HUD’s Office of Native American Programs Reporting Requirements Extension

HUD’s Office of Native American Programs (ONAP) recognizes that, in addition to providing and maintaining affordable housing, Tribes and TDHEs are coordinating emergency health services, emergency housing services, law enforcement, and other essential governmental services in response to the Coronavirus (COVID-19) pandemic. ONAP also recognizes that these services are being provided while offices are closed, or staff is significantly reduced or teleworking. Therefore, to provide some relief for Tribes impacted by COVID-19, ONAP is extending the due dates for certain reports. Effective immediately, ONAP is extending, by 90 calendar days, the original due date for the following:

- Indian Housing Block Grant (IHBG) Annual Performance Reports
- Quarterly and Final Federal Financial Reports (SF-425) for all ONAP managed grants:
  - IHBG Formula and Competitive
  - ICDBG and ICDBG Imminent Threat
- ROSS
The tribal community can find answers to many questions on tribes and their wholly owned entities.

The 90-days extension currently applies to original due dates through **June 30, 2020**. ONAP is taking these actions pursuant to a March 19, 2020, Office of Management and Budget (OMB) Memorandum M-20-17. This applies to grantees that have fiscal year-ends through June 30, 2020.
