Native Advantage Update

Dear Section 184/184A Lenders and Servicers,

There has been an unanticipated delay with the launch of the *Native Advantage* platform and the *Native Advantage* Claims Module 1.0. We will continue to keep you informed of further developments.

In anticipation of the eventual release, if you are eligible and have not already done so, please remember to sign-up for access to Claims Module by completing the attached [Native Advantage Claims Module User Access Request Form](#) and emailing it to ONAP-OLGSystemsAccess@hud.gov. Claim types included in the Claims Module 1.0 are: Conveyance – Parts A & B, Assignment, Supplemental Claims, Claims Without Conveyance of Title (CWCOT), Pre-foreclosure Sale (PFS) claims, Special Forbearance and Loan Modification.

Sincerely,
