April 8, 2010  MORTGAGEE LETTER 2010-14

TO: ALL APPROVED MORTGAGEES

SUBJECT: ELECTRONIC SIGNATURES ON THIRD PARTY DOCUMENTS

This Mortgagee Letter announces that FHA will accept electronic signatures on third party documents included in the case binder for mortgage insurance endorsement in accordance with Electronic Signatures in Global and National Commerce Act (ESIGN) and the Uniform Electronic Transactions Act (UETA), as applicable. This policy is effective immediately for forward mortgages as well as Home Equity Conversion Mortgages.

Third party documents are those that are originated and signed outside of the mortgagee’s control, such as a sales contract. An indication of the electronic signature and date should be clearly visible when viewed electronically and in a paper copy of the electronically signed document. Mortgagees must employ the same level of care and due diligence with electronically signed documents that they would for paper documents with “wet” or ink signatures. Additionally, mortgagees are reminded that the origination case binder must be maintained in either hard copy or electronic format for two years from the date of endorsement [HUD Handbook 4000.2 REV-3].
