

Borrower's Certification of Water Purification System

I hereby acknowledge and understand that the home I am purchasing has a water purification system which I am responsible for maintaining. I understand that the individual water supply is unsafe for consumption unless the system is operating properly. I am aware that if I do not properly maintain the system, the water supply will not be purified or treated properly, thereby rendering the water supply unsafe for consumption. I also understand that the Department of Housing and Urban Development does not warrant the condition of the property, will not give me any money for repairs to the water purification system, and has relied upon the local (or state) health authority to assure that the water supply, when processed by properly maintained equipment, is acceptable for human use and consumption.
