This letter obligates $23,715 of Operating Fund subsidy for Federal Fiscal Year 2018, representing the project’s interim obligation for the month of August 2018. The amount of the interim obligation is based on this project’s calendar year (CY) interim eligibility of $304,498. For more information on the methodology used to establish both the interim eligibility and funding availability, please see  

Please note that the interim eligibility for this project may vary from its final eligibility determination. Adjustments will be made based on the approved CY 2018 HUD-52723. The program’s total operating subsidy eligibility and funding amounts for all PHAs may change once all CY 2018 operating subsidy forms have been processed. Therefore, the final proration level may change from the interim proration level.

All funds must be used in accordance with the Annual Contributions Contract and associated laws and regulations. By drawing down the funds obligated in this letter, you and your agency are confirming agreement and compliance with the all terms and conditions of the Operating Fund program. Further, a drawdown of these funds constitutes an agreement that the current interim eligibility and obligation is correct. The amount of your agency’s obligated funds is available through eLOCCS. Instructions for the use of eLOCCS are in Notice PIH 2002-28 (HA), Use of eLOCCS (electronic Line of Credit Control System) to Request Operating Subsidy Payments and Elimination of Form HUD-52721.

Sincerely,

Danielle Bastarache
