### **FHA and Ginnie Mae Seeks Public Input on Enhancements to its Title I Manufactured Housing Programs**

Recently, FHA and Ginnie Mae published a Request for Information (RFI) to seek public input on their Title I Manufactured Housing Programs. The [RFI](#) supports the ongoing efforts of the Biden-Harris Administration to increase the supply of affordable housing options through manufactured housing.

The RFI gives industry stakeholders an opportunity to address a range of questions regarding the following topics:

- opportunities to improve the use and effectiveness of the Title I manufactured housing program, including the program's loan limits;
- FHA and Ginnie Mae lender eligibility requirements; and
- how to make the programs more competitive in both the primary and secondary markets.

Interested stakeholders are encouraged to provide input on the RFI prior to the conclusion of the comment period, which ends on September 26, 2022. For instructions on how to submit input, stakeholders must follow the instructions outlined in the [RFI](#) also available on [Ginnie Mae's Newsroom web page](#). For more information, read Ginnie Mae's [press release](#).
