NEWS AND UPDATES

FHA Announces Newly Redesigned ECLASS and EVARS Web-Based Applications

Today, the Federal Housing Administration (FHA) announced that it recently launched newly redesigned and enhanced Electronic Courses on Loss Mitigation and Servicing System ([ECLASS](#)) and the Extensions and Variances Automated Requests System ([EVARS](#)) web applications.

ECLASS is a portal to self-paced, online training for FHA-approved servicers, FHA-approved housing counseling agencies (HCA), and other non-profit housing counseling agencies. Our ECLASS web-based registration portal provides more opportunities for servicers/lenders and HCAs to easily self-enroll in the FHA National Servicing Center's self-paced, online, and onsite training, and is accessible 24x7.

EVARS is a web-based application that gives servicers the ability to request Extensions of Time and Variances related to FHA-insured Title II forward loans.

The updated web-based applications first became available to users on January 16, 2018.
