APPLICATION TIPS

1. Please read the FY17 General Section and FY17 ROSS NOFA carefully and thoroughly.
   • This will ensure that mistakes are not made.
   • Every year, avoidable mistakes are made which lead to ineligible applications.

2. Start Now!

3. Review Your Application Prior to Submission.
   • Get a second set of eyes to review your application.
1. HUD-52768:
   • Is now an electronic and fillable form;
   • Merges information from form 52769;
     • Match information is included in this form and automatically calculates the 25% minimum required
     • You input the needs your program will address on this form
   • Salary comparability information is included in this form
2. Salary Comparability:

- Salary information must be submitted for a minimum of three comparable positions in your local area.
- Applicants may use the salary of their own staff in a comparable position for one of the three salaries.
- CareerOneStop salary finder can also be used for one comp.
- A salary request will be considered commensurate if it does not exceed the average of the three salaries submitted for comparability purposes by more than 10%.
- Points of contact for salary comps must be included (except for info from CareerOneStop).
- See Section IV.B.2.c. of the NOFA for more information.
3. Resident Association Set-Aside
   • RA’s who avail themselves of the 25% set-aside may only apply for 1 SC.

4. Limit of Three ROSS-SCs per PHA/Tribal Community:
   • Any combination of applicants may apply to serve a particular PHA or Tribe, however, the total number of SCs serving a PHA/Tribal community cannot exceed three.
   • Coordinate your applications!

5. Rental Assistance Demonstration (RAD):
   • Applicants may not apply to serve Properties that have converted to RAD or that have received a RAD Commitment to enter in a Housing Assistance Payment (CHAP) as of the deadline date of this NOFA.
CHANGES FROM PRIOR NOFAs

6. Threshold Requirements:
   • Past Performance and Capacity of Applicant are no longer thresholds they are program requirements.
   • All other thresholds* – match, letters of support, narratives – remain thresholds.
   *Some thresholds are specific to applicant type

7. Narrative Requirement for Tribes Designated as High-Risk:
   • Tribes that have been informed of performance deficiencies or designated as “high risk” must submit a narrative of no more than 10 pages. See Section V.A.1.A.3 for more information.

8. No Narrative for Troubled PHAs.
   • Contract Administrator Partnership Agreement is required and a non-curable item.
CHANGES FROM PRIOR NOFAs

9. No Third Funding Category:
   • This category which was established to provide funding to existing ROSS grantees to fund additional SCs, has been eliminated.

10. Unexpended Balance Threshold:
    • Renewal applicants that have an unexpended balance of 70% or more of their FY14 ROSS grant, will not be eligible for funding.

11. Reduced Awards:
    • HUD reserves the right to adjust requested funding amounts downward.
    • Based on demonstrated financial need, capacity, and prior performance.

12. No Logic Model!
DEFINITION OF RENEWAL AND NEW APPLICANTS

1. Renewal Applicants:
   • Applicants that were funded under the FY14 ROSS NOFA.
   • May not have 70% or more of their FY14 grant remaining
   • Your grant number would look like this: AC002RPS007A014

2. New/Other Applicants:
   • An applicant that either never received ROSS funding or was not awarded an FY14 grant.
   • NOTE: We expect to amend this definition to say that a new/other applicant is: “an applicant that has never received ROSS funding or a previously awarded ROSS grantee with no ROSS funds remaining by the application deadline.”
PHAs, tribes/TDHEs and 501(c)(3) nonprofits applying on their behalf may apply for up to 3 SCs depending on number of ACC (or NAHASDA-assisted) units in portfolio as of 9/30/16:

- 50-1000 units = 1 SC
- 1001-2500 units = 2 SCs
- 2501+ units = 3 SCs

**NOTE:** Each SC must serve AT LEAST 50 units annually
NUMBER OF POSITIONS

• **Site-based Resident Associations:**

  • May apply for 1 SC for the project that they represent.

  • Site-based RAs may apply jointly if necessary to add up to at least 50 units

  • **Only three site-based RAs from any one PHA may be funded** – for NEW AND/OR RENEWAL
NUMBER OF POSITIONS

• Resident Associations with 501(c)(3) status:
  • If **availing** themselves of the 25% set-aside:
    • 1 SC
  • If **not availing** themselves of the 25% set-aside **up to**:
    • 9 SCs for 3 different PHAs

• CAPAs required of all RAs.
Nonprofits may apply for:

• 1 SC per supporting RA (up to 3 at one PHA); OR
  • Up to 3 per PHA/tribe/TDHE if the number of ACC/NAHASDA-assisted units supports the maximum
  • Up to 9 SC positions (RENEWAL and/or NEW)

• A letter of support (and other information) is required from every RA or PHA/TDHE that a nonprofit intends to serve.
  *(Threshold item)*
REMEmBER - New 3 SC Limit!

- HUD will fund a maximum of 3 ROSS-SC positions to a PHA/tribe/TDHE
- Example: If a PHA has 3 site-based RAs that apply and the PHA is eligible for and applies for 3 positions as well – only 3 positions will be funded total.

- If more than one application for the same project is received, the first to be chosen from the lottery will be awarded.
ELIGIBLE PARTICIPANTS

• All program participants must be residents of conventional public housing or NAHASDA-assisted housing.

• Section 8 residents are not eligible to be served by this grant.

NOTE: Community events such as job fairs or health fairs can be open to non-public housing residents
WHO WILL YOU SERVE?

• Use the HUD-52768, to designate whether your SC position(s) will serve:
  ❖ 1. Families; and/or
  ❖ 2. Elderly/Disabled

• REMEMBER: If you have EDSC you should only apply to serve families or you risk losing your EDSC funding
PHAs that are recipients of the Elderly Disabled Service Coordinator (EDSC) add-on from the Operating Fund should not propose to serve elderly/disabled populations unless they are willing to forgo, IN PERPETUITY, their EDSC funding. For a list of EDSC recipients please go to: http://portal.hud.gov/hudportal/HUD?src=/program_offices/public_indian_housing/programs/ph/am/of/opfnd2017.

EDSC-eligible PHAs may apply to serve FAMILIES through the ROSS-SC grant with NO IMPACT on their EDSC funding.

If serving elderly/disabled residents IS proposed and the ROSS-SC funding IS granted, PHAs with EDSC would permanently give up their EDSC funding eligibility.
• May apply to serve the same projects; entirely different projects; or a mix thereof.

• May change budget, number of SCs, population to be served, funding request, etc.

• **PHA/TDHE/nonprofit applicants**: If the number of ACC/NAHASDA units has changed, you may be eligible for more SC positions (or less) depending on unit count

• **Renewal PHA and RA Applicants** may not also submit applications under the “new” category
By statute, 25% of funds must go to qualified Resident Association applicants.

Site-based RAs funded in 2014 can only apply to renew their 2014 grant.

Site-based RAs with older grants or no prior grants at all can apply for “new” funding (also part of the 25% set-aside).

Site-based RAs with grants from 2015 or 2016 cannot apply for additional funding.

REMINDER: Site-based RAs can only apply for 1 SC and must have nonprofit status.
FUNDING STRUCTURE

THREE YEAR GRANTS

Add Additional Need!
FORM 52768 – THE ROSS FUNDING FORM
Narrative Required ONLY for:
- New applicants
- Tribes designated as high-risk

- A missing narrative will render your application ineligible

- There are 5 key areas to respond to. Read the NOFA to make sure you’re addressing all requested information. If you fail one – you will not be eligible.

- Follow the precise format guidelines (double-spaced, Times New Roman font size 12, with one inch margins) – HUD will stop reading after page 10.
ASSEMBLING YOUR APPLICATION – THE NARRATIVE FOR PAST PERFORMANCE

The Narrative asks for:

1. How you will meet the **Affirmatively Furthering Fair Housing Requirement (not applicable to Tribes)**; and

**Past experience** (within the past 5 years):

2. Managing multi-year grants that served public housing or low-income residents;
3. Providing supportive services to public housing or low-income residents;
4. Data collection; and
5. Success in coordinating employment, education, and health services for this population.
PAST PERFORMANCE FOR RENEWALS

Past performance will be evaluated based on:

• **Logic Model (LM) Data submitted to HUD** – have applicants met at least 50% of their goals on their FY14 LMs

• **Timeliness of Logic Model submissions** during the term of the grant.

Per the NOFA, failure of both of these items will render your application ineligible.
LOTTERY

• Resident Associations (RA) - (up to 25% set-aside)
  • If 25% set-aside exceeded, RA lottery will be conducted

• Lottery #1 Renewal Applicants
  • If funding remains continue to Lottery #2

• Lottery #2 New/Other Applicants

NOTE: Only applicants who pass the threshold and program requirements will be entered into the lottery that corresponds to applicant type (25% set-aside for RAs; renewals; or new applicants).
1. RA Applicants. By statute, 25% of all ROSS funds must be awarded to qualified RAs. If there are more qualified resident organizations than can be funded through the 25% set-aside, a lottery will be conducted.

• If a lottery is held for the 25% RA set-aside, RA applications not selected will be placed in the appropriate renewal or new/other lottery.

• If more than three RA applications are received from the same PHA that are deemed eligible for a lottery, the first three chosen will be funded.
HOW DOES THE LOTTERY WORK?

2. **Renewal Applicants.** After the RA 25% set-aside category is funded, qualified applicants with FY14 ROSS grants will be funded by lottery.

3. **New/Other Applicants.** Once all qualified RA applicants and renewal applicants are funded, applicants that have either no prior ROSS grants, or no open ROSS grants will be funded on a lottery basis.
FIRST TIME REGISTRATION PROCESS

1. Obtain Data Universal Number System (DUNS) Number from Dun and Bradstreet ([http://fedgov.dnb.com/webform](http://fedgov.dnb.com/webform))

2. Register with the SAM.gov to designate E-Biz Point of Contact. It would be a good idea to designate an alternate E-Biz POC so there are 2 names in the system.

3. When creating or updating your profile at SAM, identify the E-Biz Point of Contact (E-Biz POC). The person completing the profile must create a 9-digit Marketing Partner ID Number (MPIN).

**NOTE:** The MPIN is mandatory for SAM registrants and contains nine characters: at least one letter (upper or lower case) and one number. No spaces or special characters are permitted. An MPIN is a personal code that allows you to access other government applications such as the Past Performance Information Retrieval System (PPIRS). The MPIN acts as your password in these and other federal systems, and you should safeguard it.
FIRST TIME REGISTRATION PROCESS

4. The person submitting the application through Grants.gov, is the “**Authorized Organization Representative**” (AOR). The AOR must register with Grants.gov (using the organization’s DUNS #).

5. When AOR registers with Grants.gov, the E-Biz POC receives an email.

6. The E-Biz POC must log into Grants.gov using DUNS and MPIN (at E-Biz login) to confirm that the AOR is authorized to submit an application on behalf of the organization.

7. AOR will receive email from Grants.gov informing them when they’ve been approved. An organization may have more than one AOR. **AOR should not wait for email but should login and check status of registration. The status must be “Authorized.”**

8. Everyone involved in this process should add: [@grants.gov](mailto:grants.gov), [@sam.gov](mailto:sam.gov), and [@fsd.gov](mailto:fsd.gov) to their safe senders list in their email program.
FIRST TIME REGISTRATION PROCESS

• If you aren’t already registered, BEGIN YOUR REGISTRATION PROCESS IMMEDIATELY!

• If your AOR has left, follow registration steps 4-6 to have a new one registered and authorized to submit the application.

• Incomplete registration has been a common error and resulted in applicants not receiving funding. Do not rely on automatic email notifications; proactively login to verify success of each step of the registration process.

• Step-by-step process for registration including video tutorials are available on grants.gov (click on “Applicants” tab). Be sure to select “Registering as an Organization Applicant.”

•
RENEWAL/UPDATE REGISTRATION PROCESS FOR SAM POCs

• You must renew your Systems for Award Management (SAM, formerly CCR) Registration annually.

• Registrations in SAM are active for one year.

• The SAM registrant is notified by email 60, 30, 15 days prior to the registration expiration.

• Please go to: www.sam.gov for more information.

• Problems with SAM? Call the Federal Service Desk at 334-206-7828.

****NO FEE TO REGISTER OR RENEW****
REGISTRATION PROCESS

• If you changed your eBusiness Point of Contact in the SAM Registration, make sure that the new eBusiness Point of Contact has also granted permission to the person submitting the application to be the Authorized Organizational Representative (AOR).
