Section 3 (HUD Form 60002) report fields

Fields for the Section 3 (HUD Form 60002) report have been added to the system. The new fields are on 3 separate objects (Unit Work , Quarterly Report , and Grant Award). Values will be entered on the Unit Work Form. The Quarterly Report will show a sum of these fields for all Unit Work records associated with each Quarterly Report. The Grant Award will show a sum of all values from the Quarterly Report records associated with each record.   The calculation of the fields on Quarterly Report will be done once nightly, so changes made during the day will not update the totals until the next day.
