

NONPROFIT APPLICATION GUIDE OUTLINE

Last Updated: February 1, 2022

The following guide can be used by Nonprofits applying to participate in FHA's Nonprofit Programs including HUD Homes, FHA Mortgagor and Secondary Financing. Upon FHA approval of an application, a Nonprofit will be placed on FHA's Nonprofit Roster which is available at <https://entp.hud.gov/idapp/html/f17npdata.cfm>.

Please review FHA's Single Family Handbook (HB 4000.1 I.B.4) which sets forth all FHA application requirements for nonprofits seeking to participate in our programs. Eligible participants must make initial contact with FHA and provide preliminary information (see HB 4000.1 I.B.4.b). FHA will affirm that this information was accepted indicating that the nonprofit may proceed with the application process.

A nonprofit proceeding with the application process must submit a complete application. A complete application refers to an application that satisfies all general application requirements and all program specific application requirements for the programs in which the nonprofit seeks approval. In those instances, when a nonprofit seeks approval for more than one program and the program specific requirements request duplicate information, the nonprofit is only required to submit that information once.

Please note that the following is only a list of documentation that must be submitted as part of a complete application. It does not explain the requirements or replace the handbook in anyway. Applicants should follow the handbook alongside this guide for detailed application requirements.
