

Housing Agencies (PHAs) where PHAS scores have been issued for PHAs with fiscal year end (FYE) dates between March 31, 2011 and December 31, 2018. PHAS scores may be published more than once for each FY, for example, based on the Unaudited and Audited Financial submissions. The PHAS score included in the report is the latest PHAS score released in that fiscal year (FY). PHAS Scores released within the last 45 days have been excluded since they may be subject to an Appeal. Additionally, there are three years of PHAS scores for each PHA where the PHA has released PHAS scores for multiple years.

The report includes the following data:

- o PHA Code - The 5-character code that begins with the state abbreviation that is unique for each public housing agency. The list is sorted by PHA Code.
- o PHA Name - the name of the public housing agency
- o FYE Date - fiscal year end date include the month, day and year; for PHAs include 3/31, 6/30, 9/30 and 12/31
- o PHAS Release Date - date PHAS designation and score were published and correspondence sent to PHA
- o PHAS Designation - PHAS designations include High Performer, Standard Performer, Substandard Performer, Substandard Physical, Substandard Financial, Substandard Management, Troubled, Capital Fund Troubled, Small PHA Deregulation, MTW Agreement and RAD
- o PHAS Score - PHAS score is a total of the four PHAS indicators and late penalty points, if applicable; ranges from 0 to 100
- o PASS Score - Physical Indicator score based on the physical inspection in the Physical Assessment Subsystem (PASS) and ranges from 0 to 40 unless points are redistributed from other PHAS indicators
- o FASS Score - Financial Indicator score based on the Unaudited or Audited Financial Assessment Subsystem (FASS) submission ranges from 0 to 25 points unless points are redistributed from other PHAS indicators
- o MASS Score - Management Operations Indicator based on the Unaudited or Audited FASS submission ranges from 0 to 25 points unless points are redistributed from other PHAS indicators
- o Capital Fund Score - Capital Fund score based on Capital Fund Program (CFP) obligation data and Inventory Management System (IMS) occupancy data ranges from 0 to 10 points unless points are redistributed from other PHAS indicators
- o Late Penalty Points (LPP) - Late penalty points may be applied to the PHAS score where the PHA submits FASS after the due date
- o FASS Submission Type - the unaudited or audited type of the PHA's financial submission (e.g., Unaudited/Single Audit, Audited/Non-Single Audit, Unaudited/A-133)

Some considerations for the data contained in the report:

- o Moving to Work (MTW): PHAS is waived for PHAs that have a Moving to Work (MTW) Agreement with HUD. These PHAs have a PHAS Designation of 'MTW Agreement' and the PHAS score is excluded from the report.
- o Rental Assistance Demonstration (RAD): The Rental Assistance Demonstration (RAD) designation is assigned where PHAs have one or more properties that are under RAD and all four PHAS Indicators may not be available for scoring purposes. The PHAS Score has been removed where the PHA has a PHAS Designation of RAD because there are no PHAS Indicators scored for RAD PHAs.
- o PHAS Score Redistribution for Financial (FASS) & Management Operations (MASS): Please note that PHAS scores may be based on fewer than four PHAS indicators if any indicators are required to be redistributed to other indicators. Due to RAD, Mixed Finance and/or No Equity projects not being scored, Financial and Management Indicator exceptions may occur. In these cases, the FASS and MASS points have been redistributed to the PASS and CFP Indicators to generate a PHAS score and designation. PASS and Capital Fund Scores will have Maximum Points of 80 and 20, respectively.
- o The Capital Fund Score may be redistributed if the PHA does not participate in the CFP Program. In these cases, the 10 points for the Capital Fund Score is redistributed to PASS, FASS and MASS.
