• 2003  $4m IHBG in LOCCS; built 13 new homes and rehabbed 22 homes
• 2004 & 2005  Received ICDBG to rehab more units. Began building up force account crew & skills
• 2007  Land donated
• 2009  ARRA $2M used for infrastructure
SFPHA PROGRAMS

Range of programs to meet the housing needs of low-income tribal members, including:

- Home Improvements
- Renovation Projects
- Handicap Accessibility
- New Construction
- Housing Improvement Program (HIP)
- Homeowner Counseling
- Homebuyer Counseling
- Mortgage Loan Processing
- Apprenticeship Program
- Construction Management Services
CHALLENGES

- No new construction since 1972
- IHBG Formula limited ($550K/yr)
  - Need only
  - No FCAS
- Overcrowding in traditional village
- Limited housing for young families to return home
- Substandard housing
- Limited HA staffing
OPPORTUNITIES

- Tribe donated 100-acre parcel
- $4M unspent in LOCCS
- 2009 ARRA funding: $2M for infrastructure
- Design plans in place
- Nearby tribal water/sewer treatment facility. No septic!
2007 – INITIAL PLANNING

• Created Master Lease entire development (150 Single Family)
• Screening potential eligible homeowners from waitlist
• Coordinate with local ONAP Offices to provide NAHSDA 101 for BOC and determine appropriate funding sources
• Environmental review
• Contact local utilities
2010 – TITLE VI FINANCING

• $2.8M Title VI Loan with Bank of America (interest-only for the first two years of the loan)
• Phase 1: 40 homes (12 stick built and 28 modular)
CONVERTING TO SECTION 184 LOANS

• Secured individual Section 184 mortgage loans in the name of the housing authority for each individual unit/loan/mortgage
• 184 money used to pay off the Title VI loan
• Created individual mortgage agreements between SFPHA and families
• With original Title VI loan being paid off, SFPHA then applied for another Title VI loan and repeated the process again building more homes.
• Repeat Title VI- Construct Home- Convert to 184 mortgages three more times!
PHASE 1 Modular Home
PRE-PURCHASE COUNSELING

- 5-year waitlist period to work one-to-one with families to prepare for homeownership by assessing income and debt
- Annual recertifications required while on wait-list
- Once approved – must attend a mandatory one-day homeownership training with counselors, maintenance staff, and Amerind
- Once loan amount is determined they meet with Brennan to determine floor plans
- Must have one year of employment
- Mortgage docs are signed the day of move-in
- Resolutions for leases are completed; all docs sent to BIA for recording
POST-PURCHASE COUNSELING

• We take payment for 150 families (will soon be direct deposit)
• Post-purchase contact first month of a missed payment – VIP important to track payments monthly!
• We work with tribal court to enforce payments
• We want to see families succeed!!!!

NAHASDA IS A TOOL TO GET MORE $$$

**TITLE VI**
- Allowed us to leverage our limited IHBG
- $500,000 turns into $2.5M in loan
- We negotiate a 2-year interest only loan
- $ are used to construct homes
- We use our IHBG to make interest payments
- Force account crew builds homes
- Families are qualified for loans with HA

**SECTION 184**
- We take out 184 loans on the homes after construction – paying ourselves back for our upfront construction costs
- We use the cash out to pay off our Title VI loan
- Once families sign their mortgage documents, they then make payments to the HA
- We use family payments to repay the Section 184 loan
TITLE VI & SECTION 184 PROCESS

TITLE VI

• Worked with local ONAP office to brainstorm options
• Worked with Title VI Loan Guarantee Specialist early on in discussions
• Included Title VI in our IHP
• Completed all upfront items – environmental, infrastructure, and master plan
• Began Preliminary Letter of Acceptance Process
• CHALLENGE: Finding a lender!

SECTION 184

• Worked with Office of Loan Guarantee to discuss 184 process
• Worked with a 184 approved lender to complete loan package
• Homes are appraised after construction
• We get loan for each home; pay off Title VI
• We make monthly payments directly to the lender
• NOTE: Make sure TSR is updated with leases as lender will need them recorded

“WE CAN ONLY DO WHAT WE DO BECAUSE THE TRIBE SUPPORTS US”

- Land Donation – 100 acres
- $10 million loan to pay off Title VI and previous 184 Loans
  - Rather than pay the bank principle and interest – we pay the tribe
  - Tribe now has a strong investment portfolio
- Worked with DOT to get funds for roads and sidewalks
- Tribe subsidizes two full-time positions and part of ED salary
- Providing Funding for two parks
- Tribe advances a loan on IHBG funds until new fiscal year funds are received
FUTURE PLANS

• MOU with nearby Pueblos to construct homes using SFPHA Force Account crew
• Fee-based maintenance
• Sport and playfield
• New Title VI
• NM Tribal Service Provider for Weatherization
CREATING ASSETS FOR THE TRIBE

- Community stability. Bring home members
- Employ Tribal Members
- ROI interest paid on 184 loans
- Create land asset equity

1. Tribe donates 100 acres land
2. Land valued at $90,000 per acre
3. Raw land is now valued at $9 M before infrastructure
4. Housing Authority plans for 150 unit subdivision
5. Housing completes infrastructure @ cost of $6.4M
6. Land appraises at higher value
CREATING ASSETS FOR THE FAMILIES

• Family stability and memories
• Attain self-sufficiency
• Families have instant equity ($20K IHS, $10K down payment assistance from tribe)
• 6 families have bought out the HA with their own 184 loan

4 Bedroom Home

Purchase Price = $125,000

Appraised Value = $195,000

Equity = $70,000 (home value) + $30,000 (IHS+tribe)

150 Homes × Equity = $15M Instant value to Individual Assets
LESSONS LEARNED

• Find experienced lenders who do Title VI and Section 184 – VIP!!!
• Strong relationship with Tribal Courts to uphold eviction and non-payment policies
• Changing dynamics in the traditional village
• Homeownership works!
ISAAC’S TIPS FOR SUCCESS

• Build Capacity Early! We went from 2 staff to 10 in house staff and 40 force account!
