SECTION I – INTRODUCTION AND AGENCY GOALS

MESSAGE FROM THE PRESIDENT & CEO

As the San Diego Housing Commission (SDHC) plans for Fiscal Year 2022, we continue to meet the challenge of providing essential housing assistance for families with low income during the ongoing uncertainty of the COVID-19 pandemic.

We help more than 16,000 households with low income in the City of San Diego pay their rent. We partner with developers to create and preserve affordable housing units—more than 1,000 completed in Fiscal Year 2020 and 2,900 additional units pending completion. And our collaborative homelessness programs, including Moving to Work (MTW) initiatives, help to provide housing solutions for thousands of San Diegans experiencing homelessness or at risk of homelessness.

SDHC's MTW status is essential to the success of our programs, especially during the current public health crisis.

SDHC implemented policies in March to help the families we serve who experienced financial hardships due to the pandemic. These included revisions in our rental assistance program that, in some cases, enabled SDHC to temporarily provide a higher amount of rental assistance to households affected by COVID-19.

In addition, on October 13, 2020, the San Diego City Council, in its role as the Housing Authority of the City of San Diego, authorized SDHC to purchase two hotels to create 332 new units of permanent housing with supportive services for individuals and families experiencing homelessness. We secured \$37.7 million from the State of California's Project Homekey program to purchase these hotels, and an additional important source of funding for these acquisitions is approximately \$7.5 million in MTW funds.

As our MTW status continues to encourage innovation and with SDHC's exceptional staff continuing their outstanding work, I am confident that SDHC will continue to be a source of stability for our customers during these uncertain times.

Sincerely,

Richard C. Gentry

President & Chief Executive Officer

San Diego Housing Commission

SHORT-TERM AND LONG-TERM MTW GOALS

LONG-TERM GOALS

SDHC STRATEGIC PLAN

The San Diego Housing Commission (SDHC) is currently developing a new, agency-wide, five-year Strategic Plan.

This plan will provide SDHC with a framework to have the greatest possible impact within the agency's available resources in the years ahead.

SDHC anticipates presenting the Strategic Plan to the SDHC Board of Commissioners for consideration early in 2021.

CITY OF SAN DIEGO COMMUNITY ACTION PLAN ON HOMELESSNESS

The City of San Diego (City) [Community Action Plan on Homelessness](#) is a comprehensive, 10-year plan that builds on recent progress, lays out short-term achievable goals and will serve as a guide for long-term success in addressing homelessness.

On October 14, 2019, the San Diego City Council unanimously accepted the City's Community Action Plan on Homelessness.

On October 27, 2020, the San Diego City Council received an [update on the first year](#) of the Community Action Plan's activities and focus of areas for the next year within each of the plan's five Key Strategies:

1. Implement a systems-level approach to homeless planning – Build capacity and infrastructure around city-level governance, strategic thinking and systems change to support the articulated goals.
2. Create a client-centered homeless assistance system – Create a homeless assistance system that centers on clients and values client feedback in system design and resource allocation.
3. Decrease inflow through increase of prevention and diversion – Work with other regional systems to prevent homelessness when possible and divert people from the system altogether.
4. Improve the performance of the existing system – Review current practices, performance and metrics to move from project-level thinking to system-level thinking.
5. Increase the production of/access to permanent solutions – Identify low-income and affordable housing options to increase opportunities to provide greater access to permanent housing.

A [dashboard](#) to provide quarterly reports to community stakeholders about progress toward the Community Action Plan's objectives was created and is available through SDHC's website.

SHORT-TERM GOALS

NOTICES OF FUNDING AVAILABILITY TO CREATE AND PRESERVE AFFORDABLE HOUSING PRESERVATION

On August 31, 2020, SDHC issued two Notices of Funding Availability (NOFAs) for more than \$46 million to create and preserve affordable rental housing units for San Diegans with low income and/or experiencing homelessness.

- **Affordable and Permanent Supportive Housing (NOFA-21-01)**

Up to \$25 million is available to facilitate acquisition and new construction, acquisition with rehabilitation, or rehabilitation of affordable rental housing for households with low income (60 percent of San Diego's Area Median Income [AMI]), very low income (50 percent of AMI), and extremely low income (30 percent of AMI) and individuals and families experiencing homelessness.

- Up to \$10.6 million for permanent supportive housing for individuals and families experiencing homelessness.
- Up to \$14.4 million for affordable rental housing.

This NOFA also includes up to 300 federal rental housing vouchers committed by SDHC:

- 100 for permanent supportive housing
- 200 for affordable housing that is not permanent supportive housing

- **Preservation (NOFA-21-02)**

Up to \$21.6 million is available for the preservation of multifamily affordable rental housing. These funds will be awarded as forgivable loans in exchange for long-term affordability restrictions with or without capital improvements. Funds included in this NOFA may be used for acquisition, pre-development and residential rehabilitation (including relocation activities) of existing unrestricted naturally occurring affordable housing (NOAH) and deed-restricted affordable rental housing in the City of San Diego.

- Up to \$5 million for the preservation of expiring, deed-restricted affordable housing
- Up to \$16.6 million for the preservation of “naturally occurring affordable housing”

This NOFA does not include rental housing vouchers.

In addition, to streamline the application process for funds available from SDHC, the agency created a new online NOFA application portal, which also launched on August 31, 2020.

Developers and qualified vendors are able to use this portal to submit an application for current NOFA opportunities. They can use the same portal to apply for funds available for new construction or rehabilitation, as well as rental housing vouchers.

The portal provides easy navigation that enhances the user’s experience. This online, digital application also allows multiple people from the same organization to register and access the portal and work collaboratively to complete the required steps.

SDHC PARTNERSHIP DEVELOPMENTS

The following SDHC partnership developments are among approximately 3,400 affordable rental housing units that are under construction or have received approval from the SDHC Board of Commissioners as of November 2020:

- **14th and Commercial** (new construction) – 323 affordable units, including 230 permanent supportive housing units for San Diegans experiencing homelessness
- **14C VHHP Apartments** (new construction) – 80 affordable housing units for veterans experiencing homelessness, of which 40 units are permanent supportive housing units for chronically homeless veterans and veterans with disabilities

V. PLANNED OTHER CHANGES TO MTW HOUSING STOCK ANTICIPATED IN THE PLAN YEAR

Examples of the types of other changes can include (but are not limited to): Units held off-line due to relocation or substantial rehabilitation, local non-traditional units to be acquired/developed, etcetera.

No changes anticipated.

VI. GENERAL DESCRIPTION OF ALL PLANNED CAPITAL EXPENDITURES DURING THE PLAN YEAR

Narrative general description of all planned capital expenditures of MTW funds during the Plan Year.

SDHC anticipates Capital Fund Program formula funds will be used to fund the soft costs, the hard costs and administrative costs of various renovation activities throughout the (8) Public Housing properties consisting of (189) public housing units. Hard costs may include upgrades property fencing, parking lot seal and stripe, water conservation landscape and irrigation system, solar PV panel upgrades, limited stair upgrades, exterior area and building lighting, limited electrical, signage, and limited site improvements. Soft costs may include architecture and engineering and third party consultants for due diligence related activities. The property and scope selection is to be determined.

B. LEASING INFORMATION MATRIX

I. PLANNED NUMBER OF HOUSEHOLDS SERVED

SECTION III – PROPOSED MTW ACTIVITIES: HUD APPROVAL REQUESTED

2022-1 HOMEOWNERSHIP PROGRAM

Activity Description

SDHC currently administers the City of San Diego's First Time Homebuyer (FTHB) programs to eligible households earning up to 80 percent of the San Diego Area Median Income. The FTHB program, which offers deferred down-payment assistance loans, closing cost grants, and mortgage credit certificates, has been in existence since 1988, and has assisted more than 5,840 families purchase a home in the City of San Diego. SDHC is requesting approval from HUD to have the ability to utilize Moving to Work funds through the Broader Uses of Funds Authority in accordance with PIH Notice 2011-45 and the Standard MTW Agreement Attachment C Section D.8.a.

Programs that are operated by SDHC for homebuyers that may be eligible under this initiative, include the following:

Deferred-Payment Loan Program

- Eligible buyers earning no more than 80 percent of San Diego's AMI may qualify for a deferred-payment, second trust deed loan of up to 17 percent of the purchase price, with the interest rate set at 3 percent.
- No payments are required for 30 years, unless the owner sells or no longer occupies the home as a primary residence, at which time the principal balance, including accrued interest, must be repaid.
- To qualify, the buyer must obtain a fixed-rate first trust deed loan; have adequate income, a good credit rating; and provide a minimum down payment of 3 percent. Applicants also must attend a homebuyer education class.

Homeownership Grant Program

- Buyers earning no more than 80 percent of San Diego's AMI are eligible for closing cost assistance of up to 4 percent of the purchase price, not to exceed \$10,000.
- Closing Cost Homeownership Grants are forgiven at escrow closing.
- These Closing Cost Homeownership Grants are applied for in conjunction with the 3% Interest, Deferred-Payment Loan Program.

Closing Cost Forgivable Loan Program

- Buyers earning no more than 100 percent of San Diego's AMI are eligible for closing cost assistance of up to 4 percent of the purchase price, not to exceed \$10,000.
- Assistance is forgiven at the end of 6 years as long as the property remains owner occupied and there are no further encumbrances.

Mortgage Credit Certificate

- Qualified homebuyers with income not exceeding 140 percent of San Diego's AMI may claim a Federal income tax credit of 20 percent of the annual interest paid on their mortgage. The tax credit is a dollar-for-dollar reduction in the homebuyer's Federal tax liability that increases the household income available to qualify for a mortgage loan and make monthly mortgage payments. Buyers may be subject to a recapture tax if they sell the home within the first nine years.

Typically, while SDHC receives Federal HOME or CDBG funds allocated by the City of San Diego, or requests funds from the state and other local sources in order to fund these homeownership programs, final funding levels are not always in line with the amount needed. This, in turn, reduces the capacity SDHC has to help qualified households purchase their homes.

SDHC would like to utilize MTW funds in the amount of \$5 million towards the existing first-time homebuyers programs, which would assist around 50 families under 80% AMI in being able to purchase a home in the City of San Diego. Currently, SDHC receives funding for its homeownership programs via HOME, Community Development Block Grants (CDBG), California CalHome Program funds, and

SECTION III – PROPOSED MTW ACTIVITIES: HUD APPROVAL REQUESTED

the City of San Diego Affordable Housing Fund. It is not anticipated that MTW funds would be used consistently, but on an as-needed basis when funding is not adequate, or there is a need for the program to be expanded. MTW funds would remain limited to 80% AMI and below families, with other funding sources being used for programs that allow for higher AMI levels.

Statutory Objectives

This activity would accomplish the statutory objective of increasing housing choice, as it would allow for lower-income families to be able to purchase a home in San Diego where it is increasingly more difficult to do so. Homeownership is considered to be an effective means of building wealth for low-income families.

Anticipated Timeline to Achieve Objectives

This activity will be activated on an as-needed basis.

Activity Metrics Information

METRIC	BASELINE	BENCHMARK	OUTCOME
HC #5: Increase in Resident Mobility <i>Number of households able to move to a better unit and/or neighborhood of opportunity as a result of the activity (increase).</i>	0	10	
HC #6: Increase in Homeownership Opportunities <i>Number of households that purchased a home as a result of the activity (increase).</i>	0	10	
HC #7: Households Assisted by Services that Increase Housing Choice <i>Number of households receiving services aimed to increase housing choice (increase).</i>	0	10	

Projected Outcomes

- Families assisted through the homeownership program will be able to purchase a home within a city where rising housing costs make it increasingly difficult to do so.

Description of Data Sources for Metrics

TBD

Cost Implications

This activity will not result in added costs to SDHC unless it is used to expand the FTHB programs.

PRESERVATION OF AFFORDABLE HOUSING IN THE CITY OF SAN DIEGO

PLAN YEAR APPROVED: 2021

RE-PROPOSED: N/A

DESCRIPTION

SDHC created a Local Non-Traditional, Property-Based activity to provide financing for the preservation and rehabilitation of properties that are not owned by SDHC. In seeking funding for preservation or rehabilitation, landlords will be incentivized to maintain the affordability of the units and improve housing stock as they provide safe, decent and sanitary dwelling units.

SDHC is committed to preserving affordable housing within the City of San Diego, by developing methods of financing to incentivize property owners to preserve their existing affordable housing units. Financing received through SDHC will help these property owners complete necessary health and safety upgrades to dwelling units that could be normally be cost-prohibitive, leading to an increase in rent for tenants. In receiving this funding, this ensures that properties receiving SDHC funds remain affordable to low-income families for the foreseeable future.

During FY 2021, a NOFA was developed aimed at the preservation of deed-restricted and naturally occurring affordable housing (NOAH).

ESTABLISHMENT OF ALTERNATIVE REASONABLE COST LIMITS

PLAN YEAR APPROVED: 2021

RE-PROPOSED: N/A

DESCRIPTION

SDHC received permission to develop alternative reasonable cost limits to include Total Development Costs (TDC) and Hard Construction Costs (HCC) for the amount of Moving to Work funds that can be contributed in SDHC's local non-traditional development and rehabilitation activities. Over the past several years, the San Diego metropolitan area has seen massive increases in the cost to develop and rehabilitate new and existing properties.

SDHC has seen multiple projects exceed HUD-published limits for the San Diego region, as the Rental Housing Finance Division is a lender, conduit bond issuer, and administrator of the City of San Diego's affordable land use programs including the Inclusionary, Density Bonus, Single-Room Occupancy, and Coastal Replacement Housing ordinances. Using the alternative reasonable cost formula, SDHC was able to increase its ability to ensure that more affordable units are developed or rehabilitated within the City of San Diego.

2010-9. EXPAND THE PROJECT-BASED VOUCHER PROGRAM

PLAN YEAR: 2010

RE-PROPOSED: 2015

DESCRIPTION

SDHC allocates a greater percent of budget authority to project-based vouchers to serve a variety of the homeless population and low-income households in the City of San Diego. Authorizations waived allow SDHC to project-base 100 percent of the units in a development; create project-specific waitlists; require the provision of supportive services in a development; utilize creative measures to allocate PBV in vacant and foreclosed properties; and designate greater than 20 percent of SDHC's allocation to PBV.

Prior Updates

- FY 2021: SDHC changed the rent change period from HAP anniversary month to reexamination month. This will further streamline the process by allowing rent increases to be processed concurrently with the reexamination on the optimized reexamination effective date
- FY 2015: Re-proposed to adopt additional flexibilities to require residents to participate in supportive services as a condition of tenancy; allow project-specific waiting lists maintained by the owners or non-profit providers; approve exception payment standards exceeding 110 percent of the FMR without requiring HUD approval; and increase the number of designated PBV units in a contract after the first three years of the contract have elapsed.

PLANNED NON-SIGNIFICANT CHANGES: New PBV developments focused on Permanent Supportive Housing (PSH) may use Certificates of Occupancy or Temporary Certificates of Occupancy in lieu of an HQS inspections for units. This allows for inspections that have been performed for satisfying Tax Credit or HOME program requirements, as well as inspections by other governmental agencies that are substantially equivalent to HQS requirements. Subsequent inspections shall follow the standard biennial HQS process.

2010-7. ADOPT A LOCAL INTERIM CERTIFICATION POLICY

PLAN YEAR: 2010

RE-PROPOSED: 2012

DESCRIPTION

The local interim policy applies to non-elderly/non-disabled households and limits the number of interim adjustments to income to once in a 12-month timeframe. Additionally, decrease of income interims will be granted only if the loss of income is through no fault of the family, the decreased income results in a decrease to the rent portion greater than 20 percent, the decrease is not due to a sanction on public assistance income, and the family provides verification of eligibility or ineligibility for unemployment benefits if the reduced income is due to loss of employment.

Prior Updates

- Baselines, benchmarks, and metrics were modified in the Fiscal Year 2012 Plan Amendment due to the re-proposal.
- FY 2020: A technical amendment was approved in April 2020 to allow for modifications to the activity during periods of emergency operations.
- FY 2018: Effective July 1, 2018, SDHC eliminated the "No Fault of Your Own" policy as a reason to deny an interim request for a decrease in the rent portion. A review and analysis of the policy indicated minimal benefits.
- FY 2015: The policy applies to work-able families as defined under Path to Success. The activity utilizes the authority to implement an interim certification protocol differing from current mandates, thus allowing for locally driven policies concerning income change interims for families categorized as "Work-Able".
- FY 2012: Re-proposed to adopt a policies stating an interim adjustment of income will not be processed unless the change to the rent portion is greater than 20% and the loss of income must not occur through fault of the family.

HCV HOMEOWNERSHIP
PROGRAM**
PLAN YEAR APPROVED: 2010**IMPLEMENT DATE:** OCT 01, 2009**RE-PROPOSED:** N/A**HOLD DATE:** JUL 01, 2014**DESCRIPTION**

A homeownership program was created to assist income-eligible HCV participants with purchasing a home. Housing assistance payments are utilized to assist with a mortgage payment rather than as a rental payment. Incentives to purchase a foreclosed home are also program components. Waivers were enacted to modify the eligibility requirements for the program related to the minimum monetary threshold for savings accounts as well as implement the incentives for purchasing foreclosed homes.

REASON PLACED ON HOLD

The program was placed on hold due to decreasing housing stock and the resulting increasing housing prices, thus creating a housing market no longer accessible to low-income Housing Choice Voucher participants. New applications were no longer be accepted effective July 1, 2014 for the program. Families currently participating in the homeownership program continue to receive assistance.

STATUS UPDATE: None

ANTICIPATED REACTIVATION TIMELINE

SDHC will evaluate the program annually to determine the feasibility of re-activating the program. Criterion to be evaluated will include the level of available housing stock, median housing prices, and the administrative capacity to increase the number of Housing Choice Voucher homeowners.

III. DESCRIPTION OF PLANNED USE OF MTW SINGLE FUND FLEXIBILITY

SDHC utilizes single-fund flexibility to fund the Achievement Academy and to provide funding for supportive services in support of the Community Action Plan on Homelessness and the SDHC Housing Intervention Continuum. The Achievement Academy is a learning and skills center available to families participating in the Housing Choice Voucher and Public Housing programs. Programs offered at the Achievement Academy are geared to workforce readiness and financial literacy. The Family Self-Sufficiency program is another component of the Achievement Academy. Please note: Individual Development Accounts are no longer funded with MTW single-fund flexibility. Please see the following pages for a thorough discussion of each activity.

**SINGLE FUND FLEXIBILITY NARRATIVE****ENVISION CENTER DEMONSTRATION PROGRAM**

In June of 2018, HUD announced the designation of EnVision Centers in 17 communities across the nation. SDHC was selected for the only location in California, and only one of three co-located within a designated Promise Zone.

Initially implemented with two locations to provide client flexibility, the Southeast San Diego location closed due to minimal in-person traffic. The location housed at the SDHC's Achievement Academy remains open. EnVision Centers are open to any households currently receiving SDHC's rental assistance and also those on the waitlist. Other clients served include residents of the Promise Zone.

EnVision Centers leverage public and private resources to help clients achieve goals to secure economic security. To foster long-lasting self-sufficiency, EnVision Centers provide support in the following four areas of focus: Economic Empowerment; Education; Health/Wellness; and Character/Leadership.

FAMILY SELF-SUFFICIENCY: EDEN HOUSING INC.

In November 2020, the SDHC Achievement Academy signed a contract with Eden Housing, Inc., a California nonprofit public benefit corporation, to implement a Family Self-Sufficiency program on two of its San Diego properties. This marks the first time HUD has authorized a public housing authority to run an FSS program for a private multifamily developer. The FSS program will operate under HUD's guidelines for the traditional five-year program and not the Achievement Academy's MTW approved two-year program.

ACHIEVEMENT ACADEMY

SDHC uses single-fund flexibility in support of MTW activities to enhance self-sufficiency programming. SDHC combines funds from public housing operating and capital fund assistance (authorized by section 9 of the United States Housing Act of 1937 [the Act]) and voucher funds (authorized by section 8 (o) of the Act) to implement a block grant/single-fund budget approach to budgeting and accounting. SDHC has consolidated public housing and HCV program funds to implement the approved Moving to Work initiatives described in previously approved MTW Plans and will continue to do so in future Plans.

SDHC uses single-fund flexibility to conduct a variety of activities geared toward self-sufficiency. The Achievement Academy offers a broad range of one-on-one services and workshops geared toward workforce readiness and financial literacy. Partnerships with a variety of external organizations specializing in their fields enable SDHC to provide assistance to participants with different interests, career focuses, and skill levels. Leveraging funding from outside sources increases the services provided to participants. When possible, staff looks for grants that provide funding and coaching to assist both staff and participants. Following the Financial Opportunity Center (FOC) model, created by funding from the Local Initiatives Support Corporation (LISC), the Achievement Academy is able to provide robust services to participants that go beyond job leads and help support self-sufficiency. The resources offered at the Achievement Academy are a vital component of the Path to Success rent reform activity as participants are incentivized to increase income and work towards self-sufficiency. SDHC plans to continue and grow these partnerships to better serve our families and increase economic self-reliance. The narrative below describes some of the services offered at the Achievement Academy.

It is worth noting that while the COVID-19 pandemic temporarily disrupted and altered the Achievement Academy's service delivery model, it did not prevent services from reaching clients in new and creative ways. Like most businesses across the country and elsewhere, SDHC Achievement Academy staff quickly reworked in-person meetings and workshops to Zoom or other online platforms. The change in service delivery proved to be more accessible and convenient for many clients resulting in increased participation in workshops and programmatic events.

EMPLOYMENT/WORKFORCE DEVELOPMENT

JOB DEVELOPER

One of the Achievement Academy Workforce Readiness Specialist (WRS) positions serves as a job developer and makes connections with employers of in-demand occupations; organizes job fairs; and coordinates employment services with partner organizations. Training for participants covers such topics as on-line job search, résumé writing, interviewing tips, and customer service. The Achievement Academy also partners with Manpower, an industry leader in employment services. Manpower helps to leverage connections in the business community to help open doors to companies that typically have been a struggle for participants to get into in the past.

ONE-STOP CAREER CENTER

The KRA Corporation, a contractor from San Diego Workforce Partnership, provides services via a satellite One-Stop Career Center at the local downtown public library. KRA staff offers workforce development services including labor market information, career development, assessment, job search/retention skills, job placement assistance, and referrals to training opportunities.

SMALL BUSINESS DEVELOPMENT TRAINING

Landeros & Associates, a business consulting firm in San Diego, leads the microenterprise program educating participants about how to start or expand a small business and how to create or update a solid business plan. The program provides basic skills training and knowledge to underserved entrepreneurs and also identifies and expands linkages to critical community resources linked to small business development. Landeros & Associates also connects participants with opportunities for additional small business training, technical assistance, and access to mainstream financial institutions to boost economic development.

EMPLOYMENT/WORKFORCE DEVELOPMENT WORKSHOPS

The SDHC Achievement Academy offers employment readiness workshops and provides access to temporary and permanent employment through employer connections. Workshops include: Returning to the Workforce; The Job Search Rollercoaster; Teamwork Skills Everyone Needs; and 10 Keys for Professional Success among others. The Achievement Academy also hosts on-site recruitment fairs. Participants are invited to attend presentations from hiring organizations and hear directly from human resources representatives how to get hired at their company. Topics covered range from the job application and résumé submittal process to interview preparedness and communication skills. Prior to recruitments, participants may receive assistance in the Academy's computer lab to submit on-line applications. Many of the participating recruitment organizations guarantee, at minimum, an interview to SDHC clients.

YOUTH PROGRAMS

Staff at the Achievement Academy strives to offer innovative programming in an effort to keep participants interested and engaged. One WRS position focuses on developing programming for “opportunity youth”, defined as young adults between sixteen and twenty-four years of age who are not working or enrolled in school. Students receive education counseling or career guidance. The Achievement Academy has partnered with International Rescue Committee (IRC) to provide additional training and services to these young adults. In the past, IRC has been able to offer intern placements to develop employment history. This partnership with IRC is offered as their funding allows.

ACADEMY COMPUTER LAB

Participants have access to the SDHC Achievement Academy's 30-station computer lab for career assessments, career exploration, labor market information, résumé building, and on-line job applications. In addition, Manpower provides individual participant access to the internet based Training Development Center which hosts over 5,000 on-line courses for skills development. The Achievement Academy partners with San Diego Futures Foundation (as funding allows) to offer beginning and intermediate computer skills (Word, Excel, Internet) classes to participants with minimum or no previous computer use experience.

**INCOME SUPPORTS****THRIVE INITIATIVE**

THRIVE is a partnership between the United Way, the County of San Diego, and South Bay Community Services. The purpose of the initiative is to enhance the accessibility of benefits screening and tax preparation services. Benefits screening and application assistance is currently offered for an array of program such as CalFresh (food stamps), CalWorks, Women Infants and Children (WIC), California Healthy Families, Child Care Assistance, MediCal, and Supplemental Nutrition Assistance Program (SNAP). On-site benefit screening appointments continue to be conducted for participants.

FINANCIAL EDUCATION**FINANCIAL COUNSELING**

The Achievement Academy has been able to have several WRS positions trained as certified Financial Counselors. The Financial Counselors offer on-site credit counseling in debt reduction, credit repair, budgeting, and cash management skills. These services have been incorporated into the FOC service delivery model utilized within the Achievement Academy.

FINANCIAL SKILLS EDUCATION WORKSHOPS

Financial Education workshops are routinely offered in the following topic areas: Debt and credit repair; credit score improvement; controlling expenses; maintaining a financial fitness plan; electronic banking and direct employee deposits; budget management, ordering, reviewing, and repairing credit report; investments strategies and options; and pensions/retirement planning.

FINANCIAL COACHING TRAINING

SDHC WRS staff utilize the LISC Financial Counseling Model to implement innovative coaching methods during one-on-one appointments with participants. SDHC is also positioned to assist participants with improving credit through a partnership with Credit Builders Alliance. The ability to internally pull credit reports allows SDHC to further assist participants with accessing current credit ratings in order to begin aligning client goals for credit improvement to future financial and career goals.

The chart below contains a summary of the results of Achievement Academy activities at the close of Fiscal Year 2020.

FLEXIBLE FUNDING FOR SUPPORTIVE SERVICES

In addition to the Achievement Academy, SDHC is planning to utilize MTW funds to provide supportive services that would align with the City of San Diego's Community Action Plan on Homelessness. The Community Action Plan on Homelessness has identified a homeless-crisis-response-system service gap. Families can often present in significant crisis, and in the early stage of the crisis presentation it can be challenging to determine whether the homelessness/housing crisis is due to situational or structural factors/barriers in the household/individual. Flexible funding used towards supportive services, in this instance, would help fund a central point of contact and centralized resources for families as they move between the various programs available.

Examples of supportive services that SDHC seeks to provide via flexible funding include, but are not limited to:

- Centralized Case Management
- Mental Health Services
- Physical Healthcare Services
- Behavioral Healthcare
- Substance Use Services
- Life Skills Training
- Education Services
- Employment Assistance
- HIV Services

This flexible supportive services approach creates individualized emergency intervention and housing planning for the household/individual to best meet the participant's needs with a focus on aligning the right level of intervention with the critical need, promoting self-sufficiency and identifying the best resource to help participants thrive and overcome both situational and structural barriers to long-term housing stability.

For example, SDHC has drafted a Housing Intervention Continua, which delves into how at risk populations can be served via centralized resources if funded via this proposed activity. The Continua contains multiple approved local non-traditional MTW activities, in which case management is operated separately. Currently, if a household moves from one program to another, this could necessitate a change in who their point of contact is. This continua could utilize flexible funding to focus on using centralized case management in order to help families more successfully navigate available programs, which includes Homeless Shelter Beds, Moving Home, Sponsor-Based Subsidies, as well as the Achievement Academy and other approved programs. In this instance, centralized case management would remain with participating families from the beginning and continue with them in order to direct which program is most appropriate for their situation. Flexible funding would ensure that even if the families move into another housing program, their case management point of contact would remain with them until exit.

While funding for supportive services within the aforementioned Homeless Housing Continua could be an immediate use of the activity, it is expected that flexible funding for supportive services could also be used towards other households and programs eligible for assistance from SDHC. Another potential application SDHC recently encountered occurred during an acquisition using CARES Act funding. While funding was available for the acquisition, the supportive services that were needed were not included. This, if approved, could be used to bridge similar gaps encountered in the acquisition and development process based on other funding sources used.

A final example could be providing assistance to families in obtaining broadband access that is increasingly necessary for education and remote work opportunities. As a result of the COVID-19 pandemic, especially in the City of San Diego has expanded remote learning opportunities that may persist for educational outreach after a return to in person classes. Remote learning and conferencing often requires video capabilities, which means that broadband access is required. Not all families have access to this resource, and

SECTION IV – APPROVED MTW ACTIVITIES: HUD APPROVAL PREVIOUSLY GRANTED

flexible funding could help provide for families in need in order to prevent a long-term disadvantage. In addition, families with children that would have access would also help their parents or guardians in additional access to job search resources, as well as provide them the ability to work possibly work remotely.

As mentioned, this activity would not be limited to just the activities provided in the previous examples.

LOCAL ASSET MANAGEMENT PLAN

Did the MTW PHA allocate costs within statute in the Plan Year?

Yes

Did the MTW PHA implement a local asset management plan (LAMP) in the Plan Year?

No

Did the MTW PHA provide a LAMP in the appendix?

No

If the MTW PHA has provided a LAMP in the appendix, please provide a brief update on implementation of the LAMP. Please provide any actual changes (which must be detailed in an approved Annual MTW Plan/Plan amendment) or state that the MTW PHA did not make any changes in the Plan Year.

SDHC did not operate a Local Asset Management Plan during Fiscal Year 2021.

RENTAL ASSISTANCE DEMONSTRATION (RAD) PARTICIPATION

DESCRIPTION OF RAD PARTICIPATION

The MTW PHA shall provide a brief description of its participation in RAD. This description must include the proposed and/or planned number of units to be converted under RAD, under which component the conversion(s) will occur, and approximate timing of major milestones. The MTW PHA should also give the planned/actual submission dates of all RAD Significant Amendments. Dates of any approved RAD Significant Amendments should also be provided.

Rental Assistance Demonstration (RAD) Participation Description:

N/A

Has the MTW PHA submitted a RAD Significant Amendment in the appendix? A RAD Significant Amendment should only be included if it is a new or amended version that requires HUD approval.

N/A

If the MTW PHA has provided RAD Significant Amendment in the appendix, please state whether it is the first RAD Significant Amendment submitted or describe any proposed changes from the prior RAD Significant Amendment?

CERTIFICATIONS OF COMPLIANCE

(PAGE 1 OF 2)

CERTIFICATIONS OF COMPLIANCE

**U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT
OFFICE OF PUBLIC AND INDIAN HOUSING**

**Certifications of Compliance with Regulations:
Board Resolution to Accompany the Annual Moving to Work Plan**

Acting on behalf of the Board of Commissioners of the Moving to Work Public Housing Agency (MTW PHA) listed below, as its Chairman or other authorized MTW PHA official if there is no Board of Commissioners, I approve the submission of the Annual Moving to Work Plan for the MTW PHA Plan Year beginning (07/01/2021), hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

- (1) The MTW PHA published a notice that a hearing would be held, that the Plan and all information relevant to the public hearing was available for public inspection for at least 30 days, that there were no less than 15 days between the public hearing and the approval of the Plan by the Board of Commissioners, and that the MTW PHA conducted a public hearing to discuss the Plan and invited public comment.
- (2) The MTW PHA took into consideration public and resident comments (including those of its Resident Advisory Board or Boards) before approval of the Plan by the Board of Commissioners or Board of Directors in order to incorporate any public comments into the Annual MTW Plan.
- (3) The MTW PHA certifies that the Board of Directors has reviewed and approved the budget for the Capital Fund Program grants contained in the Capital Fund Program Annual Statement/Performance and Evaluation Report, form HUD-50075.1 (or successor form as required by HUD).
- (4) The MTW PHA will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
- (5) The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
- (6) The Plan contains a certification by the appropriate state or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the MTW PHA's jurisdiction and a description of the manner in which the Plan is consistent with the applicable Consolidated Plan.
- (7) The MTW PHA will affirmatively further fair housing by fulfilling the requirements at 24 CFR 903.7(o) and 24 CFR 903.15(d), which means that it will take meaningful actions to further the goals identified in the Assessment of Fair Housing (AFH) conducted in accordance with the requirements of 24 CFR 5.150 through 5.180, that it will take no action that is materially inconsistent with its obligation to affirmatively further fair housing, and that it will address fair housing issues and contributing factors in its programs, in accordance with 24 CFR 903.7(o)(3). Until such time as the MTW PHA is required to submit an AFH, and that AFH has been accepted by HUD, the MTW PHA will address impediments to fair housing choice identified in the Analysis of Impediments to fair housing choice associated with any applicable Consolidated or Annual Action Plan under 24 CFR Part 91.
- (8) The MTW PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
- (9) In accordance with 24 CFR 5.105(a)(2), HUD's Equal Access Rule, the MTW PHA will not make a determination of eligibility for housing based on sexual orientation, gender identity, or marital status and will make no inquiries concerning the gender identification or sexual orientation of an applicant for or occupant of HUD-assisted housing.

CITY OF SAN DIEGO COVID-19 EMERGENCY RENTAL ASSISTANCE PROGRAM

The San Diego Housing Commission (SDHC) administered the City of San Diego's COVID-19 Emergency Rental Assistance Program, which helps families with low income in the City of San Diego who experience financial hardship due to the COVID-19 pandemic. The program provides one-time payments of up to \$4,000 per qualifying household to help pay past-due and/or upcoming rent to assist with preventing housing displacement.

The San Diego City Council on June 30, 2020, authorized the expenditure of up to \$15.1 million in federal Coronavirus Aid, Relief, and Economic Security (CARES) Act funds to create the COVID-19 Emergency Rental Assistance Program.

SDHC worked with the offices of San Diego Mayor Kevin L. Faulconer and City Councilmember Chris Ward to develop the program.

More than 13,000 applications were received during the application period between July 20, 2020, and August 7, 2020. Of those, approximately 8,300 were from City of San Diego ZIP Codes. Approximately 5,300 of applications from City of San Diego ZIP Codes appeared to meet the eligibility criteria, pending further review and verification of their information.

As of November 25, 2020, the Housing Commission disbursed \$13,590,000 to assist 3,673 households that consist of more than 10,700 individuals. The Housing Commission fully expended all of the funds designated for one-time rental assistance payments through this program. However, the program was oversubscribed. An additional 45 households qualified for assistance. In December, to make one-time rental assistance payments for these 45 qualifying households, the Housing Commission utilized funds that had been budgeted for program administration but were unexpended. As of December 23, 2020, all of the 45 additional qualifying households received assistance.

HOTEL PURCHASES TO CREATE HOUSING TO ADDRESS HOMELESSNESS

On September 18, 2020, and October 13, 2020, the SDHC Board of Commissioners and the Housing Authority of the City of San Diego, respectively, authorized SDHC to purchase two hotels in the City of San Diego to transform them into permanent housing with supportive services for San Diegans experiencing homelessness.

The State of California awarded \$37.7 million in Project Homekey funds to SDHC to support the purchase of hotels on Hotel Circle in Mission Valley and in Kearny Mesa. The funding award was based on applications SDHC submitted through a competitive, first come, first served process.

APPENDIX D: NON-MTW RELATED SDHC INFORMATION

These properties will provide a total of 332 permanent housing units with supportive services for San Diegans experiencing homelessness. Many of the residents will be from the Operation Shelter to Home temporary shelter at the San Diego Convention Center.

Operation Shelter to Home is a collaborative initiative that temporarily repurposed parts of the San Diego Convention Center as a shelter for single adults experiencing homelessness in the City to allow for proper physical distancing to prevent the spread of COVID-19.

Operation Shelter to Home's objectives are to protect the health of San Diegans experiencing homelessness during the pandemic and help them obtain housing as quickly as possible.

The County of San Diego Board of Supervisors voted unanimously August 25, 2020, to approve Supervisor Nathan Fletcher's request to authorize \$5.4 million to fund essential supportive services for the individuals who will reside at the hotel properties.

'OPERATION SHELTER TO HOME' RESPONSE TO COVID-19

In response to the COVID-19 pandemic, the City of San Diego, County of San Diego, SDHC, Regional Task Force on the Homeless (RTFH), the San Diego Convention Center, Father Joe's Villages, Alpha Project, Veterans Village of San Diego and additional service providers collaborated to launch Operation Shelter to Home on April 1, 2020.

This initiative's objectives are to protect the health of San Diegans experiencing homelessness during the pandemic and help them obtain housing as quickly as possible.

Operation Shelter to Home temporarily repurposed parts of the San Diego Convention Center as a shelter for single adults experiencing homelessness in the City to allow for proper physical distancing to prevent the spread of COVID-19.

SDHC established a Housing Navigation Team (HNT) within 10 days of the shelter site opening, with HNT staff focused on identifying the most appropriate exit strategy for shelter clients and working to end their cycle of homelessness.

Operation Shelter to Home provided temporary shelter to approximately 1,000 people per day and helped more than 800 individuals obtain permanent or longer-term housing.

AFFORDABLE HOUSING PRESERVATION STRATEGIES

On October 27, 2020, the San Diego City Council authorized seven actions that SDHC recommended to implement a strategy for affordable housing preservation in the City of San Diego, based upon a report SDHC released on May 28, 2020.

SDHC's report, "[Preserving Affordable Housing in the City of San Diego](#)," provides:

- A comprehensive inventory of current housing in the City of San Diego, including the first-of-its-kind inventory of naturally occurring affordable housing (NOAH);
- Estimates for the cost to preserve affordable housing at risk of losing its affordability;
- Forward-looking strategies to preserve affordability in the years ahead.

The report includes 10 recommended strategies to help keep thousands of rental housing units affordable for low-income families:

- Deed-restricted units where rents are required to remain affordable for specified income levels for a set number of years; and
- NOAH units where rents are not restricted, but the rents are affordable for low-income households because of the nature of the property.

Under City Council President Georgette Gómez's leadership, the City Council's Smart Growth & Land Use Committee prioritized affordable housing preservation in its 2018 work plan. In 2019, SDHC hired a Housing Preservation Coordinator and began the study that resulted in the preservation report.

Council President Gómez, City Councilmember Monica Montgomery Steppe, City Heights Community Development Corporation Executive Director Laura Ann Fernea, and Partnership for the Advancement of New Americans President & Executive Director Ramla Sahid joined SDHC President & CEO Richard C. Gentry to announce the report.

To complete this study, SDHC contracted with HR&A Advisors, a consulting firm with more than 40 years of experience in real estate and economic development, in partnership with The National Housing Trust, which has more than 30 years of experience in affordable housing preservation nationwide. SDHC staff also were instrumental to the completion of the study.
