On March 10, 2021, Marcia L. Fudge was sworn in as the eighteenth Secretary of HUD. Secretary Fudge served as U.S. Representative for the 11th Congressional District of Ohio from 2008 to March 9, 2021. She was a member of several Congressional Caucuses and past Chair of the Congressional Black Caucus. Prior to her Congressional tenure, Secretary Fudge was elected in 1999 to serve as the first female and first African American mayor of Warrensville Heights, Ohio, a position she held for two terms.

Under Secretary Fudge’s leadership, the Department of Housing and Urban Development will work to eradicate the growing homelessness issue, put an end to discriminatory practices in the housing market, and ensure that our fair housing rules are doing what they are supposed to do: opening the door for families who have been systematically locked out for generations to buy homes and have a fair shot at achieving the American dream.

Secretary Fudge’s first remarks following her swearing in are available to watch here.
As FHEO’s attorney in the Office of General Counsel in Headquarters since 2011, Ms. Worden has a deep appreciation for FHEO’s fair housing and civil rights mission. Under Ms. Worden’s leadership as Acting Assistant Secretary, HUD was the first federal agency to formally implement President Biden’s Executive Order 13988 on Preventing and Combating Discrimination on the Basis of Gender Identity or Sexual Orientation.

Ms. Worden received her J.D. from Columbia University School of Law, masters degrees from Middlebury College and The Johns Hopkins University, and an undergraduate degree from the University of Chicago. She is a member of the Virginia, District of Columbia, and Maryland bars.

Ms. Lewis currently serves as the FHEO Regional Director for Region VI. She started her federal career as a Presidential Management Intern with HUD in 1999. As the FHEO Director for the Houston and San Antonio offices, she oversaw enforcement and programs for 113 Texas jurisdictions.

Ms. Lewis earned an undergraduate degree from Mount Holyoke College in Massachusetts, a Master’s degree in Public Policy from Rockefeller College at the State University of New York, and recently completed Harvard’s Senior Executive Fellowship Program.

Ms. Lewis is an avid marathoner and triathlete who has completed 5 marathons and over 20 half-marathons around the country.

Mr. Banis joined HUD’s Office of Fair Housing and Equal Opportunity in 2002, after working at the Austin Tenants’ Council, which is a HUD-funded Fair Housing Initiatives Program (FHIP) designed to prevent or eliminate discriminatory housing practices.

Mr. Banis holds a B.A. in Public Justice from St. Mary’s University and a Juris Doctorate from the University of Texas School of Law.
COMBATING AND PREVENTING DISCRIMINATION ON THE BASIS OF GENDER IDENTITY OR SEXUAL ORIENTATION

The LGBTQ community is now protected under the Fair Housing Act as an extension of the Act’s longstanding protection against sex discrimination. The impetus for this change is the Supreme Court ruling in Bostock v. Clayton County, 590 U.S. (2020), an employment discrimination case filed under Title VII of the Civil Rights Act of 1964. In that case, the Court held that discriminatory actions taken by an employer based on an employee’s gender identity or sexual orientation cannot be made without considering sex, and such actions were also discrimination on the basis of sex.

Following the Supreme Court’s decision, President Biden issued Executive Order 13988 on Preventing and Combating Discrimination on the Basis of Gender Identity or Sexual Orientation (January 20, 2021). E.O. 13988 mandates all Federal agencies to ensure the Supreme Court’s decision is applied to every statute prohibiting sex discrimination. On February 11, 2021, Jeanine M. Worden, Acting Assistant Secretary for Fair Housing and Equal Opportunity, released a Memorandum on Implementation of Executive Order 13988 on the Enforcement of the Fair Housing Act to HUD FHEO, FHIPs, and FHAPs requiring immediate action to accept for filing complaints alleging discrimination on the basis of sexual orientation or gender identity as sex discrimination under the Fair Housing Act.

While this memorandum was released on February 11, 2020, it is retroactive to January 20th. All FHEO Regional Offices, FHAP agencies and FHIP grantees were given 30 days to review records and ensure inquiries involving gender identity or sexual orientation on or after January 20, 2021 are reviewed in accordance with E. O. 13988.

If you have any questions about these changes to the Fair Housing Act, please contact Region VI’s main hotline for FHEO at (817) 978-5900 or (800) 669-9777. You may also visit our website at hud.gov/fairhousing.

From Memorandum “At the core of this Department’s housing mission is an endeavor to ensure that all people peacefully enjoy a place they call home, where they are safe and can thrive, free from discrimination and fear. Yet, this ideal remains unrealized for lesbian, gay, bisexual, transgender, and queer-identifying persons, who have been denied the constitutional promise of equal protection under the law throughout most of American history. Courts and governments have routinely withheld legal legitimacy from loving couples because of their sex and denied many persons the freedom to express a gender that defies norms. These injustices have perpetuated across our civic institutions: the workplace, the marketplace, places of education, and many others. But among the most personal and fundamental of these institutions is housing, where, when granted the protection of fair housing law, we all can enjoy the happiness and freedom to love whom we choose and to safely express who we are”

(Jeanine M. Worden, Memorandum, February 11, 2020).
FHEO enforces the Fair Housing Act by investigating complaints of housing discrimination. HUD is assisted in these efforts by the state and local agencies in the Fair Housing Assistance Program (FHAP). Through the FHAP, HUD funds state and local agencies that administer fair housing laws that HUD has determined to be substantially equivalent to the Fair Housing Act.

Half-way into the 2021 fiscal year, Region VI assessed over 630 fair housing inquiries, in which over 230 have been converted to Complaints filed.

$32,812.00 obtained in Monetary Relief for 28 individuals impacted by housing discrimination in Oklahoma and Texas.

22 Conciliation Agreements Achieved

NOTABLE CONCILIATIONS

**Assistant Secretary for Fair Housing v. Wilhoit Properties, 06-21-9706-8**

The Assistant Secretary filed this case after former HUD Secretary Carson received a letter from a concerned resident of a property in Tulsa, Oklahoma. The resident alleged that staff at two properties managed by Respondents removed religious materials from the common area of each property and had a policy of refusing to allow the display of religious materials in the common areas of the properties. To resolve the complaint, Respondents agreed to revise their policies related to the display of religious materials in common areas and inform residents of the revised policies. Additionally, the Conciliation Agreement requires staff of over 200 properties in 16 states managed or owned by Respondents Wilhoit Properties, Inc. and Vintage Housing, Inc. (LIFE Senior Services) to attend fair housing training with a focus on religious discrimination and the revised religious materials policy.

*Click to read the press release:* [Press Release]

**Dymetrice Hall v. TMF Bailey, LLC et al., 06-20-7180-8**

In *Dymetrice Hall v. TMF Bailey, LLC et al.*, the complainant requested reasonable accommodation for herself and her son based on their disabilities. When the respondent did not respond to her request, the complainant contacted the Tulsa County Health Department about water damage and mold in her apartment. Subsequently, Ms. Hall filed a fair housing complaint with HUD, which the Department resolved.

In addition to ($5,750.00) in financial settlement, the respondent agreed to complete Fair Housing training, and they will provide certificates of attendance and a completed training quiz for each staff member trained.

**Kendra Willis v Chapman Crossing at Harris County, LP, et al., 06-20-7601-8**

In this case, the complainant alleged prior to moving to the subject property, she was shown a unit with a roll-in shower. The complainant alleged she paid a deposit for a unit at the subject property, under the belief she was reserving a unit with a roll-in shower, which she required due to using a wheelchair as a mobility device. However, Respondents offered Complainant a unit with a garden tub at move-in, and when Complainant requested a roll-in shower, Respondents did not approve Complainant’s request for more than a year. During that time, Complainant alleged she was required to shower in an accessible shower at a local community center. This complainant was resolved by Respondents agreeing to make several reasonable accommodations to Complainant’s unit, attend fair housing training, and provide a sum of $5000.00 to the Complainant for monetary relief.

**George Contreras v. Durango Midrise, LP, 06-19-5674-8**

In *George Contreras v. Durango Midrise, LP*, Complainant made several requests for reasonable accommodation/modification due to disability. Requests included being moved to a more accessible unit, having grab bars installed, and being assigned a parking space close to his unit. After making the same requests several times over the course of three months and being denied each time, the complainant had no option but to move. Mr. Contreras then filed a fair housing complaint with HUD, which was resolved.

In addition to ($7,261.71) financial relief, the complainant will receive a neutral rental reference for 3 years. The respondent has also agreed to attend training; will develop a non-discrimination fair housing policy that will include the provision of reasonable accommodation and reasonable modification; will implement and distribute their fair housing policy, post and distribute fair housing materials; will process all requests for reasonable accommodation/modification through a section 504 Coordinator; and will generate a report of all requests for reasonable accommodation/modification received by them.
These organizations continue to serve their communities on the ground through COVID-19, providing education and outreach, testing, and assisting individuals who believe they have experienced housing discrimination. THANK YOU, FHIPs!

FAIR HOUSING INITIATIVE PROGRAM PARTNERS

FHIP organizations partner with HUD to help people identify government agencies that handle complaints of housing discrimination. They also conduct preliminary investigation of claims, including sending "testers" to properties suspected of practicing housing discrimination.

In addition to funding organizations that provide direct assistance to individuals who feel they have been discriminated against while attempting to purchase or rent housing, FHIP also has initiatives that promote fair housing laws and equal housing opportunity awareness.

Below is a list of Region VI FHIP organizations:

- Legal Aid of Arkansas
- Legal Aid Services of Oklahoma, Inc.
- Metropolitan Fair Housing Council of Oklahoma
- Greater New Orleans Fair Housing Action Center
- Disability Rights Texas
- Money Management International (Texas)
- North Texas Fair Housing Center
- San Antonio Fair Housing Council
- Austin Tenants’ Council
- Greater Housing Fair Housing Center

Southern Dallas Progress Community Development Corporation’s Tenet Talk: Fair Housing Overview and How to File a Fair Housing Complaint
On Jan. 20, 2021, President Biden issued an Executive Order On Advancing Racial Equity and Support for Underserved Communities Through the Federal Government (E.O. 13985), which lays out a comprehensive and systematic approach to advancing equity throughout the federal government. The Executive Order also rescinds Executive Order 13950 – Combating Race and Sex Stereotyping which banned certain types of diversity trainings.

On Jan. 26, 2021, the President signed a Memorandum on Redressing Our Nation’s and the Federal Government’s History of Discriminatory Housing Practices and Policies, directing the Secretary of HUD to examine the effects of two rules (Affirmatively Furthering Fair Housing” (AFFH) and Disparate Impact) and take any necessary steps to implement the Fair Housing Act in a manner that affirmatively furthers fair housing and prevents practices with an unjustified discriminatory effect.
