ELIGIBLE USE OF FUNDS

Eligible Use of Funds

- Salary and fringe must be supported by BLS data.

Training and Travel

- Training and Travel Costs must be for the professional and/or program development of the ROSS-SC.
- All training and associated travel must be approved by HUD field office before incurring expense.
- The maximum amount is \$2500 per year.

- The maximum amount for admin is 10% of the salary/fringe and training/travel amount.

Request ONLY the amount you need.

Salary Comparability Information

- Award amounts will vary depending on the information provided by the U.S. Bureau of Labor Statistics (BLS) for the “Community and Social Service Specialists, All Others” occupation at the median level in your ZIP Code (www.careeronestop.org/Toolkit/Wages/find-salary.aspx).
- If there is no salary information for your ZIP Code in BLS, then HUD will use the “median regional” or “balance of state” information. If there is no salary information for your regional or balance of state information in BLS, then HUD will use the United States’ median salary information from BLS.

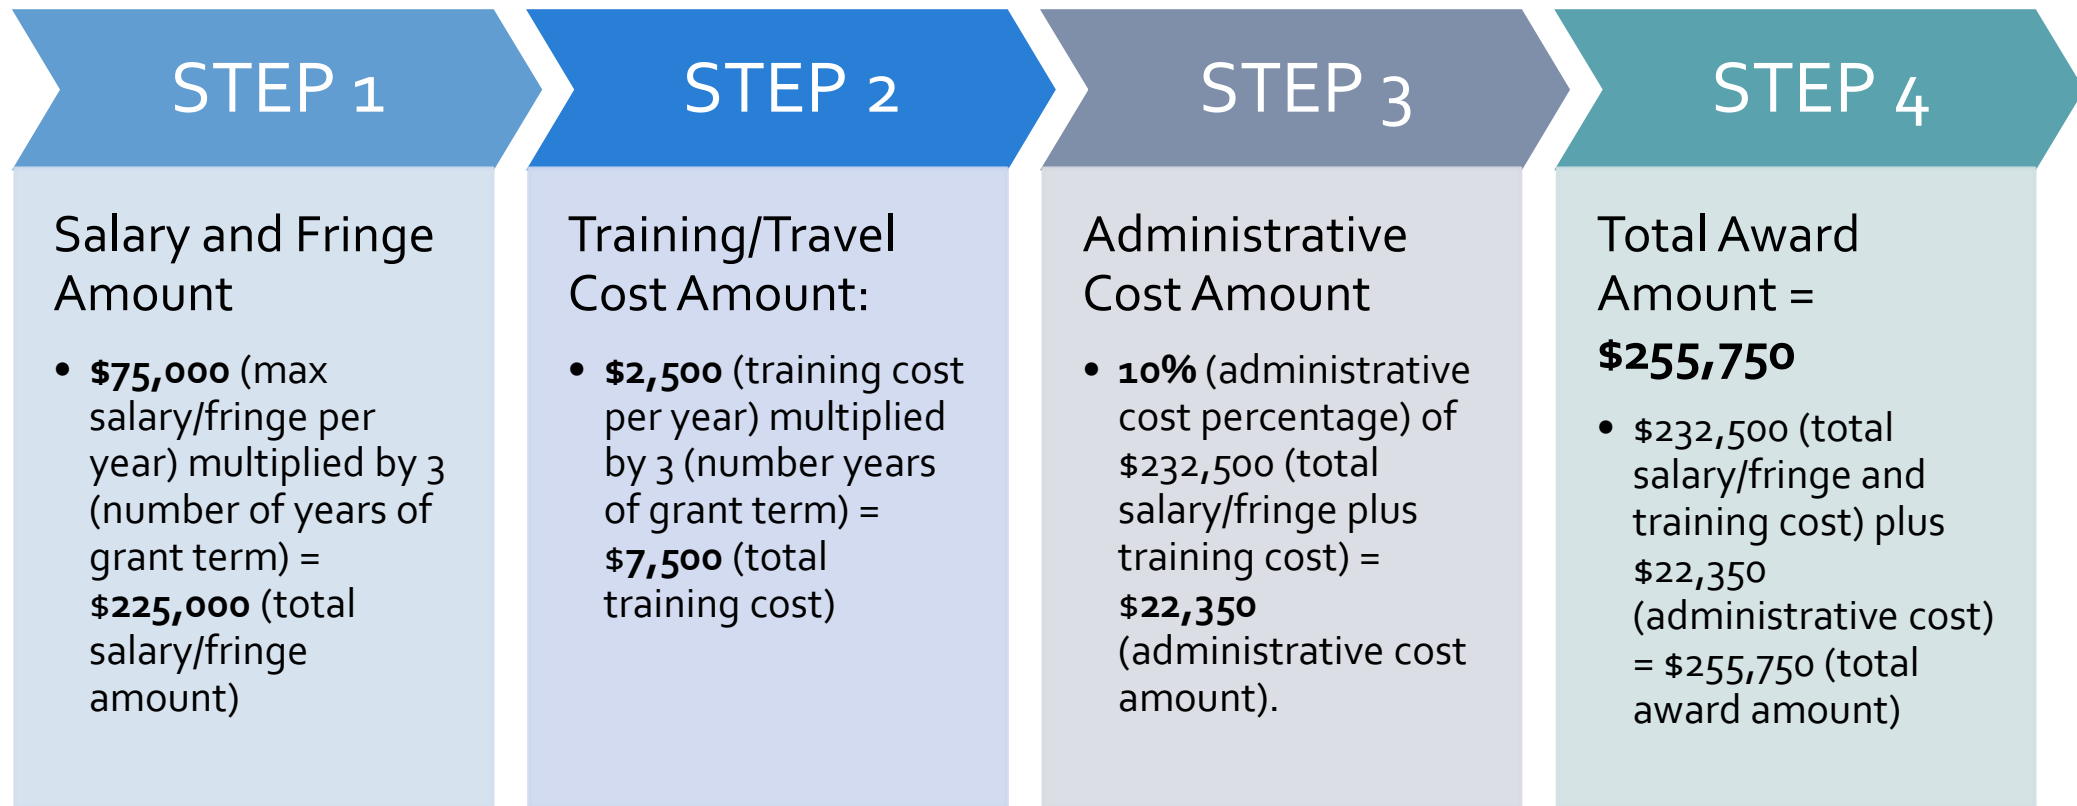

Salary Comparability Information

- You must request funding that is commensurate with the above BLS data. NOTE: HUD will consider a salary request to be commensurate if it does not exceed the BLS salary data.
- HUD may also fund up to 20 percent above the BLS salary for fringe benefits. However the total amount of salary and fringe must not exceed \$75,000 per year for each ROSS-SC.
- You must use the BLS salary finder to calculate and determine salary comparability information for your ROSS-SCs. If the BLS amount for salary and fringe is sufficient to meet your local request then you do not need to submit salary comparability information on the HUD 52768 (Part III).

Salary Comparability Information

- However, if you believe that the BLS salary comparison amount is insufficient, then you may submit salary comparability information from three different sources (i.e., employers) to justify your salary and fringe request on the HUD-52768 (Part III). Please see Section IV.B.2.c for salary comparability information requirements.
- NOTE: If you are selected as a ROSS-SC grantee under this NOFO, the Service Coordinator(s) hired must have similar education and qualifications as described in the NOFO.

FIRST TIME REGISTRATION INFORMATION

The slides below are provided as a courtesy only. Refer to www.grants.gov for complete information, a few helpful grants.gov sites are provided here:

- Good overview of registration process – click [here](#).
- For a series of videos and guides from grants.gov, click [here](#).

FIRST TIME REGISTRATION PROCESS

1. The Data Universal Number System (DUNS) Number is now the Unique Entity ID (UEI), you may obtain one here: <https://sam.gov/content/duns-uei>
2. Register with the SAM.gov to designate E-Biz Point of Contact. An alternate E-Biz POC is required so there are 2 names in the system. <https://sam.gov/content/entity-registration>
3. When creating or updating your profile at SAM, identify the E-Biz Point of Contact (**E-Biz POC**). The person completing the profile must create a 9-digit Marketing Partner ID Number (MPIN).

NOTE: The MPIN is mandatory for SAM registrants and contains nine characters: at least one letter (upper or lower case) and one number. No spaces or special characters are permitted. An **MPIN is a personal code** that allows you to access other government applications such as the Past Performance Information Retrieval System (PPIRS). The MPIN acts as your password in these and other federal systems, and you should safeguard it.

FIRST TIME REGISTRATION PROCESS

4. The person submitting the application through Grants.gov, is the “**Authorized Organization Representative**” (AOR). The AOR must register with Grants.gov (using the organization’s UEI #).
5. When AOR registers with Grants.gov, the E-Biz POC receives an email.
6. The E-Biz POC must log into Grants.gov using UEI and MPIN (at E-Biz login) to confirm that the AOR is authorized to submit an application on behalf of the organization.
7. AOR will receive email from Grants.gov informing them when they’ve been approved. An organization may have more than one AOR. AOR should not wait for email but should login and check status of registration. The status must be “Authorized.”
8. Everyone involved in this process should add: **@grants.gov**, **@sam.gov**, and **@fsd.gov** to their safe senders list in their email program.

FIRST TIME REGISTRATION PROCESS

- If you aren't already registered, **BEGIN YOUR REGISTRATION PROCESS IMMEDIATELY!**
- If your AOR has left, follow registration steps 4-6 to have a new one registered and authorized to submit the application.
- Incomplete registration has been a common error and resulted in applicants not receiving funding. Do not rely on automatic email notifications; proactively login to verify success of each step of the registration process.
- **Step-by-step process for registration including video tutorials are available on grants.gov** (click on "Applicants" tab). Be sure to select "Registering as an Organization Applicant."

REGISTRATION PROCESS

- If you changed your eBusiness Point of Contact in the SAM Registration, make sure that the new eBusiness Point of Contact has also granted permission to the person submitting the application to be the Authorized Organizational Representative (AOR).
