B. MTW Supplement Narrative.

Due to continued delays of the new PIC NG HUD system and HATC software, the housing authority has not been able to implement all activities proposed in prior fiscal year. All proposed activities related to rent to include alternate reexaminations and flat utility rates were not implemented as they would have caused an administrative burden.

The only activities that were implemented in prior fiscal year included: increasing initial rent burden, self-certification of assets up to \$25,000, new landlord incentives up to one month's rent, and triennial inspections.

The Travis County housing markets continued rising prices and demand poses a threat and often limits voucher participating families from securing affordable and suitable housing. Because of these issues, HATC did implement an initial rent burden of 60%. The families right to choose a home which they would have not been able to afford under the 40% affordability factor further promotes housing choice.

Recognizing that the market continues to be competitive, HATC provided an incentive to all newly participating landlords by paying up to one month's rent.

To streamline processes and increase cost effectiveness, HATC implemented its first year of triennial inspections to start the 3-year cycle and participants were able to self-certify assets up to \$25,000.

HATC will continue to further MTW's three statutory objectives in coming year by streamlining processes such as reducing required reexaminations and inspections, continuing landlord incentives and exploring other possible ways to incentivize participation, as well as promoting self sufficiency with less interims and rent simplification.

1.h. - Total Tenant Payment as a Percentage of Gross Income (HCV)

Describe the MTW activity, the MTW agency's goal(s) for the MTW activity, and, if applicable, how the MTW activity contributes to a larger initiative

The PHA will establish 28% of income as the total tenant payment. In combination with activities 1.f. and 1.s., this initiative promotes rent simplification, which supports reduction of administrative costs while supporting self sufficiency through promoting the family's increased understanding of how family share is determined. Combining these rent initiatives will have minimal impact on the family's rental amount.

Which of the MTW statutory objectives does this MTW activity serve?

Cost effectiveness; Self-sufficiency

What are the cost implications of this MTW activity? Pick the best description of the cost implications based on what you know today.

Decreased expenditures

What percentage of income will equal the Total Tenant Payment (TTP)?

28.00%

What is the income basis for calculating Total Tenant Payment?

This activity uses a different definition of income because we are using the following MTW waivers (check all that apply)

1.r. and/or 1.s. "elimination of deductions"

1.o. - Initial Rent Burden (HCV)

Describe the MTW activity, the MTW agency's goal(s) for the MTW activity, and, if applicable, how the MTW activity contributes to a larger initiative

The PHA will not approve an initial assisted tenancy if the family share exceeds 60% of the family's monthly income. This initiative increases housing opportunities for assisted families while reducing the number of initial requests for tenancy approval disapproved due to affordability therefore reducing administrative burden and increasing housing choice.

Which of the MTW statutory objectives does this MTW activity serve?

Cost effectiveness; Housing choice

What are the cost implications of this MTW activity? Pick the best description of the cost implications based on what you know today.

Decreased expenditures

Does the MTW activity under this waiver apply to all assisted households or only to a subset or subsets of assisted households?

The MTW activity applies to all assisted households

Based on the Fiscal Year goals listed in the activity's previous Fiscal Year's narrative, provide a description about what has been accomplished or changed during the implementation.

Two assisted families were able to obtain suitable housing of their choice which exceeded 40% but no more than 60% of their monthly adjusted income. By doing so, the PHA did not have additional administrative burden by denying requests for tenancy approvals and the family had choice. Families have not reported a financial burden.

Does the MTW agency need a Safe Harbor Waiver to implement this MTW activity as described?

No

Does the MTW activity require an impact analysis?

1.s. - Elimination of Deduction(s) (HCV)

Describe the MTW activity, the MTW agency's goal(s) for the MTW activity, and, if applicable, how the MTW activity contributes to a larger initiative

The PHA plans to eliminate dependent and child care deductions. In combination with 1.f. and 1.h., this initiative promotes

rent simplification, which supports reduction of administrative costs while supporting self sufficiency through promoting the family's increased understanding of how family share is determined. Removing deductions would simplify administrative burden in determining rental portions.

3.b. - Alternative Reexamination Schedule for Households (HCV)

Describe the MTW activity, the MTW agency's goal(s) for the MTW activity, and, if applicable, how the MTW activity contributes to a larger initiative

The PHA will establish a biennial reexamination schedule for all households. Implementing this initiative will reduce

administrative and family burden due to less frequency of reporting and processing reexaminations. The PHA will allow one interim per year at the request of the household if the household gross income has decreased by 10% or more. In addition, allowing families to retain their increased earnings in between the biennial reexamination periods will provide greater self sufficiency for the family.

Which of the MTW statutory objectives does this MTW activity serve?

Cost effectiveness; Self-sufficiency

What are the cost implications of this MTW activity? Pick the best description of the cost implications based on what you know today.

Please describe briefly how the MTW agency plans to address changes in family/household circumstances under the alternative reexamination schedule.

Changes in household composition will be processed only at biennial reexamination unless the family reports an addition to the household that impacts HQS space requirements.

3.d. - Self-Certification of Assets (HCV)

Describe the MTW activity, the MTW agency's goal(s) for the MTW activity, and, if applicable, how the MTW activity contributes to a larger initiative

At reexamination, the PHA will allow self certification of assets up to \$50,000. Per HUD's new regulations, the \$50,000 amount is the new standard effective 1/1/24 due to HOTMA regulations. This initiative supports reduction of administrative burden in needing to verify assets through third party sources.

Which of the MTW statutory objectives does this MTW activity serve?

Cost effectiveness

What are the cost implications of this MTW activity? Pick the best description of the cost implications based on what you know today.

Decreased expenditures

Does the MTW activity under this waiver apply to all assisted households or only to a subset or subsets of assisted households?

The MTW activity applies to all assisted households

Based on the Fiscal Year goals listed in the activity's previous Fiscal Year's narrative, provide a description about what has been accomplished or changed during the implementation.

Families were able to self certify assets up to \$25,000 in prior fiscal year. However due to new HOTMA regulations, HATC will increase the asset amount to be in compliance with new ruling.

Does the MTW agency need a Safe Harbor Waiver to implement this MTW activity as described?

No

Please state the dollar threshold for the self-certification of assets.

\$50,000.

4.b. - Damage Claims (HCV-Tenant-based Assistance)

Describe the MTW activity, the MTW agency's goal(s) for the MTW activity, and, if applicable, how the MTW activity contributes to a larger initiative

Under Moving to Work, the HATC will provide payments to landlords for tenant caused damages following the move out of a voucher tenant.

The security deposit paid by the tenant must first be applied to the amount of the cost of damages. The total amount of damages to be paid by HATC will be the lesser of:

1. the actual costs to repair the damages less the tenant security deposit not otherwise applied to other charges or;
2. two (2) months contract rent.

Providing payments would further promote landlord recruitment and retention therefore increasing housing choice for tenants.

Which of the MTW statutory objectives does this MTW activity serve?

Housing choice

What are the cost implications of this MTW activity? Pick the best description of the cost implications based on what you know today.

Increased expenditures

Does the MTW activity under this waiver apply to all assisted households or only to a subset or subsets of assisted households?

What is the maximum payment that can be made to a landlord under this policy? The total amount of damages to be paid by HATC will be the lesser of: 1. the actual costs to repair the damages less the tenant security deposit not otherwise applied to other charges or; 2. two (2) months contract rent.

Describe the MTW activity, the MTW agency's goal(s) for the MTW activity, and, if applicable, how the MTW activity contributes to a larger initiative At HAP contract and lease execution, the PHA will pay up to one months rent to landlords newly participating in the HATC's HCV tenant based program. Under this initiative, a new landlord is a landlord who has never participated in HATC's tenant based HCV program. The agency goal is to increase housing opportunities for low income families by recruiting new landlords.
Which of the MTW statutory objectives does this MTW activity serve? Housing choice
What are the cost implications of this MTW activity? Pick the best description of the cost implications based on what you know today. Increased expenditures
Does the MTW activity under this waiver apply to all assisted households or only to a subset or subsets of assisted households? The MTW activity applies to all assisted households

Cost effectiveness

What are the cost implications of this MTW activity? Pick the best description of the cost implications based on what you know today.

Decreased expenditures

Does the MTW activity under this waiver apply to all assisted households or only to a subset or subsets of assisted households?
