Wishing You Well this Holiday Season

We are all a little more thankful this holiday season—for our families, friends, colleagues and especially here at HUD, those we serve. This year has undoubtedly been a challenge for all of us. But, along with the social distancing and stay-at-home orders, we have all witnessed countless acts of kindness, caring and sharing. Here’s one of those stories that I’d like to share.

In past years, members of the Richmond Field Office’s AFGE Local 3380 have donated a food basket to a needy HUD-assisted family. And, in the spirit of giving along with other RFO team members, have raised donations to help a family that has experienced a tragic event in their lives, like a fire, natural disaster or who have been victims of a crime. The RFO also supports local schoolchildren by providing Back-to-School supplies each fall.

This year, members of the Local decided to adopt a family for Thanksgiving. A local faith-based family recommended the recipient. Multifamily’s Barbara Womack-Bradby, who also serves as the Local’s treasurer, had the pleasure of making the delivery to the seven-member Ndikuriyo family, residents of St. Luke’s Apartments, a HUD-assisted complex in Henrico County, Virginia. Along with the traditional turkey, the scrumptious Home Chef at Kroger-assembled Thanksgiving meal included macaroni and cheese, dressing, rolls and to top it off, sweet potato pie.

I can’t think of a better way to start the holiday season—don’t you agree? From all of us at HUD, we wish you joy and peace throughout this holiday season and into the new year.
