PROGRAM: All Programs of the Office of Native American Programs

FOR: Tribal Government Leaders and Tribally Designated Housing Entities

FROM: Heidi J. Frechette, Deputy Assistant Secretary for Native American Programs, PN

TOPIC: Process for Repayment of Federal Funds

PURPOSE: The purpose of this guidance is to inform tribes and tribally designated housing entities (TDHE) that the Federal Government no longer accepts checks, wire transfers, or credit cards for repayment of Federal debt; instead, any repayment of Federal funds must be made through Pay.gov — a secure, online system operated by the U.S. Treasury. This guidance provides the step-by-step procedure for making a repayment to the U.S. Treasury and replaces Program Guidance 2010-03.

BACKGROUND: The repayment of funds back to HUD may be for a variety of reasons, including but not limited to questioned costs, the over-allocation of grant funds, unallowed use of program income, the return of unexpended grant funds, grant termination, excess Line of Credit Control System withdrawals, Indian Housing Block Grant (IHBG) funds invested for more than 5 years plus interest earned, or due to an enforcement action. Pay.gov repayments can be made to HUD using a U.S.-held bank account (through ACH Debit), a debit card, or with a digital wallet, such as PayPal or Amazon Pay.

Pay.gov accepts repayment of IHBG, IHBG Competitive, Indian Community Development Block Grant (ICDBG), ICDBG Imminent Threat, ICDBG Mold, or Tribal HUD-VASH funds to the Federal Government using the Internet. If the internet is not available, the recipient should contact its Area Office of Native American Programs (Area ONAP) for assistance.

REPAYMENT PROCEDURE: The following process must be used for repayment of funds.

If making a one-time repayment, a recipient has the option of setting up a Pay.gov account or may proceed without a registered account. However, it is recommended that a recipient with a repayment plan set up an account in order to streamline and simplify future repayments. Instructions for creating an account are provided below.
To make a one-time repayment, follow the steps described below.

2. Click *Find an Agency*.

3. Scroll down and click *Housing and Urban Development: Office of Native American Programs*.

4. Click *Continue* on the ONAP Grant Repayment screen.
5. A screen view illustrates the six steps for using Pay.gov and shows that repaid funds will be drawn from a bank account. Click *Continue to the Form*.

6. Complete all data entry fields on the HUD - ONAP Grant Repayment Transmittal and click *Continue*. (*Pop up messages will appear if further data entry or corrections are required*).
7. The next screen view displays data already entered. Use the drop-down menu to select the account type from which the repayment will be drawn: Business Checking or Business Savings. Enter the routing and account numbers associated with the account. When finished with data entry, click Review and Submit Payment.
