Michigan Roundtable on Foster Youth Initiatives

Joseph Galvan, Regional Administrator
U.S. Housing and Urban Development (HUD)
Region V (Illinois, Indiana, Michigan, Minnesota, Ohio, Wisconsin)
Foster Youth have faced many housing challenges prior to the Foster Youth to Independence initiative.

With referrals for FYI/FUP vouchers, Foster Youth can have a safe, stable place to live.

STATISTICS TO REMEMBER:
- Nationally, over 20,000 foster youth “age out” each year.
- 1 in 5 foster care alumni report being homeless for some period of time after emancipating from foster care.
- 1 in 4 homeless adults is a former foster child.
In July 2019, Secretary Carson provided FYI Tenant Protection Vouchers (TPVs) for youth

---

**What It Is**

- FUP is Awarded through a Notice of Funding Availability (NOFA).
- Competitive demand means that FUP is not available in all communities and not all PHAs administer the program.
- FUP-eligible families comprise approximately 95% of current FUP participants; FUP-eligible youth make up the remaining 5%.
- FYI is an initiative to provide TPVs for youth eligible under the Family Unification Program (FUP) in communities that do not administer FUP.
- PHAs & Public Child Welfare Agencies (PCWAs) partner through a Memorandum of Understanding (MoU).
- FYI is dependent on the availability of appropriations.

---

**Eligible Foster Youth Conditions**

- Attained at least 18 years and not more than 24 years of age;
- Left foster care, or will leave foster care within 90 days, in accordance with a transition plan described in section 475(5)(H) of the Social Security Act at age 16 or older; and
- Is homeless or is at risk of becoming homeless.

---

**Administering Vouchers**

- FUP funding is allocated through a competitive process, not all PHAs administer the program. Individuals interested in obtaining a FUP voucher can access a list of FUP PHAs on HUD’s website.
- PHAs that administer the FUP, awarded any year, are not eligible to administer assistance under FYI TPV.
- FUP vouchers used by youth are limited, by statute, to 36 months of housing assistance.
- PHAs request a FYI TPV from HUD to assist eligible youth for a period of 36 months.
- PHAs are eligible if they do not administer the Family Unification Program (FUP).
- If a PHA administers FYI TPVs, the PHA can still apply to administer FUP.
The FYI Referral and Voucher Distribution Process should be started as Foster Youth ages out

1. Prior to Foster Youth aging out of foster care, the Public Child Welfare Agency (PCWA) or Independent Living (IL) Coordinator and the Foster Youth determines if FYI is the right fit.

2. PCWA/ IL Coordinator and Foster Youth begin assembling Housing Choice Voucher (HCV) paperwork for FYI/ FUP 3-6 months prior to leaving care, and begin conducting housing search.

3. PCWA sends a written referral to the Public Housing Authority (PHA) confirming the foster youth is eligible for the Foster Youth to Independence (FYI) Tenant Protection Voucher (TPV), to assist Foster Youth for a period of 36 months.

4. PHA submits a funding request for FYI TPV with HUD- required information to U.S. Department of Housing & Urban Development (HUD) to FYITPV@hud.gov.

5. HUD reviews application for errors & provides voucher funding to the PHA within 60 days. HUD generates an amended Annual Contributions Contract (ACC) grant agreement between HUD and PHA.

PHA administers the FYI TPV voucher to the Foster Youth and provides Housing Assistance Payment (HAP) to the Landlord. PCWA provides assurances to Landlord and positive youth development services through age 23. After 36 months of use, the FYI TPV assistance ends.
**To allow for the FYI Referral Process to go smoothly, PCWAs should develop a MoU with participating PHAs**

A Memorandum of Understanding (MoU) should be developed between the PCWA, PHA and CoC outlining responsibilities

(Required)
Annually, 700 foster youth in Michigan emancipate out of the system – leaving them at risk of becoming homeless.
The vision for success on FYI Initiative is to prevent and end homelessness among foster youth

With a blend of talents and perspectives from HUD, HHS, State and County Partners, PHAs, non-profits, and Foster Youth, our aim is to achieve a desired collective vision to prevent and end homelessness among foster youth and to ensure they have a safe place to call home.

FYI Initiative at the Portage Metropolitan Housing Authority

Presented by:
Marie Johnson, Section 8 Manager
Why Did PMHA Choose the FYI Initiative?

Prior to 2019, PMHA and our local Child Welfare Agency, Portage County JFS, discussed the possibility of applying for funding through the Family Unification Plan. Due to being a small county and not having an overwhelming unmet need for FUP, it was decided that we would not pursue FUP voucher funding.

However, in July 2019 PMHA learned about the new Foster Youth to Independence (FYI) Initiative. We saw that we could request as little as one FYI voucher and felt that if we could help even just one homeless or at-risk youth by providing a means by which he or she could obtain stable housing, that this was a program we needed to pursue.

PMHA reached out to Portage County JFS to begin a partnership to administer the FYI Initiative in Portage County, Ohio.
Timeline of Events

➢ July 26, 2019: FYI Initiative was announced
➢ August & September 2019: PMHA discussed partnership and program plans with Portage County JFS
➢ September 23, 2019: MOU fully executed between PMHA and Portage County JFS
➢ January 21, 2020: PMHA received its first FYI-eligible youth referral from Portage County JFS
➢ February 20, 2020: PMHA submitted a request to HUD for funding for one (1) FYI TPV
➢ February 21, 2020: The request was approved by HUD
➢ April 9, 2020: The TPV was issued to the FYI-eligible youth
➢ June 1, 2020: Our first FYI youth was successfully housed
How FYI Works on the Ground for PMHA

- The PCWA has regular meetings to determine what youth they’re working with would benefit from the FYI initiative, those are the youths they refer to PMHA.

- The PCWA has designated one staff member to submit the referral to one designated staff member at PMHA. Currently, the referral is submitted to the Section 8 Manager to be logged into a tracking spreadsheet.

- Once the referral is logged, the file is then forwarded to the Section 8 Assistant Manager, this staff member directly communicates with the PCWA and the youth. The Assistant Manager is responsible for the program in its entirety.

- Currently, communication between the PCWA and PMHA has been via email and phone calls. We have also had conference calls with staff for both agencies as we were setting up our processes and expectations for the program.
Program Successes and Lessons

- Strong communication with your partnering agencies is vital in the success of the initiative and youth you serve. The strong support is helpful for the youth, especially during their search for stable housing.
- The FYI initiative provided our youth with stable housing.
- The stable housing provide through the FYI initiative has afforded our youth the opportunity to explore furthering her education and build upon her independence.

The data regarding housing as we look at the need for FYI vouchers for youth who have experienced foster is the number of youth who reported they had been homeless in the past 2 years. In FY 16, 24% reported they had been homeless and in FY 18 33% of those same youth reported that they were homeless in the past 2 years. This highlights the overarching need to fill in the gap and explore the barriers that impact youth's stability and housing needs once they exit foster and are working toward becoming self-sufficient and independent.
