. All Tribes have a rich history and heritage and it is a good time to showcase the contributions of Native Americans to the United States, especially as this overlaps with Veterans’ Day. Veterans’ Day is celebrated on November 11th this year and is a time when many tribes celebrate the outsized contribution of Tribal members to the Armed Forces. Songs are still sung for each
branch of the service and sometimes even about the special achievements of individual Service members. Since being a warrior is highly esteemed in most tribes, many young men and women join the U.S. Armed Forces just out of high school and often see the outside world for the first time. They often return with the discipline and work ethic taught to them in the Service and are ideal employees. Upon their return they are respected and asked to led ceremonies or dances, tell their stories, carry the flag at pow-wows and in some cultures, may not be interrupted when speaking at Council or other public meetings. EWONAP sponsors a Native American Luncheon here at the HUD building in Chicago where Native foods are served, and an aspect of Native American culture or Tribal perspective is shared with the attendees. This year, that Luncheon will be held on November 12th in Room 331 at 77 West Jackson Blvd, Chicago, IL. The speaker will be former Pokagon Tribal Chair John Warren. If you are interested in attending call Mary White at 312-913-8762 for Tickets. A small fee is requested to defray the cost of the meal which is prepared by volunteers.

**Funding.** Once again, we enter a period with budget uncertainty. Currently, the U.S. Budget is under a Continuing Resolution or "CR". This means that Congress only allocated the same funding for programs as last year proportionately until November 21st at midnight. Only funding equivalent to one month and 21 days was allocated and can be passed on as needed, not the full formula amount, since Congress hasn’t agreed to the full year’s funding yet. If your IHBG program is low on funding and you have an approved Indian Housing Plan or IHP, and no other funds available in reserve or in LOCCS, you may request a proportionate advance on your estimated formula amount which is equal to 51/365’s of your grant amount, but no more than the first quarter’s estimated allocation. All Interim Funding requests should be sent to your GM specialist who can verify whether a Grantee has any money left in LOCCS and that there is an approved IHP on file and give you further instructions on how to apply for Interim funding.

**Grant Releases.** Currently EWONAP does not have any detailed information on when the Indian Housing Block Competitive Grants will be issued other than ONAP HQ hopes to release the applications in December. Similarly, the Indian Housing Community Development Block Grant of ICDBG 2020 NOFA is awaiting approval from the Office of Management and Budget or OMB. Once they approve it, it is rechecked by ONAP and scheduled for publication in the Federal Register. Therefore, it is likely that the IHBG Competitive Grants will be awarded prior to the time for applications for the ICDBG FY 2020 NOFA coming due. This means that Grantees who did not get Competitive Grants will be able to focus their attention on the ICDBG process.

In closing, remember that every time you eat corn, turkey, tomatoes, potatoes, squash, yams, or carve a pumpkin or have a pumpkin spiced Latte’ to name a few, you are sharing in the contributions of Native Americans to the world.

Happy Holidays!

Mark Butterfield, Administrator
Eastern Woodlands Office of Native American Programs

THE NATIONAL INDIAN COUNTRY TRAINING INITIATIVE, IN PARTNERSHIP WITH AEQUITAS, IS HOSTING THE NATIONAL INSTITUTE ON THE PROSECUTION OF SEXUAL VIOLENCE IN INDIAN COUNTRY (NIPSVIC), A 3.5-DAY COURSE DESIGNED TO CHALLENGE PARTICIPANTS TO REEVALUATE THEIR APPROACH TO PROSECUTING SEXUAL VIOLENCE CRIMES.

WHAT: The National Indian Country Training Initiative, in partnership with AEquitas, is hosting the National Institute on the Prosecution of Sexual Violence in Indian Country (NIPSVIC), a 3.5-day course designed to challenge participants to reevaluate their approach to prosecuting sexual violence crimes.

WHY: The NIPSVIC will explore the complex issues faced by prosecutors in balancing offender accountability and the impact of criminal prosecution on victims. All travel related expenses will be covered by the Department of Justice’s Office of Legal Education. In addition to practical case evaluation and litigation skills, the curriculum will examine the benefits of developing a coordinated, victim-centered community response; explain common injuries and relevant medical evidence, and offer guidance on the use of medical experts; explore ethical issues confronted by prosecutors; address the development and improvement of culturally-sensitive victim services; and offer prosecutors the ability to redefine outcomes and the very nature of justice in sexual violence cases. The NIPSVIC will offer hypothetical case problems, role-playing exercises, small group discussions, mini-lectures, and faculty demonstrations. Rather than merely attending a series of legal lectures, participants will examine their current attitudes and practices by employing active case evaluation, preparation, and trial skills to respond to sexual violence in the varied contexts in which it occurs.

WHEN: January 14-17, 2020

WHERE: U.S. Department of Justice National Advocacy Center
1620 Pendleton St.
Columbia, SC 29201

WHO: The highly interactive format enables prosecutors from different jurisdictions, with varied levels of experience, to learn from one another and engage in "real-life" scenarios that are readily transferable to their everyday work.

SAVE THE DATE!

We’re heading to San Antonio, TX, for the 20th Annual Travois Indian Country Affordable Housing & Economic Development Conference on Tuesday, March 31-Thursday, April 2, 2020. This one-of-a-kind educational conference provides help for tribal entities interested in securing funds for affordable housing and economic developments in Native communities. We share tips and tools for using the Low Income Housing Tax Credit (LIHTC) program and the New Markets Tax Credit (NMTC) program and other financing sources like impact investments, grants and more. These two federal tax credit programs have directly led to more than $1.4 billion of new and rehabilitated homes, businesses and services in Indian Country.

Travois staff, experienced tribal developers and industry partners will share best practices on how to move developments forward — planning, securing financing, architectural design, construction monitoring, asset management and compliance and more.

Outstanding industry professionals who are making a difference in Native communities will be recognized at the Superhero Awards ceremony, and we will celebrate Travois 25th anniversary!

Registration will open this winter. Save the date and join us in San Antonio!

The Section 184 Indian Home Loan Guarantee Program is a home mortgage specifically designed for American Indian and Alaska Native families, Alaska Villages, Tribes, or Tribally Designated Housing Entities. Section 184 loans can be used both on and off native lands for new construction, rehab, the purchase of an existing home, or for refinancing.

Section 184 is synonymous with home ownership in Indian Country. As of March 2016, the Section 184 program has guaranteed over 33,728 loans, which represents over $5.4 billion dollars in guaranteed funds.

Within the Eastern Woodlands region, over 3,938 loans have been made bringing $565 million in private capital directly to Tribal Members. Tribes and TDHEs can also use Section 184 loans to achieve their housing development goals. Some benefits include:

- Low residential mortgage interest rates
- Lower monthly fees than standard PMI
- One time loan guarantee fee (1.5%)
- May utilize up to 15% of loan funds for site infrastructure costs
- Low down payment
- No household income restrictions
- Buy, Rehab, Refi or Build
- Finance up to 20 units at a time.

HUD ONAP Title VI Loan Guarantee Program

Title VI loans enable Indian Housing Block Grant recipients to leverage up to 5 times their IHBG ‘Need’ funding to finance affordable housing development by pledging future IHBG grant funds as security for repayment of the loan. A private lender provides the financing and HUD provides the guarantee to the lender. To visit the Title VI website, click here. ONAP’s Office of Loan Guarantee has advised that Title VI loans are limited this fiscal year, so the first funded loans will go to applicants whose loan package is the most complete first. For more information on the Section 184 or Title VI Program, contact Kimberly McMorris at Kimberly.N.McMorris@hud.gov or 312.913.8626.
