Dear Ms. Lively:

Under the provisions of the Freedom of Information Act, 5 U.S.C. 552, I am requesting access to material your office has concerning Vincent House, which is located in Fort Wayne, Ind. Specifically, I am interested in a copy of a grant application this organization has filed with your office, as well as any follow up correspondence that resulted from that application.

To aid in your search for this information, it may help you to know our records show this organization is located 2827 Holton Ave, in Fort Wayne.

If there are any fees for searching for, or copying, the records I have requested, please supply the records without informing me if the cost does not exceed \$20. If it will exceed this amount, please notify me at the above telephone number or address.

As you know, the Act permits you to reduce or waive the fees when the release of the information is considered as "primarily benefiting the public." I believe that this request fits that category and I therefore ask that you waive any fees.

If all or any of this request is denied, please cite the specific exemption which you think justifies your refusal to release the information, and provide me with you agency's administrative appeal procedures available to me under the law.\

I would appreciate your handling this request as quickly as possible, and I look forward to hearing from you within 10 working days, as the law stipulates.

Sincerely,
