B. MTW Supplement Narrative.

The Ozark Housing Community has identified the three goals of the Moving to Work Program Demonstration as its goals for participation in the program. These goals along with corresponding objectives and the initial activities we intend to implement to accomplish each goal are described below.

Goal 1 - Operational Efficiency through Innovation – Streamlining business processes and implementation of advanced technological solutions that will result in operational cost efficiencies and enable reallocation of resources to local initiatives and strategies.

Objectives

b. Implement additional technology to ease administrative burden and reduce paperwork for standard operations.
c. Utilize cost savings to support new initiatives designed under this plan.

MTW Activities
1. Local Rent Calculation Policies

b. Adopt policies that mandate personal accountability and financial responsibility.
c. Assess results and adjust incentives to provide continued motivation.

MTW Activities
1. Employment Requirement
2. Minimum Rents by Bedroom Size
3. Tiered Flat Rents

Goal 3 - Expand Housing Choice – Asses the need for additional types of low- and moderate-income housing in the local community such as work force housing, assisted living for elderly and disabled, homeless/near homeless families/individuals and emergency housing.

Objectives
a. Continually upgrade hard units owned by OHC to include amenities commonly found in market rate housing.
b. Limit portability to moves associated with work.
c. Develop homeownership opportunities relevant to the local real estate market.
d. Identify and/or develop emergency housing.

MTW Activities
