Summary
The U.S. Department of Housing and Urban Development (HUD) Strategic Plan sets the
direction and focus of our programs and staff to create strong, sustainable, inclusive communities
and quality, affordable homes for all.

HUD's Strategic Goals

HUD’s FY 2022-2026 Strategic Plan lays out this administration’s strategy for ensuring
everyone has an affordable, healthy place to live. Over the course of the next four years HUD will
pursue two overarching priorities focused on increasing equity and improving customer
experience across all HUD programs. Five strategic goals undergird the Plan as follows:

- Strategic Goal 1: Support Underserved Communities
- Strategic Goal 2: Ensure Access to and Increase the Production of Affordable Housing
- Strategic Goal 3: Promote Homeownership
- Strategic Goal 4: Advance Sustainable Communities
- Strategic Goal 5: Strengthen HUD’s Internal Capacity

The five goals of the FY 2022-2026 Strategic Plan present the core vision of what we hope to
accomplish, the strategies to accomplish those objectives, and the indicators of success.

Overview
The U.S. Department of Housing and Urban Development (HUD) issues this Notice of Funding
Opportunity (NOFO) to invite applications from eligible applicants for the program and purpose
described within this NOFO. Prospective applicants should carefully read all instructions in all
sections to avoid sending an incomplete or ineligible application. HUD funding is highly
competitive. Failure to respond accurately to any submission requirement could result in an
incomplete or noncompetitive proposal.

During the selection process HUD is prohibited from disclosing 1) information regarding any
applicant’s relative standing, 2) the amount of assistance requested by an applicant, and 3) any
information contained in the application. Prior to the application deadline, HUD may not
disclose the identity of any applicant or the number of applicants that have applied for assistance.
For Further Information Regarding this NOFO: Please direct questions regarding the specific requirements of this NOFO to the office contact identified in Section VII.

**Paperwork Reduction Act Statement.** The information collection requirements in this notice have been approved by OMB under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520). In accordance with the Paperwork Reduction Act, HUD may not conduct or sponsor, and a person is not required to respond to a collection of information unless the collection displays a valid OMB control number. Each NOFO will identify its applicable OMB control number unless its collection of information is excluded from these requirements under 5 CFR part 1320.

**I. FUNDING OPPORTUNITY DESCRIPTION.**

A. Program Description.

**Purpose**
The Fair Housing Initiatives Program (FHIP) funds fair housing organizations and other non-profits that assist individuals who believe that they have been victims of housing discrimination. Currently FHIP provides funds to eligible organizations through competitive grants under several initiatives to carry out education and outreach and enforcement activities to prevent or eliminate discriminatory housing practices and inform individuals of their rights and responsibilities under the Fair Housing Act (FHA). The Initiatives are the Fair Housing Organization Initiative (FHOI), the Private Enforcement Initiative (PEI) and the Education and Outreach Initiative (EOI). In addition, consistent with HUD appropriations directives, FHEO is publishing a separate NOFO under the EOI for Tester Coordinator Training.

This Education and Outreach Initiative (EOI) NOFO makes available approximately $9,425,000 to develop, implement, carry out, and coordinate education and outreach programs designed to inform members of the public concerning their rights and obligations under the provisions of the Fair Housing Act. Under this EOI NOFO, activities are divided into five categories:

**EOI National – National Media Campaign Component**
Provide funding for a national fair housing media campaign to educate the American public regarding the forms of discrimination that can occur in real estate related transactions, including the lending and appraisal markets. The campaign will provide information on how to file a housing discrimination complaint through HUD.

**EOI - Sexual Orientation and Gender Identity Component**
This NOFO includes funding for fair housing organizations to create and/or update existing materials to reflect the clarification that, after the U.S. Supreme Court’s *Bostock* decision (Bostock v. Clayton Cty., 140 S. Ct. 1731 (2020), the Fair Housing Act bars discrimination based on sexual orientation and gender identity.

**EOI General - Striving for Housing Equity Component**
This component will fund local and community-based projects to address barriers that may arise when people protected under the Fair Housing Act exercise their fair housing rights to expand
housing choice and projects that promote equity and justice in housing, consistent with the mission of the FHA. These barriers include but are not limited to opposition to the creation of affordable housing, neighbor harassment based on protected characteristics, and obstructing persons with disabilities who seek to enforce their fair housing rights.

**Targeted Fair Housing Component**
This component provides funds for targeted fair housing education and outreach activities such as projects to: develop law school curricula related to fair housing, improve access to homeownership for underserved populations that have historically been denied such opportunities, and advance community integration. Funding may also be used to provide fair housing services to underserved communities and underserved populations.

**General Component**
This component provides funding for general fair housing education and outreach activities aimed to inform people of their rights and responsibilities under the Fair Housing Act.

- **Changes from Previous NOFO.**
  a. Departmental Template Change (NOFO Summary). The FY2022 NOFO template adds a summary of HUD’s five core goals under the Strategic Plan for FY2022-2026.
  b. The NOFO introduces three new components:
     1. Striving for Housing Equity Component
     2. Targeted Fair Housing Component
     3. Sexual Orientation and Gender Identity Component
  c. Section I.A. Program Definitions. This NOFO adds program definitions for the following:
     1. Appraisal - in accordance Interagency Task Force on Property Appraisal and Valuation Equity (PAVE) Initiative;
     2. Government Technical Representative; and
  d. Section III.F. Certification of Consistency with the Consolidated Plan/Participative Planning and Implementation. This former section which was included in the FY2021 NOFO is removed.
  e. Section III.F- Program Specific Requirements. FHIP reduced the time for which an organization remains ineligible after receiving a “poor” performance rating on another FHIP grant after selection and receipt of funding under this NOFO. The time period has been reduced from two years to one year that an organization will remain ineligible after receipt of the “poor” performance rating unless the organization provides evidence that the rating was overturned through an appeal or that another resolution was accepted by the GTR/GTM to improve future performance.
  f. Section III.G. Criteria for Beneficiaries. This section is revised to remove the criteria, Dun and Bradstreet Numbering System (DUNS), as the Department addresses the New Government Issued Unique Entity Identifier (UEI) created in SAM.gov under Section IV.C.2. The change provides notification to applicants of the new means of entity
identification which will become effective April 2022 and is consistent with U.S. General Services Administration guidance at www.gsa.gov/entityid.

g. Section V. Rating Factor Chart. This chart is revised for consistency with the Department’s template update which includes new NOFO Preference points for Environmental Justice. This change increases the total available Preference points from two point to four points and increases the total available NOFO score from 102 to 104. Also, this template change removes Opportunity Zones as a Preference.

h. Rating Factor 1, sub-factor “Organization Experience” has been revised to update the specific organization experience criteria.

i. Preference Points. The Department removed Opportunity Zones as an available preference and added the additional preference points for Environmental Justice. The current preference points include Promise Zones, Historically Black Colleges and Universities (HBCU), and Environmental Justice. The maximum points available under this section has increased from two to four points. HUD may award no more than four total preference points for these preferences

Intakes do not include someone returning a non-enforcement related telephone call, a telemarketer calling the office, or incoming personal telephone calls.

Integration or Integrated Settings, for purposes of this NOFO, means in the context of housing, settings that enable individuals with disabilities to live like individuals without disabilities. Integrated settings also enable individuals with disabilities to live independently with individuals without disabilities and without restrictive rules that limit their activities or impede their ability to interact with individuals without disabilities. Examples of integrated settings include scattered-site apartments providing permanent supportive housing, tenant-based rental assistance that enables individuals with disabilities to lease housing in integrated developments, and apartments for individuals with various disabilities scattered throughout public and multifamily housing developments. By contrast, segregated settings are occupied exclusively or primarily by individuals with disabilities. Segregated settings sometimes have qualities of an institutional nature, including, but not limited to, regimentation in daily activities, lack of privacy or autonomy, policies limiting visitors, limits on individuals’ ability to engage freely in community activities and manage their own activities of daily living, or daytime activities primarily with other individuals with disabilities.

2. Funding for this NOFO is provided by the Consolidated Appropriations Act, 2022 (Public Law 117-103, approved March 15, 2022).

### II. Award Information.

**A. Available Funds**

Funding of approximately $9,425,000 is available through this NOFO.

Additional funds may become available for award under this NOFO. Use of these funds might be subject to statutory constraints or other requirements. All awards are subject to the funding restrictions contained in this NOFO.

However, subject to statutory constraints, at its discretion, HUD may limit the amount and actual awards made under this NOFO.

**B. Number of Awards.**

HUD expects to make approximately 84 awards from the funds available under this NOFO.

The number of awards made from funds available under this NOFO depends on the number of eligible applicants and other factors. We reserve the right to re-allocate funds as appropriate. For information on the methodology used to make award determinations and the reallocation and adjustment of funds under this NOFO, please see Section V.B. Review and Selection Process below.
C. Minimum/Maximum Award Information
The maximum award possible under this solicitation varies. The specific maximum award amounts per component are listed under Section III, Eligibility Information.

Estimated Total Funding: $9,425,000
Minimum Award Amount: $75,000 Per Project Period
Maximum Award Amount: $1,300,000 Per Project Period

D. Period of Performance
The period of performance under this initiative is 12 months.

Estimated Project Start Date: 04/04/2023
Estimated Project End Date: 04/03/2024
Length of Project Periods: 12-month project period and budget period
Length of Periods Explanation of Other:
The period of performance under this initiative is 12-18 months. Obligations should be made within six months of notice of award and all grants expended in the specified timeframe(s) established in negotiations.

E. Type of Funding Instrument.
Funding Instrument Type: CA (Cooperative Agreement), G (Grant)
HUD expects to award a cooperative or grant agreement to each applicant selected for an award. The grant agreement will set forth the relationship between HUD and an awardee using a grant or cooperative agreement, where the principal purpose is the transfer of funds, property, services, or anything of value to the awardee to accomplish an eligible public purpose.

The agreement will identify the eligible activities to be undertaken, financial controls, and special conditions, including sanctions for violations of the agreement, reporting requirements including sub-recipient reporting requirements under the Federal Funding Accountability and Transparency Act of 2006 and integrity requirements under Section 872 of the Duncan Hunter Defense Authorization Act of 2009. HUD will determine the type of instrument under which the award will be made and monitor progress to ensure that the awardee has achieved the objectives set out in the agreement. Failure to meet such objectives may be the basis for HUD determining the awardee to be in default of the grant or cooperative agreement and for exercising available
sanctions, including suspension, termination, and/or recapture of funds. Also, HUD may refer violations or suspected violations to enforcement offices within HUD, the Department of Justice, or other enforcement authorities.

If funds are provided subject to a cooperative agreement, HUD will also exercise the right to have substantial involvement in all proposed deliverables, as well as the Work Plan or Statement of Work (SOW). For grants and cooperative agreements, HUD will conduct monitoring reviews, request quarterly reports, and approve all proposed deliverables as documented in the applicant’s Work Plan or SOW. Most FHIP funds are awarded under grant agreements. However, national funds are awarded under cooperative agreements and remain in Headquarters since the grants have a nationwide impact, and therefore require more complex and frequent oversight as well as Departmental approval of deliverables. This is a higher-level approval process than funds awarded under grant agreements.

III. Eligibility Information.
A. Eligible Applicants.

### B. Ineligible Applicants.

HUD does not award grants to individuals. HUD will not evaluate applications from ineligible applicants, including those that do not meet the threshold, statutory and regulatory, or program eligibility requirements under III.D, E and F.

### C. Cost Sharing or Matching.

This Program does not require cost sharing or matching.

### D. Threshold Eligibility Requirements.

Applicants who fail to meet any of the following threshold eligibility requirements will be deemed ineligible. Applications from ineligible applicants will not be evaluated.

1. **Resolution of Civil Rights Matters.** Outstanding civil rights matters must be resolved before the application deadline. Applicants, who after review are confirmed to have civil rights matters unresolved at the application deadline, will be deemed ineligible. Their applications will receive no further review, will not be rated and ranked, and they will not receive funding.
   
   a. Applicants having any of the charges, cause determinations, lawsuits, or letters of findings referenced in subparagraphs (1) – (5) that have not been resolved to HUD’s satisfaction before or on the application deadline date are ineligible for funding. Such matters include:

   1. Charges from HUD concerning a systemic violation of the Fair Housing Act or receipt of a cause determination from a substantially equivalent state or local fair housing agency concerning a systemic violation of a substantially equivalent state or local fair housing law proscribing discrimination because of race, color, religion, sex, national origin, disability or familial status;
   2. Status as a defendant in a Fair Housing Act lawsuit filed by the United States alleging a pattern or practice of discrimination or denial of rights to a group of persons raising an issue of general public importance under 42 U.S.C. 3614(a);
   3. Status as a defendant in any other lawsuit filed or joined by the Department of Justice, or in which the Department of Justice has intervened, or filed an amicus brief or statement of interest, alleging a pattern or practice or systemic violation of Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Section 109 of the Housing and Community Development Act of 1974, the Americans with Disabilities Act or a claim under the False Claims Act related to fair housing, non-discrimination, or civil rights generally including an alleged failure to affirmatively further fair housing;
4. Receipt of a letter of findings identifying systemic non-compliance with Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Section 109 of the Housing and Community Development Act of 1974; or the Americans with Disabilities Act; or
5. Receipt of a cause determination from a substantially equivalent state or local fair housing agency concerning a systemic violation of provisions of a state or local law prohibiting discrimination in housing based on sexual orientation, gender identity, or lawful source of income.

b. HUD will determine if actions to resolve the charge, cause determination, lawsuit, or letter of findings taken before the application deadline date will resolve the matter. Examples of actions that may be sufficient to resolve the matter include, but are not limited to:
   1. Current compliance with a voluntary compliance agreement signed by all the parties;
   2. Current compliance with a HUD-approved conciliation agreement signed by all the parties;
   3. Current compliance with a conciliation agreement signed by all the parties and approved by the state governmental or local administrative agency with jurisdiction over the matter;
   4. Current compliance with a consent order or consent decree;
   5. Current compliance with a final judicial ruling or administrative ruling or decision; or
   6. Dismissal of charges.

2. Affirmatively Furthering Fair Housing. With some exceptions for federally recognized Indian tribes and their instrumentalities, the application must discuss how the applicant will carry out the proposed activities in a manner that affirmatively furthers fair housing in compliance with the Fair Housing Act and its implementing regulations. Applicants may propose activities that are consistent with their jurisdiction’s Analysis of Impediments (AI), an Assessment of Fair Housing (AFH), or other means of fair housing planning that meaningfully supports their AFFH certification.

If the applicant will carry out proposed activities in a jurisdiction with an accepted Assessment of Fair Housing (AFH), the proposed activities should be consistent with the AFH’s fair housing goals and with fair housing strategies specified in the jurisdiction’s Consolidated Plan or Public Housing Agency Plan.”

3. Timely Submission of Applications. Applications submitted after the deadline stated within this NOFO that do not meet the requirements of the grace period policy will be marked late. Late applications are ineligible and will not be considered for funding. See Section IV. D. Application Submission Dates and Times.

3. Minimum Score. Applicants must receive a minimum Technical Evaluation Panel (TEP) score of 75 points to be considered for funding, not including preference points.

4. Eligible Activities. An applicant is ineligible for funding when the majority of the proposed activities are ineligible (more than 50%) HUD will not fund the application. HUD has the right to request information or documentation to clarify or confirm that activities are eligible fair housing activities.

5. Suits Against the United States. An applicant is ineligible for funding if, as a current recipient of FHIP funds (within the last 3 years), the organization used any funds provided by HUD for the payment of expenses in connection with litigation against the United States (24 CFR 125.104(f)).
6. **Other Litigation.** An applicant is ineligible for funding if the organization proposes in its current application or used funds provided by HUD (within the last 3 years) to fund or support the settlement of a claim, satisfy a judgment, or fulfill a court order in any defensive litigation (42 U.S.C. 3616 note Sec. 561 (i)). Applicants who fail to meet any of the following threshold eligibility requirements will be deemed ineligible. Applications from ineligible applicants will not be evaluated.

**E. Statutory and Regulatory Requirements Affecting Eligibility.**

**Eligibility Requirements for Applicants of HUD’s Grants Programs**
The following requirements affect applicant eligibility. Detailed information on each requirement is posted on [HUD’s Funding Opportunities Page](https://www.hud.gov/fundingopps).

- Active Prime and Sub Recipient registration with SAM.gov
- Outstanding Delinquent Federal Debts
- Debarments or Suspensions, or both
- Pre-selection Review of Performance
- Sufficiency of Financial Management System
- False Statements
- Mandatory Disclosure Requirement
- Prohibition Against Lobbying Activities
- In addition, each applicant under this NOFO must have the necessary processes and systems in place to comply with the Award Term in Appendix A of [24 CFR part 170](https://www.govinfo.gov/content/pkg/FR-2023-09-01/html/2023-19100.htm) if the applicant receives an award, unless an exception applies as provided in [2 CFR 170.110](https://www.govinfo.gov/content/pkg/CFR-2023-title2-vol12/html/CFR-2023-title2-vol12.html).

**F. Program-Specific Requirements.**

Applicants who fail to meet any of the following Program-Specific eligibility requirements will be deemed ineligible. Applications from ineligible applicants will not be evaluated.

1. **Fair Housing Related Activities.** All program activities/tasks and costs within the SOW and budget must be fair housing related activities and must demonstrate an explicit connection to furthering the non-discrimination and affirmatively furthering fair housing provisions of the Fair Housing Act. HUD will not fund any portion of an application that is not eligible for funding under the regulatory requirements or that does not meet the requirements under this NOFO. Only the eligible portions of a successful application will be funded.

2. **Fair Housing Act/Protected Classes.** All FHIP-funded projects must address housing discrimination based on race, color, religion, sex (including sexual orientation and gender identity), disability, familial status, and/or national origin. All FHIP-funded projects must recognize appraisal bias and discrimination resulting from a neutral policy that has an unjustified discriminatory effect on members of a protected class group or perpetuates segregation. All services and activities must be available to all members of all protected class groups. The application’s proposed activities must reflect the commitment to address housing discrimination affecting all the protected classes listed above.
3. Applicants must describe a referral process that will result in referral of fair housing complaints to HUD or FHAP substantially equivalent agencies. If funded, the grantee will have to develop and implement the complaint referral process referenced in the application.

4. If the application has income restrictions for services, the application must identify the restriction, and describe how individuals who fall outside of the restrictions will be equally served and how that service is provided. If not provided, the applicant will be deemed ineligible. HUD reserves the right to request proof if the organization is selected for funding.

5. HUD will not fund an organization if the parent or its affiliate/subsidiary organization has an open grant (previously funded) under the same EOI component. In addition, HUD will not fund both a parent organization and its affiliate/subsidiary organization under this NOFO for the same component. In addition, HUD will not allow affiliate and parent organization staff sharing protocols whereby the parent organization shares key staff with an affiliate(s). All funded organizations must be fully independent functional organizations, e.g., able to conduct business on an on-going basis without support from parent or its staff to complete proposed program activities and set apart from parent organization.

6. Co-applicants or members of a consortium must each meet the eligibility requirements of this NOFO, or the applicant will be deemed ineligible. All applicants must be eligible as defined in Section III A.

7. If an applicant is applying as a 501(c)(3), the applicant must be a 501(c)(3) tax-exempt organization as determined by the Internal Revenue Service (IRS) prior to the application deadline date to be eligible for funding. Applications must include an IRS report showing 501(c)(3) status. If an applicant’s 501(c)(3) status has expired prior to application deadline date, the application must show that the organization has applied for renewal of tax-exempt status and that the application is pending. If 501(c)(3) status has expired and there is no information regarding the application for renewal in the organization’s application at the deadline date, the applicant will be deemed ineligible. In addition, if an organization with a pending 501(c)(3) application is selected for a funding award, the applicant must provide proof that the 501(c)(3) renewal is approved prior to release of funding. If the applicant’s pending application for renewal is subsequently denied, the applicant’s organization will be deemed ineligible, and the award selection will be rescinded. Further, the applicant must maintain 501(c)(3) status throughout the grant period.

8. Fund Request exceeding the Maximum Amount. Applicants may not request funding over the maximum amount allowed under the initiative or component for which they have applied, or the applicant will be deemed ineligible.

9. Inconsistencies in the Requested Amount or Miscalculations. Inconsistencies in the requested amount and/or miscalculations that result in amounts over the maximum award amount will be considered excessive and the application will be deemed ineligible.

10. Performance. An organization is deemed ineligible for funding under this NOFO if it received a “poor” rating on its last or most recent performance assessment on a prior FHIP grant for any initiative/component. The organization will remain ineligible for a period of one year after the NOFO closure date unless the organization provides evidence that the rating was overturned through an appeal or that another resolution was accepted.

In addition, if an applicant receives a “poor” performance rating on another FHIP grant after selection and receipt of funding under this NOFO, all remaining FHIP grant funds received under this NOFO will be rescinded and the organization will be deemed ineligible. The organization will remain ineligible for a period of one year after receipt of the “poor” performance rating unless the organization provides evidence that the rating was overturned through an appeal or that another resolution was accepted by the GTR/GTM to improve future performance.

11. FHAP agencies under a suspension or performance improvement plan, as designated under 24 CFR Part 115.210(a) and (b) at the time of application submission are ineligible for funding unless the performance issues are resolved to HUD’s satisfaction before the application deadline.

12. Research/Survey Activities. Applicants are ineligible for funding if their project is aimed solely at research or data gathering (such as Audit Testing). If a successful application contains research and other activities, only the eligible portions of the application will be funded. Proposed surveys or data gathering must be approved by HUD or OMB under the Paperwork Reduction Act before the application submission, or the activity is deemed ineligible.

13. If you receive an award under the National program, then you are not eligible for the EOI Regional/Local General component.

14. Applicants must submit a separate application for each component and/or initiative for which the applicant applies.

15. Applicants and recipients are required to submit assurances of compliance with federal civil rights requirements. See, e.g., Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments Act of 1972, Section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act of 1978; see also 24 C.F.R. §§ 1.5; 3.115; 8.50; and 146.25. HUD accepts these assurances in the form of the SF-424B and SF-424D, which also require compliance with all general federal nondiscrimination requirements in the administration of the grant.

Only applicants deemed eligible will be ranked and rated.

**G. Criteria for Beneficiaries.**

1. **Single Audit Requirement.** All applicants who have expended $750,000 or more in Federal financial assistance within a single year (this can be a program or fiscal year) must be audited in accordance with the requirements as established in 2 CFR Part 200.501. If an applicant receives $750,000 or more in Federal financial assistance, the application must set aside funds to complete the audit.

2. **Independence of Awards.** The application submitted must be independent and capable of being implemented without reliance of other applications, or other grantees(s), including staff sharing protocols of key staff. Applicants applying under one of the FHIP Initiatives may not use
the performance (e.g., performance review rating or successfully completed activities) of another organization to meet the requirements of Rating Factor 1, Staffing and Organization Experience.

3. Training Funds. The applicant’s proposed budget must set aside $5,000 annually to be utilized to participate in HUD sponsored mandatory or approved training. Grants that have a performance period of 12-18 months are considered 12-month grants for purposes of this requirement. Do not specify amounts over $5,000 for this training set-aside under the applicant’s budget submission.

If an applicant is awarded more than one FHIP grant (under more than one component), HUD reserves the right to examine the requested training needs. If additional training funds are not needed, HUD reserves the right to transfer funds back to fair housing activities during negotiations.

4. Grant Closeouts. Closeouts should be undertaken as specified in 2 CFR 200.343 "Closeouts".

IV. Application and Submission Information.

A. Obtaining an Application Package.

Instructions for Applicants.

You must download both the Application Instructions and the Application Package from Grants.gov. You must verify that the Assistance Listing Number and Assistance Listing Description on the first page of the Application Package, and the Funding Opportunity Title and the Funding Opportunity Number match the Program and NOFO to which you are applying. The Application Package contains the portable document forms (PDFs) available on Grants.gov, such as the SF-424 Family. The Instruction Download contains official copies of the NOFO and forms necessary for a complete application. The Instruction Download may include Microsoft Word files, Microsoft Excel files, and additional documents.

An applicant demonstrating good cause may request a waiver from the requirement for electronic submission, for example, a lack of available Internet access in the geographic area in which your business offices are located. Lack of SAM registration or valid DUNS/UEI is not good cause. If you cannot submit your application electronically, you must ask in writing for a waiver of the electronic grant submission requirements. HUD will not grant a waiver if the Applicant fails to submit to HUD in writing or via email a request for a waiver at least 15 calendar days before the application deadline. If HUD grants a waiver, a paper application must be received before the deadline for this NOFO. To request a waiver, you must contact:

Name:
Stephanie Thomas
Email:
Stephanie.W.Thomas@hud.gov
HUD Organization:
FHEO
Street:
451 7th Street SW
City:
Washington
State:
All waiver requests will be submitted to FHEO’s Assistant Secretary and designee for a final determination.

If you are granted a waiver, the notification will provide instructions on where to submit the application and how many copies are required. If you receive a waiver of the electronic application submission requirement, your paper copy application must be received by HUD in room 5222B no later than 4:30 pm Eastern Standard Time on the application deadline date. When delivering a paper copy, please allot time to adhere to HUD Headquarters’ visitor policies and requirements to assure your application is timely submitted. All applications must meet the NOFO application deadline date. HUD applications are scanned. The scanning facility at HUD Headquarters closes at 5:00 pm Eastern Standard Time. Applicants must allow adequate time for the application to be scanned through this facility. Applications not received in 5222B by the 4:30 pm Eastern Standard Time deadline date shall be deemed ineligible. There is no grace period for paper application submissions.

HUD will not accept a paper application without a waiver being granted and such paper applications will be returned to sender.

**B. Content and Form of Application Submission.**

You must verify that boxes 11, 12, and 13 on the SF-424 match the NOFO for which you are applying. If they do not match, you have downloaded the wrong Application Instruction and Application Package.

Submission of an application that is otherwise sufficient, under the wrong Assistance Listing and Funding Opportunity Number is Non-Curable unless otherwise stated under the Threshold requirements section.

All applications must be submitted on or before the deadline date.

2. Format and Form.
Narratives and other attachments to your application must follow the following format guidelines.
10 Pages maximum length of narratives
Double spaced 12-point (minimum) Times Roman font on letter sized paper (8 1/2 x 11 inches) with at least 1-inch margins on all sides

a. The maximum length of the narrative response is ten (10) pages for each separate factor. Applicants may submit fewer pages if desired. The narrative pages must be double-spaced. This includes all text, titles and headings. Applicants must use 12-point font and respond fully to each rating factor to obtain maximum points. Failure to provide narrative responses to each rating factors or omitting requested information will result in less than the maximum points available being awarded for the rating factor or sub-factor. The following items do not count towards the 10-page maximum: SOW and Budget and Factor 1 Organization Experience chart(s).

b. If an applicant cannot access the toll-free number or experience problems, please call (215) 825-8798 (this is not a toll-free number). Failure to do so will result in the application being rejected by the Grants.gov system with a “VIRUS DETECT” error message.

Double spaced 12-point (minimum) Times Roman font on letter sized paper (8 1/2 x 11 inches) with at least 1-inch margins on all sides

C. System for Award Management (SAM) and Unique Entity Identifier (UEI).

1. SAM Registration Requirement.
Applicants must be registered with https://www.sam.gov/ before submitting their application. Applicants must maintain current information in SAM on immediate and highest-level owner and subsidiaries, as well as on all predecessors that have been awarded a federal contract or grant within the last three years, if applicable. Information in SAM must be current for all times during which the applicant has an active Federal award or an application or plan under consideration by HUD.

2. UEI Requirement.

The DUNS number remained the official identifier for doing business with the U.S. Government only until April 4, 2022. As of April 4, 2022, entities doing business with the federal government must use the Unique Entity Identifier created in SAM.gov.

Anyone planning to submit applications on behalf of an organization must register at grants.gov and be approved by the E-Biz POC in SAM to submit applications for the organization. Registration for SAM and grants.gov is a multi-step process and can take four (4) weeks or longer to complete if data issues arise. Applicants without a valid registration cannot apply through grants.gov. Complete registration instructions and guidance are provided on grants.gov.

D. Application Submission Dates and Times.

Application Due Date Explanation
The application deadline is 11:59:59 PM Eastern Standard time on
12/06/2022
Submit your application to Grants.gov unless a waiver has been issued allowing you to submit a paper application. Instructions for submitting your paper application will be contained in the waiver of electronic submission.

"Received by Grants.gov" means the applicant received a confirmation of receipt and an application tracking number from Grants.gov. Grants.gov then assigns an application tracking number and date-and timestamp each application upon successful receipt by the Grants.gov system. A submission attempt not resulting in confirmation of receipt and an application tracking number is not considered received by Grants.gov.

Applications received by Grants.gov must be validated by Grants.gov to be received by HUD.

"Validated by Grants.gov" means the application has been accepted and was not rejected with errors. You can track the status of your application by logging into Grants.gov, selecting "Applicants" from the top navigation, and selecting “Track my application” from the dropdown list. If the application status is “rejected with errors,” you must correct the error(s) and resubmit the application before the 24-hour grace period ends. Applications in “rejected with errors” status after the 24-hour grace period expires will not be received by HUD. Visit Grants.gov for a complete description of processing steps after applying.

HUD strongly recommends you submit your applications at least 48 hours before the deadline and during regular business hours to allow enough time to correct errors or overcome other problems.

Grants.gov Customer Support. Grants.gov provides customer support information on its website at https://www.grants.gov/web/grants/support.html. Applicants having difficulty accessing the application and instructions or having technical problems can receive customer support from Grants.gov by calling (800) 518-GRANTS (this is a toll-free number) or by sending an email to support@grants.gov. HUD may extend the application deadline for any program if Grants.gov is offline or not available to applicants for at least 24 hours immediately prior to the deadline date, or the system is down for 24 hours or longer and impacts the ability of applicants to cure a submission deficiency within the grace period.

HUD may also extend the application deadline upon request if there is a presidentially declared disaster in the applicant’s area.

If these events occur, HUD will post a notice on its website establishing the new, extended deadline for the affected applicants. HUD will also include the fact of the extension in the program’s NOFO required to be published in the Federal Register.

In determining whether to grant a request for an extension based on a presidentially declared disaster, HUD will consider the totality of the circumstances including the date of an applicant’s extension request (how closely it followed the basis for the extension), whether other applicants in the geographic area are similarly affected by the disaster, and how quickly power or services are restored to enable the applicant to submit its application.

**PLEASE NOTE:** Busy servers, slow processing, large file sizes, improper registration or password issues are not valid circumstances to extend the deadline dates or the grace period.

1. **Amending or resubmitting an application.**

Before the submission deadline, you may amend a validated application through Grants.gov by resubmitting a revised application containing the new or changed material. The resubmitted application must be received and validated by Grants.gov by the applicable deadline.

If HUD receives an original and a revised application for a single proposal, HUD will evaluate only the last submission received by Grants.gov before the deadline.

2. **Grace Period for Grants.gov Submissions.**

If your application is received by Grants.gov before the deadline, but is rejected with errors, you have a grace period of 24 hours after the application deadline to submit a corrected, received, and validated application through Grants.gov. The date and time stamp on the Grants.gov system determines the application receipt time. Any application submitted during the grace period not received and validated by Grants.gov will not be considered for funding. There is no grace period for paper applications.

3. **Late Applications.**

An application received after the NOFO deadline date that does not meet the Grace Period requirements will be marked late and will not be reviewed by HUD for funding consideration. Improper or expired registration and password issues are not sufficient cause to allow HUD to accept applications after the deadline date.

4. **Corrections to Deficient Applications.**

HUD will not consider information from applicants after the application deadline except for curable deficiencies.
HUD will uniformly notify applicants of each curable deficiency. See curable deficiency in the definitions section (Section I.A). Examples of curable (correctable) deficiencies include inconsistencies in the funding request and failure to submit required certifications. These examples are non-exhaustive.

When HUD identifies a curable deficiency, HUD will notify the authorized organization representative identified on the SF-424 Application for Federal Assistance via email. This email is the official notification of a curable deficiency.

Applicants must email corrections of Curable Deficiencies to applicationsupport@hud.gov within the time limits specified in the notification. The time allowed to correct deficiencies will be no less than 48 hours and no more than 14 calendar days from the date of the email notification. The start of the cure period will be the date stamp on the email sent from HUD. If the deficiency cure deadline date falls on a Saturday, Sunday, Federal holiday, or on a day when HUD’s Headquarters are closed, then the applicant’s correction must be received on the next business day HUD Headquarters offices in Washington, DC are open.

The subject line of the email sent to applicationsupport@hud.gov must state: Technical Cure and include the Grants.gov application tracking number or the GrantSolutions application number (e.g., Subject: Technical Cure - GRANT123456 or Technical Cure - XXXXXXXXXXX). If this information is not included, HUD cannot match the response with the application under review and the application may be rejected due to the deficiency.

Corrections to a paper application must be sent in accordance with and to the address indicated in the notification of deficiency. HUD will treat a paper application submitted in accordance with a waiver of electronic application containing the wrong UEI/DUNS number as having a curable deficiency. Failure to correct the deficiency and meet the requirement to have a UEI/DUNS number and active registration in SAM will render the application ineligible for funding.

5. **Authoritative Versions of HUD NOFOs.** The version of these NOFOs as posted on Grants.gov are the official documents HUD uses to solicit applications.

6. **Exemptions.** Parties that believe the requirements of the NOFO would impose a substantial burden on the exercise of their religion should seek an exemption under the Religious Freedom Restoration Act (RFRA).

**E. Intergovernmental Review.**

This program is not subject to Executive Order 12372, Intergovernmental Review of Federal Programs.

**F. Funding Restrictions.**

1. **Retainer Fees.** FHIP recipients are under specific restrictions (outlined in the grant agreement documents) regarding establishment of retainer agreements and recovery of legal fees from HUD-funded cases. Data on fees, settlements, and verdicts are matters of public record. Awardees must provide this information to HUD annually. Neither the grantee nor the individual(s) on whose behalf any action is filed can request that HUD waive these provisions.

2. **Number of Awards.** An organization may not receive more than one award under a single component. This restriction includes two organizations with separate EIN’s that
apply for separate funding under a single component but identify more than one of the same direct personnel and/or key staff for both organizations (i.e., key staff sharing). FHIP will fund only one organization. This restriction ensures FHIP’s commitment to continued program integrity by eliminating double payments under a single component to an organization or individuals. This restriction includes but is not limited to any organization affiliate, associate, subsidiary, or other organizations that engage in direct personnel and/or key staff sharing protocols.

3. **Performance Standards.** Applicants must maintain an annual performance assessment rating from the FHIP HUD GTR as “good” or funding may be reduced until performance issues are resolved and if unresolved, HUD has a right to rescind funding.

4. **Funding.** Grantees must use FHIP funds only for those activities funded under their grant agreement.

5. **Compensation.** Grantees cannot charge more than Level IV of the Federal Executive Schedule annually for an individual’s compensation even if the individual earns more than the capped amount. The salary limitation for Executive Level IV is $172,500 and was effective January 2021. This compensation cap does not require grantees to limit the amount paid to individuals under this grant; however, the individual’s remaining compensation over the cap must be paid from an alternative organization funding source. HUD reserves the right to determine whether compensation is reasonable and customary for the skill set provided and the areas being served.

6. **Administrative Costs.** Salaries, fringe benefits and other administrative costs charged against the project or program element for the sole purpose of administering the grant/cooperative agreements shall not exceed 10% of the annual grant award (Federal and cost share). One hundred percent of the salaries and fringe benefits related to these functions are considered administrative costs. Examples of administrative costs include but are not limited to: preparation and submission of grant applications, fiscal tracking of grants funds, maintaining project files and performance measures, collection and submission of deliverables accounting staff wages and benefits, building rent, consulting expenses, management wages and benefits (such as Executive Director and support staff), depreciation of office equipment, insurance, legal staff wages and benefits, office supplies. Building rent is eligible only under the following conditions: the rent must be for existing facilities not requiring rehabilitation or construction except for minimal alterations to make the facilities accessible for a person with disabilities; no repairs or renovations of the property may be undertaken with funds under this NOFO; and properties in the Coastal Barrier Resources System designated under the Coastal Barrier Resources Act (16 U.S.C. 3501) cannot be leased or rented with federal funds.

**Non-administrative Costs.** Salaries and fringe benefits related to the implementation of the project or program element of the grant/cooperative agreement are not considered administrative costs. For example: the salaries and fringe benefits for technical staff to conduct work to accomplish specific Fair Housing goals as outlined in the program or project elements are not administrative costs.

**Indirect Cost Rate.**

Normal indirect cost rules under 2 CFR part 200, subpart E apply. If you intend to charge indirect costs to your award, your application must clearly state the rate and distribution base you intend to use. If you have a Federally negotiated indirect
cost rate, your application must also include a letter or other documentation from the cognizant agency showing the approved rate. Successful applicants whose rate changes after the application deadline must submit the new rate and documentation to assure the award agreement incorporates the applicable rate.

Applicants other than state and local governments. If you have a Federally negotiated indirect cost rate, your application must clearly state the approved rate and distribution base and must include a letter or other documentation from the cognizant agency showing the approved rate. If your organization does not have a current negotiated rate (including provisional) rate and elects to use the de minimis rate, your application must clearly state you intend to use the de minimis rate of 10% of Modified Total Direct Costs (MTDC). As described in 2 CFR 200.403, costs must be consistently charged as either indirect or direct costs but may not be double charged or inconsistently charged as both. Once elected, the de minimis rate must be applied consistently for all Federal awards until the organization chooses to negotiate a rate, which the organization may apply to do at any time. Documentation of the decision to use the de minimis rate must be retained on file for audit.

State and local governments. If your department or agency unit has a Federally negotiated indirect cost rate, your application must include that rate, the applicable distribution base, and a letter or other documentation from the cognizant agency showing the negotiated rate. If your department or agency unit receives more than $35 million in direct Federal funding per year, you may not claim indirect costs until you receive a negotiated rate from your cognizant agency for indirect costs as provided in Appendix VII to 2 CFR Part 200.

If your department or agency unit receives no more than $35 million in direct Federal funding per year and your department or agency unit has developed and maintains an indirect cost rate proposal and supporting documentation for audit in accordance with 2 CFR Part 200, Appendix VII, you may use the rate and distribution base specified in that indirect cost rate proposal. Alternatively, if your department or agency unit receives no more than $35 million in direct Federal funding per year and does not have a current negotiated rate (including provisional) rate, you may elect to use the de minimis rate of 10% of MTDC. As described in 2 CFR 200.403, costs must be consistently charged as either indirect or direct costs but may not be double charged or inconsistently charged as both. Once elected, the de minimis rate must be applied consistently for all Federal awards until your department or agency chooses to negotiate for a rate, which you may apply to do at any time. Documentation of the decision to use the de minimis rate must be retained on file for audit.

Statutory or regulatory restrictions Apply – ONLY if a statute or regulation imposes restrictions that are different from the indirect cost rate requirements in 2 CFR 200.

G. Other Submission Requirements.
Application, Assurances, Certifications and Disclosures.
Standard Form 424 (SF-424) Application for Federal Assistance is the government-wide form required to apply for Federal assistance programs, discretionary Federal grants, and other forms of financial assistance programs. Applicants for this Federal assistance program must submit all required forms in the SF-424 Family of forms, including SF-424B (Assurances of Nonconstruction Programs) or SF-424D (Assurances for Construction Programs). Applications receiving funds for both non-construction programs and construction programs must submit both the SF-424B and SF-424D.

By signing the forms in the SF-424 either through electronic submission or in paper copy submission (for those granted a waiver), the applicant and the signing authorized organization representative affirm that they have reviewed the certifications and assurances associated with the application for Federal assistance and (1) are aware the submission of the SF-424 is an assertion that the relevant certifications and assurances are established and (2) acknowledge that the truthfulness of the certifications and assurances are material representations upon which HUD will rely when making an award to the applicant. If it is later determined the signing authorized organization representative to the application made a false certification or assurance, caused the submission of a false certification or assurance, or did not have the authority to make a legally binding commitment for the applicant, the applicant and the individual who signed the application may be subject to administrative, civil, or criminal action. Additionally, HUD may terminate the award to the applicant organization or pursue other available remedies. Each applicant is responsible for including the correct certifications and assurances with its application submission, including those applicable to all applicants, those applicable only to Federally recognized Indian tribes, or Alaskan native villages and those applicable to applicants other than federally recognized Indian tribes or Alaskan native villages.

Assurances.

By submitting your application, you provide assurances that, if selected to receive an award, you will comply with U.S. statutory and other requirements, including, but not limited to civil rights requirements. Upon receipt of an award, you, and any recipients and subrecipients of the award are also required to submit assurances of compliance with federal civil rights requirements. See, e.g., Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments Act of 1972, Section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act of 1975; see also 24 C.F.R. §§ 1.5; 3.115; 8.50; and 146.25. HUD accepts these assurances in the form of the SF-424B and SF-424D, which also require compliance with all general federal nondiscrimination requirements in the administration of the grant.

*Rating Factors include questions or point distributions unique to EOI components.*

**Rating Factor 1: Capacity of Applicant and Relevant Organizational Experience**

This factor addresses the extent to which the organization has the staff experience and organizational capacity necessary to successfully complete the proposed project for the duration of the grant performance period, including actively maintaining staff/consultants and/or contractors throughout this period. HUD will consider the extent to which the applicant clearly addresses:

1) **Description and expertise of staff (Up to 20 points)**

   The applicant narrative must describe staff expertise showing that the applicant organization will have sufficient and qualified staff available to complete the proposed activities. The applicant must:

   Describe the organization staffing plan including a proposal to add staff (employees) or contractors or consultants, if applicable. To receive full points under this factor, the plan must:

   1. Demonstrate that the applicant organization has more than one current staff with fair housing related experience at the time that the application is submitted; and describe the organization's proposal to add staff and/or contractors and consultants to complete the proposed project. The application description must demonstrate that the applicant organization is independent and capable of implementing the proposed project without relying on other applications, or other grantee(s), including sharing of key staff. Applicants may not use the performance (e.g., performance review rating or successfully completed activities) of another organization to meet the requirements of this Rating Factor. The applicant must have current key staff on hand to receive points under this factor. In addition, if the applicant organization or applicant staff is sharing activities with other FHIP funded organizations, the applicant must list the name of the organization sharing activities, and the role and time staff devotes to all FHIP related activities that the organization/staff is undertaking, including as a grantee, sub-grantee, contractor, consultant, or any other capacity. This information may be provided in a chart and will not be included within the 10-page limit. (Up to 6 points).

   Failure to provide information that demonstrates that the applicant organization has current sufficient staff to complete the proposed project will result in the applicant receiving 0 points under Factor 1.

   2. The staffing plan should identity each staff assigned to the proposed project by name and position, and the percentage of estimated time that each will devote to the proposed project. This
description must also identify a current proposed Project Manager, by name and title, and percentage of time that the individual will devote to the proposed project. The Project Manager must be currently on staff and devote at least 30 percent of time to the proposed project. Points will be deducted if less time is identified. The plan must also describe how the applicant will evaluate and provide oversight for each contractor, if applicable.

If applicable, the applicant must further identify FY 2019, FY 2020, and FY 2021 FHIP grant awards, and identify each staff person assigned to the projects, including staff name, position and percentage of time devoted to those project(s). Staff time and effort under each Initiative/Component must represent time and effort over the entire grant period. Applicants who are applying for, or currently have multiple open FHIP grants must describe how the applicant will manage, operate, and maintain activities, performance requirements and timetables for these multiple grants. The applicant’s list or chart does not count towards the 10-page limit for Factor 1. Applicants will not be deducted points for not identifying these grant awards and sub-grantee projects if this section is not applicable. (Up to 6 points)

3. Describe each key staff person’s experience as it relates to the proposed project. This should include fair housing related experience for any proposed fair housing related professional. The staffing plan must describe how all key staff (fair housing or otherwise) experience contributes to the proposed project. Please do not include resumes. For proposed hires, the applicant must identify the position, percentage of time the proposed staff will devote to the project, and the position requirements that will assist the organization in successful project completion. For proposed consultants, contractors or partnerships, the applicant must describe experience that contributes to the organization completing the proposed activities, including any fair housing related experience, if applicable. (Up to 4 points)

4. Describe applicant organization staff experience and expertise in providing fair housing or similar training or disseminating information to community, college, university, public or other large audiences. The applicant also must describe specific staff experience in developing or updating advertising and training material, or other effective methods for outreach or training to large audiences that will contribute to the proposed project. (Up to 4 points)

2) **Organizational Experience (Up to 16 points).** The applicant must describe the organization’s ability to complete the proposed project within the grant period and show the effectiveness of the project.

a) Show that the applicant organization has conducted past project(s) similar in scope and complexity (whether FHIP funded or not) to the project proposed or engaged in activities that, although not necessarily similar, are readily transferable to the proposed project and the results. (Up to 4 points)

b) Describe the applicant organization’s knowledge of and proximity to the targeted (service) area. (Up to 2 points)

c) Describe the applicant organization’s independent “Specialized Experience” relative to the specific component for which the applicant is applying as follows. (Up to 10 points)
EOI National Media Campaign Component Only.

1. Describe the organizational resources necessary to successfully implement the proposed activities in a timely manner and the applicant's ability to develop and implement large information campaign projects as appropriate on a national level and a regional/local level. (Up to 2 points)

2. Describe staff experience in production of written materials relating to a national fair housing media campaign to educate the American public regarding the forms of discrimination that can occur in real estate related transactions, including but not limited to the lending and appraisal markets. Describe how the campaign will provide information on how to file a housing discrimination complaint. The campaign should focus on fair housing education and experience in lending and appraisal bias; including experience in production of materials in at least two languages other than English and in alternative formats for persons with disabilities. Describe organizational experience in executing similar campaigns and the organization’s ability to produce materials in languages other than English and in alternative formats for persons with disabilities. (Up to 3 points)

3. Show the ability to develop, implement, make modifications as necessary, and manage a multi-level traditional (TV/Print/Radio) and interactive digital/online media campaign on a national and regional/local scale for members of the protected classes under the Fair Housing Act. The proposed campaign must provide a nexus between the Fair Housing Act and members of the protected classes under the Act. This capacity may be demonstrated via partnership with an organization that has comparable experience to undertake a national fair housing education, outreach, and training program. (Up to 3 points). If the applicant fails to meet this requirement, there will be a 10-point overall reduction and no points will be given under this section.

4. Demonstrate how the applicant organization represents protected class groups under the Fair Housing Act. (Up to 2 points)

EOI Sexual Orientation and Gender Identity Component Only
Applicant should address the staffing and organizational capacity as it relates to the Fair Housing Act’s prohibitions against discrimination because of sexual orientation and gender identity. Applicant should also discuss organizational capacity to update existing materials to reflect the recognition that, after the Bostock decision, the Fair Housing Act bars discrimination based on sexual orientation and gender identity. (Up to 10 points)

EOI - Striving for Housing Equity Component Only
Describe the staff and organizational capacity to address the issues that may arise when people protected under the Fair Housing Act exercise their rights to expand housing choice. These issues include but are not limited to opposition to affordable housing, harassment against minority families and creating obstacles for people with disabilities seeking to enforce their fair housing rights. Demonstrate how to address these issues and promote equity and justice in housing, consistent with the mission of the Fair Housing Act. (Up to 10 points)

EOI-Targeted Fair Housing Component Only
Describe the organization’s the ability to plan and implement one or more of the following fair housing education and outreach projects: develop law school curricula related to fair housing; improve access to homeownership for underserved populations that have historically been
denied such opportunities; and advance community integration. (Up to 10 points)

EOI General Components Only

1. Describe how the organization set specific targets and measured results in providing outreach for past projects. (Up to 5 points)

Describe experience in conducting educational symposia and/or training, including developing, printing, and distributing material utilizing various methods which may include printed and electronic media to effectively reach and deliver information to groups with varying skill levels. (Up to 5 points)

Rating Factor 2: Need/Distress/Extent of the Problem

This factor addresses the extent to which there is a need for funding the proposed activities, including addressing the needs of highly segregated, rural and/or underserved populations. The need(s) described must be relevant to the activities for which funds are being requested under rating factor 3; and must describe how you will meet the needs of highly segregated, rural and/or underserved populations.

Applicants must address the specific criteria for the component in which the applicant is applying.

A. EOI National Media Component Only. In earlier studies of segregation, Blacks, members of other historically marginalized, and individuals with disabilities who reported that they have experienced discrimination in the housing market did not take legal action, and one of the key reasons for not doing so was because they thought that such actions would not yield results or remedy the discrimination. The studies also showed that many Blacks and other members of protected class groups who experienced discrimination did nothing about it because of lack of knowledge of where or how to file a complaint.

(1) Problem Statement (Up to 7 points). Applicants must describe and document national fair housing needs:
   a) Identify gaps in educating the American public regarding the forms of discrimination that can occur in real estate related transactions, including the lending and appraisal markets. Describe how this campaign will address those gaps by providing educational and outreach materials, including on how to file a housing discrimination complaint, in areas of high segregation, in areas where appraisal bias and mis-valuation/undervaluation are highly prevalent around the country, to persons with limited English proficiency, and to rural or underserved populations.

(2) Proposed Solution (Up to 8 points). Applicants must describe how the proposed solution will meet the identified need:
   a) Show how the proposed project will be measured in relation to the need identified.
   b) Address how the project and distributing the material will increase the view and/or knowledge of fair housing for various targeted audiences and a national audience, including people in areas of high segregation, people in areas with a high concentration of people with limited English proficiency, rural areas, or areas that included underserved populations.
   c) Show how the proposal offers the most effective approach for meeting that national
d) Describe how the organization will monitor and track the results of the national project.

(3) Continued Need (Up to 4 points). The applicant must:
  a) Address the need for language assistance services in languages other than English that have been identified in your application. Print media and all other materials being disseminated to the public must be in English and at least two other languages. Address how the project will meet the needs of persons with disabilities.
  b) Address how the materials developed under the project will increase the view and/or knowledge of fair housing rights for the targeted populations on a national level.
  c) Show how the proposal offers the most effective approach for meeting that national need.
  d) Describe how the organization will monitor and track the results of the national project.

EOI Striving for Housing Equity, EOI Targeted Fair Housing, EOI Sexual Orientation and Gender Identity, EOI General Components.

(1) Problem Statement (Up to 7 points). The applicant should identify and describe the need for funding by using data/evidence which may include but is not limited to Census data, Assessments of Fair Housing, Analysis of Impediment to Fair Housing Choice (AI), other fair housing planning documents, Consolidated Plans or other documents, to support that a need exists. Applicants must:

  a) Describe the specific fair housing outreach needs, including needs for those in areas of high segregation, high concentration of individuals with limited English proficiency, rural or underserved populations of the community or communities that will be addressed under this application.
  b) Address the target area’s impediments to fair housing choice.

1. EOI - Striving for Housing Equity Component
  a) Identify the barriers for people protected under the Fair Housing Act from availability and opportunities which limited housing choice.
  b) Show gaps in opposition to affordable housing, harassment against minority families and creating obstacles for people with disabilities seeking to enforce their fair housing rights.
  c) Show how the proposal to promote equity and justice in housing offers the most effective approach consistent with the mission of the Fair Housing Act.

2. EOI-Targeted Fair Housing Component
  a) The applicant must describe and document the targeted need to develop law school curricula related to fair housing, improve access to homeownership for underserved populations that have historically been denied such opportunities, and advance community integration.
  b) Address the need to provide outreach and education to underserved communities and underserved populations, and describe any outreach and education gaps specific to underserved communities and underserved populations.
3. EOI-Sexual Orientation and Gender Identity Component
a) Show how the proposal offers the most effective approach for meeting the need of preventing and combatting discrimination because of sexual orientation and gender identity.
b) Describe how the organization will track the results of the Bostock decision which bars discrimination based on sexual orientation and gender identity.

4. EOI-General Component
a) Show how the proposed project will be measured in relation to the need identified.

(2) Proposed solution (Up to 8 points). The applicant should describe the proposed solution to address the fair housing needs identified above. Supporting evidence demonstrating the effectiveness of the proposed interventions is required. Evidence may include but is not limited to case studies, evaluation of applicant best practices, etc. Applicants must address the following:

a) Describe how the applicant plans to address the identified fair housing need(s) and describe the link between the need and the applicant’s proposed activities. This description should include the presence of systemic housing discrimination, high segregation indices, or evidence of discrimination prohibited by the Fair Housing Act within the project area.
b) Describe why the proposed intervention will be effective.
c) Show how the use of any other relevant information from various studies done by HUD or any other reliable source (e.g. Consolidated Plan, AI/Assessment of Fair Housing, etc.) are used to support need specific to the applicant’s proposed activities. Applicants should not submit copies of reports, but should reference any reports, statistics or other data used by providing appropriate websites where the data was be found. Reference information should be current within the last five years or up to 2 points will be deducted.
d) Address the need for language assistance services in languages other than English by describing the target population’s language need and action the applicant will take to make the applicant’s activities available to meet those needs. All printed material being disseminated to the public must be in English and at least two other languages. The application should briefly describe what added languages will be used based on the targeted population and how material will be translated and by whom. Applicants should identify the need for services for persons with disabilities and what steps will be taken to address those needs, including posting information on its website that is Section 508 compliant.

(3) Continued Need (Up to 4 points)
Describe the urgency of the fair housing needs, including any imminent adverse consequences to persons in the protected class groups covered under the Fair Housing Act if your application is not selected for funding.

Rating Factor 3: Soundness of Approach

Maximum Points: 30
This factor addresses the soundness, quality, and effectiveness of the proposed work plan and the commitment of the applicant to sustain the proposed project activities. Two sub-factor requirements make up the total possible points (Up to 30 points) for Rating Factor 3: SOW, and
Budget and Cost Estimates. If funded, the grantee is responsible for completing the SOW activities agreed upon during negotiations.

a. Proposed SOW and Information Requirements (Up to 16 points). This sub-factor does not count toward the 10-page limit on the narrative. The sub-factor will be evaluated on the extent to which the applicant provides a clear detailed description of the proposed project goals/objectives, activities, and where applicable, proposed outcome measures. Applicants must submit a SOW narrative and a SOW chart (see Appendix A). Each SOW narrative and chart must be based on the specific EOI activities proposed in the organization's application.

1) The SOW narrative should identify quantifiable project goals and describe how those goals are related to each of the specific needs identified in Rating Factor 2 "Need/Extent of Problem." Goals are the results or outcomes the applicant aims to accomplish. The SOW narrative should also describe the proposed activities, specific deliverables, and anticipated outcomes. (Up to 6 points)

2) SOW Chart (Appendix A). All applicants should use the format outlined in Appendix A as an example to describe the organization's specific SOW tasks. The Administrative Tasks listed in Appendix A are standard tasks, but the applicant may edit the section to fit the applicant's specific tasks, including adding additional tasks specific to the proposed project. Under the Program Tasks section, each applicant should complete a detailed SOW based on the specific EOI activities proposed in the organization's application, including activities, tasks, and proposed outcomes where applicable.

The SOW chart must describe in detail:

a) all proposed project activities and major tasks (Up to 3 points),
b) a list of staff and partners as identified in Factor 1 who will be responsible and accountable for completing the task (Up to 3 points),
c) the steps to successfully implement the proposed project (Up to two points), and
d) the proposed outcomes where applicable (Up to 2 points).

Applicants may receive up to six points for the submission of a complete SOW narrative and up to 10 points for a complete SOW chart.

In addition to the SOW requirements above, applicants who apply under the component(s) below must also include the following activities in their SOW and budget:

(1) National Media Campaign Component. The applicant must propose activities that effectively demonstrate a coordinated, comprehensive, and centralized educational and advertising campaign with an emphasis on television and radio Public Service Announcements (PSAs), pre-roll video, digital and social media targeting majority and minority markets throughout the United States. Social media content and placement campaigns should be broad-based, utilizing the various social networking applications available. Applicants should only propose the development of new materials to address the gaps identified under Factor 2. Applicants should describe the ability to provide materials in a digital/camera-ready format (based on current industry standards) and in a form suitable for internet use, distribution and repurposing for use in other formats. All products developed under this campaign should have a common theme regarding the Fair Housing Act. Products should be localizable for use by HUD and other FHIP or FHAP agencies for broader reach. An applicant’s proposed deliverables may
be modified by the GTR during the negotiation process based on the GTR and grantee’s agreed maximum benefits to specific geographical areas, proposed target populations or other factors.

(2) **Sexual Orientation and Gender Identity**
The applicant must propose activities that effectively demonstrate a coordinated, comprehensive, and centralized educational program utilizing appropriate media, which may include social media, print, radio, public service announcement, and other broad-based methods, to conduct specific education and outreach projects consistent with fair housing laws that protect people from discrimination based on sexual orientation and gender identity. The SOW must describe an education and outreach program addressing the targeted populations and provide a detailed set of deliverables and time frames for the proposed activities designed to educate individuals about sexual orientation and gender identity, the public, organizations, service providers, and housing providers about fair housing rights, forms of housing discrimination, actions to take when faced with discrimination, focusing in particular on specific issues encountered by individuals experiencing sexual orientation and gender identity discrimination.

An applicant’s proposed deliverables may be modified by the GTR during the negotiation process based on the GTR and grantee’s agreed maximum benefits to specific geographical areas, proposed target populations, or other factors.

**b. Budget and Cost Estimates (Up to 14 points)**

For all applicants. HUD will assess the soundness of the planned approach by evaluating the quality, thoroughness, necessity, cost effectiveness, and reasonableness of costs to carry out the project activities, and the rationale for the proposed budget and narrative. The applicant’s budget submission must include the applicant's Narrative Budget Work Plan and 424 CBW Budget Worksheet; a narrative budget work plan for all sub-contractors or sub-recipients; and a budget worksheet for sub-contractors or sub-recipients whose budget amounts exceed $5,000. The applicant must include the 424-CBW.

1) The applicant’s budget narrative and 424 CBW must relate to the tasks in the SOW, including identifying key team members/staff and partners, as identified in Factor 1 who will be responsible and accountable for completing major tasks. In addition, the budget narrative should describe the organization’s Financial Management Capacity, including the organization’s financial management system and its Board’s role in financial management or oversight.

2) The applicant's budget narrative must describe their organization’s capabilities in handling financial resources, disseminating payments to third parties, e.g., contractors, and maintaining adequate accounting and internal control procedures. In addition, applicants with current or prior FHIP grants should provide a list or chart of all HUD FHIP grants received since 2017, including the grant number, dollar amount awarded, the amount expended and obligated as of 30 days prior to the date the application is submitted, and a description of the applicant’s activities and results (outcomes) achieved in the previous FHIP grant(s).

All Factor 3 criteria are exempt from the 10-page limit. Applicants may receive up to seven points for the Narrative Budget Plan and up to seven points for the 424 CBW worksheet. Under
the 424 CBW score, there will be an automatic five-point reduction (in addition to any other point reduction(s)) if the applicant submits a form 424 CB, but not the detailed form 424 CBW).

**Rating Factor 4: Achieving Results and Program Evaluation**

The applicant should outline its strategy for evaluating and improving (if necessary) its program performance against proposed goals during the grant period.

The applicant must describe:

**For all Applicants:**

1. **Measurement (Up to 5 points)** – What strategy or strategies will the organization utilize to measure its outputs and outcomes? Points are given to organizations that propose outputs, outcomes, and methods that can result in reliable, valid data. This description should include but is not limited to:

   (a) quantifiable outputs and outcomes that measure progress on the goals identified in the Factor 3, SOW;

   (b) data collection methods used to measure outputs and outcomes and the frequency of data collection;

   (c) technological tools in place to capture, maintain, and share data; and

   (d) an explanation of how the applicant’s data will be validated.

   Applicant outcomes should reflect the anticipated effect the organization’s proposed activities will have on its beneficiaries. In other words, outcomes measure progress made towards achieving the program goals, while outputs are the measurable organization activities. An example output is the number of people expected to participate in education and outreach efforts or the number of people reached through such efforts.

2. **Evaluation Plan (Up to 10 points)** - What plan will be put in place to evaluate the proposed project and ensure the applicant makes progress on the stated objectives and goals? This description should include:

   - thresholds in the output and outcome data that will be used to determine progress on objectives/goals and what, if any, improvements are necessary;
   - timelines for continuous evaluation and adjustments as needed; and
   - a description of how evaluation results will be used to increase efficiency and effectiveness of the program, including achievement of goals.

   Based on activities outlined in the proposed Statement of Work, applicants should explain the impact of the grantee's education and outreach efforts. Applicants should express how outputs achieve the outcomes desired or the intended impact of outputs on the outcomes desired.
If selected for funding, quarterly reports will capture the following information:

- How many new clients were served compared with your proposed number because of your education and outreach efforts?

How many clients were reached from methods, including:

- conferences/presentations,
- mailings,
- internet ready materials,
- meetings/workshops,
- PSAs,
- publications,
- social network/websites, and
- trainings.

2. Other Factors.
This program does not offer points for Section 3.

Preference Points
HUD encourages activities in support of the interdepartmental initiatives. HUD may award no more than four total preferences points for a combination of any of the four (4) preferences (Climate Change, Environmental Justice, Promise Zones (PZ) or Historically Black Colleges and Universities (HBCU). Each preference is worth up to two (2) points. For example, points may be awarded for Climate Change and Environmental Justice, or for Promise Zones and HBCUs.

This program does not offer points for Climate Change

Environmental Justice: In accordance with Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, and EO 14008, HUD will award up to two (2) points for applications proposing projects that advance environmental justice in communities that have been historically marginalized and overburdened by pollution and underinvestment in housing, transportation, water and wastewater infrastructure, and health care, as delineated by the Climate and Economic Justice Screening Tool (CJEST) or other HUD-approved definition.

*HUD anticipates that program offices will revise the criteria listed in this section according to program scope and based on program actions identified in HUD’s Climate Action Plan and Justice40 Initiative.

HBCU.
An applicant partnering with a Historically Black College or University (HBCU) will receive up to two (2) Preference Points when the application includes a Letter of Commitment certifying that an HBCU Partnership is in place and signed by an authorizing official of the HBCU and documentation of the college or university's status as an HBCU. Click here to view the list of accredited HBCU’s
Promise Zones
HUD encourages activities in Promise Zones (PZ). To receive Promise Zones Preference Points, applicants must submit form HUD-50153, “Certification of Consistency with Promise Zone Goals and Implementation,” signed by the Promise Zone Official authorized to certify the project meets the criteria to receive preference points. To view the list of designated Promise Zones and persons authorized to certify, please see the Promise Zone pages on HUD’s website.

B. Review and Selection Process.

1. Past Performance
In evaluating applications for funding, HUD will consider an applicant’s past performance in managing funds. Items HUD will consider include, but are not limited to:

The ability to account for funds in compliance with applicable reporting and recordkeeping requirements;

Timely use of funds received from HUD;

Timely submission and quality of reports submitted to HUD;

Meeting program requirements;

Meeting performance targets as established in the grant agreement;

The applicant's organizational capacity, including staffing structures and capabilities;

Timely completion of activities and receipt and expenditure of promised matching or leveraged funds;

The number of persons served or targeted for assistance;

Promoting self-sufficiency and economic independence

Producing positive outcomes and results.

HUD may reduce scores based on the past performance review, as specified under V.A. Review Criteria. Whenever possible, HUD will obtain past performance information. If this review results in an adverse finding related to integrity of performance, HUD reserves the right to take any of the remedies provided in Section III E., Statutory and Regulatory Requirements Affecting Eligibility, "Pre-selection Review of Performance".

In evaluating risks posed by applicants, HUD may use a risk-based approach and may consider any items such as the following:

- Financial stability;
- Quality of management systems and ability to meet the management standards prescribed in this part;
- History of performance. The applicant's record in managing Federal awards, if it is a prior recipient of Federal awards, including timeliness of compliance with applicable reporting requirements, failing to make significant progress in a timely manner, failing to meet planned activities in a timely manner, conformance to the terms and conditions of
previous Federal awards, and if applicable, the extent to which any previously awarded amounts will be expended prior to future awards;

- Reports and findings from audits performed under Subpart F—Audit Requirements of this part or the reports and findings of any other available audits; and
- The applicant's ability to effectively implement statutory, regulatory, or other requirements imposed on non-Federal entities.

This section incorporates past performance with the assessment of an applicant's risk. For current FHIP grantees, past performance will be based on the applicant’s most recent FHIP GTR Final Performance Assessment Report. GTR Final Performance Assessment Reports contain these items: (1) performance of all requirements under the grant, (2) acceptance of work performed, and (3) quality of performance. Up to seven points will be deducted from an applicant’s overall rating score based on that assessment, as follows:

- one point if the applicant received less than an "Excellent"
- five points if the applicant received less than a "Good"
- one point if the applicant is deemed “High Risk” (i.e. new FHIP applicants)

An organization is deemed ineligible for funding under this NOFO if the organization received a “poor” rating within the last year performance assessment on a prior FHIP grant for any initiative/component. Applicants that have not received a performance assessment within the last year will be deemed as a new applicant for purposes of this NOFO section.

In addition, HUD evaluates the integrity of the applicant as reflected in government-wide websites, information in HUD’s files, the federal Do Not Pay portal, public information and information received during HUD’s Name Check Review process. If this integrity evaluation results in an adverse finding, HUD reserves the right to take any of the remedies provided in Section III.C.4.a.5, Do Not Pay Website Review.

3. Rating and Ranking. Applicants may be funded under these Education and Outreach Initiative (EOI) Components:

(a) National-Based Program
National Media Campaign Component (EOI-NMC) - $1,300,000

(b) Regional/Local/Community Based Program
Sexual Orientation and Gender Identity (EOI-SOGI) $500,000
Striving for Housing Equity (EOI-SH) $600,000
Targeted Fair Housing (EOI-T) $600,000
General Component (EOI-G) - $6,425,000

4. Maximum Score. The maximum number of points to be awarded for the Rating Factors is 100. Applicants may also be awarded a maximum of up to four (4) preference points for PZ, HBCU and/or Environmental Justice. Therefore, applicants may receive up to a total of 104 points including the rating factor and Preference points.

a. Ineligible Applications. Ineligible applications will not be rated or ranked.

b. Minimum Score to be Funded. Only applications with a rating score of 75 points or more will be considered of sufficient quality for funding. Preference points may not be included in reaching this minimum score.
c. **Ranking.** All eligible applicants will be placed in rank order based on the total application score.

d. **Tie Breaking.** When two or more applications have the same total overall score, the application with the higher score under Rating Factor 2 will be ranked higher. If applications still have the same score, the tie will be broken by the Rating Factor 1 score. If a tie remains, then the tie will be broken by the Rating Factor 3 score.

5. **Adjustments to Funding.** HUD may approve an application for an amount lower than the amount requested, fund only portions of the application, withhold funds after approval, reallocate funds among activities and/or require that special conditions be added to the grant agreement, under 24 CFR 84.14 or where:
   a. HUD determines the amount requested for one or more eligible activities is unreasonable or unnecessary;
   b. An ineligible activity is proposed in an otherwise eligible project;
   c. Insufficient funding amounts remain to award the full amount requested in the application, and HUD determines that partial funding is a viable option;
   d. The past record of key personnel warrants special conditions; or
   e. An applicant has not reserved the required FHIP training fund allocation in the budget, HUD will modify the applicant’s budget, reallocating the appropriate training amount.
   f. An applicant is awarded more than one grant, HUD reserves the right to examine the requested training needs and transfer funds back to fair housing activities during negotiations if additional training funds are not needed.

6. **Reallocation of Funds.** After all applications within the funding range have been selected or obligations are completed, if funds are still available, HUD will have the discretion to reallocate those remaining funds among Initiatives. First, funds from any EOI component will be reallocated first within the EOI Initiative, then if additional funds remain, those funds shall be reallocated to PEI, then to FHOI.

### VI. Award Administration Information.

**A. Award Notices.**

Following the evaluation process, HUD will notify successful applicants of their selection for funding. HUD will also notify other applicants, whose applications were received by the deadline, but have not been chosen for award. Notifications will be sent by email to the person listed as the AOR in item 21 of the SF-424.

**Final Grant.** After HUD has made selections, HUD will finalize specific terms of the award and budget in consultation with the selected applicant. If HUD and the selected applicant do not finalize the terms and conditions of the award in a timely manner, or the selected applicant fails to provide requested information, an award will not be made to that applicant. In this case, HUD may select another eligible applicant.

HUD may impose specific conditions on an award as provided under 2 CFR 200.208:

- Based on HUD’s review of the applicant’s risk under 2 CFR 200.206;
- When the applicant or recipient has a history of failure to comply with the general or specific terms and conditions of a Federal award;
- When the applicant or recipient fails to meet expected performance goals contained in a federal
award; or
• When the applicant or recipient is not otherwise responsible.

**Adjustments to Funding.** To ensure the fair distribution of funds and enable the purposes or requirements of a specific program to be met, HUD reserves the right to fund less than the amount requested in an application.

a. HUD will fund no portion of an application that:
   (1) Is not eligible for funding under applicable statutory or regulatory requirements;
   (2) Does not meet the requirements of this notice; or
   (3) Duplicates other funded programs or activities from prior year awards or other selected applicants.

b. If funds are available after funding the highest-ranking application, HUD may fund all or part of another eligible fundable application. If an applicant turns down an award offer, or if HUD and an applicant do not finalize the terms and conditions of the award in a timely manner, HUD may withdraw the award offer and make an offer of funding to another eligible application.

c. If funds remain after all selections have been made, remaining funds may be made available within the current FY for other competitions within the program area, or be held for future competitions, or be used as otherwise provided by authorizing statute or appropriation.

d. If, after announcement of awards made under the current NOFO, additional funds become available either through the current appropriations, a supplemental appropriation, other appropriations or recapture of funds, HUD may use the additional funds to provide additional funding to an applicant awarded less than the requested amount of funds to make the full award, and/or to fund additional applicants that were eligible to receive an award but for which there were no funds available.

**Funding Errors.** If HUD commits an error that when corrected would cause selection of an applicant during the funding round of a Program NOFO, HUD may select that applicant for funding, subject to the availability of funds. If funding is not available to award in the current fiscal year, HUD may make an award to this applicant during the next fiscal year, if funding is available.

**Additional Applicant Notification and Award Procedures.**

a. Notification. Information about the review and award process will not be available during the HUD evaluation period, which begins on the application deadline date for this NOFO and lasts for approximately 90 days thereafter. However, applicants will be advised, in writing or by telephone, if HUD determines that your application is ineligible, or has technical deficiencies which may be corrected. HUD will only communicate with persons specifically identified in the SF-424 in the application. HUD will not provide information about the application to any third party such as contractors.

b. Negotiations. If your application is selected, HUD will require you to participate in negotiations to determine the specific terms of your cooperative or grant agreement. The selection is conditional and does not become final until the negotiations are successfully concluded and the cooperative or grant agreement is signed and executed based upon the negotiations. HUD will negotiate only with the person identified in the application as the Director of the organization or if specifically identified in the application as the Project Director.
HUD will not negotiate with any third party (i.e., a contractor, etc.). The GO and GTR will determine on a case-by-case basis if technical assistance or special conditions are required.

b. Applicant Scores. After awards are announced, applicants will receive a copy of their final score. HUD will not release the names of applicants or their scores to any third party. Upon request via email, FHEO will provide applicants a list of frequent areas where the Technical Evaluation Panel deducted points. This panel information will consist of a review of areas in which applicants frequently lose points such that all applicants may make modifications to strengthen their application.

B. Administrative, National and Department Policy Requirements and Terms for HUD Recipients Financial Assistance Awards

For this NOFO, the following Administrative, National and Department Policy Requirements and Terms for HUD Financial Assistance Awards apply.

1. Unless otherwise specified, these non-discrimination and equal opportunity authorities and other requirements apply to all NOFOs. Please read the following requirements carefully as the requirements are different among HUD's programs.

   • Affirmatively Furthering Fair Housing (Click Here).
   • Economic Opportunities for Low-and Very Low-income Persons (Section 3). See 24 CFR part 75.
2. Equal Access Requirements. See 24 CFR 5.105(a)(2)
3. Equal Participation of Faith-Based Organizations in HUD Programs and Activities.
5. Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.

12. Suspension and debarment.

Environmental Review

In accordance with 24 CFR 50.19(b)(2), (3), (4), (9), (12), and (13), activities funded under this NOFO are exempt or categorically excluded from environmental review under the National Environmental Policy Act of 1969 (42 U.S.C. 4321) and not subject to environmental review under related laws and authorities.
Prohibition on Surveillance
2 CFR 200.216 Prohibition on Certain Telecommunication and Video Surveillance Services or Equipment

Remedies for Noncompliance
2 CFR 200.340 Termination A Federal award may be terminated in whole or in part if the grantee fails to comply with the terms and conditions of the award or if HUD determines the award no longer effectuates the program goals or agency priorities.

Lead Based Paint Requirements.
When providing education or counseling on buying or renting housing that may include pre-1978 housing under your grant you must inform clients of their rights under the Lead Disclosure Rule (24 CFR part 35, subpart A), and, if the focus of the education or counseling is on rental or purchase of HUD-assisted pre-1978 housing, the Lead Safe Housing Rule (subparts B, R, and, as applicable, F - M).

C. Reporting.
HUD requires recipients to submit performance and financial reports under OMB guidance and program instructions.

1. Recipient Integrity and Performance Matters. Applicants should be aware that if the total Federal share of your federal award includes more than $ 500,000 over the period of performance, the award will be subject to post award reporting requirements reflected in Appendix XII to Part 200 Award Terms and Conditions for Recipient Integrity and Performance Matters.

2. Race, Ethnicity and Other Data Reporting. HUD requires recipients that provide HUD- funded program benefits to individuals or families to report data on the race, color, religion, sex, national origin, age, disability, and family characteristics of persons and households who are applicants for, participants in, or beneficiaries or potential beneficiaries of HUD programs in order to carry out the Department’s responsibilities under the Fair Housing Act, Executive Order 11063, Title VI of the Civil Rights Act of 1964, and Section 562 of the Housing and Community Development Act of 1987.

3. Compliance with the Federal Funding Accountability and Transparency Act of 2006 (Pub. L. 109-282) as amended (FFATA). FFATA requires information on federal awards be made available to the public via a single, searchable website, which is www.USASpending.gov. Accordingly, each award HUD makes under this NOFO will be subject to the requirements provided by the Award Term in Appendix A to 2 CFR Part 170, “REPORTINGSUBAWARD AND EXECUTIVE COMPENSATION INFORMATION,” unless the Federal funding for the award (including funding that may be added through amendments) is not expected to equal or exceed $30,000. Requirements under this Award Term include filing subaward information in the Federal Funding Accountability and Transparency Act (FFATA) Sub-award Reporting System (FSRS.gov) by the end of the month following the month in which the recipient awards any sub-grant equal to or greater than $30,000.

4. Program-Specific Reporting Requirements
D. Debriefing.

For a period of at least 120 days, beginning 30 days after the public announcement of awards under this NOFO, HUD will provide a debriefing related to their application to requesting applicants. A request for debriefing must be made in writing or by email by the authorized organization representative whose signature appears on the SF-424 or by his or her successor in office and be submitted to the POC in Section VII Agency Contact(s), below. Information provided during a debriefing may include the final score the applicant received for each rating factor, final evaluator comments for each rating factor, and the final assessment indicating the basis upon which funding was approved or denied.

Non-funded applicants will receive the total application score, and non-funded and ineligible applicants will receive a debriefing summary to include overall applicant Rating Factor scoring averages and average common errors.

VII. Agency Contact(s).

HUD staff will be available to provide clarification on the content of this NOFO. Questions regarding specific program requirements for this NOFO should be directed to the POC listed below.

Requests for funds must be accompanied by financial and progress reports.

c. Copyright Materials. You may copyright any work that is eligible for copyright protection subject to HUD’s right to reproduce, publish, or otherwise use your work for Federal purposes, and to authorize others to do so as required in 2 CFR 215.36.

d. Complaints Against Awardees. Each FHIP award is overseen by a HUD GO (See hud.gov for list of FHEO Regional Directors). Complaints from the public against FHIP grantees should be forwarded to the POC listed above in Section VI I Agency Contact(s) If, after notice and consideration of relevant information, the GO concludes that there has been inappropriate conduct, such as a violation of FHIP requirements, terms or conditions of the cooperative or grant agreement, or any other applicable statute, regulation or other requirement, HUD will take appropriate action under 24 CFR § 84.62. Such action may include: written reprimand; consideration of past performance in awarding future FHIP applications; repayment to HUD of funds received under the grant; temporary or permanent denial of participation in the FHIP under 24 CFR part 24.

e. Double Payments. If the applicant is awarded funds under this NOFO, the applicant (and any contractor or consultant) may not charge or claim credit for the activities performed under this project under any other Federally assisted project.

g. Performance Sanctions. A grantee or contractor violating the requirements set forth in its cooperative or grant agreement will be liable for such sanctions as may be authorized by law, including repayment of improperly used funds, termination of further participation in the FHIP, and denial of further participation in programs of HUD or any federal agency.
h. Corrections to Deficient Applications. In order not to unreasonably exclude applications from being rated and ranked, HUD may contact applicants to ensure proper completion of the application and will do so uniformly for all applicants. HUD may not seek clarification of items or responses that improve the substantive quality of an applicant’s response to any rating factors or correct deficiencies which are in whole or part of a rating factor. Applicants will have 5 business days from date of notification to submit the required documents to HUD. Applicants will be notified by email and telephone about corrections to ensure notification. The applicants must submit the corrections by using the HUD Form 90611 found in their downloaded application to submit the technical cures to HUD.
