To preserve HUD's legal rights and defenses, this explanation as to compliance with those injunction orders is provided. For grantees who are plaintiffs covered by those orders or for non-plaintiff grantees who are otherwise covered by those orders, be advised that HUD will comply with all applicable injunction orders and will not implement or enforce the enjoined terms consistent with those orders while those orders are in effect. This will include HUD disregarding any "certifications" or "compliance" statements as covered by those orders. Please be further advised that should the injunction order that currently prohibits HUD from enforcing the enjoined terms as to your grant or award be stayed, dissolved, or reversed, the agreement, the enjoined terms will become effective. HUD recognizes that some federal courts have issued injunction orders which impact certain Federal Award/Grant Agreement(s). To preserve HUD's legal rights and defenses, this explanation as to compliance with those injunction orders is provided. For grantees who are plaintiffs covered by those orders or for non-plaintiff grantees who are otherwise covered by those orders, be advised that HUD will comply with all applicable injunction orders and will not implement or enforce the enjoined terms consistent with those orders while those orders are in effect. This will include HUD disregarding any "certifications" or "compliance" statements as covered by those orders. Please be further advised that should the injunction order that currently prohibits HUD from enforcing the enjoined terms as to your grant or award be stayed, dissolved, or reversed, the agreement, the enjoined terms will become effective. If you have any questions, please contact us at t PHFundingBranch@hud.gov.
