Section 184 Indian Housing Loan Guarantee Program Policy Handbook Feedback Sheet

On June 3, 2024, the Office of Native American Programs published a revised Feedback Sheet on the Office of Loan Guarantee [Drafting Table](#) web page.

The revised Feedback Sheet is in Microsoft Word format. The prior Feedback Sheet was an Excel document, which made it difficult for stakeholders to type comments into the Excel cells.

Additionally, the revised Feedback Sheet instructions contains instructions stating all stakeholders, and not just Tribes or Tribally Designated Housing Entities, may use the form to submit comments.
