GENERAL INFORMATION

Demographics:

Portage Metropolitan Housing Authority (PMHA) is located in Portage County, Ohio, a mostly rural county in the midst of northeastern Ohio’s urban centers. It offers convenient access to the Greater Cleveland, Akron/Canton, and Warren/Youngstown metropolitan areas. It is the home of Kent State University and Hiram College.

Per the United States Census Bureau QuickFacts statistics, Portage County is home to 162,466 persons, of which 90.8% are White, 4.8% are African American, 2.1% are Asian, 2.1% are two or more races, and 0.2% are American Indian and Alaska Native. Of this population, 2.0% are Hispanic or Latino.

According to 2019 American Community Survey 5-Year Estimates, from the U.S. Census Bureau, 12.5% of Portage County persons live in poverty. The comparable past poverty rate was 9.3% in 1999, 13.5% based on 2006-2010 data, 15.6% based on 2011-2015 data, 15.0% based on 2012-2016 data, 14.5% based on 2013-2017 data, and 13.1% based on 2019 data. The past increase in the rate of poverty was largely due to the loss of well-paying manufacturing jobs.

Based on Ohio Department of Job and Family Services Office of Workforce Development data for May 2021, the Unemployment Rate for Ohio was 5.0% and for Portage County, it was 4.5%.

A study conducted by the Joint Center for Housing Studies of Harvard University in 2011 ranked the Akron Metropolitan area (Summit/Portage Counties) 6th in the nation as the “least affordable”, based on the comparison of household income to the cost of living. The report cites that nearly a third of renters were paying more than half of their incomes for rent and utilities, which is significantly higher than the federally recommended maximum of 35% of income for housing costs (Ohio Department of Development, Office of Policy, Planning and Research).

The six most populated municipalities in Portage County include:

History:

Portage Metropolitan Housing Authority was organized in 1968 by a group of local business professionals to provide rental assistance to Ravenna residents. Over the years, the remaining portion of Portage County was added to the Housing Authority’s jurisdiction. PMHA is a political subdivision created by the state of Ohio and is governed by a five-member board of commissioners.

Presently, PMHA provides subsidized housing to low and moderate-income families and individuals. The agency operates two housing programs: The Public Housing program which consists of 303 units owned and managed by the agency, and the Section 8 program which entails the administration of a monthly subsidy paid to private landlords on behalf of specific families or individuals. The Section 8 program provides rental assistance to approximately 1900 households/units in Portage County, which includes 1588 MTW households.

PMHA is the only Public Housing Authority (PHA) in Ohio that is part of the original/“initial” Moving To Work (MTW) demonstration, which consisted of 39 public housing authorities (PHAs). MTW provides PHAs the opportunity to create and test innovative, locally designed strategies that use Federal dollars more efficiently, help residents find employment and become self-sufficient, and increase housing choices for low-income families. MTW allows PHAs exemptions from many existing public housing and voucher program rules and provides funding flexibility with how they use their Federal funds. Currently, there are 80 MTW PHAs nationwide.

PMHA’s MTW program began on March 15, 1999. PMHA has participated in MTW since its inception. PMHA signed a Standard Agreement in 2008, extending its participation in MTW until the end of its 2018 fiscal year; however, in 2016, PMHA’s participation in the demonstration was extended through year 2028.

Throughout its 50+ year history, PMHA has continued to be a proven leader and innovator in affordable housing and has earned the HUD designation of “High-Performer”.

SECTION I: INTRODUCTION

PMHA fosters the opportunity to experiment with and implement activities which encompasses the spirit of Moving to Work and are based on the three statutory goals:

1. Reduce cost and achieve greater cost effectiveness in federal expenditures
2. Create incentives for families to work, seek work, or prepare for work
3. Increase housing choices for low-income families

Short-Term Goals (For Current Plan Year)

Portage Metropolitan Housing Authority established the following MTW goals and objectives for 2021:

1. Achieve and Maintain Excellence in Tenant-Based Housing Programs
   • Two households will become new homeowners through the Housing Choice Voucher Homeownership Program

2. Improve Productivity and Cost Effectiveness
   • Examine opportunities to improve productivity and cost effectiveness through technology

3. Collaborate with Community Partners to Leverage Resources to Benefit Households Assisted by PMHA and Portage County
   • PMHA will investigate opportunities to develop and manage permanent supportive housing.
   • PMHA will investigate methods of inter-agency cooperation that will lessen barriers to assistance for applicants and participants.

Long-Term Vision MTW Goals (Extending Through the Duration of the MTW Agreement)

Portage Metropolitan Housing Authority seeks to develop itself as a top-quality real estate organization with the mission of:

1. Integrating community services that will assist residents in continual economic improvement leading to either homeownership or private market housing.

2. Providing decent, safe, and affordable housing as a choice among elderly and disabled residents in order to promote aging in place and improvement in quality of life.

To accomplish the long-term vision PMHA will:
1. Streamline the delivery of housing through improvements in efficiency and effectiveness within its own resources offered by the Federal Government.

2. Collaborate with community partners to continue to leverage resources and strengths to improve housing and living conditions within Portage County.

3. Continue developing a rent system that:
   - Is easier to administer and understand,
   - Remains affordable to low-income households,
   - Provides incentive for work, and
   - Removes systemic incentives for people to remain unemployed.

** "Planned Number of Households to be Served" is calculated by multiplying the "Planned Number of Unit Months Occupied/Leased" by the number of months in the Plan Year.

^ In instances when a local, non-traditional program provides a certain subsidy level but does not specify a number of units/households to be served, the MTW PHA should estimate the number of households to be served.

SECTION III: PROPOSED MTW ACTIVITIES

HCV-16  Section 8 Landlord Incentive Program (Reproposed activity currently known as “Incentive for New Landlords”)

A. Activity Description:
   i. Describe the proposed activity.

PMHA operates in a rental market with an ongoing stigma related to HCV participants and wishes to encourage new and existing landlords to open more of their properties to voucher holders. In 2019, PMHA implemented HCV-16 “Incentive for New Landlords”, which offered new landlords a one-time $200.00 incentive HAP payment, which was not successful. As a result, PMHA is reproposing activity HCV-16 as a “Section 8 Landlord Incentives Program” to add new measures to improve landlord acceptance of HCV renters and allow voucher holders to have greater housing choice in better units and neighborhoods. The incentives paid out under this proposal would be included with all other Housing Assistance Payments (HAP) reported in VMS.

In order to incentivize landlords to participate in PMHA’s MTW tenant-based HCV program, PMHA proposes to offer the following four (4) incentives under activity HCV-16:

• **New Landlords Incentive**- PMHA proposes to offer a one-time incentive HAP payment of $1,000.00 to new landlords, upon the execution of a new HAP contract for an MTW tenant-based HCV participant. A “new landlord” would be defined as a landlord who has not rented to a tenant-based voucher participant within the past twelve (12) months. The landlord would not be eligible for the $1,000.00 incentive HAP payment if the contract is executed for a transfer of units with the same landlord, or if the contract is executed due to a lease renewal or change. Additionally, properties owned or managed by PMHA or any other PHA would be ineligible for this incentive.

• **Existing Landlords Incentive**- PMHA proposes to offer a one-time $500.00 incentive HAP payment to existing landlords who execute a new HAP contract for an MTW tenant-based HCV participant. An “existing landlord” would be defined as a landlord who has rented to a tenant-based voucher participant at any time within the past twelve (12) months. The landlord would not be eligible for the $500.00 incentive HAP payment if the contract is executed for a transfer of units with the same landlord, or if the contract is executed due to a lease renewal or change. Additionally, properties owned or managed by PMHA or any other PHA would be ineligible for this incentive HAP payment.

• **Rent Affordability Incentive**- PMHA proposes to offer a one-time rent affordability payment when rent must be negotiated down in order for the unit to be affordable
for the MTW tenant-based voucher participant. “Affordable” would be defined as an initial rent burden of no more than 50% of the household’s monthly income. The rent affordability payment would be equal to the amount the proposed monthly rent is reduced by to make it affordable and allow the voucher holder to qualify, multiplied by 12.

- **Limited Damage Claim Incentive** - PMHA proposes to offer a limited damage claim not to exceed one month’s contract rent to owner in cases where an MTW tenant-based voucher participant’s tenancy ends and there is tenant-caused damage to the unit that exceeds the security deposit collected by the owner. The damage claim would be verified by a special inspection conducted by a PMHA HQS inspector. The special inspection will be required to be conducted within 30 calendar days of the MTW tenant-based HCV participant’s move-out date.

PMHA selected these incentive amounts because they are dollar amounts that will not detrimentally impact PMHA’s finances, yet they will provide incentives that are aimed to sway the local population of landlords who are on the fence about renting to a voucher participant versus a market rate renter.

When PMHA initially proposed activity HCV-16 as “Incentive for New Landlords”, we did not have a pool of potential new owners to poll or consult regarding the incentive. The activity has provided PMHA the opportunity to oversee a two-step process: First, it allowed time for PMHA to poll all new owners from 2019 through present to determine if the $200.00 incentive HAP payment was truly an incentive in their decisions to rent to HCV participants and, if not, to then consider adjusting the incentive amount accordingly. Secondly, PMHA was contemplating a damage claim policy and brainstorming other potential incentives to increase the pool of landlords and units available to HCV participants. From 2019 through present, PMHA has conducted New Landlord Orientation Meetings quarterly. These meetings provided additional opportunities to poll and research new landlord interest and the types of incentives that could attract and retain new landlords while expanding HCV participants' housing choice, which led to the reproposing of activity HCV-16 as the “Section 8 Landlord Incentive Program”.

   ii. Describe how the proposed activity will achieve one or more of the three statutory objectives and the specific impacts on that statutory objective(s).

The proposed activity would result in an impact on “Housing Choice”, by increasing housing choices for low-income families.

   iii. Provide the anticipated schedules for implementing the proposed activity.

PMHA proposes to implement the initiative upon approval of the Plan.

B. Activity Metrics Information:
i. Provide the metrics from the “Standard HUD Metrics” section that are applicable to the proposed activity.

ii. Give the baseline performance level for each metric (a numeric value) prior to the implementation of the proposed activity.

iii. Give the annual benchmark for each metric (a numeric value).

iv. If applicable, give the overall and/or long-term benchmark(s) for each metric (a numeric value).

C. Cost Implications:

i. State whether the proposed activity will result in any cost implications (positive and/or negative) for the MTW PHA.

An increase in initial HAP payments to new landlords will have a negative cost implication to PMHA.
ii. If the proposed activity does result in cost implications, provide an estimate of the amount and discuss how the MTW PHA will manage the surplus or deficit anticipated.

This activity is estimated to cost PMHA approximately $25,000.00 per year. PMHA will cover the anticipated deficit using HUD held reserves.

D. Need/Justification for MTW Flexibility:

i. Cite the authorization(s) detailed in Attachment C and/or D of the Standard MTW Agreement (or applicable successor section in future iterations of the MTW Agreement) that gives the MTW PHA flexibility to conduct the proposed activity.

Attachment C, Section D. 1 (a): The Agency is authorized to determine damage claims and/or vacancy loss policy and payments for occupied units. Damage and vacancy authority are subject to state and local laws. This authorization waives certain provisions of Section 8(o)(9), of the 1937 Act and 24 C.F.R. 982.311 as necessary to implement the Agency’s Annual MTW Plan.

ii. Explain why the cited authorization(s) is needed to engage in this activity.

MTW flexibility is needed in order to use Housing Assistance Payment funds for landlord incentives.
SECTION IV: APPROVED MTW ACTIVITIES

A. IMPLEMENTED ACTIVITIES

HOUSING CHOICE VOUCHER PROGRAM

HCV-1  *Restrict portability moves out of Portage County for the Housing Choice Voucher Program*

Plan Year Approved: 2009  
Implemented: 2010  
Amended: N/A

Description/Update: PMHA approves portability only to housing authorities who absorb the incoming family or administer Fair Market Rents at or below the amounts applicable to Portage County. This restriction does not apply to portability moves from Portage County that are justified under laws and regulations applicable to the federal Violence Against Women Act and support reasonable accommodations for disability.

HCV-2  *MTW Homeownership Voucher Program*

Plan Year Approved: 1999  
Implemented: 2000  
Amended: 2010

Description/Update: PMHA identifies families with homeownership as one of their goals, screens the family for eligibility, provides the family with referrals to organizations that assist in overcoming barriers to homeownership, and applies a homeownership assistance payment to monthly mortgage payments of participants who purchase a home under the program. PMHA provides a preference for Public Housing residents to participate in the program and, upon purchase of a home, transfer into the MTW Homeownership Voucher Program. PMHA will continue to expand this program on an ongoing basis.

In 2010, this activity was amended to include households who are presently homeowners and under foreclosure, to receive assistance with resolving issues with bank/mortgage companies seeking foreclosure and including homeownership assistance payments.

**HCV-3  Initial rent burden cap of 50% of adjusted monthly income**

Plan Year Approved: 1999
Implemented: 2000
Amended: 2014, 2017

Description/Update: PMHA offers HCV participants to utilize an initial rent burden of 50% of households’ monthly income as an effort to maximize housing choice and maintain a level of affordability.

In 2014, PMHA experimented with a rent burden cap of 70% of households’ monthly income in an effort to assist in increasing housing choices for families who desired to use a greater share of income for housing. In 2017, due to negative impact on Section 8 tenants who had difficulties paying higher rent, PMHA re-implemented the original initial rent burden cap of 50% of households’ monthly income.

**HCV-4  Project-Based Voucher Program to assist non-profits and developers to increase housing choices for low-income households**

Plan Year Approved: 1999
Implemented: 2002
Amended: 2009, 2019

Description/Update: PMHA operates a project-based voucher program under a different set of rules and regulations than those provided for under the standard HUD rules for project-based vouchers.

In 2009, PMHA was granted additional authorizations for the project-based voucher program. PMHA has continued to offer project-based Section 8 assistance to nonprofit organizations and developers to build or rehabilitate properties, in order to increase the supply of rental units available to assist special needs populations in obtaining suitable housing.

In 2019, PMHA was granted additional authorizations for this activity, to allow for changes to be made to the terms of project-based Agreements to enter into Housing Assistance Payments (AHAP) contracts for newly constructed or rehabilitated housing, after the
AHAPs have already been signed, contingent upon agreement by the project owner and PMHA; specifically, these changes include, but are not be limited to, changing the date(s) that units are to be brought online, and changing a single-stage project to a multi-stage project, to allow for units that are ready to come online ahead of schedule to be put under HAP contract and filled as soon as the units are completed and determined eligible.

Refer to Section D. Closed Out Activities.

**HCV-6  Time Limits for Housing Choice Voucher Participants**

Plan Year Approved: 2013
Implemented: 2014
Amended: N/A

Closed Out: 2017

Refer to Section D. Closed Out Activities.

**HCV-7  Capped Utility Reimbursement Checks**

Plan Year Approved: 2012
Implemented: N/A
Amended: N/A

Closed Out: 2017

Refer to D. Closed-Out Activities.

Amended: N/A  

Closed Out: 2017  

Refer to D. Closed-Out Activities.

**HCV-9  Elimination of Deductions in Total Tenant Payment Calculations**

Plan Year Approved: 2014  
Implemented: 2015  
Amended: N/A  

Description/Update: PMHA calculates total tenant payments and bases Housing Choice Voucher assistance for all households on a calculation that is 29.6% of gross monthly income and eliminates deductions and allowances for being elderly or disabled, for dependents, and for unreimbursed medical and childcare expenses. The only exception to the 30% of monthly gross income is a continuation of a $50 minimum rent for households who otherwise pay less than $50 per month. This activity reduces the HAP expense.

Refer to C. Activities on Hold.

**HCV-11  Permit Households at $0 HAP to Self-Certify Income**

Plan Year Approved: 2014  
Implemented: 2014  
Amended: N/A  

Description/Update: This activity permits families who are at $0 HAP to self-certify their income rather than be subjected to a verification process that should have no effect on
housing assistance levels, thus reducing costs and staff time while achieving greater cost effectiveness in Federal expenditures.

**HCV-12 Use Lesser of Actual Unit Size or Unit Size of Voucher Issued for Utility Allowances**

Plan Year Approved: 2014

Closed Out: 2014

Refer to Section D. Closed Out Activities.

**HCV-13 Extend the $0 HAP Period to 12 Months**

Plan Year Approved: 2014
Implemented: 2014
Amended: N/A

Description/Update: PMHA extends the period of time that a $0 HAP family may be considered a Housing Choice Voucher participant household from the 6 months to up to 12 months.

The impact of this activity asserts that some families either are reluctant to attain $0 HAP status or when notified that they are at $0 HAP, they take measures that reduce their income so as to begin receiving HAP assistance again. By increasing the period allowed for $0 HAP, PMHA expects to see more families achieve $0 HAP and to exit the program at $0 HAP rather than to return to HAP payment status. For those who achieve $0 HAP status through employment, the extended period allows a safety net to the household as they adjust to paying market rents without assistance and stabilize themselves in their new employment situation.

**HCV-15 Change the Allocation of Interest Earned for the Housing Choice Voucher Family Self-Sufficiency Program**

Plan Year Approved: 2014
Implemented: 2015
Amended: N/A

Description/Update: PMHA no longer applies escrow credits for interest earned on funds deposited for the Housing Choice Voucher Family Self-Sufficiency Program. These funds will be made available for ongoing HAP needs for the Housing Choice Voucher Program as a whole. PMHA expects that the impact of this activity will provide minimal additional revenue to the Housing Choice Voucher funds. Minimal staff time savings also will result.

**HCV-17 Protecting Tenants Living in Foreclosed Rental Properties**

Plan Year Approved: 2020
Implemented: 2020
Amended: N/A

Description/Update: This activity protects renters who are living in foreclosed rental properties. PMHA provides tenant-based vouchers and rental assistance to those who were living in rental properties that have gone through foreclosure and are currently
owned by the Portage County Land Bank. This activity is expected to preserve housing units for households who would otherwise be displaced or their rental units not available to them due to the housing costs. The program size will not exceed twenty-four (24) eligible participants in eligible units.

PUBLIC HOUSING PROGRAM

**PH-1 Escalating Minimum Rent**

Plan Year Approved: 2008  
Implemented: 2008  
Amended: N/A  
Closed Out: 2011

Refer to D. Closed-Out Activities.

**PH-2 Maximum Rent**

Plan Year Approved: 2009  
Implemented: 2009  
Amended: N/A

Description/Update: The Maximum Rent activity allows for rents set at less than 30% of adjusted income. Maximum rents are $465 per month for 1- and 2-bedroom units, and $490 per month for 3- and 4-bedroom units, regardless of income. Income re-verifications are conducted biennially for these households. Households will have no time limit for ceiling rents, except for the over-income limitations set forth by the Housing Opportunity Through Modernization Act of 2016 (HOTMA).

**PH-4  Change in Employment Income**

Plan Year Approved: 2008
Implemented: 2012

**PH-5  Rent Adjustment for Income Decreases**

Plan Year Approved: 2009
Implemented: 2009
Amended: N/A

Description/Update: Decreases in income of less than $1,000, or lasting less than 30 days, will not be processed until the next annual re-certification.

This rent reform activity is seldom used. However, whenever a household experiences an income decrease less than $1,000, the time to process the decrease is costly to the PMHA and has minimal impact on the household when the income decrease lasts less than 30 days. On many occasions, households locate new employment or other sources of income within 30 days. Thus, the PMHA views this activity as being effective as a cost-savings feature. This activity does not give incentives to households to achieve self-sufficiency.

**PH-10  PMHA to Operate Two Group Homes as Public Housing**

Plan Year Approved: 2009
Description/Update: PMHA currently operates two (2) group homes as Public Housing, as follows:

1. **Walnut House**, located in Ravenna, houses persons with severe mental illnesses, in partnership with Coleman Professional Services. Coleman Professional Services provides on-site services to residents, including mental health services, daily living skills, and transportation. This property has 13 units of housing.

2. **Washington Group Home**, located in Ravenna Township, has a capacity for 8 individuals to reside in a supportive group home environment. PMHA entered into a partnership with Family and Community Services, Inc. (F&CS) to lease the building for the purposes of providing housing and services to men who are addressing alcohol and drug addiction issues. F&CS provides residents with comprehensive services to facilitate a successful transition back to community living. This project was finalized during the first half of 2013. The program has flourished and is well-received in the community.

Residents are not entered in PIC due to the nature of the specific population served. F&CS screens and selects eligible candidates for this program, known as ROOT. Thus, Standard HUD Metrics do not apply.

Description/Update: Residents paying ceiling rents are allowed to self-certify their income for the purposes of the re-verification process. Such families pay the same rental amount regardless of income increases. **PH-15 Scattered Site Transfers**

Plan Year Approved: 2020  
Implemented: 2020  
Amended: N/A
**Description/Update:** PMHA fills vacancies in Public Housing scattered single family and/or duplex sites by offering unit transfers to select current Public Housing families based on their household size and positive rental histories with PMHA. This activity ensures that families with positive rental histories with PMHA are given first choice to move into vacated scattered site units, which is expected to save on PMHA’s costs for staff time and expenses incurred to turn over units between tenancies.

PMHA maintains a formal waiting list of Public Housing residents who are eligible for the bedroom size of the unit available and who meet the following rental history criteria:

- Have been Public Housing residents for at least 12 months,
- Have zero housekeeping violations in the last 12 months,
- Have zero substantiated neighbor complaints in the last 24 months, and
- Have a timely rent payment history for the last 12 months (no 3-day notices issued for late payment and/or non-payment of rent).

### BOTH HOUSING CHOICE VOUCHER AND PUBLIC HOUSING PROGRAMS

**B-1 Exclusions of Overtime, Bonuses, and Income from Assets**

Plan Year Approved: 1999
Implemented: 2000
Amended: 2012

Description/Update: To promote the accumulations of assets, PMHA excludes income from new employment income, overtime, bonuses, and interest from bank assets such as checking and savings accounts and certificates of deposit.

This activity was modified in 2012 for the Public Housing program to exclude income from “new” employment until annual re-certification for reporting purposes.

**B-12 Re-Entry Initiative**

Plan Year Approved: 2020
Implemented: 2020
Amended: N/A

Description/Update: This activity provides housing assistance to up to 150 eligible participants who were incarcerated, involved in drug court and/or court-ordered diversion programs, and/or released from in-patient treatment within the past twelve (12) months, and are seeking affordable housing upon re-entry into the community. The goal of this activity is to provide an immediate impact for offenders coming out of prison and/or treatment facilities, who need housing and supportive services, and who would otherwise be left homeless and without services needed for successful reintegration into the community.

All eligible participants must be referred to PMHA by its re-entry program partner, Portage County Adult Probation, and are either reuniting with a qualifying family member currently
participating in PMHA’s Section 8 program or Public Housing Program, or referred to
PMHA for a Section 8 MTW tenant-based voucher under the re-entry program, or referred
to PMHA for an emergency short-term stay of approximately 30 days at a dedicated
PMHA-owned non-Public Housing unit (or a PMHA-owned Public Housing unit, should
this be more feasible) while seeking permanent housing through the program’s Section 8
MTW tenant-based voucher option, or an applicant on the PMHA Section 8 waiting list
who otherwise would be denied for criminal activity, but who is currently involved with
Portage County Adult Probation, meets all eligibility requirements for the program when
he/she is selected for processing (in the existing waiting list order), and is recommended
for participation in the program by Portage County Adult Probation.

Description/Update: Annual Social Security and SSI Cost-of-Living Adjustments (COLA)
that result in an increase in a program participant’s income are not processed until the
household’s next annual reexamination effective date. Program participants are not
required to report this income to PMHA until the household’s annual reexamination. This
activity is not used for HCV and Public Housing program applicants who are processing
for initial eligibility, or for other circumstances where eligibility for a new HCV voucher is
required (i.e., unit changes).

**B. NOT YET IMPLEMENTED ACTIVITIES**
**HCV-14  Permit Decreases in Payment Standards at Next Scheduled Verification**

Plan Year: 2014

Description/Update: This activity allows PMHA to change the implementation of new payment standards established by the housing authority to be effective at the date of the anniversary of household assistance (formerly known as the annual recertification), rather than be implemented at the second annual recertification following the change. Under present regulations, housing authorities may not lower payment standards until the 2nd annual recertification after the lowering of the payment standards, which hampers a PHA from taking action to lower HAP costs quickly and more fairly across all participant households. In 2013, PMHA raised minimum rents from $25 to $50 as part of its response to the federal sequester and the need to reduce HAP costs. This increased the rent burden on the lowest income participants and for lesser results on HAP than if PMHA were permitted to reduce payment standards slightly, across the board for all participants. This activity would allow PMHA to be able to adjust HAP spending quickly and in a more equitable manner (compared to raising minimum rents or adjusting rent calculations) that can spread the cost of budget cuts across a greater portion of the HCV recipient population more quickly.

This activity remained on hold through 2021 and will be reviewed for possible implementation in 2022.

**B-8 Adoption of Local Investment Policies**

**Plan Year:** 2014

**Description/Update:** PMHA seeks to evaluate and utilize State of Ohio investment alternatives when appropriate for earning greater returns without compromising asset safety. This activity will allow PMHA to invest in a state government program for state and local governments in Ohio that permits pooled collateralized investment that obtains higher interest rates than is typically available to PMHA on its own while remaining completely liquid as an asset.

PMHA has not implemented new local investment policies; however, this activity will be reviewed for possible implementation in 2022.

**B-13 Self-Certification as Highest Form of Income Verification**

**Plan Year:** 2021
**Amended:** 2021

**Description/Update:** PMHA was approved to waive the requirement to use the HUD system of income verification hierarchy when verifying certain types of income and allowed PMHA to consider self-certification as the highest form of income verification for annual and interim reexaminations in both the HCV and Public Housing programs. The specific types of income permitted to be self-certified are: employment income, child support for which no court order exists, in-kind income, miscellaneous income (i.e., handyperson jobs, mowing, babysitting, cleaning, and other similar odd jobs), TANF benefits (given that the amount self-certified is consistent with the amount specified by the State for the household size), zero income status, and asset balance. The self-certification is obtained verbally or in written format from the program participant, and PMHA staff uses the self-certification, cross-checked with the EIV income report, to determine the dollar amount of a participant’s income for rent calculation purposes.

In March 2021, PMHA proposed to amend this activity to allow PMHA to waive the requirement to use the HUD system of income verification hierarchy described by Notice PIH 2018-18 when verifying all types of income and allow PMHA to forgo third-party income verification requirements, except for the use of EIV. PMHA proposed to allow self-certification to serve as the highest form of income verification for all types of income, to process new admissions and to process annual and interim reexaminations in both the
HCV and Public Housing programs. This may occur over the telephone and be documented by PHA staff with a contemporaneous written record, through an email or postal mail with a self-certification form by the tenant, or through other electronic communications. PMHA will incorporate procedures to remind families of the obligation to provide true and complete information. PMHA will be responsible for addressing any material discrepancies (i.e., unreported income or a substantial difference in reported income) that may arise from review of EIV in connection with the recertification, as well as any material discrepancies that may arise later from any source, and likewise PMHA will take enforcement action in accordance with our policies and procedures.

This has not been implemented due to PMHA having implemented CARES Act waivers PH & HCV-3, PH & HCV-4, and PH & HCV-8; however, this activity is scheduled for implementation in 2022, once the CARES Act waivers expire on December 31, 2021.

Planned Significant Changes: Pending with proposed amendment to the 2021 Plan

C. ACTIVITIES ON HOLD

HCV-10  Biennial Reviews for Non-Elderly/Non-Disabled Households

Plan Year Approved: 2014
Implemented: 2014
Amended: 2015-2016

Description/Update: PMHA would conduct reviews of income at least once every 24 months as opposed annually. Families may continue to request interim reviews at any time. This activity would be applied to all MTW Vouchers held by households not considered “elderly” or “disabled”.

This activity was expected to simplify income verifications, saving time for PMHA staff, participants, and other agencies. PMHA anticipated this activity would reduce the costs of annual re-certifications for the program. Although time and cost savings resulted, these savings were negated by additional administrative burden imposed on other staff to monitor and track households and recertification schedules, to calculate debt resulting from household non-reporting, and to troubleshoot management systems issues related to limited tracking capabilities. Additionally, the implementation of activity HCV-9 is suspected to have contributed to the time and cost savings previously attributed to this activity.

This activity was on hold from May 2015 through April 2016, in order to identify eligible households and create a uniform timetable for re-certifications. The activity was re-implemented in May 2016.
This activity was put back on hold effective January 2019, due to administrative burden and issues with the management system tracking capabilities. This activity may be revisited once data is available to compare time and cost savings with implementation and without.

**B-10 Eliminate All Excluded Income from the Income Verification Process**

Plan Year Approved: 2014
Implemented: 2014
Amended: N/A

Description/Update: PMHA would cease verifying any fully excluded income sources for households. This activity is expected to simplify income verifications, saving time for PMHA staff, participants, and other agencies.

While PIH 2013-04 provides guidance for this activity, the approval as a MTW activity would ensure that developed practices would continue if PIH 2013-04 is rescinded, amended, or superseded.

Planned Changes to Metrics/Data Collection: None
Planned Significant Changes: None

**B-11 Elderly and Disabled Rent Re-certifications Every Three Years**

Plan Year Approved: 2014
Implemented: 2014
Amended: N/A

Description/Update: This activity allows PMHA to conduct re-certifications at least once every three years for elderly and disabled households.

This activity was expected to increase administrative efficiency and reduces costs to PHA programs through the reduction of annual re-certifications. Although time and cost savings resulted, the activity placed greater administrative burden on other staff to monitor and track households and recertification schedules, to calculate debt resulting from household non-reporting, and to troubleshoot management systems issues related to limited tracking capabilities. The implementation of activities HCV-9 and PH-14 created time and cost savings that reduced the need for this activity, while bringing to light the
previously overlooked struggles with properly managing this activity and showed that it is no longer as effective as anticipated for the relief of administrative burden.

This activity was put on hold for HCV effective April 2019 and for Public Housing effective December 2019, due to administrative burden and issues with the management system tracking capabilities. This activity may be revisited once data is available to compare time and cost savings with implementation and without.

Planned Non-Significant Changes: None

Planned Significant Changes: None

D. CLOSED OUT ACTIVITIES

HCV-5  **Alternative Housing Quality Standards Compliance**

Plan Year Approved: 2011
Implemented: 2011
Amended: N/A

Closed Out: 2014

PMHA was to use the results of municipal housing/rental housing inspections as an alternative to HQS, where available. This activity did not yield expected outcomes due to changes within inspection programs by local cities and conflict with tenant move-in schedules.

HCV-6  **Time Limits for Housing Choice Voucher Participants**

Plan Year Approved: 2013
Implemented: 2014
Amended: N/A

Closed Out: 2017

PMHA established time limits for the Housing Choice Voucher program. Participants who were able to work (i.e., not considered elderly or disabled, or were a parent of a child under age 1) were expected to work or attend an approved school program, or they would lose a month of eligibility of HCV assistance. Each individual was granted 36 months of unemployment/non-participation in education. When an individual reached the end of his/her 36 months, he/she would be considered ineligible for housing assistance for no less than one year, and all rent calculations for the household would be calculated on a pro-ration basis, like the treatment given to other households with ineligible members.
This activity, as written, proved difficult to track and was prone to errors. No households were impacted by this activity since its full impact would have materialized in 2018.

**HCV-7  Capped Utility Reimbursement Checks**

Plan Year Approved: 2012  
Implemented: N/A  
Amended: N/A  
Closed Out: 2017

This activity was intended to eliminate “double dipping” for utility costs by setting utility allowance reimbursement maximums based on the State of Ohio’s PIPP Plus program, a program that subsidizes low-income households’ utilities by allowing them to pay utility bills on the basis of income, not on the amount of service used. However, these same families were eligible for and receiving utility reimbursement checks with the intention to pay off their entire month’s utility bill.

It was determined that the cost for software changes was not affordable for the value gained from the activity.

**HCV-8  Transitional Housing Vouchers**

Plan Year Approved: 2012  
Implemented: 2012  
Amended: N/A  
Closed Out: 2017

This activity provided a one-year voucher to families. Intensive supportive services were provided to participants, with an emphasis on employment and self-sufficiency. The voucher ended after one year and was not renewable.

Requests for transitional housing vouchers elapsed over the last three years this activity was in place. This was due to the service provider not accepting new program families and restrictions limiting the time for participation in the program.

**HCV-12  Use Lesser of Actual Unit Size or Unit Size of Voucher Issued for Utility Allowances**

Plan Year Approved: 2014  
Implemented: N/A
Amended: N/A

Closed Out: 2014

PMHA applied the lesser utility allowance of either the actual unit size leased by the family, or the unit size of the voucher issued.

This proposed activity was passed into a Federal Law July 2014. This activity was included in the 2014 Plan prior to the passing into Federal Law.

**PH-1  Escalating Minimum Rent**

Plan Year Approved: 2008
Implemented: 2008
Amended: N/A

Closed Out: 2011

PMHA established a schedule of minimum rents that started at $25 per month and would increase every two years by $25.

PMHA discarded the activity after recognizing that its implementation was unduly administratively burdensome and was not expected to accomplish the goals of encouraging work activity and self-sufficiency. Other rent reform activities with more promising results made this activity undesirable.

**PH-3  Elderly and Disabled Household Rent Recertifications Biennially**

Plan Year Approved: 2000
Implemented: 2000
Amended: N/A

Closed Out: 2014

PMHA conducted rent re-certifications for elderly and disabled households every two years instead of annually. The activity was expanded to triennial rent re-recertification in 2014 and was identified as Activity B-11.

**PH-6  Overall Percentage of Income Amounts for Rent Calculations**

Plan Year Approved: 2012
Implemented: 2012
Amended: N/A
Closed Out: 2018

The percentage of earned income was set at 26% of income in an effort to promote work activity and offset the elimination of the allowance for non-reimbursed childcare expenses.

This activity was discontinued due to a revised rent-reform policy with a flat 29.6% of income calculation, known as Activity PH-14.

**PH-7 Eliminate Allowance for Non-Reimbursed Childcare Expenses and Replace with 4% Overall percentage of earned income**

Plan Year Approved: 2012
Implemented: 2012
Amended: N/A

Closed Out: 2018

Allowances for non-reimbursed childcare expenses were eliminated from rent calculations in part of an overall rent reform that reduced the percentage of income counted towards rent for households with earned income. The purpose of this feature was to simplify rent calculations for transparency shared by both residents and PHA staff, as well as reduce administrative burden relating to documentation.

This activity was discontinued due to a revised rent-reform policy with a flat 29.6% of income calculation, known as Activity PH-14.

**PH-8 Deduction for Elderly and Disabled Adults**

Plan Year Approved: 2009
Implemented: N/A
Amended: N/A

Closed Out: 2014

PMHA was considering increasing the deduction from income from $400 to a higher amount. It was intended to be included as part of a larger rent reform initiative but was ultimately not included due to cost and funding reasons.

**PH-9 Providing Transitional Housing**

Plan Year Approved: 1999
Implemented: 1999  
Amended: N/A  
Closed Out: 2012

Up to 42 units of transitional housing were set aside for previously homeless families at Renaissance Place and Community Estates. Through a partnership with Family and Community Services, Inc. (F&CS) and its Portage Area Transitional Housing (PATH) program, residents received on-site intensified case management services as they moved toward self-sufficiency over the course of a two-year time limit.

This program proved to be costly to PMHA due to higher turnover and shorter participation limits. Additionally, funding for transitional housing from HUD and other sources had progressively declined as the emphasis shifted nationally to a Housing First model.

**PH-11 Deduction for Absent Child**

Plan Year Approved: 2009  
Implemented: N/A  
Amended: N/A  
Closed Out: 2013  

PMHA discarded this activity as it became clear that there would be substantial administrative difficulties in implementing and maintaining the activity. The number of households that had split families, with both families receiving Public Housing assistance at the same time, was also minimal at best. The most frequent, and burdensome to families, scenario was that some subsidized families pay child support to families not being subsidized for housing, and thus not eligible for the activity.

**PH-12 Cap on Dependent Child Deduction**

Plan Year Approved: 1999  
Implemented: 2000  
Amended: 2014  
Closed Out: 2018  

The Public Housing Program gave a $480 allowance for each family member (other than the head or spouse), who was disabled or a minor, and for family members who were 18 and older who were full-time students or who were disabled. This allowance was not to exceed $960, except that current residents (as of April 23, 1999) were entitled to an allowance of $480 for each family member who was a minor and for family members who were 18 and older and full-time students or who were disabled as of June 1, 2000.
This activity was discontinued for Public Housing due to a revised rent-reform policy with a flat 29.6% of income calculation, known as Activity PH-14.

### B-2 Cap on Dependent Child Deduction

Plan Year Approved: 1999  
Implemented: 2000  
Amended: 2014  
Closed Out: 2018

This activity was amended to end for the Housing Choice Voucher Program in 2014 due to revised rent-reform policies which included a flat 29.6% of income calculation.

This activity was discontinued for Public Housing and closed out in 2018 due to a revised rent-reform policy with a flat 29.6% of income calculation, known as Activity PH-14.

### B-5 Single Fund Budget Flexibility

Plan Year Approved: 2009  
Implemented: 2009  
Amended: N/A  
Closed Out: 2014

PMHA was authorized to use single fund budgeting and full fungibility for specified funds under the restated MTW agreement and had used this authority in limited measures since that time.

In discussions with the MTW office, it was determined that this activity is no longer considered a MTW activity for the purposes of the current activities section of this plan, and it is no longer reported as such.

### B-6 Income Verifications Conducted for Approved Government Programs May Be Substituted for PMHA Income Verifications if Performed Within 90 Days

Plan Year Approved: 2009  
Implemented: N/A  
Amended: N/A  
Closed Out: 2014
PMHA would use the information gathered and certified by residents, in their eligibility determinations performed for other means-tested programs, if this information were no older than 90 days.

This activity was not implemented after changes in leadership at other agencies diminished the willingness to exchange information with the Housing Authority.

**B-7 Employment and Education Deductions**

Plan Year Approved: 1999  
Implemented: 2000  
Amended: 2012  
Closed Out: 2015  

PMHA discontinued this activity in 2012 for Public Housing residents. Replacing this activity was the implementation of a 4% deduction on all earned income and an income exclusion for new earnings until annual re-certification.

The activity was discontinued for HCV program in 2015 due to rent reform activities and subsequently closed out.
SECTION V: SOURCES AND USES OF FUNDS

A. ESTIMATED SOURCES AND USES OF MTW FUNDS

i. Estimated Sources of MTW Funds

The MTW PHA shall provide the estimated sources and amount of MTW funding by Financial Data Schedule (FDS) line item.

Note: The information collected in this section is to fulfill MTW programmatic reporting requirements and does not replace the MTW PHA’s obligation to annually complete its audited financial statements through HUD’s Financial Data Schedule (FDS).

iii. Description of Planned Use of MTW Single Fund Flexibility

MTW agencies have the flexibility to apply fungibility across three core funding programs’ funding streams – public housing Operating Funds, public housing Capital Funds, and HCV assistance (to include both HAP and Administrative Fees) – hereinafter referred to as “MTW Funding.” The MTW PHA shall provide a thorough narrative of planned activities it plans to undertake using its unspent MTW Funding. Where possible, the MTW PHA may provide metrics to track the outcomes of these programs and/or activities. Activities that use other MTW authorizations in Attachment C and/or D of the Standard MTW Agreement (or analogous section in a successor MTW Agreement) do not need to be described here, as they are already found in Section (III) or Section (IV) of the Annual MTW Plan. The MTW PHA shall also provide a thorough description of how it plans to use MTW funding flexibility to direct funding towards specific housing and/or service programs and/or other MTW activity, as included in an approved MTW Plan.

PLANNED APPLICATION OF MTW FUNDING FLEXIBILITY

PMHA proposes to use the MTW Single-Fund Flexibility to combine its funding sources to form an MTW Block Grant that will be used to administer current and future MTW projects and activities, and support areas of need, such as operational expenses including salaries, capital fund projects, and housing assistance. PMHA plans to operate its Public Housing, Section 8 assistance, and Capital Fund as a single fund budget with full flexibility.

Uses of MTW single fund flexibility include the following: Utilize MTW funds for extraordinary maintenance, enhanced security, and renovation/rehabilitation of PMHA-owned existing affordable housing; utilize savings achieved through MTW initiatives to over-lease and provide HCV assistance to more households than permissible under our HUD-established baseline; and to continue operations during any current and/or future government shutdown and/or emergencies declared by the Federal, State or local government.

There are no planned uses of unspent funds during the fiscal year.

</tbody>
</table>

Description of Planned Expenditures of Unspent Operating Fund and HCV Funding

The MTW PHA shall provide a description of planned activities and/or use(s) for unexpended Operating Fund and HCV Funding. The original funding source is defined as the legacy MTW PHA’s appropriated Section 8 and Section 9 funding source(s) (HCV HAP, HCV Admin Fee, and PH Operating Subsidy). The MTW agency receives
this information in their Annual Renewal Allocation, which provides a breakdown of the annual obligations for HCV HAP. For HCV Admin Fee, the biannual cash management reconciliation includes the HCV Admin Fee that has been earned at two points during the year; midyear at June 30th and end-of-year at December 31st. For the public housing operating fund unspent balance, the MTW PHA may derive their unspent funds by subtracting current assets from current liabilities in the most recent FDS submission. Current assets are the sums of FDS lines 111, 114, 115, 120, 131, 135, 142, 144, and 145. Current liabilities are the sums of FDS line 310 and 343. Table XX below represents the applicable FDS lines with definitions that MTW PHA(s) should utilize to calculate public housing operating fund unspent funds. More information on FDS line items can be found at: https://www.hud.gov/sites/dfiles/PIH/documents/FDSLineDefinitionGuide_vJuly2020.pdf.

For HCV funding, the biannual cash management reconciliation for HUD-held reserves includes both HCV and SPV reserves. MTW PHA(s)’ accounting records should include sufficient detail to report on the amount that
are HCV versus SPV reserves. Where possible, please identify the planned use, the estimated amount, to which funding source the planned use(s) is attributable, as well as the projected timeline or timeline update.

**Note:** the information collected in this section is to fulfill MTW programmatic reporting requirements and does not replace the MTW PHA’s obligation to annually complete its audited financial statements through HUD’s Financial Data Schedule.

There are no planned uses of unspent funds during the fiscal year.

* Unspent HAP funding should not include amounts recognized as Special Purpose Vouchers reserves.

** HUD’s approval of the MTW Plan does not extend to a PHA’s planned usage of unspent funds amount entered as an agency’s operating reserve. Such recording is to ensure agencies are actively monitoring unspent funding levels and usage(s) to ensure successful outcomes as per the short- and long-term goals detailed in the Plan.

**B. LOCAL ASSET MANAGEMENT PLAN**

1. Is the MTW PHA allocating costs within statute? **Yes**

2. Is the MTW PHA implementing a local asset management plan (LAMP)? **No**

3. Has the MTW PHA provide a LAMP in the appendix? **N/A**

4. If the MTW PHA has provided a LAMP in the appendix, please describe any proposed changes to the LAMP in the Plan Year or state that the MTW PHA does not plan to make any changes in the Plan Year. **N/A**

**C. RENTAL ASSISTANCE DEMONSTRATION (RAD) PARTICIPATION**

1. **Description of RAD Participation**
   The MTW PHA shall provide a brief description of its participation in RAD. This description must include the proposed and/or planned number of units to be converted under RAD, under which component the conversion(s) will occur, and approximate timing of major milestones. The MTW PHA should also give the planned/actual submission dates of all RAD Significant Amendments. Dates of any approved RAD Significant Amendments should also be provided.

   **RENTAL ASSISTANCE DEMONSTRATION (RAD) PARTICIPATION**
   
   N/A – None

   **ii. Has the MTW PHA submitted a RAD Significant Amendment in the appendix? A RAD Significant Amendment should only be included if it is a new or amended version that requires HUD approval.**

   **No**
iii. If the MTW PHA has provided a RAD Significant Amendment in the appendix, please state whether it is the first RAD Significant Amendment submitted or describe any proposed changes from the prior RAD Significant Amendment?

A. BOARD RESOLUTION AND CERTIFICATIONS OF COMPLIANCE

The PMHA Board Resolution, the Certifications of Compliance (HUD Form 50900), and the Certifications by State or Local Officials of PHA Plans Consistency with the Consolidated Plan (form HUD-50077-SL) appear below.

Resolution No. 21-20

APPROVING 2022 MOVING TO WORK ANNUAL PLAN

WHEREAS, as directed by the Moving To Work (MTW) Revised Agreement requirement that all Public Housing Authorities prepare and submit an Annual and 5-Year Plan, the Portage Metropolitan Housing Authority prepared and submitted an Annual Plan and related policies following a public hearing process; and

WHEREAS, the Board of Portage Metropolitan Housing Authority has reviewed the draft documents and resident comments;

NOW, THEREFORE, BE IT RESOLVED that the Board of the Portage Metropolitan Housing Authority hereby certifies that the public hearing requirement has been met and further approves the following:

1. 2022 Moving To Work Annual Plan
2. HUD Form 50077, Certification of Compliance

Passed by the PMHA September 28, 2021

I, Pamela Neton Calhoun, Secretary of the Board of the PMHA, do hereby certify that the foregoing is a true and correct copy of a Resolution of the PMHA duly adopted September 28, 2021, and that all deliberations of this Board were in meetings open to the public, in compliance with all legal requirements including Secs. 121.22 of the ORC.
CERTIFICATIONS OF COMPLIANCE

U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT
OFFICE OF PUBLIC AND INDIAN HOUSING

Certifications of Compliance with Regulations:
Board Resolution to Accompany the Annual Moving to Work Plan

Acting on behalf of the Board of Commissioners of the Moving to Work Public Housing Agency (MTW PHA) listed below, as its Chair or other authorized MTW PHA official if there is no Board of Commissioners, I approve the submission of the Annual Moving to Work Plan for the MTW PHA Plan Year beginning 01/01/2023, hereinafter referred to as “the Plan”, of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The MTW PHA published a notice that a hearing would be held, that the Plan and all information relevant to the public hearing was available for public inspection for at least 30 days, that there were no less than 15 days between the public hearing and the approval of the Plan by the Board of Commissioners, and that the MTW PHA conducted a public hearing to discuss the Plan and invited public comment.

2. The MTW PHA took into consideration public and resident comments (including those of its Resident Advisory Board or Boards) before approval of the Plan by the Board of Commissioners or Board of Directors in order to incorporate any public comments into the Annual MTW Plan.

3. The MTW PHA certifies that the Board of Directors has reviewed and approved the budget for the Capital Fund Program grants contained in the Capital Fund Program Annual Statement/Performance and Evaluation Report, form HUD-50075.1 (or successor form as required by HUD).

4. The MTW PHA will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title ii of the Americans with Disabilities Act of 1990.

5. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.

6. The Plan contains a certification by the appropriate state or local officials that the Plan is consistent with the applicable Consolidated Plan.

7. The MTW PHA will affirmatively further fair housing by fulfilling the requirements set out in HUD regulations found at Title 24 of the Code of Federal Regulations, including regulations in place at the time of this certification, and any subsequently promulgated regulations governing the obligation to affirmatively further fair housing. The MTW PHA is always responsible for understanding and implementing the requirements of HUD regulations and policies, and has a continuing obligation to affirmatively further fair housing in compliance with the 1968 Fair Housing Act, the Housing and Community Development Act of 1974, The Cranston-Gonzales National Affordable Housing Act, and the Quality Housing and Work Responsibility Act of 1998. (42 U.S.C. 3608, 5304(b)(2), 5306(d)(7)(B), 12705(b)(15), and 1437c-1(e)(18)). The MTW PHA will affirmatively further fair housing by fulfilling the requirements at 24 CFR 903.7(6) and 24 CFR 903.15, which means that it will take meaningful actions to further the goals identified in its Analysis of Impediments to Fair Housing Choice(4), Assessment of Fair Housing (AFH), and/or other fair housing planning documents and conducted in accordance with the requirements of 24 CFR Part 5, that it will take no action that is materially inconsistent with its obligation to affirmatively further fair housing, and that it will address fair housing issues and contributing factors in its programs, in accordance with 24 CFR 903.7(6), and will address impediments to fair housing choice identified in its AFH, and/or other fair housing planning documents associated with any applicable Consolidated or Annual Action Plan under 24 CFR Part 91.

8. The MTW PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975 and HUD’s implementing regulations at 24 C.F.R. Part 146.

9. In accordance with 24 CFR 5.105(a)(2), HUD’s Equal Access Rule, the MTW PHA will not make a determination of eligibility for housing based on sexual orientation, gender identity, or marital status.

11. The MTW PHA will comply with the requirements of section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low or Very Low Income Persons, and with its implementing regulation at 24 CFR 75.

12. The MTW PHA will comply with requirements with regard to a drug free workplace required by 24 CFR Part 24, Subpart F.
(13) The MTW PHA will comply with requirements with regard to compliance with restrictions on lobbying required by 24 CFR Part 87, together with disclosure forms if required by this Part, and with restrictions on payments to influence Federal Transactions, in accordance with the Byrd Amendment and implementing regulations at 49 CFR Part 24.

(14) The MTW PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.

(15) The MTW PHA will take appropriate affirmative action to award contracts to minority and women’s business enterprises under 24 CFR 5.105(a).

(16) The MTW PHA will provide HUD or the responsible entity any documentation needed to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58. Regardless of who acts as the responsible entity, the MTW PHA will maintain documentation that verifies compliance with environmental requirements pursuant to 24 Part 58 and 24 CFR Part 50 and will make this documentation available to HUD upon its request.

(17) With respect to public housing and applicable local, non-traditional development the MTW PHA will comply with Davis-Bacon or HUD determined wage rate requirements under section 13 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.

(18) The MTW PHA will keep records in accordance with 24 CFR 85.20 and facilitate an effective audit to determine compliance with program requirements.

(19) The MTW PHA will comply with the Lead-Based Paint Poisoning Prevention Act and 24 CFR Part 35.

(20) The MTW PHA will comply with the policies, guidelines, and requirements of 2 CFR Part 225 (Cost Principles for State, Local and Indian Tribal Governments) and 2 CFR Part 200.

(21) The MTW PHA must fulfill its responsibilities to comply with and ensure enforcement of Housing Quality Standards, as defined in 24 CFR Part 962 or as approved by HUD, for any Housing Choice Voucher units under administration.

(22) The MTW PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approved under the Moving to Work Agreement and Statement of Authorizations and included in its Plan.

(23) All attachments to the Plan have been and will continue to be available at all times and all locations that the Plan is available for public inspection. All required supporting documents have been made available for public inspection along with the Plan and additional requirements at the primary business office of the PHA and at all other times and locations identified by the MTW PHA in its Plan and will continue to be made available at the primary business office of the MTW PHA.

Certification by State or Local Official of PHA Plans Consistency with the Consolidated Plan or State Consolidated Plan

I, Todd Peetz, Director of the Portage County Regional Planning Commission

Certify that the 5-Year PHA Plan and/or Annual PHA Plan of the:

Portage Metropolitan Housing Authority

PHA Name

is consistent with the Consolidated Plan or State Consolidated Plan and the Analysis of Impediments (AI) to Fair Housing Choice of the:

County of Portage, State of Ohio pursuant to 24 CFR Part 91.

Local Jurisdiction

Provide a description of how the PHA Plan is consistent with the Consolidated Plan or State Consolidated Plan and the AI.

PMHA provides and implements public and subsidized housing programs to address the housing needs of low-to-moderate income households within Portage County, Ohio. It also offers opportunity for homeownership. Portage County sees an increase in the number of residents over 55 years of age as well as residents with fewer job opportunities since the decline of jobs in manufacturing. Thus, affordable housing is integral to meeting the needs of those aging and those employed but receiving low wages. Indicators, such as Section 8 Administrative Plan and Public Housing Admissions and Continued Occupancy Plan demonstrate that PMHA complies with Fair Housing principles.

I hereby certify that all the information stated herein, as well as any information provided in the accompaniment herewith, is true and accurate. Warning: HUD will prosecute false claims and statements. Conviction may result in criminal and/or civil penalties. (18 U.S.C. 1001, 1014, 1018, 31 U.S.C. 3729, 3802).

B. DOCUMENTATION OF PUBLIC PROCESS

Due to the COVID-19 restrictions and limitations on in-person gatherings, PMHA did not hold public meetings in April 2021, as were typically held in prior non-pandemic effected years, to develop and discuss ideas for the 2022 Annual Plan. Instead, surveys were mailed to all Public Housing residents, with the option to mail it back in, place it in the office drop box, or scan/photograph and email it to Carolyn Budd. The survey was also emailed to all residents for which PMHA had current email addresses, via Survey Monkey, and the link to the survey on SurveyMonkey was put onto PMHA’s website and social media pages (Facebook, Twitter, and Instagram). Residents were invited to participate in the survey from April 6, 2021 through April 29, 2021. A total of 46 households participated in the survey. Records of all survey responses are kept at the PMHA main office.

The final draft of the 2022 MTW Plan was made available for public review on August 12, 2021, with a public hearing held on September 13, 2021.

PMHA utilizes existing PMHA staff members for collecting information for the purposes of evaluating MTW program activities, for reporting program results in the annual MTW Report to HUD, and for the purposes of planning and developing future MTW Plans. PMHA does not hire any independent outside evaluators to perform assessments of the activities or of the MTW program, as a whole.

Program/Activity Receiving Federal Grant Funding
Moving to Work (MTW) Demonstration Program

The undersigned certifies, to the best of his or her knowledge and belief, that:

(1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, Disclosure Form to Report Lobbying, in accordance with its instructions.

(3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all sub recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1353, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

I hereby certify that all the information stated herein, as well as any information provided in the accompaniment herewith, is true and accurate. **ADDITIONAL APPENDIX ITEMS**

**Significant Changes to Activities:** HUD requires MTW PHAs to re-propose activities that require "significant changes." A "significant change" occurs when the nature of the activity has changed such that an additional MTW authorization is needed OR when an MTW PHA fundamentally changes the nature and scope of an activity to the extent that there is the potential for a different impact on residents (e.g., changing the calculation of rent). In these cases, the activity must undergo a new public process. HUD reserves the right to determine on a case-by-case basis if the change made to an activity crosses this threshold and therefore requires the activity to be re-proposed.

**Resident Commissioner:** The City Manager of Kent, Ohio appoints the resident commissioner position. This position is currently occupied by Michael Edwards.

**Non-Smoking Policy in Public Housing:** PMHA designated all Public Housing properties as smoke free effective July 30, 2018, per HUD’s Final Rule “Instituting Smoke-Free Public Housing” published on December 6, 2016 and HUD Notice PIH-2017-03 issued on February 15, 2017. In 2018, PMHA conducted resident meetings for input on the draft smoke-free policy and modified the draft policy based on resident input. PMHA issued the revised draft policy to all Public Housing residents for a 30-day comment period. The policy was implemented by the effective date of July 30, 2018. Under this policy, PMHA bans the use of all prohibited tobacco products in all PMHA owned and/or managed dwelling units, within all units, indoor common areas, administrative offices and buildings, and in outdoor areas within 25 feet of any PMHA housing or administrative offices, buildings, or structures along with outdoor common areas that include but are not limited to playgrounds, mailbox and dumpster areas, and school bus stops. PMHA offered residents information regarding and referrals to community organizations that provide smoking cessation services, as well as brought the Portage County Health District to one PMHA-owned building, the Opportunity Resource Center, to assist residents in preparation for smoke-free housing by providing a series of 5 tobacco cessation classes. PMHA will adopt any further non-smoking policies as required by law or HUD regulation.

**Public Housing Over-Income Limit under the Housing Opportunity Through Modernization Act of 2016 (HOTMA) Policy in Public Housing:** HOTMA was signed into law on July 29, 2016 (Public Law 114-201, 130 Stat. 782); section 103 of HOTMA amends section 16(a) of the United States Housing Act of 1937 (42 U.S.C. 1437n(a)) (1937 Act) and established income limitations for continued occupancy in Public Housing. The law requires that after a family’s income has exceeded 120 percent of the area median income (AMI), or a different limitation as may be established by the Secretary, for two consecutive years, a PHA must terminate the family’s tenancy within 6 months of the second income determination or charge the family a monthly rent equal to the greater of: (1) the applicable Fair Market Rent (FMR); or (2) the amount of monthly subsidy for the unit, including amounts from the operating and capital fund, as determined by regulations. Section 103 of HOTMA requires PHAs to implement this over-income limit and, as such, PMHA has updated its Public Housing Admissions and Continued Occupancy Policies (ACOP) to implement these changes and to establish policies for continued occupancy in
Public Housing. PMHA will update its over-income limits annually in the ACOP, as required by HOTMA, no later than 60 days after HUD publishes new income limits each year. PMHA will adopt any further income limitation policies as required by law or HUD regulation.

**Violence Against Women Act Policies:** PMHA is committed to assisting victims of domestic violence. PMHA’s Section 8 Administrative Plan and Public Housing Admissions and Continued Occupancy Plan (ACOP) are written to protect victims of either gender from unfair evictions and program terminations due to the violence perpetuated against them. PMHA reviews police reports for Public Housing to identify the need to refer residents to counseling and other necessary domestic violence programs. PMHA also will pursue evictions against residents responsible for domestic violence. For the purposes of discussion here, these activities include victims of all criminal activity covered under the VAWA.

**Security Improvements Project:** PMHA is seeking to improve upon security at our six (6) Public Housing family sites, which are Athena Gardens, Community Estates, Ravenna (Harvest) Woods, Heritage Knolls, Renaissance Place, and Townsquare Villas. The primary purpose of this project is to improve the safety, security, and monitoring at these sites. This project was first included in PMHA’s approved 2021 MTW Annual Plan.

PMHA plans to equip each site with security cameras mounted to either buildings or light posts, to offer surveillance coverage for the protection of our sites and our residents. Each site will also receive necessary lighting upgrades to help with camera surveillance under night or low daylight conditions. Each site will have multiple cameras, with either wired or wireless connection, connected to a central digital video recorder (DVR) located in either a locked property garage or locked community space office. Each DVR will be accessible remotely and viewable by select PMHA staff as a way to monitor site activity. This will serve as a resource if an incident would occur, and footage would be needed by PMHA to enforce a lease or by law enforcement. In addition to the lighting upgrades and security camera system installation, the units at each site, except for Ravenna (Harvest) Woods, will receive new front and rear exterior entry doors and code-compliant lever hardware to ensure the safety of every resident and of PMHA’s properties. The replacement doors and hardware at Ravenna (Harvest) Woods are already incorporated into a separate project under the Capital Funds grant.

As of the date of submission on this Plan, PMHA is in the process of obtaining price quotes for security cameras for the outside area of the community building at Renaissance Place. Work has not yet begun on this project.

This project is being solely funded by HUD held reserves and will not utilize current HAP funds.

**Athena Gardens & Renaissance Place HVAC Project:** Upon approval of PMHA’s 2022 MTW Annual Plan, PMHA is seeking to commence an HVAC project at two (2) Public Housing family sites, Athena Gardens and Renaissance Place. The primary purpose of
this project is to replace the aging furnace systems at these sites as well as provide central air conditioning, which is currently not present at either site.

This project will be solely funded by HUD held reserves and will not utilize current HAP funds. The project is anticipated to be completed in 2022.

It is anticipated that PMHA will utilize approximately $300,000 of reserves for the project at the two (2) sites. The actual cost for installation at Athena Gardens is $138,528 and the estimate for installation is $161,472 for Renaissance. This will include removing and disposing of existing forced air furnaces and replacing them with new, energy-efficient furnaces and installing condenser units for central air conditioning.

Capital Fund Program – The Annual Statement/Performance and Evaluation Report (HUD 50075.1) or subsequent form required by HUD: In lieu of HUD 50075.1, PMHA chooses to include its Capital Fund Program Five-Year Action Plan (HUD 50075.2). Historically, PMHA was permitted under MTW to either submit the 50075.1 or the 50075.2. PMHA has submitted the 50075.2 because it gives the agency the flexibility of a rolling 5 Year Action Plan. However, a 50075.1 is always submitted annually in the spring to the HUD Field Office, based off the information in the 50075.2 that was submitted with the Annual MTW Plan the previous fall. PMHA’s concern is that submitting the 50075.1 will limit the agency’s flexibility as to what we will be able to do until next year’s Annual MTW Plan submission. Submitting the 50075.2 (5 Year Plan) gives flexibility to make changes within the coming year’s annual plan submittal if we see the need. For clarity, PMHA can list 20 potential projects in the 50075.2 for its 5 Year Plan, and when the agency submits the 50075.1 the following spring, we can pick from the 20 based on the agency’s greatest needs. It is PMHA’s understanding that MTW agencies are allowed this flexibility.
