Prospective applicants should carefully read all instructions in all sections to avoid sending an incomplete or ineligible application. HUD funding is highly competitive. Failure to respond accurately to any submission requirement could result in an incomplete or noncompetitive proposal.

During the selection process HUD is prohibited from disclosing 1) information regarding any applicant's relative standing, 2) the amount of assistance requested by an applicant, and 3) any information contained in the application. Prior to the application deadline, HUD may not disclose the identity of any applicant or the number of applicants that have applied for assistance.

For Further Information Regarding this NOFO: Please direct questions regarding the specific requirements of this Notice of Funding Opportunity (NOFO) to the office contact identified in Section VII.

I. FUNDING OPPORTUNITY DESCRIPTION.**A. Program Description.****1. Purpose**

The purpose of the Veterans Housing Rehabilitation and Modification Pilot Program (VHRMP) is to explore the potential benefits of awarding grants to nonprofit organizations to rehabilitate and modify the primary residence of veterans who are low-income and have disabilities. The funds made available under this program will be awarded competitively.

A number of America's veterans who are low-income and have disabilities are in need of adaptive housing to help them regain or maintain their independence, are unable to fund significant home repairs, or are burdened by utility costs. In partnership with the U.S. Department of Veterans Affairs, HUD designed the VHRMP to test a new approach to address these challenges in accordance with section 1079 of the Carl Levin and Howard P. "Buck" McKeon National Defense Authorization Act for Fiscal Year 2015 (Public Law 113-291, §1079, enacted December 19, 2014, as amended by Public Law 114-92, §1081(b)(4), November 25, 2015). The VHRMP provides competitive grants of up to \$1 million each to nonprofit organizations that provide nationwide or statewide programs that primarily serve veterans and/or low-income individuals. The grants may be used to modify or rehabilitate eligible veterans' primary residences or to provide grantees' affiliates with technical, administrative, and training support in connection with those services. The performance goals and required output and outcome measures for these grants are discussed in section VI.C.6 of this NOFO.

In the FY 2021 competition of VHRMP grants, HUD will award up to \$9,445,988 including \$4 million in new funding provided under the Consolidated Appropriations Act, 2021 (Public Law 116-260, approved December 27, 2020), \$4 million in the Further Consolidated Appropriations Act, 2020 (Public Law 116-94), and \$1,445,988 in remaining VHRMP funding provided under the Consolidated Appropriations Act, 2018 (Public Law 115-141) and the Consolidated Appropriations Act, 2019 (Public Law 116-06).

2. Changes from Previous NOFO.

The following changes have been made from the previous NOFO:

I. Funding Opportunity Descriptions, A. Program Description, Section 4-Program Definitions: Irrelevant and obsolete terms as it relates to VHRMP have been removed.

II. Award Information, D. Period of Performance, Length of Project Periods: The Period of Performance language has been changed to, "The Period of Performance and Budget Period for each grant are 36 months."

IV. Application and Submission, F. Funding Restriction and VI. Award Administration Information, B. Statutory and Administrative, National and Department Requirements for HUD Recipients: Both sections were revised to include Uniform Relocation and Real Property Acquisition Act of 1970 (URA) and its possible application to VHRMP projects.

V. Application Review Information, Other Factors: Projects located in Promise Zones may be considered for preference points.

3. Definitions.

a. Standard Definitions

Affirmatively Furthering Fair Housing (AFFH). Affirmatively Furthering Fair Housing (AFFH) means taking meaningful actions, in addition to combating discrimination, that overcome patterns of segregation and foster inclusive communities free from barriers that restrict access to opportunity based on protected characteristics. Specifically, affirmatively furthering fair housing means taking meaningful actions that, taken together, address significant disparities in housing needs and in access to opportunity, replacing segregated living patterns with truly

integrated and balanced living patterns, transforming racially and ethnically concentrated areas of poverty into areas of opportunity, and fostering and maintaining compliance with civil rights and fair housing laws. The duty to affirmatively further fair housing extends to all of a program participant's activities and programs relating to housing and urban development.

Assistance Listings means a unique number assigned to identify a Federal Assistance Listing, formerly known as the CFDA Number.

Federal Financial Assistance means assistance that entities received or administer in the form of:

- 1) Grant;
 2. Cooperative agreements (which does not include a cooperative research and development agreement pursuant to the Federal Technology Transfer Act of 1986, as amended (15 U.S.C. 3710a));
 3. Loans;
 4. Loan guarantees;
 5. Subsidies;
 6. Insurance;
 7. Food commodities;
 8. Direct appropriations;
 9. Assessed or voluntary contributions; or
 10. Any other financial assistance transaction that authorizes the non-Federal entity's expenditure of Federal funds.
- b. Federal Financial Assistance does not include:
 1. Technical assistance, which provides services in lieu of money; and
 2. A transfer of title to federally owned property provided in lieu of money, even if the award is called a grant.

Authorized Organization Representative (AOR) is the person authorized to submit applications on behalf of the organization via Grants.gov. The AOR is authorized by the E-Biz point of contact in the System for Award Management. The AOR is listed in item 21 on the SF-424.

Consolidated Plan is a document developed by states and local jurisdictions. This plan is completed by engaging in a participatory process to assess their affordable housing and community development needs and market conditions, and to make data-driven, place-based investment decisions with funding from formula grant programs. (See 24 CFR part 91 HUD's requirements regarding the Consolidated Plan and related Action Plan).

Contract means, [for the purpose of Federal financial assistance](#), a legal instrument by which a recipient or subrecipient purchases property or services needed to carry out the project or program under a Federal award. For additional information on contractor and subrecipient determinations see 2 CFR 200.331.

Contractor means an entity that receives a contract as defined in 2 CFR 200.1.

Deficiency is information missing or omitted within a submitted application. Examples of deficiencies include missing documents, information on a form, or some other type of unsatisfied information requirement (e.g., an unsigned form, unchecked box.). Depending on specific criteria, deficiencies may be either curable or non-curable.

- *Curable Deficiencies* may be corrected by the applicant with timely action. To be curable the deficiency must:
- Not be a threshold requirement, except for documentation of applicant eligibility;
- Not influence how an applicant is ranked or scored versus other applicants; and
- Be remedied within the time frame specified in the notice of deficiency.
- *Non-Curable Deficiencies* cannot be corrected by an applicant after the submission deadline.

Non-curable deficiencies are deficiencies that, if corrected, would change an applicant's score or rank versus other applicants. Non-curable deficiencies may result in an application being marked ineligible, or otherwise adversely affect an application's score and final determination.

DUNS Number is the nine-digit Dun and Bradstreet Data Universal Number

System identification number assigned to a business or organization by Dun & Bradstreet and provides a means of identifying business entities on a location-specific basis. OMB removed duplicate recipients based on recipient Data Universal Number System (DUNS) numbers, from Dun & Bradstreet (D&B). At this time all Federal financial assistance recipients are required to register for DUNS numbers.

E-Business Point of Contact (E-Biz POC) A user registered as an organization applicant who is responsible for the administration and management of grant activities for his or her organization. The E-Biz POC is likely to be an organization's chief financial officer or authorizing official. The E-Biz POC authorizes representatives of their organization to apply on behalf of the organization (see Standard AOR and Expanded AOR). There can only be one E-Biz POC per DUNS Number.)

Eligibility requirements are mandatory requirements for an application to be eligible for funding.

Federal award, has the meaning, depending on the context, in either paragraph (1) or (2) of this definition:

- (1)(i) The Federal financial assistance that a recipient receives directly from a Federal awarding agency or a subrecipient receives indirectly from a pass-through entity, as described in 2 CFR §200.101; or
 - ii. The cost-reimbursement contract under the Federal Acquisition Regulations that a non-Federal entity receives directly from a Federal awarding agency or indirectly from a pass-through entity, as described in 2 CFR §200.101.

3. Federal award does not include other contracts that a Federal agency uses to buy goods or services from a contractor or a contract to operate Federal Government owned, contractor operated facilities (GOCOs).
4. See also definitions of Federal financial assistance, grant agreement, and cooperative agreement.

Small business is defined as a privately-owned corporation, partnership, or sole proprietorship that has fewer employees and less annual revenue than a corporation or regular-sized business. The definition of "small"—in terms of being able to apply for government support and qualify for preferential tax policy—varies by country and industry. The U.S. Small Business Administration defines a small business according to a set of standards based on specific industries. {[e-CFR Title 13-Chapter I – Part 121](#)}

Subaward means an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal award received by the pass-through entity. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program. A subaward may be provided through any form of legal agreement, including an agreement that pass-through entity considers a contract.

Subrecipient means an entity, usually but not limited to non-Federal entities, that receives a subaward from a pass-through entity to carry out part of a Federal award but does not include an individual that is a beneficiary of such award. A subrecipient may also be a recipient of other Federal awards directly for a Federal awarding agency.

System for Award Management (SAM) means the Federal Repository into which an entity must provide information required for the conduct of business as a recipient. Registration with SAM is required for submission of applications via Grants.gov. You can access the website

at <https://www.sam.gov/SAM/>. There is no cost to use SAM.

Threshold Requirements are an eligibility requirement that must be met for an application to be reviewed. Threshold requirements are not curable, except for documentation of applicant eligibility and are listed in Section III.D Threshold Eligibility Requirements. Similarly, there are eligibility requirements under Section III.E, Statutory and Regulatory Requirements Affecting Eligibility.

Unique Entity Identifier means the identifier required for SAM registration to uniquely identify business entities.

This Program requires cost sharing or matching as described below.

Recipients will be required to provide matching contributions as provided under section 1079(b)(6) of the Carl Levin and Howard P. "Buck" McKeon National Defense Authorization Act for Fiscal Year 2015. Specifically, each recipient shall contribute towards the housing modification and rehabilitation services provided to eligible veterans an amount equal to not less than 50 percent of the grant award received. In order to meet the requirement, recipients may arrange for in-kind contributions. All matching contributions (including matching funds and in-kind contributions) must meet the requirements of 2 CFR 200.306. Leveraged resources, as described in section V.A.1 of this NOFO, will not count as matching contributions.

IV. Application and Submission Information.

A. Obtaining an Application Package.

Instructions for Applicants.

You must download both the Application Instructions and the Application Package from Grants.gov. You must verify that the Assistance Listing Number and Assistance Listing Description on the first page of the Application Package, and the Funding Opportunity Title and the Funding Opportunity Number match the Program and NOFO to which you are applying.

The Application Package contains the portable document forms (PDFs) available on Grants.gov, such as the SF-424 Family. The Instruction Download contains official copies of the NOFO and forms necessary for a complete application. The Instruction Download may include Microsoft

Word, Microsoft Excel and additional documents.

An applicant demonstrating good cause may request a waiver from the requirement for electronic submission, for example, a lack of available Internet access in the geographic area in which your business offices are located. Lack of SAM registration or valid DUNS Number is not good cause. If you cannot submit your application electronically, you must ask in writing for a waiver of the electronic grant submission requirements. HUD will not grant a waiver if HUD does not receive your written mailed, shipped, or emailed request at least 15 calendar days before the application deadline and if you do not demonstrate good cause. If HUD waives the requirement, HUD must receive your paper application before the deadline of this NOFO. To request a waiver, you must contact:

 - Rating Factor 3 - Soundness of Approach;

- Rating Factor 4 - Leveraging Resources; and
- Rating Factor 5 - Achieving Results and Program Evaluation.

Please note that although submitting pages in excess of the page limit will not disqualify your application. HUD will not consider or review the information on any excess pages, and if you place key information on those pages, you may fail to meet a threshold requirement.

C. System for Award Management (SAM) and Dun and Bradstreet Universal Numbering System (DUNS) Number.

1. SAM Registration Requirement.

Applicants must be registered with <https://www.sam.gov/> before submitting their application. Applicants must maintain current information in SAM on immediate and highest-level owner and subsidiaries, as well as on all predecessors that have been awarded a Federal contract or grant within the last three years, if applicable. Information in SAM must be current for all times during which the applicant has an active Federal award or an application or plan under consideration by HUD.

2. DUNS Number Requirement.

Applicants must provide a valid DUNS number, registered and active at <https://www.sam.gov/> in the application. DUNS numbers may be obtained for free from Dun & Bradstreet.

3. Requirement to Register with Grants.gov.

Anyone planning to submit applications on behalf of an organization must register at [grants.gov](https://www.grants.gov/) and be approved by the E-Biz POC in SAM to submit applications for the organization. Registration for SAM and [grants.gov](https://www.grants.gov/) is a multi-step process and can take four (4) weeks or longer to complete if data issues arise. Applicants without a valid registration cannot apply through [grants.gov](https://www.grants.gov/). Complete registration instructions and guidance are provided on [grants.gov](https://www.grants.gov/).

D. Application Submission Dates and Times.

Application Due Date Explanation

The application deadline is 11:59:59 PM Eastern Standard time on

07/30/2021

Applications must be received no later than the deadline, or, if HUD has issued you a waiver allowing you to submit your application in paper form, by HUD no later than the deadline.

Submit your application to [Grants.gov](https://www.grants.gov/) unless a waiver has been issued allowing you to submit your application in paper form. Instructions for submitting your paper application will be contained in the waiver of electronic submission.

"Received by [Grants.gov](https://www.grants.gov/)" means the applicant received a confirmation of receipt and an application tracking number from [Grants.gov](https://www.grants.gov/). [Grants.gov](https://www.grants.gov/) then assigns an application tracking number and date-and timestamps each application upon successful receipt by the [Grants.gov](https://www.grants.gov/) system. A submission attempt not resulting in confirmation of receipt and an application tracking number is not considered received by [Grants.gov](https://www.grants.gov/).

Applications received by [Grants.gov](https://www.grants.gov/) must be validated by [Grants.gov](https://www.grants.gov/) to be received by HUD.

"Validated by Grants.gov" means the application has been accepted and was not rejected with errors. You can track the status of your application by logging into Grants.gov, selecting "Applicants" from the top navigation, and selecting "Track my application" from the dropdown list. If the application status is "rejected with errors," you must correct the error(s) and resubmit the application before the 24-hour grace period ends. Applications in "rejected with errors" status after the 24-hour grace period expires will not be received by HUD. Visit Grants.gov for a complete description of processing steps after applying.

HUD strongly recommends you submit your applications at least **48 hours before the deadline** and during regular business hours to allow enough time to correct errors or overcome other problems.

Grants.gov Customer Support. Grants.gov provides customer support information on its website at <https://www.grants.gov/web/grants/support.html> . Applicants having difficulty accessing the application and instructions or having technical problems can receive customer support from Grants.gov by calling (800) 518-GRANTS (this is a toll-free number) or by sending an email to support@grants.gov. The customer support center is open 24 hours a day, seven days per week, except Federal holidays. The phone number above may also be reached by individuals who are deaf or hard of hearing, or who have speech disabilities, through the Federal Relay Service's teletype service at 800-877-8339.

You can verify the contents of your submitted application to confirm Grants.gov received everything you intended to submit. To verify the contents of your submitted application:

- Log in to Grants.gov.
- Click the Check Application Status link, which appears under the Grant Applications heading in the Applicant Center page. This will take you to the Check Application Status page.
- Enter search criteria and a date range to narrow your search results.
- Click the Search button. To review your search results in Microsoft Excel, click the Export Data button.
- Review the Status column, to view more detailed submission information, click the Details link in the Actions column.
- To download the submitted application, click the Download link in the Actions column.

Please make note of the Grants.gov tracking number as it will be needed by the Grants.gov Help Desk if you seek their assistance.

HUD may extend the application deadline for any program if Grants.gov is offline or not available to applicants for at least 24 hours immediately prior to the deadline date, or the system is down for 24 hours or longer and impacts the ability of applicants to cure a submission deficiency within the grace period.

HUD may also extend the application deadline upon request if there is a presidentially declared disaster in the applicant's area.

If these events occur, HUD will post a notice on its website establishing the new, extended deadline for the affected applicants. HUD will also include the fact of the extension in the

program's Notice of Funding Awards required to be published in the Federal Register.

In determining whether to grant a request for an extension based on a presidentially-declared disaster, HUD will consider the totality of the circumstances including the date of an applicant's extension request (how closely it followed the basis for the extension), whether other applicants in the geographic area are similarly affected by the disaster, and how quickly power or services are restored to enable the applicant to submit its application.

PLEASE NOTE: Busy servers, slow processing, large file sizes, improper registration or password issues are not valid circumstances to extend the deadline dates or the grace period.

1. Amending or Resubmitting an Application.

Before the submission deadline, you may amend a validated application through Grants.gov by resubmitting a revised application containing the new or changed material. The resubmitted application must be received and validated by Grants.gov by the applicable deadline.

If HUD receives an original and a revised application for a single proposal, HUD will evaluate only the last submission received by Grants.gov before the deadline.

2. Grace Period for Grants.gov Submissions.

If your application is received by Grants.gov before the deadline, but is rejected with errors, you have a grace period of 24 hours after the application deadline to submit a corrected, received, and validated application through Grants.gov. The date and time stamp on the Grants.gov system determines the application receipt time. Any application submitted during the grace period not received and validated by Grants.gov will not be considered for funding. There is no grace period for paper applications.

3. Late Applications.

An application received after the NOFO deadline date that does not meet the Grace Period requirements will be marked late and will not be received by HUD for funding consideration. Improper or expired registration and password issues are not causes that allow HUD to accept applications after the deadline.

4. Corrections to Deficient Applications.

HUD will not consider information from applicants after the application deadline.

HUD will uniformly notify applicants of each curable deficiency. See curable deficiency in the definitions section (Section I.A.3). Examples of curable (correctable) deficiencies include inconsistencies in the funding request and failure to submit required certifications. These examples are non-exhaustive.

When HUD identifies a curable deficiency, HUD will notify the authorized organization representative identified on the SF 424 Application for Federal Assistance via email. This email is the official notification of a curable deficiency.

Applicants must email corrections of curable deficiencies to applicationsupport@hud.gov within

the time limits specified in the notification. The time allowed to correct deficiencies will be no less than 48 hours and no more than 14 calendar days from the date of the email notification. The start of the cure period will be the date stamp on the email sent from HUD. If the deficiency cure deadline date falls on a Saturday, Sunday, Federal holiday, or on a day when HUD's Headquarters are closed, then the applicant's correction must be received on the next business day HUD Headquarters offices in Washington, DC are open.

The subject line of the email sent to applicationsupport@hud.gov must state: Technical Cure and include the Grants.gov application tracking number or the GrantSolutions application number (e.g., Subject: Technical Cure - GRANT123456 or Technical Cure - XXXXXXXXXXXX). If this information is not included, HUD cannot match the response with the application under review and the application may be rejected due to the deficiency.

Corrections to a paper application must be sent in accordance with and to the address indicated in the notification of deficiency. HUD will treat a paper application submitted in accordance with a waiver of electronic application containing the wrong DUNS number as having a curable deficiency. Failure to correct the deficiency and meet the requirement to have a DUNS number and active registration in SAM will render the application ineligible for funding.

5. Authoritative Versions of HUD NOFOs. The version of these NOFOs as posted on Grants.gov are the official documents HUD uses to solicit applications.

6. Exemptions. Parties that believe the requirements of the NOFO would impose a substantial burden on the exercise of their religion should seek an exemption under the Religious Freedom Restoration Act (RFRA).

E. Intergovernmental Review.

This program is not subject to Executive Order 12372, Intergovernmental Review of Federal Programs.

F. Funding Restrictions.

Funding awarded under this NOFO may only be used for the costs of carrying out activities in paragraphs 1, 2, and 3 below. Matching contributions may only be used for activities in paragraph 1. Leveraged resources, as described in section V.A.1 of this NOFO, may only be used for activities in paragraphs 1 and 2.

1. Modification and rehabilitation of the primary residence of an eligible veteran, which may include:

A. making physical modifications, such as installing wheelchair ramps, widening exterior and interior doors, reconfiguring and re-equipping bathrooms (which includes installing new fixtures and grab bars), removing doorway thresholds, installing special lighting, adding additional electrical outlets and electrical service, installing appropriate floor coverings, lowering countertops and cabinets, or taking other measures to:

i. accommodate the functional limitations that result from having a disability, including not only motor impairment but also visual and hearing disabilities, and cognitive or psychological disabilities such as Traumatic Brain Injury or Post-Traumatic Stress; or

ii. if the residence does not have modifications necessary to reduce the chances that an elderly person will fall in his or her home, reduce the risks of an elderly person from falling;

B. making physical modifications, such as adding a bedroom or bathroom, to allow the veteran's caregiver(s), which may include the parent(s) or other family member(s) of the veteran, to live with the veteran, if the veteran's disability prevents the veteran from living independently;

C. rehabilitating the residence that is in a state of interior or exterior disrepair, including remedying identified safety hazards or ensuring adequate safety features (such as fire prevention, carbon monoxide alarm, etc.);

D. installing energy efficient features or equipment (i.e., features or equipment that help reduce the amount of electricity used to heat, cool, or ventilate the residence, including insulation, weather-stripping, air sealing, heating system repairs, duct sealing, Energy Star appliances, or other measures) if

i. the veteran's monthly utility costs for the residence is more than five percent of the veteran's monthly income: and

ii. an energy audit of the residence indicates that the installation of energy efficient features or equipment will reduce the costs by 10 percent or more;

E. carrying out other modification and rehabilitation activities to address the adaptive housing needs of the veteran, if adequately justified and approved by HUD; and

F. relocating owner- or tenant-occupants of the eligible veteran's primary residence (including paying moving costs and increased housing costs during the relocation) if relocation of the occupants is necessary to complete the eligible modification or rehabilitation activities described above.

2. Provision of technical, administrative, and training support to an affiliate of the Recipient in connection with the modification and rehabilitation of eligible veterans' primary residences.

3. Reasonable administrative activities, not to exceed 10% of the grant amount, including required VHRMP reporting and monitoring.

Indirect Cost Rate.

Normal indirect cost rules under 2 CFR part 200, subpart E apply. If you intend to charge indirect costs to your award, your application must clearly state the rate and distribution base you intend to use. If you have a Federally negotiated indirect cost rate, your application must also include a letter or other documentation from the cognizant agency showing the approved rate. Successful applicants whose rate changes after the application deadline must submit new rate and documentation.

Applicants other than state and local governments. If you have a Federally negotiated indirect cost rate, your application must clearly state the approved rate and distribution base and must include a letter or other documentation from the cognizant agency showing the approved rate. If your agency does not have a current negotiated rate (including provisional) rate and elects to use the de minimis rate, your application must clearly state you intend to use the de minimis rate of 10% of Modified Total Direct Costs (MTDC). As described in 2 CFR 200.403, costs must be

consistently charged as either indirect or direct costs but may not be double charged or inconsistently charged as both. Once elected, the de minimis rate must be applied consistently for all Federal awards until you choose to negotiate for a rate, which you may apply to do at any time. Documentation of the decision to use the de minimis rate must be retained on file for audit.

G. Other Submission Requirements.

1. Application, Assurances and Certifications.

Standard Form 424 (SF-424) Application for Federal Assistance Programs is the government-wide form required to apply for Application for Federal Assistance Programs, discretionary Federal grants and other forms of financial assistance programs. Applicants for this Federal assistance program must submit all required forms in the SF-424 Family of forms, including SF-424B (Assurances of Non construction Programs) or SF424D (Assurances for Construction Programs). Applications receiving funds for both non-construction programs and construction programs must submit both the SF-424B and SF-424D.

By signing the forms in the SF-424 either through electronic submission or in paper copy submission (for those granted a waiver), the applicant and the signing authorized organization representative affirm that they have reviewed the certifications and assurances associated with the application for Federal assistance and (1) are aware the submission of the SF-424 is an assertion that the relevant certifications and assurances are established and (2) acknowledge that the truthfulness of the certifications and assurances are material representations upon which HUD will rely when making an award to the applicant. If it is later determined the signing authorized organization representative to the application made a false certification or assurance, caused the submission of a false certification or assurance, or did not have the authority to make a legally binding commitment for the applicant, the applicant and the individual who signed the application may be subject to administrative, civil, or criminal action. Additionally, HUD may terminate the award to the applicant organization or pursue other available remedies. Each applicant is responsible for including the correct certifications and assurances with its application submission, including those applicable to all applicants, those applicable only to Federally recognized Indian tribes, or Alaska native villages and those applicable to applicants other than federally recognized Indian tribes or Alaska native villages.

Assurances. By submitting your application, you provide assurances that, if selected to receive an award, you will comply with U.S. statutory and public policy requirements, including, but not limited to civil rights requirements. Applicants and recipients are required to submit assurances of compliance with federal civil rights requirements. *See, e.g.*, Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments Act of 1972, Section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act of 1975; *see also* 24 C.F.R. §§ 1.5; 3.115; 8.50; and 146.25. HUD accepts these assurances in the form of the SF-424B and SF-424D, which also require compliance with all general federal nondiscrimination requirements in the administration of the grant.

Rating Factor 1 - Capacity of the Applicant and Relevant Organizational Experience (30 points)

This rating factor addresses the extent to which you have the organizational resources necessary to successfully implement your proposed work plan, as further described in Rating Factor 3, within the 36-month award period.

a. Organizational structure, management capacity, and relevant staff experience (15 points). HUD will evaluate the experience of your project director, core staff, and any outside consultant, construction contractor, sub-recipient, or project partner as it relates to addressing the housing needs of veterans who are low-income and have disabilities and implementing the activities in your work plan. Specifically, HUD will evaluate your program management structure; the extent to which you can demonstrate your organization's ability to manage the proposed workforce; the specific roles and responsibilities of each program management staff member; the number of years the project director and any other program-relevant senior staff have worked for the organization; experience managing federal awards and compliance requirements; and any program management staffing or skills gaps that exist within your program management structure and your plan to address them.

When responding, provide the dates, job titles, and relevancy of the past experience to the work to be undertaken by the employee or contractor under your proposed VHRMP award. The more recent, relevant, and successful the experience of your team members in relationship to the work plan activities, the greater the number of points you will receive. *Please do not include Social Security Numbers (SSNs) or any other personally identifiable information (as defined in 2 CFR 200.1) besides full name and email address for staff members.*

b. Relevant partnership capacity and/or experience, and past performance (15 points).

HUD will evaluate your ability to work with veterans service organizations in resolving issues related to rehabilitation and/or modification of a veteran's primary residence. In evaluating this sub-factor, HUD will take into account your experience in working with veterans service

organizations to design and implement programs that address housing and accessibility needs for veterans who are low-income and have disabilities. The more recent, relevant, and successful the experience of your organization and any participating entity, the greater the number of points you will receive.

HUD will evaluate your performance in any previous grant program undertaken with HUD funds or other federal, state, local, or nonprofit or for-profit organization funds. *(Note: Previous HUD performance-based experience may be verified through HUD's field offices as needed. Other relevant past performance information should be included as part of the application.)* HUD reserves the right to take into account your past performance in meeting performance and reporting goals for any previous HUD award, in particular whether the program achieved its outcomes.

HUD reserves the right to give zero points for Rating Factor 1 if the applicant has been determined to have a pattern or practice of any or all of the following activities related to the management and operation of previous grant awards: (1) mismanagement of funds, including the inability to account for funds appropriately; (2) untimely use of funds received either from HUD or other federal, state, or local programs; and (3) significant and consistent failure to measure performance outcomes.

Rating Factor 2 - Need and Extent of the Problem (15 points)

This factor addresses the extent to which there is a demonstrable need for funding the proposed activities based on the approximate number of veterans being served and the type of work that will be conducted as provided in Section IV.F. of this NOFO. In this section, applicants should describe the geographic areas that they intend to cover. Applicant proposals will be evaluated on the following:

- a. Significant Need Among Eligible Veterans Populations (6 points max)
- b. Plan to Address a Need Not Already Addressed by Existing Program (5 points max)
- c. Proposal Consistent with Plan in Section IV of the Work Plan (2 points max)
- d. Plan to Maximize Coordination with Existing Programs (2 points max)

In responding to this factor, applications will be evaluated on the level of need for the proposed activity and the justification in meeting the need. HUD will award higher points for this factor to applicants who convincingly demonstrate how their proposed approach addresses a significant need among the eligible veteran populations. Applicants should specifically discuss how they plan to target assistance among eligible veterans as well as the approach to prioritizing projects and beneficiaries when the needs are greater than resources, given the flexible criteria. Any approach to targeting assistance among eligible veterans must be administered in a nondiscriminatory manner, consistent with federal nondiscrimination requirements at 24 CFR 5.105.

Applicants should specifically address how their proposal addresses a need that is not already met by existing programs for veterans, both those operated by the Department of Veterans Affairs and by other entities. The proposal should be consistent with the Work Plan described in Rating Factor 3(a)(iv) and describe how the applicant will avoid duplication or overlap while maximizing coordination with other existing programs (to the extent that such coordination would be beneficial to the implementing organizations and participants being served).

Rating Factor 3 - Soundness of Approach (35 points)

This factor addresses the overall quality of your proposed work plan, taking into account the eligible activities proposed to be undertaken; the cost-effectiveness of your proposed program; and the linkages between identified needs, the purposes of this program, and your proposed activities and tasks.

a. Work Plan (15 points). A clearly defined work plan must be submitted that describes each of the projects and activities you will carry out to further the objectives of this program and address the need identified in Factor 2. Each application submitted must include:

- (i) a plan of action detailing outreach initiatives (see factor 3(c) below);
- (ii) the approximate number of veterans the applicant intends to serve using grant funds;
- (iii) specific descriptions of the type of work that will be conducted, such as interior home modifications, major home repairs, energy efficiency improvements, and other similar categories of work. Modifications and/rehabilitation activities may include alterations to make a residence accessible and include enhanced accessibility features. Incorporating enhanced accessibility that are unique to the needs of the veteran may enable a veteran with disabilities to better utilize his or her housing and remain in one's home for a longer period of time. Examples include no step-entrances, power operated or proximity-based entry resident entrances into buildings, wider doorways and hallways, installing levers instead of doorknobs, open concept floor plans while still allowing spaces to be closed off for privacy, additional clearance space throughout units, accessible bathrooms on the first floor of multi-level units, bathtub/shower grab bars in all bathrooms, adjustable height shelves and pull-out pantry storage in kitchens; adjustable height closet rods and shelves in closets; and appropriately placed motion activated or "rocker-pad" light switches, or a combination of the two;
- (iv) a plan for working with the Department of Veterans Affairs and [veterans service organizations](#) to identify veterans who are not eligible for programs under chapter 21 of title 38, United States Code, and meet their needs; and
- (v) the budget for your program, broken out by line item. Written projected cost estimates from outside sources are also required.

Applicants must submit their work plan on a spreadsheet showing each type of project to be undertaken and the tasks required to implement the project (to the extent necessary or appropriate), with your associated budget estimate for each activity/task. Your work plan must provide the rationale for your proposed activities and assumptions used in determining your project timetable and budget estimates. Failure to provide your rationale may result in your application receiving fewer points for lack of clarity in the proposed work plan.

b. Timetable (5 points). Your timetable must address the measurable short-term and long-term goals and objectives to be achieved through the proposed activities based on annual benchmarks; the method you will use for evaluating and monitoring program progress with respect to those activities; and the method you will use to ensure that the activities will be completed on time and within your proposed budget estimates.

c. Outreach (10 points). Your outreach strategy must include a plan of action detailing outreach initiatives to (i) identify eligible veterans; (ii) engage eligible veterans and Veterans Affairs recognized-Veteran Service Organizations (as described in I. Funding Opportunity Description, Section 4. Program Definitions, pages 9-10) in projects utilizing grant funds. Grantees must include at least one recognized VSO in their outreach strategy; and (iii) reach underserved communities in an effort to promote equity, consistent with Executive Order 13985 on equity.

HUD will evaluate the outreach plan to assess your ability to meet VHRMP outcome and output measures consistent with Rating Factor 5 and the reporting requirements in section VI.C. Grantees must ensure effective communication with individuals with disabilities in all outreach activities, including through the use of appropriate auxiliary aids and services, which includes ensuring that information is provided in accessible formats as needed, *e.g.*, Braille, audio, large type, assistive listening devices, and sign language interpreters, accessible websites and other accessible electronic communications.

d. Section 3 Compliance (5 points). Your work plan must describe your strategy for hiring Section 3 residents, providing training opportunities to Section 3 residents, and awarding contracts to Section 3 businesses. In accordance with HUD's Section 3 regulations at 24 CFR 75.7, your application will receive up to 5 points based your response to the following inquiries:

- types and amounts of employment, training, and contracting opportunities to be generated as a result of proposed grant activities;
- specific actions to be taken to give Targeted Section 3 workers (as defined at 24 CFR 75.21) and Section 3 business concerns (as defined at 24 CFR 75.5) priority consideration for employment, training, contracting, and other economic opportunities in accordance with HUD's regulations at 24 CFR part 75, subparts A and C;

- contact information and qualifications for staff persons who will be responsible for the day-to-day implementation of Section 3

**Note: You may only receive up to 5 points for Section 3 Compliance. This information is reiterated under "Other Factors, Section 3" later in this NOFO.*

Rating Factor 4 - Leveraging Resources (10 points)

This factor addresses the extent to which applicants have obtained letters of firm commitment of financial or in-kind resources from other federal, state, local, and private sources. This factor is not a substitution for the matching requirement as provided in Section III.C.

For every VHRMP dollar anticipated, you should provide the specific number of dollars leveraged. In assigning points for this criterion, HUD will consider the level of outside resources obtained in the form of cash or in-kind goods or services that support activities proposed in your application. HUD will award a greater number of points based on a comparison of the extent of the organization's leveraged funds. The level of outside resources for which commitments are obtained will be evaluated based on their importance to the total program.

Your application must provide evidence of leveraging in the form of letters of firm commitment. Each commitment described in the narrative of this factor must be in accordance with the definition of "letters of firm commitment" in Section I.A.4 of this NOFO. The letter of firm commitment must be on letterhead of the organization committing the financial or in-kind resources, must be signed by an official of the organization legally able to make commitments on behalf of the organization, and must not be dated earlier than the date this NOFO is published.

Points for this factor will be awarded based on the satisfactory provision of evidence of leveraging and financial sustainability, as described above, and the ratio of leveraged funds to requested VHRMP funds as follows:

1. Leveraged funds equal 50 percent or more of requested VHRMP funds = 10 points;
2. 40-49 percent = 4 points;
3. 30-39 percent = 3 points;
4. 20-29 percent = 2 points;
5. 9-19 percent = 1 point;
6. Less than 9 percent = 0 points

See the Section IV. D4 of this NOFO for instructions for submitting third-party letters and other documents with your electronic application.

Rating Factor 5 - Achieving Results and Program Evaluation (10 points)

This factor evaluates whether you have an effective plan for managing and evaluating the timeliness, compliance, efficiency and effectiveness of your VHRMP program, considering the program goals and performance indicators described in sections I.A. and VI.C of this NOFO. You must clearly identify the outcomes and outputs to be achieved and measured as well as performance measures with timelines. The plan should indicate how the applicant will compare actual achievements with anticipated achievements and make improvements during program implementation, as needed.

Evaluation plan requirements:

a. Evaluation Plan Procedures/Methodology (up to 5 points)

You must describe your procedures for evaluating your VHRMP program, including the frequency and methods you will use to collect data. You must identify the quantifiable output and outcome indicators or measures you will use to evaluate whether your VHRMP program is achieving your goals and addressing the needs identified in your VHRMP application.

b. VHRMP Program Goals (up to 5 points)

You must identify both your primary and secondary VHRMP goals. You must describe

how your goals are related to each of the specific needs you identified in Rating Factor 2 “Need/Extent of Problem.”

HUD will consider the quality of your performance evaluation plan, compliance and procedures, your process for corrective actions, the relationship of your goals to the needs that you identify, and how you will use your evaluation results to provide measurable outcomes and outputs as required for reporting by HUD in Section VI.C of this NOFO. HUD will also require VHRMP grantees to submit periodic reports on their program achievements and program evaluation results.

HUD will evaluate how well an applicant's monitoring and evaluation plan is designed to provide clear and measurable goals and indicators to implement the VHRMP program. *Under this rating factor, applicants will receive a maximum of 10 points.*

Maximum Points: 102

2. Other Factors.

Section 3.

In accordance with HUD's Section 3 regulations at 24 CFR 75.7, your application will receive up to 5 points based the quality of Section 3 plans.*

* The inclusion of points or bonus points will be determined “as appropriate for the specific NOFO.” HUD anticipates that program offices/areas will include scoring for Section 3 plans where relevant and exclude Section 3 scoring where the nature of the grant being awarded is incompatible with Section 3 endeavors. If points or bonus points are included, the applicable program office/area will be responsible for determining how the “quality of Section 3 plans” will be evaluated.

Preference Points

HUD encourages activities in support of the Secretary's Initiatives. HUD may award no more than two (2) points for any of the three (3) preferences (OZ, PZ or HBCU). Each preference is worth two points and only one preference can apply to any situation, meaning that applicants will ONLY be awarded 2 points for being within an OZ, PZ or involving HBCUs.

Opportunity Zones.

Opportunity Zone (OZ) Certification: HUD encourages activities in Opportunity Zones. To receive two (2) points for this preference, applicants proposing projects in an Opportunity Zone community must submit the Certification for Opportunity Zone Preference Points (HUD-2996) that identifies the state, county and census tract(s) of the opportunity zone(s) in which the activity will be carried out. To view the list of designated Opportunity Zones, please see the following link on the U.S. Department of the Treasury website:

<https://opportunityzones.hud.gov/>

Applicants who do not complete this form and submit it along with the rest of their application package will not be eligible to receive the points. Additionally, applicants who do complete and submit this form, but indicate they intend to use less than 50% of the award within Opportunity

Zone tracts, will also be ineligible to receive preference points, unless: a.) the applicant can show why they are unable to expend at least 50% of the grant award within Opportunity Zone designated tracts, or b.) the applicant is able to make a compelling case for why the amount that will be expended will have a significant impact within Opportunity Zone designated tracts. [Click here to view HUD's Opportunity Zones webpage.](#)

Applicants must specify the impact that they intend to have in an Opportunity Zone. For example, "The proposed physical rehabilitation and modifications will be done in an Opportunity Zone. This includes installing wheelchair ramps; interior or exterior work to alleviate critical health, life and safety issues; reconfiguration of space; extension of plumbing, mechanical, or electrical systems on an existing structure; and other physical, accessibility, or energy-efficiency modifications."

HBCU.

An applicant partnering with a Historically Black College or University (HBCU) will receive up to two (2) Preference Points when the application includes a Letter of Commitment certifying that an HBCU Partnership is in place and signed by an authorizing official of the HBCU and documentation of the college or university's status as an HBCU. [Click here to view the list of accredited HBCU's](#)

Promise Zones

HUD encourages activities in Promise Zones (PZ). To receive Promise Zones Preference Points, applicants must submit form HUD-50153, "Certification of Consistency with Promise Zone Goals and Implementation," signed by the Promise Zone Official authorized to certify the project meets the criteria to receive preference points. To view the list of designated Promise Zones and persons authorized to certify, please see the [Promise Zone](#) pages on HUD's website.

B. Review and Selection Process.

1. Past Performance

In evaluating applications for funding, HUD will consider an applicant's past performance in managing funds. Items HUD will consider include, but are not limited to:

The ability to account for funds in compliance with applicable reporting and recordkeeping requirements;

Timely use of funds received from HUD;

Timely submission and quality of reports submitted to HUD;

Meeting program requirements;

Meeting performance targets as established in the grant agreement;

The applicant's organizational capacity, including staffing structures and capabilities;

Timely completion of activities and receipt and expenditure of promised matching or leveraged funds;

Producing positive outcomes and results.

Promoting self-sufficiency and economic independence

Encouraging participation of and coordination with faith-based entities.

The number of persons served or targeted for assistance;

HUD may reduce scores based on the past performance review, as specified under V.A. Review Criteria. Whenever possible, HUD will obtain past performance information. If this review results in an adverse finding related to integrity of performance, HUD reserves the right to take any of the remedies provided in Section III E., Statutory and Regulatory Requirements Affecting Eligibility, "Pre-selection Review of Performance" document link above.

2. Assessing Applicant Risk.

In evaluating risks posed by applicants, HUD may use a risk-based approach and may consider any items such as the following:

- Financial stability;
- Quality of management systems and ability to meet the management standards prescribed in this part;
- History of performance. The applicant's record in managing Federal awards, if it is a prior recipient of Federal awards, including timeliness of compliance with applicable reporting requirements, failing to make significant progress in a timely manner, failing to meet planned activities in a timely manner, conformance to the terms and conditions of previous Federal awards, and if applicable, the extent to which any previously awarded amounts will be expended prior to future awards;
- Reports and findings from audits performed under Subpart F—Audit Requirements of this part or the reports and findings of any other available audits; and
- The applicant's ability to effectively implement statutory, regulatory, or other requirements imposed on non-Federal entities.

3. Rating and Ranking.

1. **Technical Deficiencies.** After the VHRMP application deadline date and consistent with regulations in 24 CFR part 4, subpart B, HUD will not consider any unsolicited information you may provide. However, HUD may contact you to clarify an item in your application or to correct a curable technical deficiency. In order not to unreasonably exclude applications from being rated and ranked, HUD may also contact applicants to ensure proper completion of the application. HUD will do so on a uniform basis for all applicants. HUD will not seek clarification of items or responses that improve the substantive quality of your response to any Rating Factor. Examples of curable (correctable) technical deficiencies include inconsistencies in the funding request or a failure to submit certifications. In each case, HUD will notify you in writing by email in accordance with the instructions found in the Section VI.B of this NOFO. HUD will describe the clarification or technical deficiency and provide instructions for submitting corrections. The time allowed to correct deficiencies will not exceed 14 calendar days or be less than 48 hours from the date of the email notification. Refer to Section VI.B. of this NOFO for more specific guidance and instructions. HUD will rate all eligible applications that meet the threshold requirements against the criteria in Rating Factors 1 through 5. HUD will assign a point score for each Rating Factor. Points will be deducted for incomplete or inadequate responses.

2. **Threshold Review.** HUD will screen each application to determine if it meets the threshold criteria listed in Section III of this NOFO; and whether it is deficient and subject to corrections of technical deficiencies as described above.
3. **Applications that will not be Funded.** HUD will not rate and rank applications that fail to cure technical deficiencies within the time frame provided by HUD. Further, HUD will not rate, rank or fund applications that fail any of the threshold requirements contained in Section III of this program NOFO.
4. **Rating.** HUD will rate each eligible application that meets the threshold criteria based on the applicant's response to the Rating Factors. HUD will assign a score for each Rating Factor and a total score for each eligible application.
5. **Minimum Rating Score.** Applicants must score a minimum of 10 points under Rating Factor 1(a) and 10 points under Rating Factor 1(b) of this NOFO, "Capacity of the Applicant and Relevant Organizational Experience." Applicants must receive a total score of 75 points or more for Rating Factors 1 through 5. HUD will reject any application that does not meet these minimum rating score requirements.
6. **Ranking.** All eligible applicants will be placed in rank order based on the total application score.
7. **Tie Scores.** If two or more applications have the same score, the applicant with the highest score for Rating Factor 1 ("Capacity of the Applicant and Relevant Organizational Experience") will be ranked higher. If a tie remains, the applicant with the highest score for Rating Factor 3 ("Soundness of Approach"), will be ranked higher.

Experience with performance-based funding requirements. HUD will evaluate your performance in any previous grant program undertaken with HUD funds or other federal, state, local, or nonprofit or for-profit organization funds. (**Note:** Previous HUD performance-based experience may be verified through HUD's field offices as needed. Other relevant past performance information should be included as part of the application.) HUD reserves the right to give zero points for Rating Factor 1, if the applicant has been determined to have a pattern or practice of any or all of the following activities related to the management and operation of previous grant awards: (1) mismanagement of funds, including the inability to account for funds appropriately; (2) untimely use of funds received either from HUD or other federal, state, or local programs; and (3) significant and consistent failure to measure performance outcomes.

VI. Award Administration Information.

A. Award Notices.

Following the evaluation process, HUD will notify successful applicants of their selection for funding. HUD will also notify other applicants, whose applications were received by the deadline, but have not been chosen for award. Notifications will be sent by email to the person listed as the AOR in item 21 of the SF424.

Negotiation. After HUD has made selections, HUD will negotiate specific terms of the funding agreement and budget with selected applicants. If HUD and a selected applicant do not successfully conclude negotiations in a timely manner, or a selected applicant fails to provide requested information, an award will not be made to that applicant. In this case, HUD may select another eligible applicant.

HUD may impose special conditions on an award as provided under 2 CFR 200.208:

- Based on HUD’s review of the applicant’s risk under 2 CFR 200.206;
- When the applicant or recipient has a history of failure to comply with the general or specific terms and conditions of a Federal award;
- When the applicant or recipient fails to meet expected performance goals contained in a Federal award; or
- When the applicant or recipient is not otherwise responsible.

Adjustments to Funding. To ensure the fair distribution of funds and enable the purposes or requirements of a specific program to be met, HUD reserves the right to fund less than the amount requested in an application.

a. HUD will fund no portion of an application that:

- (1) Is not eligible for funding under applicable statutory or regulatory requirements;
- (2) Does not meet the requirements of this notice; or
- (3) Duplicates other funded programs or activities from prior year awards or other selected applicants.

b. If funds are available after funding the highest-ranking application, HUD may fund all or part of another eligible fundable application. If an applicant turns down an award offer, or if HUD and an applicant do not successfully complete grant negotiations, HUD may withdraw the award offer and make an offer of funding to another eligible application.

c. If funds remain after all selections have been made, remaining funds may be made available within the current FY for other competitions within the program area, or be held for future competitions, or be used as otherwise provided by authorizing statute or appropriation.

d. If, after announcement of awards made under the current NOFO, additional funds become available either through the current appropriations, a supplemental appropriation, other appropriations or recapture of funds, HUD may use the additional funds to provide additional funding to an applicant awarded less than the requested amount of funds to make the full award, and/or to fund additional applicants that were eligible to receive an award but for which there were no funds available.

Funding Errors. If HUD commits an error that when corrected would cause selection of an applicant during the funding round of a Program NOFO, HUD may select that applicant for funding, subject to the availability of funds. If funding is not available to award in the current fiscal year, HUD may make an award to this applicant during the next fiscal year, if funding is available then.

B. Statutory and Administrative, National and Department Requirements for HUD Recipients

For this NOFO, the following [Administrative, National and Department Policy Requirements and Terms for HUD Financial Assistance Awards](#) apply. (Please select the linked text to read the detailed description of each applicable requirement).

1. Unless otherwise specified, these non-discrimination and equal opportunity authorities and other requirements apply to all NOFOs. Please read the following requirements carefully as the

 13. Conducting Business in Accordance with Ethical Standards/Code of Conduct.
 14. Environmental Requirements, which include compliance with environmental justice requirements under Executive Order 12898.

Compliance with 24 CFR part 50 or 58 procedures is explained below:

Grantees must comply with HUD environmental review requirements. All VHRMP assistance is subject to the National Environmental Policy Act of 1969 and related Federal environmental authorities and regulations at 24 CFR part 50. Following a recipient's selection for funding, the recipient must notify HUD of each property it proposes to rehabilitate or modify, and HUD will perform an environmental review of each proposed property in accordance with 24 CFR part 50. The results of the environmental review may require that proposed activities be modified or that proposed sites be rejected. Grantees and their contractors must not undertake any project or activity or commit Federal or non-Federal funds or assistance to a project or activity that could limit reasonable choices or could produce an adverse environmental impact, including modification or rehabilitation of a property, until all required HUD environmental reviews for the property have been completed, and you receive HUD's approval under 24 CFR part 50. The performance of energy audits and the provision of technical assistance and training are excluded from environmental review requirements in accordance with 24 CFR 50.19(b)(1) and (9).

Compliance with HUD's Physical Accessibility Requirements is explained below.

Awardees must ensure that all programs and activities undertaken as eligible activities comply with Section 504 of the Rehabilitation Act of 1973, the Fair Housing Act, and their implementing regulations at 24 CFR parts 8 and 100, respectively. The home modifications shall be made accessible upon request of the beneficiary. If the accessibility features selected are covered by HUD's Section 504 accessibility standards, those features shall comply with the applicable Section 504 standards, although departures are permitted in order to accommodate a beneficiary's specific disability. HUD's Section 504 accessibility standards are the Uniform Federal Accessibility Standards (UFAS), and HUD's Deeming Notice available at <https://www.gpo.gov/fdsys/pkg/FR-2014-05-23/pdf/2014-11844.pdf>.

Compliance with Uniform Relocation Assistance and Real Property Acquisition Act of 1970 (URA) requirements is explained below.

While the relocation of owner occupants for a project receiving funds pursuant to this NOFO generally do not trigger the applicability of the URA, tenant-occupants who must be temporarily relocated may be entitled to URA benefits and assistance. These benefits and assistance include moving costs and increased housing costs during the relocation. Costs associated with temporary relocations may be provided using VHRMP funds. Moreover, if a tenant-occupant is permanently displaced from the home, as that term is defined by 49 CFR 24.2, then the tenant-occupant may be eligible for permanent relocation assistance.

2 CFR 200.216 *Prohibition on Certain Telecommunication and Video Surveillance Services or Equipment*

Lead Based Paint Requirements.

When providing housing assistance funding for purchase, lease, support services, operation, or work that may be disturb painted surfaces, of pre-1978 housing, you must comply with the lead-based paint evaluation and hazard reduction requirements of HUD's lead-based paint rules (Lead Disclosure; and Lead Safe Housing (24 CFR part 35)), and EPA's lead-based paint rules (e.g., Repair, Renovation and Painting; Pre-Renovation Education; and Lead Training and Certification (40 CFR part 745)).

C. Reporting.

HUD requires recipients to submit performance and financial reports under OMB guidance and program instructions.

1. Recipient Integrity and Performance Matters. Applicants should be aware that if the total Federal share of your Federal award includes more than \$ 500,000 over the period of performance, you may be subject to post award reporting requirements reflected in Appendix XII to Part 200-Award Term and Condition for Recipient Integrity and Performance Matters. Reporting documents apply to the award, acceptance, and use of assistance under the VHRMP and to the remedies for non-compliance, except when inconsistent with HUD's Appropriation Act or other federal statutes or the provisions of this NOFO.

2. Race, Ethnicity and Other Data Reporting. HUD requires recipients that provide HUD-funded program benefits to individuals or families to report data on the race, color, religion, sex, national origin, age, disability, and family characteristics of persons and households who are

applicants for, participants in, or beneficiaries or potential beneficiaries of HUD programs in order to carry out the Department's responsibilities under the Fair Housing Act, Executive Order 11063, Title VI of the Civil Rights Act of 1964, and Section 562 of the Housing and Community Development Act of 1987.

4. Compliance with the Federal Funding Accountability and Transparency Act of 2006 (Pub. L. 109-282) as amended (FFATA). FFATA requires information on Federal awards be made available to the public via a single, searchable website, which is www.USASpending.gov. Accordingly, each award HUD makes under this NOFO will be subject to the requirements provided by the Award Term in Appendix A to 2 CFR Part 170, "REPORTING SUBAWARD AND EXECUTIVE COMPENSATION INFORMATION," unless the Federal funding for the award (including funding that may be added through amendments) is not expected to equal or exceed \$30,000. Requirements under this Award Term include filing subaward information in the Federal Funding Accountability and Transparency Act (FFATA) Sub-award Reporting System (FSRS.gov) by the end of the month following the month in which the recipient awards any sub-grant equal to or greater than \$30,000. Each applicant under this NOFO must have the necessary processes and systems in place to comply with this Award Term, in the event that they receive an award, unless an exception applies under 2 CFR 170.110.

5. Program-Specific Reporting Requirements

Performance Reporting. All HUD-funded programs, including this program, require recipients to submit, not less than annually, a report documenting achievement of outcomes under the purpose of the program and the work plan in the award agreement. The Disaster Relief Grant Reporting System (DRGR) will be used to collect this information.

1. For each quarter of the Federal fiscal year calendar during the Period of Performance, the Recipient must submit a performance report in DRGR and must include a completed Federal financial report as an attachment to each performance report. During the Period of Performance, the Recipient must submit these reports within 30 days following the end of each quarter of the Federal fiscal year calendar. The Recipient must submit its final performance report and final financial report within 90 days after the Period of Performance. If HUD determines more frequent reporting is necessary for the effective monitoring of the Recipient's performance or use of funds under this Grant Agreement, HUD may require the Recipient to submit its performance and financial reports on a monthly basis.
2. The performance report must contain the information required under 2 CFR 200.329(c)(2), including a comparison of actual accomplishment to the objectives indicated in the approved application, the reasons why established goals were not met, if appropriate, and additional pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.
3. Consistent with the output and outcome measures described below, the performance report must show VHRMP outputs and outcomes the Recipient achieved, compared to the goals stated in the Recipient's application.

Output Measures. Output Measures are quantifiable. VHRMP output measures must include:

1. a quantitative measure of outreach activities, e.g., number of eligible (or likely eligible) veterans or their family members who were personally reached; estimated reach of

- advertising or other mass communications; number of attendees for educational activities such as trainings; level of participation from veteran service organizations; etc.;
2. the number of eligible veterans who were provided assistance;
 3. the socioeconomic characteristics of such veterans, including their gender, age, race, and ethnicity;
 4. the total number of modifications/rehabilitations provided, categorized by type of modification/rehabilitation (i.e. accessibility, safety features, major home repair, energy efficiency, etc.);
 5. the average cost per project (i.e., per home) and per modification/rehabilitation type as listed in paragraph (4) above;
 6. the total number, types, and locations of entities contracted under the program to administer the grant funding; and
 7. the amount of matching contributions (including matching funds and in-kind contributions) raised with each grant.

Outcome Measures are benefits accruing to the program participants and/or communities during or after participation in VHRMP. Quantitative measures are encouraged to the extent available. VHRMP outcome measures must include:

1. a description of the cost savings and other impacts on participants from housing rehabilitation and modification services provided, such as reported time savings, health and safety outcomes, mental wellness or stress levels, ability to engage in previously inaccessible activities, etc. (note: this can be itemized as multiple measures);
2. a description of the outreach initiatives instituted by the Recipient to (i) identify and (ii) engage eligible veterans and their families, and veteran service organizations, in projects utilizing grant funds; for instance, by noting how outreach activities related to ultimate participation levels or other program outcomes;
3. a description of the impact and efficacy of the outreach initiatives; and
4. a description of any other actions taken under the program.

Financial reports must be submitted using the Federal Financial Report (SF-425), or such future collections HUD may require and as approved by OMB and listed on the OMB Web site at <https://www.whitehouse.gov/omb/>.

The performance and financial reports will undergo review and approval by HUD. If a report submission is insufficient, HUD will reject the report in DRGR and identify the corrections the Recipient must make.

No drawdown of funds will be allowed through DRGR while the Recipient has an overdue performance or financial report.

Section 3 Reporting. Recipients are required to report on their Section 3 activities per 24 CFR 75.25.

D. Debriefing.

For a period of at least 120 days, beginning 30 days after the public announcement of awards under this NOFO, HUD will provide a debriefing related to their application to requesting applicants. A request for debriefing must be made in writing or by email by the authorized organization representative whose signature appears on the SF-424 or by his or her successor in

office and be submitted to the POC in Section VII Agency Contact(s), below. Information provided during a debriefing may include the final score the applicant received for each rating factor, final evaluator comments for each rating factor, and the final assessment indicating the basis upon which funding was approved or denied.

VII. Agency Contact(s).
