Office of Multifamily Housing
Region X Multifamily HUB

Low-Rent Apartments – Portland Metro Area
(including Clackamas, Multnomah, and Washington Counties in Oregon
and Clark County in Washington)
(April 2015)

This is a list of the privately owned apartments that have contracts with the U.S. Department of Housing and Urban Development (HUD), to provide rental assistance for some or all of their apartments. The owner or the owner's management company processes applications, maintains a waiting list for units, determines rent, and is responsible for providing the housing in accordance with HUD requirements.

To apply, contact the apartment's site manager. Contact the *Management Agent only* if you encounter a problem in the application process, or are unable to reach the site manager.

There are different tenant categories noted on the list, each with its own eligibility requirements and methods of calculating rent. Income, assets, allowances, and eligibility information must be verified from third-party sources. Certain properties serve only elderly, handicapped, or other special needs populations; these are noted. The apartment site manager can provide the specific program requirements.

GENERAL INFORMATION

Eligibility: Anyone within the appropriate income limits. Income limits are established for each locality and number of persons in the household. Income includes job earnings and interest earned from certain assets, as well as earnings of dependents who are 18 years of age or over who are not full time students, periodic lottery winnings, etc. Some projects are specifically designated for certain applicants (e.g. Elderly -- 62 years of age or older, Developmentally Disabled, AIDS/Human Immunodeficiency Virus, Physically Handicapped).

Low Income Limits: (Effective March 6, 2015)

\$41,200 for 1 person, \$47,050 for 2 persons, \$52,950 for 3 persons.

Very Low Income Limits: (Effective March 6, 2015)

\$25,750 for 1 person, \$29,400 for 2 persons, \$33,100 for 3 persons.

Other counties and family sizes have different income limits. Call the apartment manager for specific information.

Rent: Generally, tenant pays 10 percent of gross income or 30 percent of adjusted income, WHICHEVER IS HIGHER, but not less than \$25, for rent including utilities. HUD pays the difference between the tenant's share and the regular rental to the owner as housing assistance. If utilities are designated to be paid by the resident, a utility allowance is subtracted in determining the actual rent paid to the project. Utilities are then paid by the tenant directly to the utility company as billed.
