Section 202 Supportive Housing for the Elderly Program
FY 2020 Notice of Funding Availability (NOFA)

January 27, 2021

This presentation provides a summary of information presented in the NOFA for webinar purposes. Please refer to the NOFA on HUD’s funding opportunities website (https://www.hud.gov/grants/) for a complete presentation of the funding opportunity, including requirements for eligibility and submission.

Q&A
GoToWebinar

Ask questions at the end! Here’s how:

– “Raise your hand” by clicking on the hand icon and the presenter will unmute your line so you can ask your question live

  Note: To do this, you MUST call the dial-in number shown on your attendee control panel and input the audio PIN shown, which is unique to each attendee

– Send in questions via the “Question” feature
Description of Funding Opportunity

- **NOFA Title:** FY 2020 Section 202 Supportive Housing for the Elderly Program
- **NOFA Reference:** FR-6400-N-52
- **Application Due Date:** 11:59:59 PM EST on **May 26, 2021**
- **Eligible Applicants:** Private non-profit organizations that have tax-exempt status under Section 501(c)(3) or Section 501(c)(4) of the Internal revenue Code of 1986, and non-profit consumer cooperatives
- **HUD Goals:**
  - Advance housing for the elderly as a platform for living independently and aging in community
  - Fund properties that are at the forefront of design, service delivery, and efficient use of federal resources that will provide models for other providers of supportive housing for the elderly
Description of Funding Opportunity

**Available Funding:** Up to $150M in total funding for the development of supportive rental housing for very-low income persons aged 62 years or older.

- **Capital Advance**
  - Funds to finance construction, reconstruction, moderate or substantial rehabilitation, or acquisition of a structure with or without rehabilitation. Funds cannot be used to construct or operate assisted living facilities.
  - Capital Advance funds requested may not exceed the Total Development Cost (TDC) as published by HUD and is determined by building type and unit size.

- **Project Rental Assistance Contract ("PRAC")**
  - Provide ongoing operating assistance and maintain affordability of covered units. PRAC funds are used to cover the difference between tenants’ contributions toward rent and HUD-approved operating costs. PRAC funds may also be used to provide supportive services and to hire a service coordinator.

- Applicants must request a Capital Advance amount (minimum $1) and identify the number of units to be assisted under PRAC.
How is the FY20 Section 202 NOFA Different From FY18?

- Increased total funding available through the NOFA from $50M to $150M
- Increased maximum per project Capital Advance award amount from $5M to $20M
- Developed a 202 NOFA Toolkit to assist with application submission
- New HUD Form - Application for Capital Advance Summary Information, HUD Form 92015-CA
- Adds rating factor points for properties located in an Opportunity Zone
- Pro forma can represent servicing of hard debt if non-PRAC revenue is supporting debt service or sponsor states its intention to convert assistance via the RAD program
- Applicant must submit environmental documentation through HEROS
- Removes rating factors that were duplicative
- Provides additional discussion of site and neighborhood standards review
- Provides greater specificity around the building design rating factor
Resources
What is the 202 NOFA Toolkit?

- An optional, but strongly encouraged to be used, tool created in Excel that is intended to streamline and standardize application submissions by:
  - Providing templates that satisfy NOFA submission requirements; and
  - Alerts applicant when entries may violate NOFA requirements.
- Auto-calculated scores displayed in the tool are provisional and contingent on verification by HUD
How to Access the 202 NOFA Toolkit?

• Access HUD’s funding opportunities website (https://www.hud.gov/grants/)
• Go to the “2020 NOFOs” section
• Scroll down till you see the “Section 202 Supportive Housing for the Elderly” and click on the hyperlink
• Scroll down till you see the “S202 NOFA Toolkit” hyperlink
• Double click on the hyperlink to download the Excel file
• A pre-recorded training on the 202 NOFA Toolkit can be accessed by selecting the “S202 NOFA Toolkit Training” hyperlink
Items to Remember for Submission

- Register with System for Award Management (SAM) and Grants.gov
  - Registration is a multistep process and can take up to 4 weeks
  - Applicant must have a valid and active DUNS Number
- Submit complete applications electronically unless applicant has good cause to submit in hard copy. Requests for a waiver of electronic submission must be submitted to HUD in writing or email at least 15 days prior to application deadline
- Follow page limit and formatting guidelines for narratives and other attachments

See Section IV.B.2
Items to Remember for Submission

- Submit each “Tab” of the application as a separate PDF file
- Submit a cover letter that accounts for each “Tab” and details the documents submitted under each “Tab”

Note: Images above provided as a sample for illustrative purposes
Forms to Include in the Application

- Application for Federal Assistance, SF-424
- Disclosure of Lobbying Activities, HUD Form SF-LLL
- HUD Applicant Recipient Disclosure Report (HUD) 2880 Applicant/Recipient Disclosure/Update Report
- Application for Capital Advance Summary Information, HUD Form 92015-CA
- Sponsor’s Conflict of Interest Resolution, HUD Form 92041
- Sponsor’s Resolution for Commitment to Project, HUD Form 92042
- Previous Participation Certification, HUD Form 2530
- Certification for Opportunity Zone Preference Points, HUD Form 2996

See Section IV.B.1

NOFA Requirements
NOFA Requirement Categories

1. Threshold
   • Type of eligibility requirement; applications that fail to meet these requirements will be deemed ineligible and will not be evaluated

2. Program Specific Requirements
   • 14 requirements specific to Section 202. Of which, 9 require the submission of documents/information in “Tabs of the Application”

3. Statutory and Regulatory Requirements
   • Type of eligibility requirement for all HUD programs (e.g., Outstanding Delinquent Federal Debts). Detailed information on each requirement is posted on [HUD’s Funding Opportunities Page](#). - See NOFA and the Appendix of this presentation for more information.
Threshold Requirements

• Threshold requirement deficiencies are not curable, except for documentation of applicant eligibility.

1. **Outstanding Civil Rights Matters** - must be resolved to HUD’s satisfaction prior to grant award, provided that all applicable legal processes have been satisfied.

2. **Timely Submission** - Applications submitted after **11:59:59 PM on May 26, 2021** that do not meet the requirements of the grace period policy will be marked late. Late applications are ineligible and will not be considered for funding.

3. **Complete Application** - HUD reserves the right to determine whether an application is substantially deficient and non-responsive to the NOFA application requirements. Section IV.B., “Content and Form of Application Submission” identifies the required documentation for submission for a complete application.

4. **Non-Profit Status** - Applicants must document their status as a private non-profit organization or as a mixed-finance limited partnership with one or more private non-profit organizations serving as the general partner (see 24 CFR 891.805) **Tab A**.

5. **Need** - HUD will assess the unmet housing needs in the proposed development area relative to the number of proposed assisted units. Applicants must provide an absorption ratio by dividing the number of units in the proposed project by the number of income eligible households aged 62 years old or older with severe housing needs. To be eligible sites must have an absorption ratio of 50% or less. **Tab B. Refer to Slides 13 and 14 for the data sources used in the calculation of the absorption ratio.**
# Program Specific Requirements that Require the Submission of Documents/Information as Tabs of the Application

<table>
<thead>
<tr>
<th>Requirement</th>
<th>NOFA Ref.</th>
<th>Requirement Summary</th>
<th>Tab</th>
</tr>
</thead>
</table>
| Development Plan                | Section III.F.2 | • Narrative description of property.  
• Project development timeline identifying dates for the major development stages for the project.                                                                                                                                                                                                                                       | C         |
| Development Budget              | Section III.F.3 | • Identify ALL committed or proposed sources, including debt, equity, and grants.  
• Commitments must describe the allowed uses of the funds, the term for which the commitment is valid, and any repayment terms. The term of commitment cannot expire earlier than 12 months from the application deadline date.  
• Identify the requested Capital Advance funds not to exceed TDC limits.  
• Construction costs must be based on cost estimate performed by a professional estimator or for rehab based on a Capital Needs Assessment (CNA).                                                                                     | D  
202 NOFA Toolkit, Part 3b |
| Capital Needs Assessment (CNA)  | Section III.F.3 | • Except for new construction or (gut) rehabilitation, applications must include a CNA identifying the rehabilitation needs of the property.                                                                                                                                                                                                            | E         |

| Certificate of Consistency with the Consolidated Plan | Section III.F.9  | • This program requires a Certification of Consistency with the Consolidated Plan under 24 CFR 91.2  
• This certification means the proposed activities in the application are consistent with the jurisdiction's strategic plan and the location of the proposed activities is consistent with the geographic areas for such activities specified in the Consolidated Plan  
• Under 24 CFR 91.510, for competitive programs, a certification of consistency of the application with the approved consolidated plan for the jurisdiction may be required, whether the applicant is the jurisdiction or another applicant.  
• If you fail to provide the certification, and you do not cure Page 24 of 68 the omission as a curable deficiency, HUD will not fund the application |

Note: The requirements shown in the column titled “Requirement Summary” provides a high-level overview of program specific requirements identified in the NOFA. Please refer to Section III.E. for complete list of all requirements.
Site and Neighborhood Standards (SNS)

• Section III.F.7 of the NOFA and 24 CFR 891.125.

• Submission is required for new construction only in Tab I of NOFA application. (No submission is required if the project is not new construction.)

• The contents of the SNS submission will depend on whether the project is in an area of minority elderly concentration.
SNS: Area of Minority Elderly Concentration

• An area of minority elderly concentration is an area where either:
  
  – The percentage of elderly persons of a particular racial or ethnic minority in the neighborhood is at least 20 points higher than the percentage of elderly persons of that racial or ethnic minority in the housing market area as a whole; or

  – The total percentage of elderly persons of all racial or ethnic minorities in the neighborhood is at least 20 points higher than the total percentage of elderly persons of all racial or ethnic minorities for the housing market area as a whole.
SNS: Area of Minority Elderly Concentration

• How do I determine if my project is in an area of minority elderly concentration?

  – Applicants should use the [Section 202 Elderly Minority Concentration Tool](#).

  – The tool will use the most recent Decennial Census data to calculate whether the project is in an area of minority elderly concentration.

  – The tool uses the census tract to represent the neighborhood and the Metropolitan Statistical Area (MetroSA) or Micropolitan Statistical Area (MicroSA) to represent the housing market area. If the project is not in a MetroSA or MicroSA, the tool will use the county or statistically equivalent area.
SNS: What do I need to submit?

- All new construction projects must submit the report generated by the Section 202 Elderly Minority Concentration Tool.
  - Go to the “Section 202 Elderly Minority Concentration Analysis” tab. You will need to click “login” and create an account in order to generate a report.

- A screenshot from the tool is not sufficient.

- The tool cannot generate a report for the following areas: Guam, U.S. Virgin Islands, Northern Mariana Islands, and American Samoa. See NOFA for instructions if your project is in one of these areas.
SNS: What do I need to submit?

• If the report shows that the project is not in an area of minority elderly concentration:
  
  – In most cases, the applicant will only need to submit the report showing that the project is not in an area of minority elderly concentration.
  
  – However, if the site is near the edge of an elderly minority-concentrated census tract or is separated from a significant portion of the occupied land in its census tract by a major geographic barrier, the applicant must provide supporting documentation that the census tract is an appropriate representation of the neighborhood or provide the report and supporting documentation showing that an alternative geography more appropriately reflects the neighborhood.
SNS: What do I need to submit?

• If the report shows that the project is in an area of minority elderly concentration:

  – Propose an alternative geography for the neighborhood that is not minority elderly concentrated; or

  – Demonstrate that one of the following regulatory requirements: (1) sufficient, comparable opportunities exist for housing minority elderly households in the income range to be served by the proposed project, outside areas of minority concentration; or (2) the project is necessary to meet overriding housing needs that cannot be met in that housing market area.

  – The applicant only needs to demonstrate that the project meets one of the conditions above, but may submit documentation in support of more than one of the conditions above.
SNS: What do I need to submit?

• If claiming an alternative geography:

  – Submit demographic data for the alternative geography by generating a report using the Section 202 Elderly Minority Concentration Tool. (Note: Applicants may draw the boundaries of the alternative geography in the tool).

  – Submit a narrative justification and supporting documentation demonstrating that the alternative geography is a more appropriate representation of the neighborhood and that the proposed boundaries are generally accepted as the neighborhood.
SNS: What do I need to submit?

• If claiming a regulatory exception:

  – Submit a narrative justification and supporting documentation demonstrating that one of the following conditions exist:

  • Sufficient, comparable opportunities exist for housing minority elderly households in the income range to be served by the proposed project, outside areas of minority concentration; or

  • The project is necessary to meet overriding housing needs that cannot be met in that housing market area. A site will meet the overriding housing needs test if the site is an integral part of a local strategy to preserve or restore the immediate neighborhood; or there is significant private investment in the neighborhood that is demonstrably changing the economic character of the area (a ‘revitalizing area’).
SNS: Additional Resources

• Applicants are encouraged to consult the Section 202 NOFA FAQs when preparing their SNS submissions.

• Further detail on SNS requirements can be found in Section III.F.7 of the NOFA and 24 CFR 891.125.

• Applicants will be given one opportunity to cure any deficiencies with their SNS submissions. If there are any deficiencies, HUD will issue an NOCD and offer a call to go over the NOCD.
Application
Rating Factors
Application Review - Rating Factors

Sum of Rating Factor Points + Preference Points for OZ = 100

Rating Factor #1: Physical Design and Supportive Services 33 Points
Rating Factor #2: Market 14 Points
Rating Factor #3: Capacity, Project Leverage and Committed Funding 41 Points
Rating Factor #4: Land-Use/Zoning 10 Points

Preference Points – HUD may award up to 2 points for applicants proposing projects in an Opportunity Zone
Rating Factor #1: Physical Design and Supportive Services

Concept and Project Proposal, Tab L

33 Points
Applicants must score at least 20 points on this rating factor to be considered for funding

<table>
<thead>
<tr>
<th>Physical Design, Tab L.1 &amp; 202 NOFA Toolkit</th>
<th>Supportive Services, Tab L.2</th>
</tr>
</thead>
<tbody>
<tr>
<td>20 Points</td>
<td>13 Points</td>
</tr>
</tbody>
</table>

- Narrative description of how the design will prolong the period that elderly residents with varying levels of health needs can live independently and commit to design features that prevent falls, incorporate universal design and visitability principles, leverage electronic communications, and promote health and wellness.
- Schematics of the building and unit

- Describe proposed services and how the services will be delivered
- Funding sources, public or private, funds that are expected to fund the proposed services over the life of the project
- Describe the capacity of sponsor and partner organizations to coordinate, deliver, and finance supportive services
- **Rating will focus on the capacity of sponsor & partners**

Note: A summary is shown for presentation purposes. Please refer to the NOFA for a complete description of rating factors.
### Rating Factor #2: Market

<table>
<thead>
<tr>
<th>Need, Tab B</th>
<th>Neighborhood and Context, Tab M.1</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>4 Points</strong></td>
<td><strong>10 Points</strong></td>
</tr>
</tbody>
</table>

#### Need, Tab B
- **Evidence of Strong Need (4 Points).** Absorption ratio of 15% or less
- **Evidence of Need (2 Points).** Absorption ratio greater than 15% and less than 30%
- **No Evidence of Need (0 Points).** Absorption ration 30% or greater, or notwithstanding a lower absorption ratio if HUD finds existing HUD assisted elderly properties within the census tract or adjacent census tracts with a significant lack of demand

#### Neighborhood and Context, Tab M.1
- Demonstrate that the location of the site supports independence and/or alleviates isolation. Identify the location, the proximity, and the ease of access of the project site to amenities important to the elderly that supplement the services provided on-site. Describe how residents could reasonably access critical amenities, particularly without the use of a personal motor vehicle

#### Opportunity Zones, Tab M.2
- Demonstrate that the site is in an OZ

---

*Note: A summary is shown for presentation purposes. Please refer to the NOFA for a complete description of rating factors. Green font indicates the documents required to obtain the +2 preference points for a property located in an opportunity zone.*
Rating Factor #3: Capacity, Project Leverage, and Committed Funding

<table>
<thead>
<tr>
<th>Capacity, Leverage and Committed Funding, Tab N</th>

</tr>
<tr>
<td><strong>Partially Permitted (4 Points).</strong> Project, as proposed, is permissible under applicable zoning ordinances or regulations but requires other discretionary approvals</td>
</tr>
<tr>
<td><strong>Not Land Use Compliant (0 points).</strong> Include a statement of the action required to make the proposed project permissible to receive a building permit AND the basis for the belief that the proposed action will be completed successfully before the submission of the firm commitment application</td>
</tr>
</tbody>
</table>

Note: A summary is shown for presentation purposes. Please refer to the NOFA for a complete description of rating factors.
Application Review and Award
Award Administration

• Applications are due **May 26, 2021**.
• Notifications will be sent by email to the person listed as the AOR in item 21 of the SF-424.
• Application debriefings will be available, if requested by the applicant, for a period of 120 days beginning 30 days after the public announcement of awards.
• A fund reservation award constitutes *preliminary approval* of the application and does not constitute an approval of the site, pending full environmental review.
• Awarding of funds contingent on meeting “Period of Performance” requirements in Section II.D of the NOFA, including: (1) Agreement Letter and (2) Firm Commitment Application. Initial closing of the Capital Advance and start of construction are expected to be accomplished within 6-18 months after acceptance of the Agreement Letter.
• HUD may impose special conditions on awards when assessing applicant risk.
Application Deficiencies

- Application deficiencies are classified as one of the following:
  - **Curable:**
    - Can be corrected by the applicant;
    - Does not influence how the applicant is ranked or scored;
    - Not a threshold requirement, except for documentation of applicant eligibility; and
    - Applicants must email corrections to curable deficiencies to applicationsupport@hud.gov AND 202capitaladvancenofa@hud.gov within the time limits specified in the notification. The time allowed to correct deficiencies will not exceed 14 calendar days or be less than 48 hours from the date of the email notification. Subject line of applicant’s response email must state “Technical Cure” and include the grants.gov tracking number.
  - **Non-Curable:**
    - Cannot be corrected by the applicant;
    - Correcting, would change the applicant’s score or rank; and
    - May result in an application being ineligible, or otherwise adversely affect an application’s score and final determination guidelines for narratives and other attachments.
Selection Considerations

• **Minimum scoring.** To qualify for a Capital Advance Award, applicants must earn a minimum score of 75 points which must include a minimum score of 20 points for Rating Factor 1 (Physical Design and Supportive Services) and a minimum score of 20 points for Rating Factor 3 (Capacity, Project Leverage, and Committed Funding).

• Not less than 15 percent of the funds made available for assistance under this NOFA shall be allocated to **non-metropolitan areas**, unless there are insufficient applications that meet the minimum score.

• Not less than 10 percent of the funds made available for assistance under this NOFA shall be allocated to projects within each of the five Office of Multifamily Housing Programs administrative regions, unless there are insufficient applications that meet the minimum score.
Q&A
Q&A

Ask questions at the end! Here’s how:

– “Raise your hand” by clicking on the hand icon and the presenter will unmute your line so you can ask your question live

  Note: To do this, you MUST call the dial-in number shown on your attendee control panel and input the audio PIN shown, which is unique to each attendee

– Send in questions via the “Question” feature
