INTRODUCTION
SECTION I – INTRODUCTION

A. Overview of the Orlando Housing Authority’s (OHA) Short-Term and Long-Term Goals and Objectives

MTW Activities

As a MTW agency, the OHA is allowed to modify certain requirements to achieve one or more of the following MTW statutory objectives:

1. Reduce cost and achieve greater cost effectiveness in Federal expenditures;
2. Give incentives to families with children where the head of household is working, is seeking work, or is preparing for work by participating in job training, educational programs, or programs that assist people to obtain employment and become economically self-sufficient; and
3. Increase housing choices for low-income families.

In general, the OHA’s short term and long-term goals are to continue implementing the current MTW activities and uses of funds. One goal of the OHA is to reposition the OHA housing stock by demolishing the Lake Mann, Griffin Park, Ivey Lane, Reeves Terrace, Murchison Terrace, and Lorna Doone developments. The OHA has submitted applications to the Special Applications Center (SAC) with the intention of revitalizing those neighborhoods with innovative housing. The OHA may identify the need for changes to its ongoing MTW activities and uses of funds. If that is the case, the OHA will seek approval from HUD for any significant changes.

All activities and uses of funds are discussed, in detail, in the plan. In FY2021, the OHA is not proposing any new activities to the U.S. Department of Housing and Urban Development’s (HUD).

Activity 1: $225 Minimum Rent for Non-Elderly and Non-Disabled Households. The OHA modified this activity, in FY2020, from a $225 rent floor to a $225 minimum rent and added a minimum work requirement. Additional rent reform measures were proposed to simplify rent calculations, increase revenue for the OHA, and encourage self-sufficiency amongst the residents and participants. These new measures were implemented fall 2019.

Activity 2: Streamline the Recertification Process in the Public Housing and Housing Choice Voucher Programs has been fully implemented. One-third of the OHA’s population takes part in a full recertification, while the remaining two-thirds complete an annual update.

Activity 8: Project-Based Vouchers in OHA Owned Properties has been fully implemented and is currently in an ongoing progress of placement.

Activity 9: Establishment of an Agency-Wide $100 Minimum Rent. This activity is applicable to all households except non-elderly & non-disabled residents & participants, VASH, Tenant Based Rental Assistance participants (non-MTW), Tenant Based Rental Assistance participants (Activity 10), and Antioch residents (non-MTW). It has been fully implemented. Other rent reform measures were proposed, in FY2020, to simplify rent calculations and increase revenue for the OHA. These new measures were implemented fall 2019.

Activity 10: Tenant-Based Voucher Homelessness Prevention Program has been implemented and progress is being made.

Activity 11: The Project-Based Homeownership Program, which is a Section 8 Project-Based Homeownership Program, begins with the development of 82 homeownership units at Carver Park. The City of Orlando is constructing 41 homes, and the OHA is constructing the other 41 homes. Planning is currently underway.
Activity 13: Streamlined Public Housing Inspections allows the OHA to inspect the public housing units of those residents that are due for their triennial recertification. The OHA looks forward to the implementation of this activity and the opportunity to evaluate how it assists the OHA in meeting MTW objectives.

Non-MTW Activities

The OHA administers several non-MTW programs. Such programs include, but are not limited to, the following:

1. Vouchers for non-elderly persons with disabilities (NED),
2. HUD Veteran Affairs Supportive Housing (VASH) vouchers,
3. Vouchers for single-room occupancy (SRO),
4. Family unification vouchers (FUP),
5. Resident opportunities and supportive services (ROSS),
6. Family self-sufficiency program (FSS),
7. Non-public housing or Housing Choice Voucher (HCV) units,
8. Administration of the Sanford Housing Authority (SHA) by way of an interlocal agreement, and
9. Administration of OHA vouchers in the Sanford jurisdiction.

These programs are essential in their support and assistance to residents and participants that are not involved in MTW activities. For uniformity, the OHA received HUD approval to extend the MTW flexibilities to the Orlando Housing Authority Special Purpose Vouchers in the Sanford jurisdiction. The OHA is now able to apply these flexibilities to its Single Room Occupancy (SRO) program, as well.

The OHA’s non-public housing complexes are located at West Oaks Apartments (180 one and two bedroom units) and Antioch Manor (a project-based section 202 property consisting of 101 units for the elderly). The OHA’s other non-public housing unit is the 75 unit Jackson Court/Division Oaks Development, which is owned by Orlando Properties Inc. Jackson Court is a 58 unit, 3 story senior housing apartment complex with one bedroom units only. Division Oaks is a two story, 17 unit family apartment complex.

In addition, the OHA maintains oversight of the Carver Park HOPE VI development, which includes The Landings at Carver Park and The Villas at Carver Park. The Landings at Carver Park is 56 units of affordable housing for families (26 tax credit units and 30 tax credit/public housing hybrid units). The Villas at Carver Park is a 64 unit tax credit/public housing apartment complex for the elderly.

The OHA’s long term plan for its non-MTW programs is to continue implementing the project-based voucher (PBV) activity at OHA owned sites. The OHA will also continue to manage its properties and to seek opportunities to increase its housing portfolio, so that additional affordable housing options are available to the community. In addition, the OHA is committed to improving the quality of housing to its residents as funding permits.

Lift Orlando, a local non-profit organization whose mission is to break the cycle of poverty through neighborhood revitalization, has partnered with the OHA to redevelop Orlando’s Washington Shores community – Pendana, formerly The Villages of West Lakes. Now Washington Shores includes the OHA’s Lake Mann Homes and Lorna Doone Apartments. Lift Orlando has embarked on the redevelopment of a significant area of blighted housing west of downtown Orlando. The OHA is partnering by providing 20 project-based vouchers for low-income families and 24 PBVs for seniors to improve affordability.

Project-Based VASH

The OHA will project-base forty-five (45) Veterans Affairs Supportive Housing (VASH) vouchers at select locations within Orange and Seminole Counties. The OHA will collaborate with viable partners in the community to execute this initiative with the purpose of housing difficult to place homeless veterans.
Rental Assistance Demonstration Program
The OHA received approval from HUD for a Rental Assistance Demonstration (RAD) Portfolio Award for the Citrus Square public housing site in March 2015; Citrus Square Apartments is the only OHA RAD property. Although, the OHA applied for and was awarded HUD RAD applications at other OHA properties, the OHA decided not to pursue RAD conversions at any of its approved properties.

Citrus Square Apartments
Citrus Square Apartments, built in 1982, is an 87 unit, multi-family property comprising 45 buildings situated on 10 acres in east Orlando. The OHA submitted a RAD application in December 2013 to convert units at Citrus Square to Project Based Vouchers (PBV) under the RAD program. HUD issued a RAD CHAP (Commitment to Enter into a Housing Assistance Payment) in March 2015.

The Citrus Square RAD Conversion closed on December 28, 2017. Ovation Housing LLLP owns Citrus Square, and Stephenson and Moore, Inc. manage the property. As of August 2019, the occupancy rate is 99%. The Citrus Square office is under construction and should be completed fall 2019.

Sanford Housing Authority (SHA)
The OHA continues to manage the Sanford Housing Authority (SHA). The goals and objectives for the SHA are to redevelop its former public housing sites. In FY2019, the OHA and SHA broke ground on the new Georgetown Square in Sanford. Construction should be completed sometime during FY2021. Additionally, the OHA and the SHA will continue looking at other opportunities that lay the foundation for the redevelopment of the former public housing sites.

Planned Changes to the MTW Housing Stock Anticipated During the Plan Year

During the fiscal year, units may be offline due to VCA modifications, and at times, the number of offline units could be high, which would impact the OHA’s overall housing stock.

The OHA executed a Section 504 and a Section 3 Voluntary Compliance Agreement (VCA) with HUD in April 2015. The VCAs’ duration is for a minimum of three years. The agreements include but are not limited to the following highlights:

Section 504 VCA
- Hire a 504/ADA/Reasonable Accommodation Coordinator (complete)
- Construct or convert a minimum of 5% or 76 public housing units into UFAS-accessible units. The construction ranges from minor or moderate modifications to major rehabilitation.
- Modify existing policies; specifically resident transportation, effective communication, transfers, service/emotional support animals, and reasonable accommodations.
- Supplement OHA’s existing educational program to improve employees’ ability to understand disability related laws.
- Provide initial and refresher notices to head of households describing the Agreement. Also provide copies of the Agreement to each manager and duly elected Resident Council.

Section 3 VCA
- Hire a Section 3 Coordinator (complete)
- Supplementation of the already existing Section 3 Plan.
- Supplementation of the staff educational program related to the requirements of Section 3.
- Providing training for all current and new employees who are responsible for any Section 3 activities.

On November 13, 2017, the OHA executed an Amended Section 504 Agreement. The term of the Amended Section 504 Agreement is for a minimum of 5 years. The Amended Section 504 Agreement includes but is not limited to the following highlighted requirements:

- Modification of the OHA reasonable accommodation policy and procedures.
- Notifying residents and participants of delays in processing reasonable accommodation requests.
- Tracking implementation dates of approved reasonable accommodations.
- Engaging in the interactive process with Section 8 landlords to facilitate the implementation of approved reasonable accommodations.
- Reviewing the public housing Needs Assessment submitted to FHEO on December 1, 2015 to ensure that any outstanding items have been addressed. Conduct a new Needs Assessment of the Section 8 program.
- Modify the letter sent to applicants in regard to their status on the wait list.

General Description of All Planned Capital Expenditures During the Plan Year

The OHA plans to reposition six of its properties: Griffin Park, Lake Mann, Lorna Doone, Murchison Terrace, Ivey Lane, and Reeves Terrace. This will entail demolition, relocation of the residents, and the redevelopment of the properties. The OHA plans to continue to address its health and safety needs at its public housing sites.

The OHA will continue to use Capital Funds in FY2021 to retrofit units to meet VCA/ADA/UFAS requirements at many of its properties.

### Discussion of Any Anticipated Issues/Possible Solutions Related to Leasing

#### Housing Program

- **Public Housing**: The OHA is repositioning a significant portion of its public housing stock. This process will take a number of years. Once the OHA receives SAC approval for demolition, residents will only be leased up at sites that are not scheduled for repositioning. Public housing units, at sites schedule for demolition, may be held as a result. The OHA’s public housing lease rates may decline.

- **Housing Choice Voucher (HCV)**: Funding is a potential issue for the HCV program. Funding levels from HUD have continued to be below the amount needed to fund the program. The OHA may not have enough administrative support to comply with HUD’s leasing requirements. The OHA has increased the flexibility of its HCV occupancy standards to be the same as public housing’s minimum and maximum number of persons per bedroom for all bedroom sizes as a remedy to some of its leasing challenges.

  Finding owners willing to rent to HCV participants is another issue. The OHA will offer increased payment standards (up to 120% of the Fair Market Rent) for disabled participants who are having difficulty finding units within the regular payment standard. The OHA is currently looking to employ a Landlord Outreach Specialist to assist finding HCV owners who will rent to OHA clients.

SECTION III
PROPOSED ACTIVITIES
SECTION III – PROPOSED MTW ACTIVITIES

No proposed activities.
SECTION IV
APPROVED ACTIVITIES:
HUD APPROVAL PREVIOUSLY GRANTED
SECTION IV - APPROVED MTW ACTIVITIES: HUD APPROVAL PREVIOUSLY GRANTED

A. Implemented Activities

Activity 1: $225 Minimum Rent for Non-Elderly and Non-Disabled Households

Approval & Implementation Year: Activity 1 was first approved in FY2012. The phased-in implementation began in the Initial Demonstration Period. Activity 1 was reformed, re-proposed, and approved in FY2020. The phased-in implementation began in FY2020.

Description: The OHA implemented a self-sufficiency rent floor of $225 for public housing and HCV households that are not elderly and not disabled. A referral to the MTW Resource Center, for these households not paying the minimum $225 rent floor, was also implemented. The implementation of the $225 rent floor provides hardship exceptions linked to self-sufficiency activities. The MTW Resource Center provides self-sufficiency services including, but not limited to, case management, needs assessments, employability counseling, and job referral/placement assistance services for a maximum of two years for each adult referred. Use of a computer lab, transportation (bus passes), and childcare assistance is provided to help participants secure and maintain employment. The OHA monitors the progress of households subject to the rent floor relative to accomplishing the goals identified in their self-sufficiency plan until sufficiency is reached. Residents and participants that are unable to pay the rent floor or attend the Resource Center may seek hardship relief.

In FY2020, the OHA re-proposed Activity 1. The OHA modified the activity from a $225 rent floor to a $225 minimum rent and added a minimum work requirement. Additional rent reform measures, such as the elimination of all household deductions and a standard utility allowance based on bedroom size, were also added to simplify rent calculations, increase revenue for the OHA, and encourage self-sufficiency amongst the residents and participants.

Status: Partially implemented. This new rent policy will be fully implemented over a period of three (3) years. New rents will be calculated at the full triennial recertification of each resident and participant beginning in the fall of 2019.

Planned Non-Significant Changes: Due to the change from the $225 rent floor to $225 rent minimum, the OHA must add another self-sufficiency definition. The OHA currently defines self-sufficiency as being able to pay the $225 rent floor. The OHA is adding the following self-sufficiency definition “Heads and/or co-heads of households that are employed at least 28 hours a week or 20 hours a week if a full-time student.” Households will be referred to the MTW Resource Center if not employed by April 1, 2020, not employed the minimum number of hours (28 hrs/wk or 20 hrs/wk if full-time student), or experiencing an employment related hardship.

Planned Changes to Metrics/Data Collection: OHA does not anticipate changes to the metrics, baselines or benchmarks during the Plan year.

Planned Significant Changes: None.
Activity 2: Streamline the Recertification Process in the Public Housing and Housing Choice Voucher Programs

Approval & Implementation Year: Activity 2, in its current form, was approved in FY2015 (November 2014). The phased-in implementation began in FY2015.

Description: The OHA is streamlining the recertification process in the public housing and HCV programs by conducting recertification of all residents and participants every three years (triennial). This means that every three years, residents and participants will come into the office to conduct the traditional recertification with the exception of a modified 3rd party verification and $25,000 asset disregard.

The streamlined recertification began in 2015. The OHA recertified one third of all residents and participants in FY2015, one-third in FY2016, and the last one-third in 2017. In 2018, the OHA will recertify another one-third of its residents and participants. Thereafter, the OHA proposes to implement this activity by recertifying one third (1/3) of its full population each year.

In its FY2016 MTW Plan, the OHA received HUD approval to apply all aspects of this activity to NED, FUP, VASH and OHA Special Purpose vouchers. In FY2017, the OHA sought to modify this activity to add its Single Room Occupancy (SRO) voucher program, which was approved. The OHA applied this change in FY2018.

Due to the extended recertification period, the OHA has created a local form 9886, Authorization for Release of Information. The local form captures the same information as the HUD form 9886 except that the resident/participant’s consent for release of information will be extended from 15 months to 36 months as needed to update the resident/participant’s data between each triennial recertification.

OHA Annual Online Updates
In the years when residents and participants do not have their scheduled recertification, they will have an annual online update. The OHA will use this as an opportunity to conduct an audit to review the household composition, tax return, and criminal background check. During the annual online update, the OHA will recalculate rent in the following circumstances:

1. If the total tenant payment (TTP) increases or decreases by $100 or more
2. If the family size/household composition changes in such that a person with new income is added to the household
3. Hardships
4. Criminal background checks leading to termination
5. Reasonable Accommodations

OHA Elimination of Interim Recertifications
The OHA will continue to streamline the recertification process by eliminating interim recertification completely except for hardships, audits (including criminal background checks, change in family size/household composition1), and reasonable accommodations for all residents and participants.

Flat Rent
The OHA public housing residents are granted the ability to choose the Flat Rent Option twice per year rather than annually.

Status: Implemented. Triennial recertifications are underway for both HCV and public housing. The HCV program now offers participants the option to go online or call to schedule an appointment with an eligibility specialist. Public Housing plans to offer residents the option to schedule appointments online or by phone but currently utilizes the traditional method of issuing appointment dates and times by mail. The OHA has added its Single Room Occupancy (SRO) voucher program to this activity.

The triennial reexaminations groups are as follows:

<table>
<thead>
<tr>
<th>GROUP</th>
<th>RESIDENT/PARTICIPANT CATEGORY</th>
</tr>
</thead>
<tbody>
<tr>
<td>Group 1</td>
<td>Elderly/disabled residents/participants</td>
</tr>
<tr>

<td>Residents/participants with anniversary dates between April 1 - September 30</td>
</tr>
<tr>
<td>Group 3</td>
<td>Residents/participants with anniversary dates between October 1 - March 31</td>
</tr>
</tbody>
</table>

The triennial schedule will remain the same; however, elderly and disabled residents/participants with fixed incomes and flat rents will have a triennial reexamination only. They will not be subject to the annual online update.

The OHA has implemented annual online updates, which allows residents and participants to verify household composition, income and assets online. The updates include resident/participant submission of a personal declaration form, verification of IRS tax filing, and other documents. For residents and participants without computer access, the OHA provides computers at two locations.

The OHA implemented a recertification unit, whereby the OHA employees are cross-trained to administer both public housing and HCV recertifications.

Planned Non-Significant Changes: None.

Planned Changes to Metrics/Data Collection: The OHA does not anticipate changes to the metrics, baselines or benchmarks during the Plan year.

Planned Significant Changes: None.

---

1 The OHA MTW FY2015 Plan states that interims would be eliminated completely except for...decreases in family size...Upon further consideration, OHA decided to revert to its previous practice of conducting interims when there is a change in family size/household composition.
Activity 6: Provide up to 50 One and Two Bedroom Units and Supportive Services at West Oaks Apartments for up to 24 Months for Homeless Individuals

Approval & Implementation Year: Activity 6 was first approved in FY2012. The phased-in implementation began in September 2013.

Description: The OHA is providing up to 50 project-based vouchers for one and two bedroom units at West Oaks Apartments without a competitive process. This transitional housing will be available to agencies that commit to provide supportive services to homeless individuals for up to 24 months.

Status: Implemented. HUD has approved all 50 project-based vouchers to be used in coordination with homeless service providers. At the end of FY2019, 75 vouchers have been or were in use on a rotating basis.

Planned Non-Significant Changes: None.

Planned Changes to Metrics/Data Collection: OHA does not anticipate changes to the metrics, baselines or benchmarks during the Plan year.

Planned Significant Changes: None.
Activity 8: Project-Based Vouchers in OHA Owned Units

Approval & Implementation Year: Activity 8 was first approved and the phased-in implementation began in FY2016.

Description: The OHA will project-base up to 20% or 538 of its available tenant-based section 8 vouchers at OHA owned units. HUD approved MTW flexibilities to allow the OHA to implement this activity without engaging in a competitive process. The OHA was also granted approval to conduct its own inspections and rent reasonableness functions.

The OHA is implementing its project-based voucher program at Jackson Court, Division Oaks, and West Oaks which are approved sites for the project-based voucher program. The vouchers at West Oaks will be in addition to the PBV vouchers discussed in Activity 6 (transitional housing for the homeless). Additionally, the OHA will build 41 (forty-one) homes on the undeveloped lots west of Westmoreland Drive at Carver Park. Five (5) of those homes will be sold through the OHA at market rate, and the remaining 36 (thirty-six) homes will be project-base voucher rentals.

Status: Implemented. At the end of FY2019, 74 PBVs have been or were in use on a rotating basis at Jackson Court and Division Oaks, and the OHA has yet to start development at Carver Park for the 36 PBVs. Although this activity contemplates that the OHA will develop new properties and/or acquire existing properties in which certain units will qualify for PBV, no additional properties are anticipated for this activity in FY2021.

Planned Non-Significant Changes: None.

Planned Changes to Metrics/Data Collection: The OHA does not anticipate changes to the metrics, baselines or benchmarks during the Plan year.

Planned Significant Changes: None.
Activity 9: Establishment of Agency-Wide $100 Minimum Rent

Approval and Implementation Year: Activity 9 was first approved and implemented in FY2016. Activity 9 was reformed, re-proposed, and approved in FY2020. The phased-in implementation began in FY2020.

Description: The OHA utilized its MTW flexibilities to establish a minimum rent that exceeds $50 for both the public housing and HCV programs. The OHA established an agency-wide minimum rent of $100 for public housing, HCV, TBRA, PBV, OHA Special Purpose vouchers, FUP, NED, Port-ins, and SRO. Each household shall pay rent of at least $100 after the provision of utility allowances.

Only VASH participants and homeless participants of the OHA Homelessness Prevention Program (Activity 10) are exempt from the $100 minimum rent. Participants with income pay a minimum rent of fifty dollars ($50.00), and participants with zero income pay zero dollars ($0.00).

In FY2020, the OHA received approval to further augment the $100 minimum rent. To simplify rent calculations and increase revenue for the OHA, all household deductions were eliminated and each household is given a standard utility allowance based on bedroom size.

Status: Partially implemented. This new rent policy will be fully implemented over a period of three (3) years. New rents will be calculated at the full triennial recertification of each resident and participant beginning in the fall of 2019.

Planned Non-Significant Changes: None.

Planned Changes to Metrics/Data Collection: The OHA does not anticipate changes to the metrics, baselines or benchmarks during the Plan year.

Planned Significant Changes: None.
**Activity 10: Tenant-Based Voucher Homelessness Prevention Program**

**Approval & Implementation Year:** Activity 10 was first approved and the phased-in implementation began in FY2016.

**Description:** The OHA and the City of Orlando are partnering to administer a voucher program to address chronic homelessness as a part of the 25 Cities Initiatives. The Orlando Veteran’s Affairs Medical Center is also a participant. Chronic homelessness is defined as adults with a disabling condition who have been continuously homeless for at least one year or have had four episodes of homelessness in the past three years. The disabling condition(s) limits an individual's ability to work or perform one or more activities of daily living and is defined as a diagnosable substance use disorder, serious mental illness, developmental disability or chronic physical illness.

In this activity, OHA is providing vouchers and the City of Orlando will provide services for approximately 150 chronically homeless persons identified by the City of Orlando. Depending on funding availability, the City of Orlando will provide approximately $4,000 in services annually per household served. The City of Orlando funding will be used to provide an estimated 10 case managers to handle an average of 15 clients per case manager. The City of Orlando will refer the chronically homeless persons under case management to OHA. Once confirmed eligible, these referrals will bypass the section 8 wait list and other eligibility criteria.

OHA will also partner with other agencies that can provide supportive services to increase OHA’s ability to house the chronically homeless.

**Status:** Implemented. At the end of FY2019, 8 participants had received vouchers and 24 participants, cumulatively, have been assisted over the life of this activity.

**Planned Non-Significant Changes:** None.

**Planned Changes to Metrics/Data Collection:** OHA does not anticipate changes to the metrics, baselines or benchmarks during the Plan year.

**Planned Significant Changes:** None.
B. Not Yet Implemented

**Activity 11: Project-Based Homeownership Program**

**Approval & Implementation Year:** Activity 11 was first approved in FY2018. The phased-in implementation has yet to begin as planning is still underway.

**Description:** The Orlando Housing Authority is implementing a Section 8 Project-Based Homeownership Program, over a ten (10) year period, with up to 82 homeownership units to be developed at Carver Park.

The OHA has partnered with the City of Orlando and other stakeholders to construct 82 homes at Carver Park. The site will be mixed-income: a number of homes sold will be affordable and a number of homes will be sold at market rate. OHA will provide monthly homeownership assistance to some or all of the affordable buyers. Below is the chart detailing the proposed plan.

Carver Park homeownership opportunities will be offered to the following eligible households:

1. Households that relocated from Carver Court as a part of the Uniform Relocation Act
2. Current OHA public housing/Section 8 participants
3. Applicants on the OHA public housing and Section 8 waiting lists
4. Households currently living in the Parramore area
5. Eligible OHA Employees - Excludes staff involved in the decision making process and contractors/subcontractors that have any direct or indirect interest (24 CFR 982.161) in accordance with the general procurement standards (2 CFR 200.318)

While a preference for homeownership placement will be given to the abovementioned households, the OHA will consider other low-income households that are not on the wait list but are ready for homeownership, in order to fulfill its commitment to the Carver Park Community. Additionally, the OHA may partner with The Orlando Chapter of the Urban League to gain access other qualified low-income households.
Status: The OHA has partnered with the City of Orlando Community Redevelopment Agency to construct 41 homes at Carver Park east of Westmoreland Avenue.

In November 2018, the OHA executed a Memorandum of Understanding (MOU) with the City of Orlando Community Reinvestment Authority (CRA) to complete the homeownership phase of the HOPE VI development east of Westmoreland Avenue. The MOU sets forth the general parameters for a formal agreement between the parties for construction and development of 41 homeownership units including between 13-19 homes affordable to low income purchasers. The OHA will provide homeownership counseling to the affordable homebuyers and may provide project-based vouchers (PBVs) in the form of mortgage subsidy or down payment assistance.

The OHA and CRA are negotiating a Master Developer Agreement (MDA) for completion of the forty-one homes east of Westmoreland Avenue. The MDA delineates the respective roles each shall have in the designing, permitting, financing construction and marketing of the forty-one homes.

The OHA will build 41 (forty-one) units on the undeveloped lots west of Westmoreland Drive. Five (5) of those homes will be market rate homes for sale; the remaining 36 homes will be project-based voucher rentals.

Timeline: None as of yet.

Planned Non-Significant Changes: None.

Planned Significant Changes: None.

Activity 13: Streamlined Public Housing Inspections

Approval & Implementation Year: Activity 13 was first approved in FY2019. The phased-in implementation has yet to begin.

Description: The OHA is streamlining inspections by conducting public housing unit inspections, by tenant, every three years (triennial) in tandem with triennial recertifications. Triennial inspections will replace annual inspections, and the OHA will provide strategic preventive maintenance at all properties throughout each year. Randomly selected units will be chosen, from the 2/3 of public housing populace that will not receive the triennial inspection that fiscal year, for inspection. Those inspections will include building exterior/systems and common areas at all public housing properties. When tenants move out, the OHA will continue to conduct inspections those units. Also, the OHA will continue to comply with all REAC inspections and conduct 100% pre-REAC inspections at each selected site annually.

Status: Not yet implemented. Due to a large number of REAC inspections at OHA properties, the OHA opted to inspect all public housing units during FY2019. The OHA plans to phase in implementation during FY2020.

Planned Non-Significant Changes: None.

Planned Changes to Metrics/Data Collection: OHA does not anticipate changes to the metrics, baselines, or benchmarks during the plan year.

Planned Significant Changes: None.
C. On Hold
No activities.

D. Closed Out Activities

Activity 3: Streamline the Rent Calculation Process in the Public Housing & Housing Choice Voucher Programs

Approval and Implementation Year: Activity 3 was first approved in FY2012. Implementation of Activity 3 began in FY 2013.

Year Activity was Closed Out: FY 2015.

There are no HUD Metrics for this activity because this activity did not reach the data collection phase.

Activity 4: Consolidation of Inspection and Recertification Requirements to Establish an Inspection Process Based on Geographic Location

Approval and Implementation Year: Activity 4 was first approved in FY2012. Implementation of Activity 4 began in FY2013 with the inspection process based on geographic location.

Reason for Closing Out Activity: A key part of Activity 4 was to have a unified public housing and voucher inspection mechanism based on HQS standards. Activity 4 was closed out because HUD would continue to undertake UPCS public housing REAC inspections, thereby effectively causing the OHA also to use UPCS inspections for public housing. The OHA’s basing of the inspection process on geographic location has been discontinued because inspection by geographic location would no longer efficient when the HQS standards could not be used for both public housing and section 8.

Year Activity was Closed Out: FY2014.

See FY2013 Report for the last activity 3 metrics.

Activity 5: Supporting up to 50 Homeowners for Six (6) Months Each by Providing Interim Financial Assistance (vouchers) and Counseling to Prevent Foreclosures

Approval & Implementation Year: Activity 5 was first approved in FY2012. The phased-in implementation began in FY2014.

Reason for Closing Out Activity: The climate for homeowners facing foreclosure had changed significantly from 2009, when this activity was first proposed. The OHA had identified a huge challenge in finding homeowners that will be “made whole” by providing six (6) months of financial assistance. Program revisions to provide a lump sum payment to the lender on behalf of an eligible program approved applicant to bring their mortgage loan current and move forward were not successful. The current households that met the eligibility requirements needed more money than the voucher program could offer.

Year Activity was Closed Out: FY2015.
See FY2014 Report for the last activity 5 metrics.

**Activity 7: Use of Project-Based Vouchers and Other Resources to Develop Low-Income City Donated Property for Low-Income Elderly Housing, in Conjunction with the Redevelopment of Jackson Court/Division Oaks**

**Approval and Implementation Year:** Activity 7 was first approved in FY2012.

**Reason for Closing Out Activity:** Activity 7 was closed out as it did not move beyond its planning stages. OHA and the City of Orlando unsuccessfully attempted to find land and funding for the redevelopment of Jackson Court/Division Oaks. Although OHA executed a Memorandum of Understanding with the Carver Theatre Developers (CTD), CTD’s inability to procure construction financing prevented the activity from moving forward.

**Year Activity was Closed Out:** FY2014.

**Activity 12: Tenant-Based Rental Assistance Program**

**Approval and Implementation Year:** Activity 12 was first approved and implemented in FY2018.

**Reason for Closing Out Activity:** This activity was a program in which the OHA would provide funds for the first month’s rent for homeless households and then receive a reimbursement from the City of Orlando. The OHA conducted a cost benefit analysis of this activity and concluded that the administrative burden of continuing this activity far outweighed the benefit to the community. The financial and human resources allocated to this activity could be better utilized elsewhere.

**Year Activity was Closed Out:** FY2018.

There are no HUD Metrics for this activity.

FY2021 Moving to Work (MTW) Annual Plan

*Line 97400 is a non-cash expense. Once removed, OHA’s total expenses are $38,801,206.

**General**
The OHA plans to reposition six of its properties: Griffin Park, Lake Mann, Lorna Doone, Murchison Terrace, Ivey Lane, and Reeves Terrace. This will entail demolition, relocation of the residents, and the redevelopment of the properties. The OHA plans to continue to address its health and safety needs at its public housing sites.

The OHA will continue to use Capital Funds in FY2021 to retrofit units to meet VCA/ADA/UFAS requirements at many of its properties.

**Describe the Activities that Will Use Only MTW Single Fund Flexibility**
In addition to the activities described above, OHA continues to use the MTW Single Fund Flexibility to support Uses of Funds A.

<table>
<thead>
<tr>
<th>Use of Funds A: Comprehensive One-Stop Self-Sufficiency Resource Center</th>

</table>
| Use of Funds Action A is to provide a Comprehensive One-Stop Self-Sufficiency Resource Center. The MTW Resource Center is linked to MTW Activity 1 – Phase in the implementation of a self-sufficiency rent floor of $225 for households that are not elderly and not disabled. The implementation of the rent floor includes a referral to the MTW Resource Center for non-elderly and non-disabled households not paying $225 at the time the rent floor is implemented. This activity has been modified from a $225 rent floor to a $225 minimum rent for households that are not elderly and not disabled. The implementation of the minimum rent now includes a referral to the MTW Resource Center for non-elderly and non-disabled heads or co-heads of households that are not employed by April 1, 2020, not employed the minimum number of hours (28 hrs/wk or 20 hrs/wk if full-time student), or experiencing an employment related hardship. The MTW Resource Center provides self-sufficiency services, including but not limited to, case management, needs assessments, employability counseling, and job referral/placement assistance services for a maximum of two years for each adult referred. Use of a computer lab, transportation (bus passes) and childcare assistance is provided to help participants secure and maintain employment. The OHA monitors the progress of households subject to the rent floor relative to accomplishing the goals identified in their self-sufficiency plan until self-sufficiency is reached.

In the past, the MTW Resource Center has partnered with a number of agencies to provide services to residents referred to the Resource Center. The Resource Center plans to continue to develop and foster relationships that will help the OHA’s residents and participants become more self-sufficient.

The MTW Resource Center will continue to establish relationships with employers to facilitate job referrals and consequently strengthen and/or build economic self-sufficiency for the OHA participants and residents. In addition, the Resource Center will extend its partnership with CareerSource (formerly Work Force Center Florida) to bring employability workshops to the Ivey Lane Homes site using its mobile unit.

OHA estimates $896,100 to be expensed for this endeavor.

Certifications of Compliance with Regulations:
Board Resolution to Accompany the Annual Moving to Work Plan

Acting on behalf of the Board of Commissioners of the Moving to Work Public Housing Agency (MTW PHA) listed below, as its Chairman or other authorized MTW PHA official if there is no Board of Commissioners, I approve the submission of the Annual Moving to Work Plan for the MTW PHA Plan Year beginning (04/01/2020), hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

(1) The MTW PHA published a notice that a hearing would be held, that the Plan and all information relevant to the public hearing was available for public inspection for at least 30 days, that there were no less than 15 days between the public hearing and the approval of the Plan by the Board of Commissioners, and that the MTW PHA conducted a public hearing to discuss the Plan and invited public comment.

(2) The MTW PHA took into consideration public and resident comments (including those of its Resident Advisory Board or Boards) before approval of the Plan by the Board of Commissioners or Board of Directors in order to incorporate any public comments into the Annual MTW Plan.

(3) The MTW PHA certifies that the Board of Directors has reviewed and approved the budget for the Capital Fund Program grants contained in the Capital Fund Program Annual Statement/Performance and Evaluation Report, form HUD-50075.1 (or successor form as required by HUD).

(4) The MTW PHA will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.

(5) The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.

(6) The Plan contains a certification by the appropriate state or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the MTW PHA's jurisdiction and a description of the manner in which the Plan is consistent with the applicable Consolidated Plan.

(7) The MTW PHA will affirmatively further fair housing by fulfilling the requirements at 24 CFR 903.7(o) and 24 CFR 903.15(d), which means that it will take meaningful actions to further the goals identified in the Assessment of Fair Housing (AFH) conducted in accordance with the requirements of 24 CFR 5.150 through 5.180, that it will take no action that is materially inconsistent with its obligation to affirmatively further fair housing, and that it will address fair housing issues and contributing factors in its programs, in accordance with 24 CFR 903.7(o)(3). Until such time as the MTW PHA is required to submit an AFH, and that AFH has been accepted by HUD, the MTW PHA will address impediments to fair housing choice identified in the Analysis of Impediments to fair housing choice associated with any applicable Consolidated or Annual Action Plan under 24 CFR Part 91.

(8) The MTW PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.

(9) In accordance with 24 CFR 5.105(a)(2), HUD's Equal Access Rule, the MTW PHA will not make a determination of eligibility for housing based on sexual orientation, gender identify, or marital status and will make no inquiries concerning the gender identification or sexual orientation of an applicant for or occupant of HUD-assisted housing.

(11) The MTW PHA will comply with the requirements of section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low- or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.

(12) The MTW PHA will comply with requirements with regard to a drug free workplace required by 24 CFR Part 24, Subpart F.

(13) The MTW PHA will comply with requirements with regard to compliance with restrictions on lobbying required by 24 CFR Part 87, together with disclosure forms if required by this Part, and with restrictions on payments to influence Federal Transactions, in accordance with the Byrd Amendment and implementing regulations at 49 CFR Part 24.
(14) The MTW PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.

(15) The MTW PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).

(16) The MTW PHA will provide HUD or the responsible entity any documentation needed to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58. Regardless of who acts as the responsible entity, the MTW PHA will maintain documentation that verifies compliance with environmental requirements pursuant to 24 Part 58 and 24 CFR Part 50 and will make this documentation available to HUD upon its request.

(17) With respect to public housing and applicable local, non-traditional development the MTW PHA will comply with Davis-Bacon or HUD determined wage rate requirements under section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.

(18) The MTW PHA will keep records in accordance with 24 CFR 85.20 and facilitate an effective audit to determine compliance with program requirements.

(19) The MTW PHA will comply with the Lead-Based Paint Poisoning Prevention Act and 24 CFR Part 35.

(20) The MTW PHA will comply with the policies, guidelines, and requirements of OMB Circular No. A-87 (Cost Principles for State, Local and Indian Tribal Governments) and 24 CFR Part 200.

(21) The MTW PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approvable under the Moving to Work Agreement and Statement of Authorizations and included in its Plan.

(22) All attachments to the Plan have been and will continue to be available at all times and all locations that the Plan is available for public inspection. All required supporting documents have been made available for public inspection along with the Plan and additional requirements at the primary business office of the PHA and at all other times and locations identified by the MTW PHA in its Plan and will continue to be made available at least at the primary business office of the MTW PHA.

B. Public Comment Period

The MTW Plan was made available for public review beginning Monday, September 16, 2019 through Thursday, October 17, 2019. The Public Hearing was held at 2:00 pm on Thursday, October 17, 2019 at the OHA Administration Office, 390 N. Bumby Avenue, Orlando, Florida 32803. Twenty-nine (29) people attended the public hearing. The Orlando Housing Authority received no public comments regarding the MTW FY2021 Annual Plan.

The OHA notified residents and the local community about the date and time of the public hearing by placing ads in English in the Orlando Sentinel, Sanford Herald, La Prensa (Spanish), and the Orlando Times. During the comment period, copies of the draft FY2021 MTW Plan were made available at the OHA Administrative Office and the OHA Lake Mary Office. The public hearing ads are included in the plan.

C. Evaluations of Demonstration Period

The OHA would benefit most from an evaluation that covers a larger scope of implemented MTW activities; however, OHA will need more time to determine whether the metrics that have been chosen are effective in evaluating the activities. Therefore, an evaluation at this time does not seem prudent in FY2021.

Local Asset Management Program

As part of the Orlando Housing Authority’s Amended and Restated Moving to Work Agreement, effective January 7, 2011, OHA has designed and implemented its Local Asset Management Program. The OHA is going to continue to implement its local asset management program for its Public Housing Program and describe such program in its Annual MTW Plan. The term “Public Housing Program” means the operation of properties owned or subsidized by the Agency that are required by the U.S. Housing Act of 1937. The Agency’s local asset management program includes a description of how it’s implementing project-based property management, budgeting, accounting, and financial management and any deviations from HUD’s asset management requirements. The OHA describes its cost accounting plan (cost allocation plan) as part of its local asset management program.

The OHA maintains a project-based management approach which includes both the OHA-managed properties and its privately managed properties, under the Public Housing Program. Project-level budgeting and accounting is maintained for each of these Public Housing properties. In addition, mixed-finance rental community that contains Agency-assisted units under the Public Housing Program are owned, managed and operated by third party partnerships.

The OHA has developed its program to ensure that accounting and financial reporting methods comply with 2 CFR Part 200, Subpart E regarding cost allocations, 2 CFR Part 200, Subpart F regarding audit requirements, and generally accepted accounting practices (GAAP).

OHA’s Public Housing Program’s local asset management plan applies the following principles related to program costs:

- Costs incurred are deemed reasonable and consistent with the amended Moving to Work Agreement.
- Costs shall be accorded consistent treatment.
- Costs shall be determined in accordance with GAAP.
- Costs are adequately documented.
- OHA will report results according to HUD MTW guidelines.

1) Budgeting and accounting - Operating budgets are developed and maintained annually at the property level. The groupings of like properties in a geographic location are called Asset Management Properties (AMPs). The related accounting activities are maintained at that level as well.

2) Financial management - Financial reporting and analysis is performed and monitored on a monthly basis, at the property level. Financial reporting requirements are in accordance with the amended Moving to Work Agreement as well as 2 CFR Part 200, Subpart E.

3) Cost Allocation Approach - OHA’s Amended and Restated Moving to Work Agreement identifies either a “cost allocation” or “fee-for-service” option. OHA utilizes the cost allocation method. OHA is in keeping with 24 CFR 990 and uses property level management, accounting, and budgeting and has established a Central Office Cost Center (COCC). The costs of the COCC are allocated not only to Public Housing, but to the other programs managed by OHA.
All direct and indirect costs are charged to the AMPs in accordance with 2 CFR Part 200, Subpart E. A cost may be direct with respect to some specific service or function, but indirect with respect to the final cost objective. Direct costs associated with project activities are allocated to the specific properties receiving the benefit of the expenditure. Direct and indirect costs associated with the COCC are allocated on a reasonable basis and, if allocated to public housing properties, are substantially done using a project unit distribution basis.

The OHA has developed this program to ensure that accounting and financial reporting methods comply with 2 CFR Part 200, Subpart E regarding cost allocations, 2 CFR Part 200, Subpart F regarding audit requirements, and generally accepted accounting practices (GAAP).

Cost Allocation Plan
Under the MTW Agreement, the cost accounting options available to the Agency include either a “cost allocation” or “fee-for-service” methodology. The OHA approached its cost allocation plan with consideration to the entire operation of the Agency including the MTW Program. This cost allocation plan addresses the larger OHA operation as well as the specific information related to the MTW Program.

Difference
The OHA has the ability to define direct costs differently than the standard definitions published in HUD’s Financial Management Guidebook pertaining to the implementation of 24 CFR Part 990.

The OHA is required to describe any differences between the Agency’s Local Asset Management Program and HUD’s asset management requirements in its Annual MTW Plan in order to facilitate the recording of actual property costs and submission of such cost information to HUD.

The OHA determined to implement a cost allocation system that allocates COCC costs to all agency-wide programs. HUD’s Asset Management System focuses primarily on allocating costs to the Asset Management Properties (AMPs) and necessarily to other programs. This Cost Allocation Plan addresses the entire the OHA operation.
