HUD and FHA Commemorate National Homeownership Month

By [Presidential Proclamation](#), June is designated as National Homeownership Month. The Department of Housing and Urban Development (HUD) and the Federal Housing Administration (FHA) are committed to providing more opportunities for first-time and low- and moderate-income homebuyers, and communities of color to attain the stability and wealth-building potential of homeownership.

During this month, HUD and FHA will amplify their efforts to enable access and remove barriers to homeownership, address the racial wealth gap, and help struggling homeowners keep their homes.
