MTW Supplement for PHA Fiscal Year Beginning : (MM/DD/YYYY): 4/1/2024

PHA Program Type: Combined

MTW Cohort Number: MTW Flexibility for Smaller PHAs

MTW Supplement Submission Type: Annual Submission

B. MTW Supplement Narrative.

Sheffield Housing Authority (SHA) is located in Sheffield, Alabama. We have 406 Public Housing units, 338 Housing Choice Vouchers and 79 Mainstream Vouchers. This is our third year as a MTW agency. Our goals as a MTW agency are to; continue to encourage self-sufficiency with our tenants, help staff by reducing unnecessary work and support our HCV program in continuing to find more housing choice.

Our waivers are as follows:

1.m. Utility Reimbursements (PH)

The agency may eliminate utility reimbursement payments in the public housing program when the utility allowance is greater than the total tenant payment.

1.n. Utility Reimbursements (HCV)

The agency may eliminate utility reimbursement payments in the HCV program when the utility allowance is greater than the total tenant payment.

3.c. Self-Certification of Assets (PH)

At reexamination the agency may allow the self-certification of assets.

3.d. Self-Certification of Assets (HCV)

At reexamination the agency may allow the self-certification of assets.

4. c. Other Landlord Incentives (HCV – Tenant- Based Assistance)

In order to incentivize new landlords to join the HCV program, the agency may provide incentive payments. Agencies may target incentive payments to landlords leasing properties in high opportunity neighborhoods or in areas located where vouchers are difficult to use as defined in an agency's Administrative Plan.

i. Payments made to the landlord must be equal to no more than one month of the contract rent.

ii. The payment must be made to the landlord when the HAP contract is executed between the owner and the PHA.

Utility Reimbursement will help with our cost effectiveness. After this year we will see the full benefit of this waiver and the true cost savings for SHA. Elderly/disabled will not be affected by this so they will be able to age in place comfortably. We already have seen how this has encouraged tenants to find employment and work towards self-sufficiency.

Allowing tenants to become Self-Sufficient has always been a goal of SHA as we have a large population of multi-generational families, and it is our hope that we are able to positively affect those who are able to break that cycle. The Landlord Incentives help with our housing choice. SHA covers all of Colbert County in our voucher program and we are in desperate need of affordable housing for our issued vouchers. The landlord incentive has been a boost for our HCV program, and we hope to continue working with and supporting landlords.

This year we are looking at PBV vouchers and how they will benefit SHA and our continuing effort to increase affordable housing in the area.

Continuing our long-term goals we are also six short of our Public Housing ACC and hope to build units to get back to our Faircloth limit.
