FHA to Host Special Webcast: *Supporting Homeownership: An Interagency Discussion Regarding the COVID-19 National Emergency* for National Homeownership Month

Registration is now open for a special webcast hosted by the Federal Housing Administration's (FHA) Office of Single Family commemorating June's National Homeownership Month. This is a live, virtual interagency discussion that will focus on FHA's, and the Departments of Agriculture's (USDA), and Veterans Affairs' (VA) responses to the COVID-19 National Emergency. Speakers include the Department of Housing and Urban Development's (HUD) Deputy Secretary Brian Montgomery, Acting Assistant Secretary for Housing and Federal Housing Commissioner Len Wolfson, and other senior leaders from FHA, USDA, and VA.

This event provides an opportunity for lenders, servicers, housing industry professionals, and other interested stakeholders to learn more about the actions these government agencies are taking to support struggling homeowners while ensuring sustainable homeownership during the pandemic. Updates on continuing efforts to support the housing finance sector will be discussed, followed by a Q&A session to address pre-submitted questions.

Date: Tuesday, June 16, 2020

Time: 3:00 to 4:15 PM (Eastern)
