HUD Minnesota Affordable Housing Guide

For federally subsidized housing, the amount and type of assistance may vary but the majority of properties have Project-Based Section 8 subsidy, where the tenant pays 30% of their adjusted gross monthly income for rent. The difference between the amounts paid by the resident and the rent charged by the owner is paid by the Department of Housing and Urban Development (HUD). Although HUD provides the funding, the responsibility for operating the program rests with the site manager. After selecting a building(s) from the list, please contact the on-site manager from the phone number(s) provided. They can answer questions regarding your eligibility and the availability of units, as each site maintains its own waiting list and takes your application. The list shows the number of units in the building as well as the population they are designated to serve.

Rent: Generally, a HUD affordable housing tenant pays 10 percent of gross income or 30 percent of adjusted income, ***WHICHEVER IS HIGHER***, but not less than \$25, for rent including utilities. HUD pays the difference between the tenant's share and the regular rental to the owner as housing assistance. If utilities are designated to be paid by the resident, a utility allowance is subtracted in determining the actual rent paid to the project. Utilities are then paid by the tenant directly to the utility company as billed.

Waiting Lists: A Public Housing Authority (PHA) is responsible for establishing an application and selection process that treats applicants fairly and consistently and provides an effective method for determining eligibility. The design of these processes must result in consistent determinations as to which applicants should be placed on the waiting list, issued a voucher, or determined ineligible to participate in the program and comply with HUD rules on non-discrimination. Conducting outreach, as needed, and maintaining an up-to-date waiting list is an important PHA responsibility.

Subscribe to the HousingLink public housing waiting list email newsletter to be notified when local PHAs open or close their waiting lists: <http://www.housinglink.org/register>

EMERGENCY SUPPORT

MNBENEFITS.MN.GOV

Everyone falls on hard times.

Emergency assistance programs are short-term (usually a one-time payment) for people experiencing a financial hardship like an eviction or utility shut-off.

If you are in this situation, you should contact the county where you live to find out how to get the assistance.

NOTE: You will likely need to provide the eviction notice, copy of utility bills and/or the disconnection notice, I.D., proof of your current address, and more to receive the assistance.

Be prepared before you call or make a trip to a county emergency assistance office!

Housing Tips by **HousingLink** 

HOMELESSNESS SERVICES

COORDINATED ENTRY

There are many housing options and programs that help people who are experiencing homelessness, but it can be hard to know who to ask for help. The Coordinated Entry System is a process that assesses and matches eligible households to housing opportunities. Housing opportunities include rapid re-housing, transitional housing, and permanent supportive housing.

Because housing resources are limited, this process is designed to prioritize individuals and families with the highest vulnerability, service needs, and length of homelessness to receive top priority in housing placement.

In this guide, we identify access points to ensure you have a clear and direct pathway to engage in crisis housing and emergency services.

The services that are available may vary by region. Call the number provided for your region to begin the intake process and be directed to a service provider that can address your specific needs.

Important: If you are leaving a domestic violence situation, you always qualify for Coordinated Entry.

Emergency help

What is Emergency Assistance?

Emergency Assistance is a cash-grant program for families with low incomes experiencing household emergencies.

What is Emergency General Assistance?

It is a cash-grant program for adults with low incomes experiencing a household emergency.

Where can I apply for Emergency Assistance or Emergency General Assistance?

- Apply online in 20 minutes or less at MNbenefits.mn.gov
- Apply in person for Emergency Assistance at your local county or tribal social service office.

What are some rules around Emergency Assistance/Emergency General Assistance I should know about?

- Counties can add their own rules about who can get Emergency Assistance/Emergency General Assistance and how often.
- You don't have to be on or eligible for Minnesota Family Investment Program to get Emergency Assistance or General Assistance to get Emergency General Assistance.
- You have to meet income guidelines.
- You can't have received Emergency Assistance or Emergency General Assistance within the past 12 months. Some counties may make you wait longer.
- Emergency Assistance/Emergency General Assistance must resolve the crisis.
- You have to use your own money first. Emergency Assistance can be used to pay what you can't. The amount of Emergency Assistance might not cover the entire emergency, but can help.

Think about what matters most to you and what you want in your home.

The Hub team can help you:

- Understand your housing options
- Connect to organizations and resources to help you find housing options to support your best life
- Understand your housing benefits and how they interact with other benefits

There is no wrong call to the Disability Linkage Line. Inquiries include requests for information and referrals on disability benefits programs, home modifications, assistive technology, personal assistance services, transition services, accessible housing, employment, social activities and disability rights.

For people who prefer looking for resources over the Internet, the Disability Linkage Line is a partner in the statewide resource database found at Minnesotahelp.info

The Disability Linkage Line providers are The Metropolitan Center for Independent Living and the Southeastern Minnesota Center for Independent Living. Both work in collaboration with Senior LinkAge Line®, a specialty information and assistance service for seniors and the Veteran Linkage Line® to assist military veterans and their families. FOR SENIORS

SENIOR LINKAGE LINE: 1-800-333-2433

Have you thought about moving? Has your home become too much to manage? Are you wondering what options exist? If any of these questions have crossed your mind, the staff of the Senior LinkAge Line can help. There are a variety of housing options that are available depending on your preferences.

Senior LinkAge Line is a service of the Minnesota Board on Aging in partnership with Minnesota's area agencies on aging.

55+ COMMUNITIES

Senior communities can lawfully refuse to sell or rent dwellings to families with minor children if:

- At least 80 percent of the units must have at least one occupant who is 55 years of age or older -AND-
- The facility or community must publish and adhere to policies and procedures that demonstrate the intent to operate as "55 or older" housing -AND-
- The facility or community complies with HUD's regulatory requirements for age verification of residents.

This exemption DOES NOT protect such housing facilities or communities from liability for housing discrimination because of race, color, religion, sex, disability, or national origin.

PUBLIC HOUSING

[PIH CUSTOMER SERVICE CENTER 1-800-955-2232](#)

Public housing comes in all sizes and types, from scattered single-family houses to high rise apartments for elderly families. They are operated by local housing authorities known as Public Housing Authorities (PHAs), or Housing & Redevelopment Authorities (HRAs). Waiting lists for public housing can often be long or closed. Once selected, you may be offered a limited selection of units based on availability.

Ask the housing authority what their screening criteria are, and if there are any issues that automatically disqualify prospective renters. The housing authority may conduct a credit, rental, and criminal history check for each adult that will be occupying the unit.

View the [HousingLink's Housing Authority Waiting List](#) to find out about waitlist openings in the metro area.

HOUSING CHOICE VOUCHERS

[ADMINISTERED BY PUBLIC HOUSING AUTHORITIES](#)

If your family is issued a housing voucher, you are responsible for finding a suitable housing unit where the owner agrees to rent under the program.

A housing subsidy is paid to the landlord directly by the PHA, and you/your family pays the rest of the rent

If you are interested in applying for a voucher, contact your [local PHA](#).

Housing Choice Vouchers Fact Sheet

What are housing choice vouchers?

The housing choice voucher program is the federal government's major program for assisting very low-income families, the elderly, and the disabled to afford decent, safe, and sanitary housing in the private market. Since housing assistance is provided on behalf of the family or individual, participants are able to find their own housing, including single-family homes, townhouses and apartments.

The participant is free to choose any housing that meets the requirements of the program and is not limited to units located in subsidized housing projects.

Housing choice vouchers are administered locally by public housing agencies(PHAs). The PHAs receive federal funds from the U.S. Department of Housing and Urban Development (HUD) to administer the voucher program.

A family that is issued a housing voucher is responsible for finding a suitable housing unit of the family's choice where the owner agrees to rent under the program. This unit may include the family's present residence. Rental units must meet minimum standards of health and safety, as determined by the PHA.

A housing subsidy is paid to the landlord directly by the PHA on behalf of the participating family. The family then pays the difference between the actual rent charged by the landlord and the amount subsidized by the program. Under certain circumstances, if authorized by the PHA, a family may use its voucher to purchase a modest home.

Am I eligible?

Eligibility for a housing voucher is determined by the PHA based on the total annual gross income and family size and is limited to US citizens and specified categories of non-citizens who have eligible immigration status. In general, the family's income may not exceed 50% of the median income for the county or metropolitan area in which the family chooses to live. By law, a PHA must provide 75 percent of its voucher to applicants whose incomes do not exceed 30 percent of the area median income. Median income levels are published by HUD and vary by location. The PHA serving your community can provide you with the income limits for your area and family size.

During the application process, the PHA will collect information on family income, assets, and family composition. The PHA will verify this information with other local agencies, your employer and bank, and will use the information to determine program eligibility and the amount of the housing assistance payment

If the PHA determines that your family is eligible, the PHA will put your name on a waiting list, unless it is able to assist you immediately. Once your name is reached on the waiting list, the PHA will contact you and issue to you a housing voucher.

How do I apply?

If you are interested in applying for a voucher, contact the **local PHA**. For further assistance, please contact the **HUD Office** nearest to you.

Local preferences and waiting list - what are they and how do they affect me?

Since the demand for housing assistance often exceeds the limited resources available to HUD and the local housing agencies, long waiting periods are common. In fact, a PHA may close its waiting list when it has more families on the list than can be assisted in the near future.

PHAs may establish local preferences for selecting applicants from its waiting list. For example, PHAs may give a preference to a family who is (1) homeless or living in substandard housing, (2) paying more than 50% of its income for rent, or (3) involuntarily displaced. Families who qualify for any such local preferences move ahead of other families on the list who do not qualify for any preference. Each PHA has the discretion to establish local preferences to reflect the housing needs and priorities of its particular community.

Housing vouchers - how do they function?

The housing choice voucher program places the choice of housing in the hands of the individual family. A very low-income family is selected by the PHA to participate is encouraged to consider several housing choices to secure the best housing for the family needs. A housing voucher holder is advised of the unit size for which it is eligible based on family size and composition.

The housing unit selected by the family must meet an acceptable level of health and safety before the PHA can approve the unit. When the voucher holder finds a unit that it wishes to occupy and reaches an agreement with the landlord over the lease terms, the PHA must inspect the dwelling and determine that the rent requested is reasonable.

The PHA determines a payment standard that is the amount generally needed to rent a moderately-priced dwelling unit in the local housing market and that is used to calculate the amount of housing assistance a family will receive. However the payment standard does not limit and does not affect the amount of rent a landlord may charge or the family may pay. A family which receives a housing voucher can select a unit with a rent that is below or above the payment standard. The housing voucher family must pay 30% of its monthly adjusted gross income for rent and utilities, and if the unit rent is greater than the payment standard the family is required to pay the additional amount. By law, whenever a family moves to a new unit where the rent exceeds the payment standard, the family may not pay more than 40 percent of its adjusted monthly income for rent.

The rent subsidy

The PHA calculates the maximum amount of housing assistance allowable. The maximum housing assistance is generally the lesser of the payment standard minus 30% of the family's monthly adjusted income or the gross rent for the unit minus 30% of monthly adjusted income

Can I move and continue to receive housing choice voucher assistance?

A family's housing needs change over time with changes in family size, job locations, and for other reasons. The housing choice voucher program is designed to allow families to move without the loss of housing assistance. Moves are permissible as long as the family notifies the PHA ahead of time, terminates its existing lease within the lease provisions, and finds acceptable alternate housing.

Under the voucher program, new voucher-holders may choose a unit anywhere in the United States if the family lived in the jurisdiction of the PHA issuing the voucher when the family applied for assistance. Those new voucher-holders not living in the jurisdiction of the PHA at the time the family applied for housing assistance must initially lease a unit within that jurisdiction for the first twelve months of assistance. A family that wishes to move to another PHA's jurisdiction must consult with the PHA that currently administers its housing assistance to verify the procedures for moving.

Roles - the tenant, the landlord, the housing agency and HUD

Once a PHA approves an eligible family's housing unit, the family and the landlord sign a lease and, at the same time, the landlord and the PHA sign a housing assistance payments contract that runs for the same term as the lease. This means that everyone -- tenant, landlord and PHA -- has obligations and responsibilities under the voucher program.

Tenant's Obligations: When a family selects a housing unit, and the PHA approves the unit and lease, the family signs a lease with the landlord for at least one year. The tenant may be required to pay a security deposit to the landlord. After the first year the landlord may initiate a new lease or allow the family to remain in the unit on a month-to-month lease.

When the family is settled in a new home, the family is expected to comply with the lease and the program requirements, pay its share of rent on time, maintain the unit in good condition and notify the PHA of any changes in income or family composition.

Landlord's Obligations: The role of the landlord in the voucher program is to provide decent, safe, and sanitary housing to a tenant at a reasonable rent. The dwelling unit must pass the program's housing quality standards and be maintained up to those standards as long as the owner receives housing assistance payments. In addition, the landlord is expected to provide the services agreed to as part of the lease signed with the tenant and the contract signed with the PHA.

Housing Authority's Obligations: The PHA administers the voucher program locally. The PHA provides a family with the housing assistance that enables the family to seek out suitable housing and the PHA enters into a contract with the landlord to provide housing assistance payments on behalf of the family. If the landlord fails to meet the owner's obligations under the lease, the PHA has the right to terminate assistance payments. The PHA must reexamine the family's income and composition at least annually and must inspect each unit at least annually to ensure that it meets minimum housing quality standards.

HUD's Role: To cover the cost of the program, HUD provides funds to allow PHAs to make housing assistance payments on behalf of the families. HUD also pays the PHA a fee for the costs of administering the program. When additional funds become available to assist new families, HUD invites PHAs to submit applications for funds for additional housing vouchers. Applications are then reviewed and funds awarded to the selected PHAs on a competitive basis. HUD monitors PHA administration of the program to ensure program rules are properly followed.

Additional Information and other subsidy programs

For additional information about the voucher program, contact either the **local PHA** serving your community or the Office of Public Housing within your **local HUD office**. There may be a long wait for assistance under the housing voucher program. If the PHA also administers the public housing program, applicants for the housing choice voucher program may also ask to be placed on the waiting list for the public housing program. HUD also administers other subsidized programs and you may obtain a list of programs in your area from the Office of Housing at your local HUD office.

What regulations cover this program?

Landlord and Tenants Rights and Responsibilities Handbook: The rights and duties of landlords and tenants in Minnesota are spelled out in federal law, state statutes, local ordinances, safety and housing codes, common law, contract law, and a number of court decisions. These responsibilities can vary from place to place around the state. Website: <http://www.ag.state.mn.us/Consumer/Handbooks/LT/default.asp> Certain rights and duties apply to landlords and tenants everywhere in Minnesota. This handbook attempts to explain those rights. This booklet should not be considered legal advice to use in resolving specific landlord-tenant problems or questions. It is a summary of the laws that govern the landlord-tenant relationship. References to statutes and case law examples appear at the back of the brochure. When references are provided, they are signaled or noted by a number at the end of the sentence. If a cite does not appear, the information is likely derived from common law or case law. Tenants in federal housing and other forms of subsidized housing have additional rights under federal law not covered in this handbook. Those tenants should check their leases for information.

Minn. Statute § 504B.181, subd. 2(b) requires landlords to notify residential tenants that this handbook is available to them.

Know your responsibilities as a tenant. Read your lease agreement carefully!

Housing Tips – Criminal Background

Having a criminal background, particularly a felony, makes a rental housing search difficult. However, you can do a few things to give yourself a better chance of finding a place to live without wasting a lot of money on application fees. Here they are:

1. Know who you are.

- a. What is your criminal background?
- b. What is your monthly income?
- c. What is your credit score?
- d. What is your rental history?

2. Get the landlord's rental criteria in writing.

- a. What past criminal activity do they decline?
- b. How much income do they require?
- c. What credit scores will they accept?
- d. What are their rental history requirements?

3. What should you do if you don't meet the rental criteria?

- a. Briefly share what happened in your past (the criminal issue).
- b. Explain what you have done to improve your life or get over the issue.
- c. Ask the landlord to be flexible with their criteria.

4. Only apply for the apartment or pay an application fee if you meet all of the criteria.

Talk with the landlord to confirm he or she will accept your criminal background and any other issues like bad credit or rental history.

Information About Filing a Complaint

If you believe your rights may have been violated, we encourage you to submit a complaint.

Because there are time limits on when a complaint can be filed with HUD after an alleged violation, you should submit a complaint as soon as possible.

When submitting a complaint, please provide as much information as possible, including:

- Your name and address;
- The name and address of the person(s) or organization your complaint is against;
- The address or other identification of the housing or program involved;
- A short description of the event(s) that cause you to believe your rights were violated; and
- The date(s) of the alleged violation.

Privacy Statement: The information submitted to HUD may be used to investigate and process claims of housing and other types of discrimination. It may be disclosed for lawful investigatory purposes, including to the U.S. Department of Justice for its use in the filing of pattern and practice suits of housing discrimination or the prosecution of the person(s) who committed the discrimination where violence is involved; the public, where appropriate; and to State or local fair housing agencies that administer substantially equivalent fair housing laws for complaint processing. Though disclosure of the information is voluntary, failure to provide some or all of the requested information may result in the delay or denial of help with your housing discrimination complaint.

Retaliation Is Illegal

It is illegal to retaliate against any person for making a complaint, testifying, assisting, or participating in any manner in a proceeding under HUD's complaint process at any time, even after the investigation has been completed. The Fair Housing Act also makes it illegal to retaliate against any person because that person reported a discriminatory practice to a housing provider or other authority. If you believe you have experienced retaliation, you can file a complaint.

Assistance for Persons with Disabilities

HUD provides a toll-free teletypewriter (TTY) line: 1-800-877-8339. You can also ask for disability-related assistance when you contact FHEO, including reasonable accommodations and auxiliary aids and services.

STATEWIDE FEDERALLY SUBSIDIZED PROPERTIES LIST

MINNESOTA FIELD OFFICE

The properties in this list accept one or more federal subsidies. Property agents accept applications if the applicant can pay the rent and meet other requirements (like having a reasonable credit history), as listed in their tenant selection policy which is available upon request to any applicant.

HUD does NOT manage this housing, nor does it take applications for housing.

Apartments may have a rent subsidy to keep rents lower; the property agent can tell you if there is one. Apartments with rent subsidy have additional requirements.
