I. Funding Opportunity Description.

A. Program Description.

1. Purpose.
The Fair Housing Initiatives Program (FHIP) funds fair housing organizations and other non-profits that assist individuals who believe that they have been victims of housing discrimination. Currently FHIP provides funds to eligible organizations through competitive grants under three initiatives to carry out enforcement activities to prevent or eliminate discriminatory housing practices, and inform individuals of their rights and responsibilities under the Fair Housing Act. The Initiatives are: the Fair Housing Organization Initiative (FHOI), the Private Enforcement Initiative (PEI) and the Education and Outreach Initiative (EOI).

This Education and Outreach Initiative (EOI) NOFA makes available $7.45 million to develop, implement, carry out, and coordinate education and outreach programs designed to inform members of the public concerning their rights and obligations under the provisions of the Fair Housing Act. Under the EOI NOFA, activities eligible for funding include but are not limited
to: developing educational advertising campaigns, developing and distributing material, and conducting educational activities (workshops, conferences, seminars etc.) that inform people of their rights and responsibilities under the Fair Housing Act (see Section III.A for detailed eligible activities). The specific EOI NOFA includes funding for two components:

- **$1 million** for a National Media Campaign;
- **$6.45 million** for general education and outreach activities aimed to inform people of their rights and responsibilities under the Fair Housing Act;

This NOFA will receive applications for the EOI NOFA only. Please see the specific FHOI and PEI NOFAs for the additional FHIP funding opportunities.

2. **Changes from Previous NOFA.**

   a. Component Eliminated for FY2019. The Tester Training Component has been eliminated from the FY2019 NOFA.

The number of awards made from funds available under this NOFA depends on the number of eligible applicants and other factors. We reserve the right to re-allocate funds as appropriate. HUD expects to award a cooperative agreement or grant agreement to each applicant selected for an award. HUD will set forth the relationship between HUD and an awardee using a grant or
cooperative agreement, where the principal purpose is the transfer of funds, property, services, or anything of value to the awardee to accomplish an eligible public purpose.

The agreement will identify the eligible activities to be undertaken, financial controls, and special conditions, including sanctions for violations of the agreement, reporting requirements including sub-recipient reporting requirements under the Federal Funding Accountability and Transparency Act of 2006 and integrity requirements under Section 872 of the Duncan Hunter Defense Authorization Act of 2009. HUD will determine the type of instrument under which the award will be made and monitor progress to ensure that the awardee has achieved the objectives set out in the agreement. Failure to meet such objectives may be the basis for HUD determining the awardee to be in default of the grant or cooperative agreement and for exercising available sanctions, including suspension, termination, and/or recapture of funds. Also, HUD may refer violations or suspected violations to enforcement offices within HUD, the Department of Justice, or other enforcement authorities.

If funds are provided subject to a cooperative agreement, HUD will also exercise the right to have substantial involvement in all proposed deliverables, as well as the Work Plan or Statement of Work (SOW). For grants and cooperative agreements, HUD will conduct monitoring reviews, request quarterly reports, and approve all proposed deliverables as documented in the applicant’s Work Plan or SOW. Most FHIP funds are awarded under grant agreements. However, national funds are awarded under cooperative agreements and remain in Headquarters since the grants have a nationwide impact, and therefore require more complex and frequent oversight as well as Departmental approval of deliverables, which is a higher level approval process than funds awarded under grant agreements.

If an applicant's 501(c)(3) status has expired prior to application deadline date, the application must show that the organization has applied for renewal of tax-exempt status and that the application is pending. If 501(c)(3) status has expired and there is no information regarding the application for renewal in the organization's application at the deadline date, the applicant will be deemed ineligible. In addition, if an organization with a pending 501(c)(3) application is selected for a funding award, the applicant must provide proof that the 501(c)(3) renewal is approved prior to release of funding. If the applicant’s pending application for renewal is subsequently denied, the applicant’s organization will be deemed ineligible and the award selection will be rescinded. Further, the applicant must maintain 501(c)(3) status throughout the grant period.

8. Amount exceeding the Maximum Amount. Applicants are ineligible for funding if they request funding over the maximum amount allowed under the initiative or component for which they have apply.

9. Inconsistencies in the Requested Amount or Miscalculations. Inconsistencies in the requested amount and/or miscalculations that result in amounts over the maximum award amount will be considered excessive and the application will be considered ineligible.

10. Performance. An organization is deemed ineligible for funding under this NOFA if the organization received a “poor” rating on its last or most recent performance assessment on a prior FHIP grant for any initiative/component. The organization will remain ineligible for a period of two years after the NOFA closure date unless the organization provides evidence that the rating was overturned through an appeal or that another resolution was accepted by the General Technical Representative/General Technical Monitor (GTR/GTM) to improve future performance.

In addition, if a “poor” performance rating on another FHIP grant is received after selection and receipt of funding under this NOFA, all remaining FHIP grant funds received under this NOFA will be rescinded and the organization will be deemed ineligible. The
organization will remain ineligible for a period of two years after receipt of the “poor” performance rating unless the organization provides evidence that the rating was overturned through an appeal or that another resolution was accepted by the GTR/GTM to improve future performance.

FHAP agencies under a suspension or performance improvement plan, as designated under 24 CFR Part 115.210(a) and (b) at the time of application submission are ineligible for funding unless the performance issues are resolved to HUD’s satisfaction before the application deadline.

11. Research/Survey Activities. Applicants are ineligible for funding if their project is aimed solely at research or data gathering (such as Audit Testing). If a successful application contains research and other activities, only the eligible portions of the application will be funded. Proposed surveys or data gathering must be approved by HUD or OMB under the Paperwork Reduction Act before the application submission, or the activity is deemed ineligible.

This program requires a certification of Consistency with the Consolidated Plan under 24 CFR 91.2. This certification means the proposed activities in the application are consistent with the jurisdiction's strategic plan, and the location of the proposed activities is consistent with the geographic areas specified in the Consolidated Plan.

The Consolidated Plan also includes the jurisdiction's certification to affirmatively further fair housing, which means: (1) that it will take meaningful actions to further the goals identified in the HUD-accepted Assessment of Fair Housing (AFH) conducted in accordance with 24 CFR 5.150 through 5.180, and that it will take no action that is materially inconsistent with its obligation to affirmatively further fair housing; or (2) for jurisdictions that do not have a HUD-accepted AFH, they must continue complying with the regulations that existed prior to August 17, 2015, with respect to conducting Analyses of Impediments to Fair Housing Choice, as applicable. Under 24 CFR 91.510, for competitive programs, a certification of consistency of the application with the approved consolidated plan for the jurisdiction may be required, whether the applicant is the jurisdiction or another applicant. If you fail to provide the certification, and you do not cure the omission as a curable deficiency, HUD will not fund the application.

Participative Planning and Implementation: Applicants must identify the steps they will take to ensure that traditionally marginalized populations (such as racial and ethnic minorities and persons with disabilities) will be able to meaningfully participate in the planning process. The applicant must identify the specific populations that it will include, identify community organizations that represent these populations, and describe how these populations will be included in the planning process. For capital investment projects, grantees should commit to and demonstrate plans to employ low-income and very low-income persons and/or utilize Section 3 businesses at levels beyond those required by Section 3. In seeking public participation, applicants and recipients must ensure that all communications are provided in a manner that is effective for persons with hearing, visual, and other communication-related disabilities consistent with Section 504 of the Rehabilitation Act of 1973 and, as applicable, the Americans with Disabilities Act. In addition, Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000d and Executive Order 13166 require that grantees take reasonable steps to ensure meaningful access
to services, programs, and activities by persons with Limited English Proficiency (LEP persons).

G. Criteria for Beneficiaries.

1. **Single Audit Requirement.** All applicants who have expended $750,000 or more in Federal financial assistance within a single year (this can be a program or fiscal year) must be audited in accordance with the requirements as established in 2 CFR Part 200.501. If an applicant receives $750,000 or more in Federal financial assistance, the application must set aside funds to complete the audit.

2. **Dun and Bradstreet Numbering System.** (DUNS) Numbering Requirement (refer to the www.Sam.gov website). The DUNS number used in the application must be for the applicant organization identified in Box 8a on the HUD424, Application for Federal Financial Assistance.

3. **Independence of Awards.** The application submitted must be independent and capable of being implemented without reliance of other applications, or other grantees(s), including staff sharing protocols of key staff. Applicants applying under one of the FHIP Initiatives may not use the performance (e.g., performance review rating or successfully completed activities) of another organization to meet the requirements of Rating Factor 1, Staffing and Organization Experience.

4. **Training Funds.** The applicant's proposed budget must set aside $5,000 annually to be utilized to participate in HUD sponsored mandatory or approved training. Grants that have a performance period of 12-18 months are considered 12 month grants for purposes of this requirement.

5. **Grant Closeouts.** Closeouts should be undertaken as specified in 2 CFR 200.343 "Closeouts".

IV. Application and Submission Information.

A. **Obtaining an Application Package.**

Instructions for Applicants.

You must download both the Application Instruction and the Application Package from Grants.gov. You must verify that the CFDA Number and CFDA Description on the first page of the Application Package, and the Funding Opportunity Title and the Funding Opportunity Number match the Program and NOFA to which you are applying.

The Application Package contains the portable document forms (PDFs) available on Grants.gov, such as the SF-424 Family. The Instruction Download contains official copies of the NOFA and forms necessary for a complete application. The Instruction Download may
include Microsoft Word, Microsoft Excel and additional documents.

An applicant demonstrating good cause may request a waiver from the requirement for electronic submission. For example, a lack of available Internet access in the geographic area in which your business offices are located. Lack of SAM registration or valid DUNS is not deemed good cause. If you cannot submit your application electronically, you must ask in writing for a waiver of the electronic grant submission requirements. HUD will not grant a waiver if HUD does not receive your written request at least 15 days before the application deadline and if you do not demonstrate good cause. An email request for a waiver sent 15 days before the application is due will also be considered. If HUD waives the requirement, HUD must receive your paper application before the deadline of this NOFA. To request a waiver you must contact:

Myron Newry  
Email: Myron.P.Newry@hud.gov  
Office of Fair Housing and Equal Opportunity  
451 7Th Street S W Room 5222  
Washington, DC 20410  
All waiver requests will be submitted to FHEO's Assistant Secretary for a final determination.

If you are granted a waiver, the notification will provide instructions on where to submit the application and how many copies are required. If you receive a waiver of the electronic application submission requirement, your paper copy application must be received by HUD in room 5222B no later than 4:30 pm eastern time on the application deadline date. HUD applications are scanned. The scanning facility at HUD Headquarters closes at 5:00 pm eastern time. Applicants must allow adequate time for the application to be scanned through this facility. Applications not received in 5222B by the 4:30 pm Eastern Time deadline date shall be deemed ineligible. There is no grace period for paper application submissions.

HUD will not accept a paper application without a waiver being granted and such paper applications will be returned to sender.

We advise you send your application via a carrier that provides a receipt of delivery. In addition, you will receive a confirmation (via HUD 2993 Form) confirming HUD’s receipt. This HUD receipt may not come before the submission deadline.

**B. Content and Form of Application Submission.**

You must verify that boxes 11, 12, and 13 on the SF424 match the NOFA for which you are applying. If they do not match, you have downloaded the wrong Application Instruction and Application Package.

Submission of an application that is otherwise sufficient, under the wrong CFDA and Funding Opportunity Number is not a curable deficiency and will result in your application being declared ineligible for funding.

Additionally, your complete application must include the following narratives and non-form attachments:

- Provide separate narrative responses to the Factor 1-5 criteria for each factor as described in Section V, "Application Review Information"
- Project Abstract (one-page summary including Initiative and component applied, amount of funding requested, general description of project activities, areas of concentration, and issues pending resolution, if any)
- Statement of Work (SOW) Narrative and SOW chart (see Appendix A for sample chart)
- Budget Work Plan Narrative and Form Grant Application Detailed Worksheet (HUD
424-CBW)

- Any Factor charts required under this NOFA
- Complete Appendix B, EOI Eligibility Certification and submit it as a part of your application

Further, all applicants must read and adhere to Initiative and Component specific submission requirements under Section III, Eligibility. Applicants must submit a separate completed electronic application for each Initiative and component for which the applicant applies. All applications must be submitted on or before the deadline date.

2. Format and Form.
Narratives and other attachments to your application must follow the following format guidelines.

a. All Applicants. The maximum length of the narrative response is ten (10) pages per each factor. Applicants may submit fewer pages if desired. The narrative pages must be double-spaced. This includes all text, titles and headings. Applicants must use 12 point font, and respond fully to each rating factor to obtain maximum points. Failure to provide narrative responses to rating factors 1-5 or omitting requested information will result in less than the maximum points available being awarded for the rating factor or sub-factor. The following items do not count towards the ten page maximum: Statement of Work and Budget and Factor 1 Organization Experience chart(s).

b. If an applicant cannot access the toll-free number or experience problems, please call (215) 825-8798 (this is not a toll-free number). Failure to do so will result in the application being rejected by the Grants.gov system with a "VIRUS DETECT" error message.

C. System for Award Management (SAM) and Dun and Bradstreet Universal Numbering System (DUNS) Number.

1. SAM Registration Requirement.
Applicants must be registered with SAM before submitting their application. In addition, applicants must maintain an active SAM registration with current information while they have an active Federal award or an application or plan under consideration by HUD.

2. DUNS Number Requirement.
Applicants must provide a valid DUNS number, registered and active at SAM, in the application. DUNS numbers may be obtained for free from Dun & Bradstreet.

Anyone planning to submit applications on behalf of an organization must register at Grants.gov and be approved by the EBiz Point of Contact in SAM to submit applications for the organization.

Registration for SAM and Grants.gov is a multi-step process and can take four (4) weeks or longer to complete if data issues arise. Applicants without a valid registration cannot submit an
application through Grants.gov. Complete registration instructions and guidance are provided at Grants.gov. See also Section IV.B for necessary form and content information.

**D. Application Submission Dates and Times.**

The application deadline is 11:59:59 p.m. Eastern time on **02/06/2020**. Applications must be received no later than the deadline.

Submit your application to Grants.gov unless a waiver has been issued allowing you to submit your application in paper form. Instructions for submitting your paper application will be contained in the waiver of electronic submission.

"Received by Grants.gov" means the applicant received a confirmation of receipt and an application tracking number from Grants.gov. Grants.gov then assigns an application tracking number and date-and time-stamps each application upon successful receipt by the Grants.gov system. A submission attempt not resulting in confirmation of receipt and an application tracking number is not considered received by Grants.gov.

Applications received by Grants.gov must be validated by Grants.gov to be received by HUD.

"Validated by Grants.gov" means the application has been accepted and was not rejected with errors. You can track the status of your application by logging into Grants.gov, selecting "Applicants" from the top navigation, and selecting “Track my application” from the dropdown list. If the application status is "rejected with errors,” you must correct the error(s) and resubmit the application before the 24-hour grace period ends. Applications in “rejected with errors” status after the 24-hour grace period expires will not be received by HUD. Visit Grants.gov for a complete description of processing steps after submitting an application.

HUD strongly recommends applications be submitted at least **48 hours before the deadline** and during regular business hours to allow enough time to correct errors or overcome other problems.

You can verify the contents of your submitted application to confirm Grants.gov received everything you intended to submit. To verify the contents of your submitted application:

- Log in to Grants.gov.
- Click the Check Application Status link, which appears under the Grant Applications heading in the Applicant Center page. This will take you to the Check Application Status page.
- Enter search criteria and a date range to narrow your search results.
- Click the Search button. To review your search results in Microsoft Excel, click the Export Data button.
- Review the Status column.
- To view more detailed submission information, click the Details link in the Actions column.
• To download the submitted application, click the Download link in the Actions column.

Please make note of the Grants.gov tracking number as it will be needed by the Grants.gov Help Desk if you seek their assistance.

HUD may extend the application deadline for any program if Grants.gov is offline or not available to applicants for at least 24 hours immediately prior to the deadline date, or the system is down for 24 hours or longer and impacts the ability of applicants to cure a submission deficiency within the grace period.

HUD may also extend the application deadline upon request if there is a presidentially-declared disaster in the applicant’s area.

If these events occur, HUD will post a notice on its website establishing the new, extended deadline for the affected applicants. HUD will also include the fact of the extension in the program’s Notice of Funding Awards required to be published in the Federal Register.

In determining whether to grant a request for an extension based on a presidentially-declared disaster, HUD will consider the totality of the circumstances including the date of an applicant’s extension request (how closely it followed the basis for the extension), whether other applicants in the geographic area are similarly affected by the disaster, and how quickly power or services are restored to enable the applicant to submit its application.

**PLEASE NOTE:** Busy servers, slow processing, large file sizes, improper registration or password issues are not valid circumstances to extend the deadline dates or the grace period.

1. **Amending or Resubmitting an Application.**
   Before the submission deadline, you may amend a validated application through Grants.gov by resubmitting a revised application containing the new or changed material. The resubmitted application must be received and validated by Grants.gov by the applicable deadline.

   If HUD receives an original and a revised application for a single proposal, HUD will evaluate only the last submission received by Grants.gov before the deadline.

2. **Grace Period for Grants.gov Submissions.**
   If your application is received by Grants.gov before the deadline, but is rejected with errors, you have a grace period of 24 hours after the application deadline to submit a corrected, received, and validated application through Grants.gov. The date and time stamp on the

   Grants.gov system determines the application receipt time. Any application submitted during the grace period not received and validated by Grants.gov will not be considered for funding. There is no grace period for paper applications.

3. **Late Applications.**
   An application received after the NOFA deadline date that does not meet the Grace Period requirements will be marked late and will not be received by HUD for funding consideration.
Improper or expired registration and password issues are not causes that allow HUD to accept applications after the deadline.

4. ** Corrections to Deficient Applications.**
HUD will not consider information from applicants after the application deadline. HUD may contact the applicant to clarify information submitted prior to the deadline. HUD will uniformly notify applicants of each curable deficiency. A curable deficiency is an error or oversight that, if corrected, it would not alter, in a positive or negative fashion, the review and rating of the application. See curable deficiency in the definitions section (Section I.A.3.). Examples of curable (correctable) deficiencies include inconsistencies in the funding request and failure to submit required certifications. These examples are non-exhaustive.

When HUD identifies a curable deficiency, HUD will notify the authorized representative by email. This email is the official notification of a curable deficiency. Each applicant must provide accurate email addresses for receipt of these notifications and must monitor their email accounts to determine whether a deficiency notification has been received. The applicant must carefully review the request to cure a deficiency and must provide the response in accordance with the instructions contained in the deficiency notification.

Applicants must email corrections of curable deficiencies to applicationsupport@hud.gov within the time limits specified in the notification. The time allowed to correct deficiencies will be no less than 48 hours and no more than 14 calendar days from the date of the email notification. The start of the cure period will be the date stamp on the email sent from HUD. If the deficiency cure deadline date falls on a Saturday, Sunday, Federal holiday, or on a day when HUD’s Headquarters are closed, then the applicant’s correction must be received on the next business day HUD Headquarters offices in Washington, DC are open.

The subject line of the email sent to applicationsupport@hud.gov must state: Technical Cure and include the Grants.gov application tracking number or the GrantSolutions application number (e.g., Subject: Technical Cure - GRANT123456 or Technical Cure - XXXXXXXXXX). If this information is not included, HUD cannot match the response with the application under review and the application may be rejected due to the deficiency.

Corrections to a paper application must be sent in accordance with and to the address indicated in the notification of deficiency. HUD will treat a paper application submitted in accordance with a waiver of electronic application containing the wrong DUNS number as having a curable deficiency. Failure to correct the deficiency and meet the requirement to have a DUNS number and active registration in SAM will render the application ineligible for funding.

5. **Authoritative Versions of HUD NOFAs.** The version of these NOFAs as posted on Grants.gov are the official documents HUD uses to solicit applications.

6. **Exemptions.** Parties that believe the requirements of the NOFA would impose a substantial burden on the exercise of their religion should seek an exemption under the Religious Freedom Restoration Act (RFRA).
E. Intergovernmental Review.

This program is not subject to Executive Order 12372, Intergovernmental Review of Federal Programs.

F. Funding Restrictions.

1. Retainer Fees. FHIP recipients are under specific restrictions regarding establishment of retainer agreements and recovery of legal fees from HUD-funded cases. Data on fees, settlements, and verdicts are matters of public record. Awardees must provide this information to HUD annually. Neither the grantee nor the individual(s) on whose behalf any action is filed can request that HUD waive these provisions.

2. Number of Awards. An organization may not receive more than one award under a single component. This restriction includes two organizations with separate EIN’s that apply separately for funding under a single component but identify more than one of the same direct personnel and/or key staff for both organizations (i.e. key staff sharing). FHIP will fund only one organization. This restriction ensures FHIP’s commitment to continued program integrity by eliminating double payments under a single component to an organization or individuals. This restriction includes but is not limited to any organization affiliate, associate, subsidiary, or other organizations that engage in direct personnel and/or key staff sharing protocols.

3. Performance Standards. Applicants must maintain an annual performance assessment rating from the FHIP HUD GTR as “good” or funding may be reduced until performance issues are resolved and if unresolved, HUD has a right to rescind funding.

4. Administrative Costs. Salaries, fringe benefits and other administrative costs charged against the project or program element for the sole purpose of administering the grant/cooperative agreements shall not exceed 10% of the annual grant award (Federal and cost share). One hundred percent of the salaries and fringe benefits related to these functions are considered administrative costs. Examples of administrative costs include, but are not limited to: preparation and submission of grant applications, fiscal tracking of grants funds, maintaining project files and performance measures, collection and submission of deliverables accounting staff wages and benefits, building rent, consulting expenses, management wages and benefits (such as Executive Director and support staff), depreciation of office equipment, insurance, legal staff wages and benefits, office supplies. Building rent is eligible only under the following conditions: the rent must be for existing facilities not requiring rehabilitation or construction except for minimal alterations to make the facilities accessible for a person with disabilities; no repairs or renovations of the property may be undertaken with funds under this NOFA; and properties in the Coastal Barrier Resources System designated under the Coastal Barrier Resources Act (16 U.S.C. 3501) cannot be leased or rented with federal funds.

Non-administrative Costs. Salaries and fringe benefits related to the implementation of the project or program element of the grant/cooperative agreement are not considered administrative costs. For example: the salaries and fringe benefits for technical staff to conduct work to accomplish specific Fair Housing goals as outlined in the program or
Indirect Cost Rate.

Normal indirect cost rules apply. If you intend to charge indirect costs to your award, your application must clearly state the rate and distribution base you intend to use. If you have a Federally negotiated indirect cost rate, your application must also include a letter or other documentation from the cognizant agency showing the approved rate. Successful applicants whose rate changes after the application deadline must submit new rate and documentation.

Nongovernmental organizations and Indian tribal governments. If you have a Federally negotiated indirect cost rate, your application must clearly state the approved rate and distribution base and must include a letter or other documentation from the cognizant agency showing the approved rate. If you have never received a Federally negotiated indirect cost rate and elect to use the de minimis rate, your application must clearly state you intend to use the de minimis rate of 10% of Modified Total Direct Costs (MTDC). As described in 2 CFR 200.403, costs must be consistently charged as either indirect or direct costs but may not be double charged or inconsistently charged as both. Once elected, the de minimis rate must be applied consistently for all Federal awards until you choose to negotiate for a rate, which you may apply to do at any time. Documentation of the decision to use the de minimis rate must be retained on file for audit.

State and local governments. If your department or agency unit has a Federally negotiated indirect cost rate, your application must include that rate, the applicable distribution base, and a letter or other documentation from the cognizant agency showing the negotiated rate. If your department or agency unit receives more than $35 million in direct federal funding per year, you may not claim indirect costs until you receive a negotiated rate from your cognizant agency for indirect costs as provided in Appendix VII to 2 CFR part 200. If your department or agency unit receives no more than $35 million in direct federal funding per year and your department or agency unit has developed and maintains an indirect cost rate proposal and supporting documentation for audit in accordance with 2 CFR part 200, Appendix VII, you may use the rate and distribution base specified in that indirect cost rate proposal. Alternatively, if your department or agency unit receives no more than $35 million in direct federal funding per year and has never received a Federally negotiated indirect cost rate, you may elect to use the de minimis rate of 10% of MTDC. As described in 2 CFR 200.403, costs must be consistently charged as either indirect or direct costs but may not be double charged or inconsistently charged as both. Once elected, the de minimis rate must be applied consistently for all Federal awards until you choose to negotiate for a rate, which you may apply to do at any time. Documentation of the decision to use the de minimis rate must be retained on file for audit.

G. Other Submission Requirements.
1. Application Certifications and Assurances.

By signing the forms in the SF-424 either through electronic submission or in paper copy submission (for those granted a waiver), the applicant and the signing authorized representative affirm that they have reviewed the certifications and assurances associated with the application for federal assistance and (1) are aware the submission of the SF424 is an assertion that the relevant certifications and assurances are established and (2) acknowledge that the truthfulness of the certifications and assurances are material representations upon which HUD will rely when making an award to the applicant. If it is later determined the signing authorized representative to the application made a false certification or assurance, caused the submission of a false certification or assurance, or did not have the authority to make a legally binding commitment for the applicant, the applicant and the individual who signed the application may be subject to administrative, civil, or criminal action. Additionally, HUD may terminate the award to the applicant organization or pursue other available remedies. Each applicant is responsible for including the correct certifications and assurances with its application submission, including those applicable to all applicants, those applicable only to federally-recognized Indian tribes, and those applicable to applicants other than federally-recognized Indian tribes. All program-specific certifications and assurances are included in the program Instructions Download on Grants.gov.

2. Lead Based Paint Requirements.

When providing education or counseling on buying or renting housing that may include pre-1978 housing, when required by regulation or policy, applicants must inform clients of their rights under the Lead Disclosure Rule (24 CFR part 35, subpart A), and, if the focus of the education or counseling is on rental or purchase of HUD-assisted pre-1978 housing, the Lead Safe Housing Rule (subparts B, R, and, as applicable, F - M).

V. Application Review Information.

A. Review Criteria.

1. Rating Factors.

a. The criteria for rating and ranking applications, and the maximum points for each Rating Factor are provided below. Applicants must address all five rating factors. The maximum number of Rating Factor points awarded under this NOFA is 100. Each factor has a maximum 10-page narrative limit unless otherwise specified by this NOFA.

*Rating factors include questions or point distributions unique to EOI components.*
Rating Factor 1: Maximum Points: 36

**Capacity of Applicant and Relevant Organizational Experience (up to 36 points).**

This factor addresses the extent to which the organization has the staff experience and organizational capacity necessary to successfully complete the proposed project by the end of the grant performance period. HUD will consider the extent to which the applicant clearly addresses:

1) Description and expertise of staff (up to 20)

The applicant must describe staff expertise showing that the applicant organization will have sufficient and qualified staff available to complete the proposed activities, including new hires and contractors or consultants. The applicant must:

describe the organization staffing plan including a proposal to add staff (employees) or contractors. To receive full points under this factor, the staffing plan must:

1. Demonstrate that the applicant organization has more than one current staff with fair housing related experience at the time that the application is submitted; and describe the organization's proposal to add staff and/or contractors to complete the proposed project. The application must demonstrate that the applicant organization is independent and capable of implementing the proposed project without relying on other applications, or other grantee(s), including sharing of key staff. Applicants may not use the performance (e.g. performance review rating or successfully completed activities) of another organization to meet the requirements of Rating Factor 1, Staffing and Organization Experience. The applicant must have current key staff on hand to receive points under this factor. In addition, if the applicant organization or applicant staff is sharing activities with other FHIP funded organizations, then the applicant must list the role and time staff devotes to all FHIP related activities that the organization/staff is undertaking, including as a grantee, sub-grantee, contractor, consultant, or any other capacity. This information may be provided in a chart and will not be included within the 10-page limit. (up to 6 points).

<tbody>
<tr>
<td>Soundness of Approach (up to 30 points). This factor addresses the soundness, quality, and effectiveness of the proposed work plan and the commitment of the applicant to sustain the proposed project activities. Two sub-factor requirements make up the total possible points (up to 30 points) for Rating Factor 3: Statement of Work, and Budget and Cost Estimates.</td>
<td></td>
</tr>
<tr>
<td>a. Proposed Statement of Work (SOW) and Information Requirements (up to 16 points). This sub-factor does not count toward the ten (10) page limit on the narrative. The sub-factor will be evaluated on the extent to which the applicant provides a clear detailed description of the proposed project goals/objectives, activities, and where applicable, proposed outcome measures. Applicants must submit a SOW narrative and a SOW chart (see Appendix A). Each SOW narrative and chart must be based on the specific EOI activities proposed in the organization's application.</td>
<td></td>
</tr>
<tr>
<td>1) The SOW narrative should identify quantifiable project goals and describe how those goals are related to each of the specific needs identified in Rating Factor 2 &quot;Need/Extent of Problem.&quot; Goals are the results or outcomes the applicants aim to accomplish. Under the Program Tasks section, each applicant should complete a detailed SOW based on the specific EOI activities proposed in the organization's application, including activities, tasks, and proposed outcomes where applicable. The SOW chart must describe in detail:</td>

</table>

Applicants may receive up to 6 points for the submission of a complete SOW narrative and up to 10 points for a complete SOW chart.

In addition to the SOW requirements above, applicants who apply under the component(s)
below must also include the following activities in their SOW and budget:

(1) National Media Campaign Component Applicants. The applicant must propose activities that effectively demonstrate a coordinated, comprehensive and centralized educational and advertising campaign with an emphasis on social media targeting majority and minority markets. Social media campaign should be broad-based, utilizing the various social networking applications available. Applicants should only propose the development of new materials to address the gaps identified under Factor 2. Applicants should describe its ability to provide materials in a camera-ready format and in a form suitable for internet use and distribution for any new materials being developed under this project. All products developed under this campaign should have a common theme in regarding the Fair Housing Act. An applicant’s proposed deliverables may be modified by the GTR during the negotiation process based on the GTR and grantee’s agreed maximum benefits to specific geographical areas, proposed target populations or other factors.

b. Budget and Cost Estimates (up to 14 points).

For all applicants. HUD will assess the soundness of the planned approach by evaluating the quality, thoroughness, necessity, cost effectiveness, and reasonableness of costs to carry out the project activities, and the rationale for the proposed budget and narrative. The applicant’s budget submission must include the applicant's Narrative Budget Work Plan and 424 CBW Budget Worksheet; a narrative budget work plan for all sub-contractors or sub-recipients; and a budget worksheet for sub-contractors or sub-recipients whose budget amounts exceeds $5,000. The applicant must include the 424-CB. If the 424-CB is included without the 424-CB, up to 5 points will be deducted.

1) The applicant’s budget narrative and 424 CBW must relate to the tasks in the SOW, including identifying key team members/staff and partners, as identified in Factor 1 who will be responsible and accountable for completing major tasks. In addition, the budget narrative should describe the organization’s Financial Management Capacity, including the organization’s financial management system and its Board’s role in financial management or oversight.

All Factor 3 criteria are exempt from the 10-page limit. Applicants may receive up to 7 points for the Narrative Budget Plan and up to 7 points for the 424 CBW worksheet. Under 424 CBW score, there will be an automatic 5 point reduction (in addition to any other point reduction(s)) if the applicant submits a 424 CB, but not the detailed 424 CBW).

Rating Factor 4  Maximum Points: 3

**Leveraging Resources/ Developing Partnership (up to 3 points).** This factor addresses the ability of the applicant to increase capacity by developing partnerships and securing resources that can be combined with HUD’s FHIP funds to assist the organization in successfully
achieving the proposed project. HUD expects that these resources may also help organizations establish long-term partnerships and resources that may be maintained after funds have expired. While there is no statutory requirement for applicants to leverage resources applicants may receive points for leveraging resources under this Factor.

**a. Firm Commitment of Leveraging or Collaboration.** To receive points under this factor, HUD requires applicants to secure resources from sources other than what is requested under this FHIP NOFA. Leveraging of community resources may include funding or in-kind contributions, such as workspace, services or equipment, allocated to facilitate proposed project activities. Contributions or cash from the applicant, affiliates, subsidiaries, divisions, or employees, contractors or parties to subcontractors of the applicant do not qualify as in-kind contributions. Nor may an applicant request the waiver of fees to be collected as leveraged funds. Cash or funds from an applicant’s previously established investment account(s) may qualify as in-kind resources; however, support documentation must be provided. Resources may be provided by governmental entities (including FHAPs and HUD programs if such costs are allowed by statute), public or private non-profit organizations, faith based organizations, for profit or civic private organizations, or other entities’ planned contributions. Under this initiative, Community Development Block Grant (CDBG) funds may qualify as leveraging.

To obtain points for leveraging third party resources the application must provide signed letters of firm commitment or signed agreements/statements from the organizations and/or individuals that will provide financial or in-kind support for your project on the respective organization’s letterhead.

**(1)** Each letter of firm commitment or other documents must:

(a) State definitively a commitment to provide funding or in-kind resources (although the commitment may be on the condition that your organization receives a FHIP award);

(b) Identify the organization and/or individual committing resources to the project and state the timeline for these funds in relation to the project (the letter should identify any affiliation with the applicant);

(c) Identify the sources and amounts of the leveraged resources (the total FHIP and non FHIP amounts must match those in your proposed budget submitted under Rating Factor 3);

(d) Describe how these resources will be used for the proposed project; and

(e) Be dated and signed by the individual or organization official legally able to make commitments for the organizations on the organization’s official letterhead.

If applicants fail to meet these requirements, they will not receive points under this Rating Factor.

If the resources are in-kind or donated goods, the firm commitment letter must indicate the fair market value of those resources and describe how this fair market value was determined. Do not include indirect costs as a part of any in-kind resources. In-kind leveraging contributions, as well as Program Income (income derived from fund raising, investment income, or interest generated on FHIP funding) must comply with 24 CFR Part 200 requirements. Goods and services secured with FHIP funds cannot be used for any in-kind or donated services (for example, services of a current staff person on a FHIP funded project). If after award leveraged resources are subsequently withdrawn or modified from the approved amount, the GTR may
deem the grantee ineligible to receive any remaining FHIP funds under this award.

There will be no points awarded for general letters of support endorsing the project from organizations, including elected officials at the local, State, or national levels, and/or individuals in your community. If at least 10% of your project is not supported by non-FHIP resources, then you will not receive any points under this factor. Points will be assigned for each Initiative based on the following scale:

Rating Factor 5

Achieving Results and Program Evaluation (15 Points)

The applicant should outline its strategy for evaluating and improving (if necessary) its program performance against proposed goals during the grant period.

The applicant must describe:

1. **Measurement** (up to 5 points) – What strategy or strategies will the organization utilize to measure its outputs and outcomes? Points are given to organizations that propose outputs, outcomes, and methods that can result in reliable, valid data. This description should include but is not limited to:

   (a) quantifiable outputs and outcomes that measure progress on the goals identified in the Factor 3, SOW;
   (b) data collection methods used to measure outputs and outcomes and the frequency of data collection;
   (c) technological tools in place to capture, maintain, and share data; and
   (d) an explanation of how the applicant’s data will be validated.

Applicant outcomes should reflect the anticipated effect the organization’s proposed activities will have on its beneficiaries. In other words, outcomes measure progress made towards
achieving the program goals, while outputs are the measurable organization activities. An example output is the number of people expected to participate in education and outreach efforts or the number of people reached through such efforts.

Evaluation Plan (up to 10 points) - What plan will be put in place to evaluate the proposed project and ensure the applicant makes progress on the stated objectives and goals? This description should include:

- thresholds in the output and outcome data that will be used to determine progress on objectives/goals and what, if any, improvements are necessary;
- timelines for continuous evaluation and adjustments as needed; and
- a description of how evaluation results will be used to increase efficiency and effectiveness of the program, including achievement of goals.

Based on activities outlined in Appendix A, applicants should explain the impact of the grantee's activities on education and outreach efforts. Applicants should express how outputs achieve the outcomes desired or the intended impact of outputs on the outcomes desired.

The applicant's evaluation plan must include a report of its intended thresholds for the following data factors:

- Type of activities
- Target Audience
- Location of activities
- Number of attendees
- Type of outreach
- Date of outreach
- Record of inquiries received for housing discrimination and other issues based on those activities.

If selected for funding, quarterly reports will capture the following information.

How many new clients were served based on your proposed number because of your education and outreach efforts?

How many clients were reached from methods, including conferences/presentations, mailings, internet ready materials, meetings/workshops, PSAs, publications, social network/websites, training etc.?

2. Other Factors.

Preference Points.

HUD encourages activities in Opportunity Zones (OZ) and activities in collaboration with HBCUs. HUD may award two (2) points for qualified activities supporting either or both
initiative(s). In no case will HUD award more than two preference points for these activities.

**Opportunity Zones.**

HUD encourages activities in Opportunity Zones (OZ) communities. HUD will award two (2) points for qualified activities within a designated zone or area. Applicants must certify to HUD that the investment is in a qualified OZ. To view the list of designated OZs, please see the following link on the U.S. Department of the Treasury website: [https://www.cdfifund.gov/Pages/Opportunity-Zones.aspx](https://www.cdfifund.gov/Pages/Opportunity-Zones.aspx).

**Promise Zones.**

Applicants must submit form HUD 50153, Certification of Consistency with Promise Zone Goals and Implementation, signed by the Promise Zone Official authorized to certify the project meets the criteria to receive preference points. To view the list of designated Promise Zones and persons authorized to certify, please see the Promise Zone pages on HUD's website: [https://www.hud.gov/program_offices/field_policy_mgt/fieldpolicymgt/pz](https://www.hud.gov/program_offices/field_policy_mgt/fieldpolicymgt/pz).

**B. Review and Selection Process.**

1. **Past Performance**

In evaluating applications for funding, HUD will consider an applicant’s past performance in managing funds. Items HUD may consider include, but are not limited to:

The ability to account for funds appropriately;
Timely use of funds received from HUD;
Timely submission and quality of reports submitted to HUD;
Meeting program requirements;
Meeting performance targets as established in the grant agreement;
The applicant's organizational capacity, including staffing structures and capabilities;
Time-lines for completion of activities and receipt of promised matching or leveraged funds; and
The number of persons to be served or targeted for assistance;

HUD may reduce scores as specified under V. A. Review Criteria. Whenever possible, HUD will obtain past performance information. If this review results in an adverse finding related to integrity or performance, HUD reserves the right to take any of the remedies provided in
Section III.E Pre-selection Review of Performance, above.

In evaluating risks posed by applicants, the Federal awarding agency may use a risk-based approach and may consider any items such as the following:

- Financial stability;
- Quality of management systems and ability to meet the management standards prescribed in this part;
- History of performance. The applicant's record in managing Federal awards, if it is a prior recipient of Federal awards, including timeliness of compliance with applicable reporting requirements, conformance to the terms and conditions of previous Federal awards, and if applicable, the extent to which any previously awarded amounts will be expended prior to future awards;
- Reports and findings from audits performed under Subpart F—Audit Requirements of this part or the reports and findings of any other available audits; and
- The applicant's ability to effectively implement statutory, regulatory, or other requirements imposed on non-Federal entities.

This section incorporates past performance with the assessment of an applicant's risk. For current FHIP grantees, past performance will be based on the applicant’s most recent FHIP Government Technical Representative (GTR) Final Performance Assessment Report. GTR Final Performance Assessment Reports contain these items: (1) performance of all requirements under the grant, (2) acceptance of work performed, and (3) quality of performance. Up to 3 points will be deducted from an applicant’s overall rating score based on that assessment, as follows:

1 point if the applicant received less than an "Excellent"
1 point if the applicant received less than a "Good"
1 point if the applicant is deemed "High Risk"

An organization is deemed ineligible for funding under this NOFA if the organization received a “poor” rating on its last performance assessment on a prior FHIP grant for any initiative/component.

In addition, HUD evaluates the integrity of the applicant as reflected in government-wide websites, information in HUD’s files, the federal Do Not Pay portal, public information and information received during HUD’s Name Check Review process. If this integrity evaluation results in an adverse finding, HUD reserves the right to take any of the remedies provided in Section III.C.4.a.5, Do Not Pay website Review.

3. Rating and Ranking. Applicants may be funded under these Education and Outreach Initiative (EOI) Components:

   (1) National-Based Programs
       National Media Campaign Component (EOI-NMC) - $1,000,000
(2) Regional/Local/Community Based Program

General Component (EOI-G) - $6,450,000

4. **Maximum Score.** The maximum number of points to be awarded under this NOFA for the Rating Factors is 100. Applicants may also be awarded up to two (2) preference points for Promise Zones, Opportunity Zones and/or for HBCU collaboration. Applicants may receive a total of 102 points including the rating factor and Preference points.

   a. **Ineligible Applications.** Ineligible applications will not be rated or ranked.

   b. **Minimum Score to be Funded.** Only applications with a rating of 75 points or more will be considered of sufficient quality for funding. Preference points may not be included in reaching this minimum score.

   c. **Ranking.** All eligible applicants will be placed in rank order based on the total application score.

   d. **Tie Breaking.** When two or more applications have the same total overall score, the application with the higher score under Rating Factor 2 will be ranked higher. If applications still have the same score, the tie will be broken by the Rating Factor 1 score. If a tie remains, then the tie will be broken by the Rating Factor 3 score. And if a tie still remains, the application committing the greatest Leveraged funds under Rating Factor 4 will be selected.

5. **Adjustments to Funding.** HUD may approve an application for an amount lower than the amount requested, fund only portions of the application, withhold funds after approval, reallocate funds among activities and/or require that special conditions be added to the grant agreement, under 24 CFR 84.14 or where:

   a. HUD determines the amount requested for one or more eligible activities is unreasonable or unnecessary;

   b. An ineligible activity is proposed in an otherwise eligible project;

   c. Insufficient funding amounts remain to award the full amount requested in the application, and HUD determines that partial funding is a viable option;

   d. The past record of key personnel warrants special conditions; or

   e. An applicant has not reserved the required FHIP training fund allocation in the budget, HUD will modify the applicant’s budget, reallocating the appropriate training amount.

   f. An applicant is awarded more than one grant, HUD reserves the right to examine the requested training needs and transfer funds back to fair housing activities during negotiations if additional training funds are not needed.

6. **Reallocation of Funds.** After all applications within the funding range have been selected or obligations are completed, if funds are still available, HUD will have the discretion to reallocate those remaining funds among Initiatives. First, funds from any EOI component will be reallocated first within the EOI Initiative, then if additional funds will remain, those funds shall be reallocated to PEI.
VI. Award Administration Information.

A. Award Notices.

Following the evaluation process, HUD will notify successful applicants of their selection for funding. HUD will also notify other applicants, whose applications were received by the deadline, but have not been chosen for award. Notifications will be sent by email to the person listed as the AOR in item 21 of the SF424.

Negotiation. After HUD has made selections, some HUD programs may negotiate specific terms of the funding agreement and budget with selected applicants. If HUD and a selected applicant do not successfully conclude negotiations in a timely manner, or a selected applicant fails to provide requested information, an award will not be made to that applicant. In this case, HUD may select another eligible applicant. Consult the program NOFA for specific details.

HUD may impose special conditions on an award as provided under 2 CFR 200.207:
• Based on HUD’s review of the applicant’s risk under 2 CFR 200.205;
• When the applicant or recipient has a history of failure to comply with the general or specific terms and conditions of a Federal award;
• When the applicant or recipient fails to meet expected performance goals; or
• When the applicant or recipient is not otherwise responsible.

Adjustments to Funding. To ensure the fair distribution of funds and enable the purposes or requirements of a specific program to be met, HUD reserves the right to fund less than the amount requested in an application.

a. HUD will fund no portion of an application that:
(1) Is not eligible for funding under applicable statutory or regulatory requirements;
(2) Does not meet the requirements of this notice; or
(3) Duplicates other funded programs or activities from prior year awards or other selected applicants.

b. If funds are available after funding the highest-ranking application, HUD may fund all or part of another eligible fundable application. If an applicant turns down an award offer, or if HUD and an applicant do not successfully complete grant negotiations, HUD may make an offer of funding to another eligible application.

c. If funds remain after all selections have been made, remaining funds may be made available within the current FY for other competitions within the program area, or be held for future competitions, or be used as otherwise provided by authorizing statute or appropriation.

d. If, after announcement of awards made under the current NOFA, additional funds become available either through the current appropriations, a supplemental appropriation, other appropriations or recapture of funds, HUD may use the additional funds to provide additional funding to an applicant awarded less than the requested amount of funds to make the full award, and/or to fund additional applicants that were eligible to receive an award but for which there were no funds available.

Funding Errors. If HUD commits an error that when corrected would cause selection of an applicant during the funding round of a Program NOFA, HUD may select that applicant for
funding, subject to the availability of funds.

1. Applicant Notification and Award Procedures.

   a. Notification. Information about the review and award process will not be available during the HUD evaluation period, which begins on the application deadline date for this NOFA and lasts for approximately 90 days thereafter. However, you will be advised, in writing or by telephone, if HUD determines that your application is ineligible, or has technical deficiencies which may be corrected. HUD will only communicate with persons specifically identified in the SF424 in the application. HUD will not provide information about the application to any third party such as contractors.

   b. Negotiations. If you are selected, HUD will require you to participate in negotiations to determine the specific terms of your cooperative or grant agreement. The selection is conditional and does not become final until the negotiations are successfully concluded and the grant or cooperative agreement is signed and executed based upon the negotiations. HUD will negotiate only with the person identified in the application as the Director of the organization or if specifically identified in the application as the Project Director. HUD will not negotiate with any third party (i.e., a contractor, etc.). The GO and GTR will determine on a case-by-case basis if technical assistance or special conditions are required.

   c. Applicant Scores. After awards are announced, applicants will receive a copy of their final score. HUD will not release the names of applicants or their scores to any third party.

B. Administrative, National and Department Policy Requirements for HUD recipients.

For this NOFA, the following Administrative, National and Department Policy Requirements and Terms for HUD Financial Assistance Awards apply. Please Click here to read the detailed description of each applicable requirement.

1. Compliance with Non-discrimination and Other Requirements

Unless otherwise specified, these non-discrimination and equal opportunity authorities and other requirements apply to all NOFAs. Please read the following requirements carefully as the requirements are different among HUD’s programs.

3. Equal Participation of Faith-Based Organizations in HUD Programs and Activities.
5. Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal
C. Reporting.
HUD requires recipients to submit performance and financial reports under OMB guidance and program instructions.

1. Reporting Requirements and Frequency of Reporting. Applicants should be aware that if the total Federal share of your Federal award includes more than $500,000 over the period of performance, you may be subject to post award reporting requirements reflected in Appendix XII to Part 200-Award Term and Condition for Recipient Integrity and Performance Matters.

2. Performance Reporting. All HUD-funded programs, including this program, require recipients to submit, not less than annually, a report documenting achievement of outcomes under the purpose of the program and the work plan in the award agreement.
In view of these requirements, applicants should use Form HUD-27061, Racial and Ethnic Data Reporting Form (and instructions for its use).

3. Race, Ethnicity and Other Data Reporting. HUD requires recipients that provide HUD-funded program benefits to individuals or families to report data on the race, color, religion, sex, national origin, age, disability, and family characteristics of persons and households who are applicants for, participants in, or beneficiaries or potential beneficiaries of HUD programs in order to carry out the Department’s responsibilities under the Fair Housing Act, Executive Order 11063, Title VI of the Civil Rights Act of 1964, and Section 562 of the Housing and Community Development Act of 1987. NOFAs may specify the data collection and reporting requirements. Many programs use the Race and Ethnic Data Reporting Form HUD-27061, U.S. Department of Housing OMB Approval No. 2535-0113.

4. Quarterly Reporting/Final Report. All grant recipients under this NOFA are required to submit quarterly reports and a final report which must include meaningful data derived from client feedback on how they benefited from the organization's project activities. Reports must also include outcomes and evidence of continued project success in quarterly reports and final performance reports, which may include but are not limited to: (1) positive customer experience; (2) efficient and effective administrative costs; (3) High ethical standards; (4) Overall positive community/target area changes; (5) Innovative strategies that contribute to cost effectiveness and other program improvements and success stories.

D. Debriefing.
For a period of at least 120 days, beginning 30 days after the public announcement of awards
under this NOFA, HUD will provide a debriefing related to their application to requesting applicants. A request for debriefing must be made in writing or by email by the authorized official whose signature appears on the SF424 or by his or her successor in office and be submitted to the point of contact in Section VII Agency Contact(s), below. Information provided during a debriefing may include the final score the applicant received for each rating factor, final evaluator comments for each rating factor, and the final assessment indicating the basis upon which funding was approved or denied.

VII. Agency Contacts.

HUD staff will be available to provide clarification on the content of this NOFA.

Questions regarding specific program requirements for this NOFA should be directed to the point of contact listed below.

VIII. Other Information.

This NOFA provides funding under the Fair Housing Initiatives Program (FHIP) at 24 C.F.R. part 125, which does not contain environmental review provisions because it concerns activities that are listed in 24 C.F.R. 50.19(b)(2), (3), (4), (9), (12), (13). Accordingly, under 24 CFR 50.19(c)(5), this NOFA is categorically excluded from environmental review under the National Environmental Policy Act of 1969 (42 U.S.C. 4321).

2. Additional Program Requirements include:

The GTR will work with FHEO's Office of the General Deputy Assistant Secretary for information clearance and approval.

b. Payment Contingent on Completion. Payment of FHIP funds is made on a fixed price basis. Payments are contingent on the satisfactory and timely completion of your project activities and products as reflected in your grant or cooperative agreement. Requests for funds must be accompanied by financial and progress reports.

c. Copyright Materials. You may copyright any work that is eligible for copyright protection subject to HUD’s right to reproduce, publish, or otherwise use your work for Federal purposes, and to authorize others to do so as required in 2 CFR 215.36.

d. Complaints Against Awardees. Each FHIP award is overseen by a HUD Grant Officer (See

e. Double Payments. If you are awarded funds under this NOFA, you (and any contractor or consultant) may not charge or claim credit for the activities performed under this project under any other Federally assisted project.

g. Performance Sanctions. A grantee or contractor violating the requirements set forth in its grant or cooperative agreement will be liable for such sanctions as may be authorized by law, including repayment of improperly used funds, termination of further participation in the FHIP, and denial of further participation in programs of HUD or any federal agency.

h. Corrections to Deficient Applications. In order not to unreasonably exclude applications from being rated and ranked, HUD may contact applicants to ensure proper completion of the application and will do so uniformly for all applicants. HUD may not seek clarification of items or responses that improve the substantive quality of an applicant’s response to any rating factors or which correct deficiencies which are in whole or part of a rating factor. Applicants will have five business days from date of notification to submit the required documents to HUD. Applicants will be notified by e-mail and telephone about corrections to ensure notification. The applicants must submit the corrections by using the form HUD90611 found in their downloaded application to submit the technical cures to HUD.
