White House Tribal Nations Summit. As you may have seen in the news, the White House Tribal Nations Summit will be held on November 15 - 16, 2021. HUD Secretary, Marcia Fudge, will be participating in the event to provide updates on ONAP’s programs and progress in Indian Country.

Veterans Day. This year, Veterans Day is on a Thursday, November 11th. It is a time we honor those who served in the Armed Forces of the United States. As most know, Native Americans and Alaska Natives serve in the Armed Forces in higher proportion to their numbers in the population than any other ethnic group. For Native Americans are deeply rooted to the land and have always defended it. Recently, a PBS special about veterans mentioned a veteran who was Northern Cheyenne. He said it was part of his culture as it is for many Native Americans. At one point, he told a story of he and a group of Native soldiers drumming in one of Saddam Hussein’s palaces and a group of Ugandan soldiers took notice because they too were people of the drum. The drum reflects the heartbeat of our mothers and of mother earth. So let us take time out on Veterans Day to reflect on why we have veterans and others who protect the land. We at ONAP help to provide homes for those veterans through our regular programs and especially through Tribal HUD-VASH. It is part of our job to help those who have protected us from harm, at home and abroad.

The Indian Community Development Block Grant [ICDBG] NOFO applications have been received with over 151 applications Nationwide received prior to the due date of October 25, 2021. Of these only 15 were received for the Easter Woodlands Region. The Rating and Ranking will occur later this year and results are expected to be announced January 29, 2022.

November is always a busy holiday month in the upper Midwest with Veterans Day, Thanksgiving and deer hunting season. All three states of Minnesota, Wisconsin and Michigan have gun deer seasons during or near Thanksgiving week. Many of the Southern states also have deer season in November as well. Bow hunting often extends around gun season and many Tribal employees take time off to go hunting, leaving fewer people to answer emergency and regular maintenance calls. It is always a good practice to have someone on call during this time to address emergencies.

November is also a time to prepare for Winter as snow has been reported in the northern parts of the Midwest. This means changing furnace filters, doing checkups on furnaces, attaching plows to trucks, reviewing snowplow policies, stocking up on sand and ice melt for elders’ walkways and driveways and basically being prepared. All of us at Eastern Woodlands wish you the best during this holiday season.

Respectfully,
Mark Butterfield, EWONAP Administrator
EWONAP REGIONAL NEWS

TRIBAL PROFILE:
HO-CHUNK NATION

BRIEF HISTORY:
The name, Ho-Chunk, originated from the word, Hochungra, which means “People of the Big Voice” or “People of the Sacred Language.” The Ho-Chunk Nation was also formerly known as the Wisconsin Winnebago Tribe. It was one of five tribes that was part of the Winnebago before it was separated when they were forced to relocate to a reservation in Minnesota, and thereafter, to their current reservation in Nebraska. Not well known is that the current Missouri-Otoe began as an off-shoot of the Winnebago. The Ho-Chunk Nation does not have a reservation in Wisconsin, but it has portions of that land in the state that have the “reservation” status. All the lands they currently hold in Wisconsin where tribal lands that they had previously owned but had to repurchase. Language is the Ho-Chunk language, which is a Chiwere-Winnebago language and part of the Siouan-Catawban language family and one translation of Ho-chungra means “People of the Parent speech”.

MISSION:
The mission of the Ho-Chunk Housing and Community Development Agency is to foster a strong, healthy community of which Ho-Chunk Nation members can be proud – through providing members with quality, affordable housing and programs that help meet the Ho-Chunk Nation’s social, cultural, and community needs.

NAME OF RESERVATION: The Ho-Chunk Nation

LOCATION:
Present location: The Ho-Chunk Nation, although headquartered in Wisconsin, does not have a distinct reservation but has communities that are scattered across Minneapolis, Madison, Milwaukee, and Chicago. These are where a majority of its tribal members live. Counties are Shawano, Portage, Wood, Clark, Eau Claire, Jackson, Trempealeau, La Cross, Monroe, Juneau, Adams, Sauk, and Dane

DEMOGRAPHICS:
- Population: 6,563 enrolled tribal members in 2010
- Age: 17 and under = 1,975 members; 18 – 64 = 4,795 members; 64 and older = 3,547 members
- Housing Base: the Ho-Chunk Nation does not have a defined reservation but has trust land in Jackson County and around most of its village sites including Blue Wing, Nekoosa, Wittenberg, and three villages in the Wisconsin Dells area, in addition to Nature reserves in Baraboo and Juneau County.
- HCN Trust land acreage is 3,535
- HCN fee simple acreage is 5,328

**HUD Publishes Indian Housing Block Grant (IHBG) Competitive Program Notice of Funding Opportunity (NOFO)**

The U.S. Department of Housing and Urban Development (HUD) has published the FY21 Notice of Funding Opportunity (NOFO) for the Indian Housing Block Grant (IHBG) – Competitive Grant Program. It announced the opportunity to apply for approximately $95 million in competitive grants to eligible Indian tribes and tribally designated housing entities (TDHEs). This program provides competitive grant funding to Tribes and TDHEs to carry out affordable housing activities for the benefit of low-income Native American families. In accordance with the FY21 Consolidated Appropriations Act, HUD will prioritize grant applications that spur housing construction and rehabilitation.

In addition to the IHBG Competitive Grant, the HUD Office of Native American Programs (ONAP) has several funding opportunities open at this time. HUD recognizes the many challenges faced by Tribes and TDHEs during the ongoing COVID-19 National Emergency. Therefore, HUD is providing a longer application period for the IHBG Competitive Grant to allow applicants additional time to develop and submit applications, as well as coordinate and maximize funding opportunities. Therefore, applicants will have until **11:59:59 PM EST on December 1, 2021**, to submit applications.

**Dear Tribal Leader Letter**

**FY21 IHBG-Competitive NOFO**

**Tribal Housing and Urban Development-Veterans Affairs Supportive Housing (Tribal HUD-VASH) Expansion Program – Notice of Funding Opportunity (NOFO)**

HUD is pleased to announce that the U.S. Department of Housing and Urban Development (HUD) has published a second NOFO for the Tribal HUD-VASH Expansion program. This NOFO announces the availability of approximately $2.2 million for competitive grants to eligible Indian tribes and tribally designated housing entities (TDHEs).

This is an exciting opportunity to fund rental assistance for Native American Veterans who have answered our Nation’s calls to serve and are homeless or at risk of homelessness. Tribal Nations work hard every day to assist Native Americans Veterans with finding a safe place to call home. I strongly encourage you to apply, and to take advantage of the training opportunities.

The deadline to submit applications is **January 18, 2022, at 11:59:59 p.m. Eastern Time**. To apply, please visit grants.gov and search by using the keyword ‘VASH’. All interested applicants are encouraged to participate in Tribal HUD-VASH trainings, which HUD will announce in the near future. All program updates and training materials will be made available on Codetalk.

Thank you for your interest in the expansion of the Tribal HUD-VASH program and for your continued partnership in serving Indian Country. If you have questions about the NOFO, please email TribalHUDVASH@hud.gov or contact your Area Office of Native American Programs.

Section 184 is synonymous with home ownership in Indian Country. As of March 2016, the Section 184 program has guaranteed over 33,728 loans, which represents over $5.4 billion dollars in guaranteed funds.

Within the Eastern Woodlands region, over 3,938 loans have been made bringing $565 million in private capital directly to Tribal Members. Tribes and TDHEs can also use Section 184 loans to achieve their housing development goals. Some benefits include:

- Low residential mortgage interest rates
- Lower monthly fees than standard PMI
- One time loan guarantee fee (1.5%)
- May utilize up to 15% of loan funds for site infrastructure costs
- Low down payment
- No household income restrictions
- Buy, Rehab, Refi or Build
- Finance up to 20 units at a time.

HUD ONAP Title VI Loan Guarantee Program

Title VI loans enable Indian Housing Block Grant recipients to leverage up to 5 times their IHBG ‘Need’ funding to finance affordable housing development by pledging future IHBG grant funds as security for repayment of the loan. A private lender provides the financing and HUD provides the guarantee to the lender. To visit the Title VI website, click here. ONAP’s Office of Loan Guarantee has advised that Title VI loans are limited this fiscal year, so the first funded loans will go to applicants whose loan package is the most complete first. For more information on the Section 184 or Title VI Program, contact Kimberly McMorris at Kimberly.N.McMorris@hud.gov or 312.913.8626.
