Additional Overview Information

Incorporation of the General Section. HUD publishes a General Section each fiscal year that contains requirements for all applicants to HUD's various competitive grant programs, including this NOFA. Applications must meet all of the requirements of the General Section in addition to the requirements of this NOFA to be considered and potentially receive funding. The full title of the General Section is the General Section to HUD's Fiscal Year 2016 Notice[s] of Funding Availability for Discretionary Programs. Copies are available at Grants.gov or HUD's [Funds Available](http://portal.hud.gov/hudportal/HUD?src=/program_offices/administration/grants/fundsavail) page, http://portal.hud.gov/hudportal/HUD?src=/program_offices/administration/grants/fundsavail.

1. Participative Planning and Implementation. HUD encourages all applicants to HUD's competitive programs to ensure, where applicable, public decision making and meaningful participation throughout the visioning, development, and implementation of funded projects, by residents of affected areas and especially communities traditionally marginalized from planning processes. In seeking public participation, applicants and grantees must ensure that all communications are provided in a manner that is effective for persons with hearing, visual, and other communications-related disabilities consistent with Section 504 of the Rehabilitation Act of 1973 and, as applicable, the Americans with Disabilities Act. In addition Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000(d) and Executive Order 13166 require that grantees take responsible steps to ensure meaningful access to services, programs, and activities by persons with Limited English Proficiency (LEP persons).

2. OMB Approval Number(s): 2577-0281

This Notice of Funding Availability (NOFA) announces the availability of funding of approximately \$15 million for the Jobs Plus program for Public Housing Agencies (PHAs) to develop locally-based approaches to increase earnings and advance employment outcomes for Public Housing residents. The NOFA will fund initiatives to improve employment and earnings outcomes for Public Housing residents through supports such as work readiness, employer linkages, job placement and financial literacy.

To help applicants with the electronic application registration and submission process, the Department advises applicants to use the checklists, user guides, and other help features located at SAM.gov and Grants.gov websites. Both websites provide access to instructions and answers to frequently asked questions which are updated periodically.

I. Funding Opportunity Description.

A. Program Description.

1. Purpose.

The purpose of the Jobs Plus program is to develop locally-based, job-driven approaches that increase earnings and advance employment outcomes through work readiness, employer linkages, job placement, educational advancement, technology skills, and financial literacy for residents of public housing. The place-based Jobs Plus program addresses poverty among public housing residents by incentivizing and enabling employment through earned income disregards for working families and a set of services designed to support work including employer linkages, job placement and counseling, educational advancement, and financial counseling. Ideally, these incentives will saturate the target developments, building a culture of work and making working families the norm.

The Jobs Plus program consists of the following three core components (further described below):

- Employment-Related Services
- Financial Incentives – Jobs Plus Earned Income Disregard (JPEID)
- Community Supports for Work

Applicants are encouraged to develop key partnerships to connect participants with any other needed services to remove barriers to work. An Individualized Training and Services Plan (ITSP) should be developed for each participant to establish goals and service strategies, and to track progress.

These grants will employ several principles of the President’s Job Driven Training checklist (available at https://www.whitehouse.gov/sites/default/files/docs/ready_to_work_factsheet.pdf) to ensure that public housing residents are connected to a program that is using evidence-based practices that work for job seekers and employers.

- **Labor Market Data:** Successful programs will first consider the data in their local community to identify – where the available jobs are and what industries offer the most opportunities for residents to achieve long-term employment and progression along a career pathway.
- **Career Pathways:** Successful programs will also promote a seamless progression from one educational stepping stone to another and across work-based training and education, so individuals are obtaining new training and credentials on a progressive and ongoing basis.
- **Work Experience:** Successful programs will support learning opportunities with employers – including on-the-job training, internships and pre-apprenticeships and Registered Apprenticeships – as training paths to employment.
- **Access to Training:** Successful programs will break down barriers to accessing job-driven training and hiring for any public housing resident who is willing and able to work, including by providing access to job supports and relevant guidance.
- **Key Partnerships:** Finally, a successful Jobs Plus program will be collaboratively designed and implemented by local housing authorities, residents of public housing developments, Workforce Investment Boards (WIBs) and American Job Centers (AJC's, also known as One Stop Career Centers), local businesses and employers including minority and women-owned businesses, and other organizations that provide supportive services within that community.

Other suggested partners include higher education institutions, philanthropic organizations, human service agencies, vocational rehabilitation agencies, business-related and other non-profit organizations protected class advocacy groups and community and faith based organizations.

Background

HUD, the Rockefeller Foundation, and the MDRC, through a public-private partnership, designed and

supported the Jobs Plus demonstration program between 1998 and 2003. HUD has issued an evaluation report on the demonstration that showed ongoing positive effects for residents when the program was well-implemented. More information on the findings can be found at <http://www.mdrc.org/publication/promoting-work-public-housing>

Employment-Related Services

Successful applicants must partner with the Department of Labor Workforce Investment Board (WIB) and American Job Center (AJC /One-Stop) in their area to offer multiple employment-related services for residents with a range of employment needs. Local Labor Market Information (LMI) should be used both for initial planning and analysis of which employment opportunities are most available locally, as well as for monitoring ongoing trends.

Program services provided on-site should include, but need not be limited to, the following:

- Career exploration/job readiness workshops
- Job search and job placement assistance
- Entrepreneurship workshops
- Work experience including on-the-job training, internships, pre-apprenticeships and Registered Apprenticeships (HUD encourages opportunities for residents to be paid while training whenever possible)
- Facilitated connections to education and training opportunities
- Rapid re-employment assistance in the event of job loss
- Proactive post-placement job retention support and career advancement coaching
- Access to computers, phones, fax, and copy machines and other supplies for participants' employment-related uses as well as adequate training on how to use these technologies

To facilitate these employment services, applicants may consider having dedicated on-site workforce system staff to perform job developer and case manager functions. Job developers work directly with the business community to identify and create employment opportunities and act as liaisons with local employment agencies. Case managers work one-on-one with participants to guide them through the employment process and help them achieve employment-related goals.

Financial Incentives – Jobs Plus Earned Income Disregard (JPEID)

Successful applicants must also implement a financial incentive for program participants, known as the Jobs Plus Earned Income Disregard (JPEID). This component will neutralize any rent increase due to rising earned income for Jobs Plus participants, removing a major disincentive to employment. Rent incentives offered through JPEID will be reimbursed to the PHA via Jobs Plus appropriations, and should be included in the program budget. Any other compensation to the PHA for lost rent revenues, such as by the standard EID calculation in the Operating Fund, will be offset manually to prevent overpayment of HUD funds to grant recipients. Further guidance will be available at the time of the award.

All residents in a Jobs Plus development are eligible to receive the JPEID benefit, but in order to access JPEID they must sign up for the Jobs Plus program even if they do not actively participate in other Jobs Plus Activities. Residents who previously used up some or all of their lifetime EID eligibility are eligible to receive the full JPEID benefit.

Disregarded Amount. The JPEID excludes from the Family Rent calculation 100 percent of incremental earned income for the entire period of the Jobs Plus program.

Calculation of the JPEID. Once the JPEID is triggered for a family, their baseline income will not change for the duration of the term of the grant (so participants who enroll early may benefit from the JPEID longer than residents who enroll later.) To facilitate reimbursements for rent revenue losses due to the JPEID, grantees must calculate and document each participant's Family Rent both before and after the inclusion of any incremental earned income. The difference between these two rents is the amount to be reimbursed to

the PHA through JPEID. These calculations must be provided to HUD when drawing reimbursement funds.

As with any government benefit, an increase in earned income may result in the reduction or loss of other benefits that an individual was previously receiving. Grantees, through case management or other means, must be prepared to help residents understand the overall financial impact of an increase in earned income and the JPEID. It is also expected that grantees will encourage participants to take advantage of other financial work incentives they may be entitled to, such as the Earned Income Tax Credit (EITC).

Community Supports for Work

Successful applicants will incorporate a robust engagement strategy for involving the residents in the targeted development and creating a working community. Engagement is more than signing up – sustained involvement in the program leading to residents' ownership of their own growth and experiences, as well as that of peers, will yield continued benefits for both participants and future residents of the development beyond the grant period.

Program outreach should be directed towards residents at all points along the employment spectrum – from unemployed individuals with no work history to working, underemployed families with substantial work history. The application narrative should include strategies to target this wide range of potential participants, as well as strategies for retention.

One key strategy for program retention should include the use of residents as Community Coaches. Community Coaches can market the various aspects of the Jobs Plus program, disseminate information about job opportunities and programs via resident social networks in the development, mentor specific individuals or groups who enroll in Jobs Plus, and help shape program offerings and outreach efforts based on their intimate knowledge of the needs and strengths of the community.

Partnerships with Local Agencies

The comprehensive nature of the Jobs Plus program requires that PHAs establish partnerships with American Job Centers and other key social service agencies within the community. HUD and DOL have developed a toolkit and webinar which describes effective strategies for establishing partnerships between PHAs and WIBs/AJCs (see “From the Ground Up: Creating Partnerships between Public Housing Authorities and Workforce Investment Boards” at <https://www.workforce3one.org/view/5001417448285409284/info>). The toolkit provides several models for partnership that prospective applicants may want to consider.

These partnerships will serve to strengthen program planning and implementation, as well as streamline access to services for participants. For each partner identified, applicants must describe the role of the partner agency and a description of the services to be provided by the partner agency, as well as the amount of grant funding (if any) that partners will receive. Applicants should demonstrate their ability to build collaboration among all partners, regardless of whether a partner will be receiving grant funding for their services or if the services will be provided in-kind.

Partners should include:

- Workforce Investment Boards/American Job Centers
- Local welfare agencies
- Employment and training organizations
- Vocational training providers
- Community colleges and four-year educational institutions
- Other supportive service agencies providing either direct services or referrals to services that are critical for supporting successful employment

In addition to employment, training and educational supports, grantees will have the flexibility to provide other supportive services based on resident needs and local capacity. HUD expects that all services that are generally available to residents of the community will be provided in-kind from partners. Grant funds should

only be used to procure services that are not already available (by either service type or amount). Examples of the types of services that may be provided by grant funds, formal partners or the program's referral network include but are not limited to the following:

- Child care services and/or after school programs
- Transportation assistance
- Financial literacy workshops
- Legal services (e.g. expungement)
- Domestic violence prevention services
- Services for formerly incarcerated/returning citizens
- Life skills
- Other applicable local business support

2. Changes from Previous NOFA.

The 2016 Jobs Plus program NOFA does not modify the fundamental program design described in the 2015 NOFA.

Substantive changes are as follows:

- Funds will be awarded according to development size as described in Section II. A – Award Information.
- Non-Performing PHA's were not eligible to apply under the 2015 NOFA, but may now apply if certain conditions are met as described in Section III.C.3 – Eligibility Information.

3. Definitions.

a. **Eligibility Requirements** – Eligibility requirements are those requirements that must be met for an application to be eligible for funding. Deficiencies in meeting an eligibility requirement may be categorized as either curable or non-curable.

b. **Threshold Requirement** – Threshold requirements are a category of eligibility requirements. A threshold requirement is a requirement that must be met in order for an application to be reviewed. Threshold requirements are not curable.

Threshold requirements are listed in Section III.C.1 of this Program NOFA.

Applicants must ensure their application package addresses all threshold requirements. Please check your application carefully!

c. **Deficiency** – Deficiencies are not the same as errors. Errors are never curable except as permitted under Section IV.D.4. Deficiencies are items of missing or omitted information within a submitted application. Deficiencies typically involve missing documents, information on a form, or some other type of unsatisfied information requirement (e.g., an unsigned form, unchecked box, etc.). Depending on specific criteria, deficiencies may be either curable or non-curable.

d. **Curable Deficiency** – A curable deficiency is a specific type of deficiency that applicants may correct with timely action. To be curable the deficiency must:

- Not be a threshold requirement;
- Not influence how an applicant is ranked or scored versus other applicants; and
- Be remedied within the time frame specified in the notice of deficiency.

e. **Non-Curable Deficiency** – An applicant cannot correct a non-curable deficiency after the submission deadline. Non-curable deficiencies are deficiencies that if corrected would change an applicant's score or rank versus other applicants. Non-curable deficiencies may result in an application being marked ineligible, or otherwise adversely affect an application's score and final determination.

f. **Eligible Activities and Cost-** Eligible activities and costs include:

- Hiring and compensating staff such as Service Coordinators or other service related personnel (salary and fringe benefits for either Jobs Plus-specific staff or partner staff dedicated in whole or in part to providing Jobs Plus-related services).
- Providing services, such as job development and placement services; work readiness, including health screening; assistance with purchasing books, training materials, uniforms, test fees, work-related tools, interview clothing, required immunizations or health testing (e.g. TB test) or other hiring pre-requisites, etc.; education, job training, job counseling, job search skills, tutoring, mentoring, literacy, financial literacy and/or coaching; computer and internet access/on-site computer labs, and training on computer use and online technologies; counseling; transportation; and child care. (Services may be provided by the PHA or any partner/sub-contractor.)
- Rent incentives.
- Technical assistance.
- Administrative costs, such as rental of office space and related utilities, office supplies and equipment, postage, etc.
- Lease or rental of space for Jobs Plus activities is an eligible use of administrative funds, but only under the following conditions:
 - The lease must be for existing facilities not requiring rehabilitation or construction except for minimal alterations to make the facilities accessible for a person with disabilities;
 - No repairs or renovations of the property may be undertaken with Jobs Plus funds; and
 - Properties in the Coastal Barrier Resources System designated under the Coastal Barrier Resources Act (16 U.S.C. 3501) cannot be leased or rented with federal funds.
- Data collection/tracking and related software.
- Staff training/development/conferences/participating in learning networks and associated travel.
- NOTE: All program expenses must be approved by HUD and be within statutory and regulatory limitations (e.g., 2 CFR Part 200).
- NOTE: HUD reserves the right to approve or disapprove any activity and may adjust grant budget amounts accordingly within individual grants and across this grant program.

B. Authority.

Funding for this program is authorized by the Consolidated Appropriations Act, 2016, Pub. L. No. 114-113, enacted December 18, 2015.

II. Award Information.

A. Available Funds.

HUD is making available approximately **\$15,000,000** through this NOFA for Jobs Plus Initiative.

Additional funds may become available for award under this NOFA as a result of HUD's efforts to recapture unused funds, use carryover funds, or because of the availability of additional appropriated funds. Use of these funds is subject to statutory constraints. All awards are subject to the applicable funding restrictions described in the General Section and to those contained in this NOFA.

Additional funds may be made available through the FY15 ROSS program appropriations to support the service element of the Jobs Plus program.

In order to be more consistent with program implementation needs, HUD will modify its funding structure to award funds according to development size. Award funding will be determined as follows:

Development Size	Maximum Funding
200-400	\$ 2,000,000
401-600	\$ 2,500,000
601 and Up	\$ 3,000,000

B. Number of Awards.

HUD expects to make approximately 5 awards from the funds available under this NOFA.

III. Eligibility Information.

A. Eligible Applicants.

Others (see text field entitled "Additional Information on Eligibility" for clarification)

Additional Information on Eligibility:

Conditions for Eligibility of Public Housing Authorities

Eligible applicants are PHAs that operate one or more public housing developments (as designated for asset management purposes) that meet the criteria outlined in this NOFA. A list of developments that meet the criteria is provided in Appendix B however, the mere appearance of a development on this list does not necessarily mean that the development is appropriate for a Jobs Plus program.

- Federally designated tribes and tribally designated housing entities (TDHEs) are not eligible entities under this award.
- PHAs that received a Jobs Plus program grant in 2014 or 2015 are not eligible for 2016 grant funds.

If a PHA is a successful applicant for Jobs Plus funds, the PHA will be required to implement the full 48 month term of the grant at the public housing site(s) for which funds were awarded and commit to not engaging in any significant redevelopment that would result in resident relocation during the 48-month Jobs Plus implementation timeframe. Notwithstanding the above, conversion of public housing assistance to a project-based section 8 contract under the Rental Assistance Demonstration (RAD) will not itself cause the termination of Jobs Plus funds. Grantees that convert the Jobs Plus target projects(s) under RAD will be able to finish out their Jobs Plus period of performance at the subject site as long as the conversion does not entail significant relocation or result in a substantial change in building occupancy.

Criteria for Eligible Developments

- **Size:** Minimum development size of 200 non-elderly-only households. Non-elderly-only means households where at least one resident is under age 62.
- **Unemployment:** At least 50 percent of the households (excluding elderly-only households) contain no member showing earned income in PIC.
- **Place:** Because Jobs Plus is a place-based program, units to be served must be contiguous unless good cause can be shown that the program will be successful in non-contiguous developments. A detailed description as to how the program will be run from one central location and remain accessible to all residents of non-contiguous developments will be required in the rating factors. This requirement may disqualify developments on the Eligible Development list if the Asset Management Project (AMP) is for scattered sites. Only public housing development PHA residents are eligible to be served by the funding.
- **Performance:** Developments that belong to a non-performing PHA may be eligible to participate provided HUD has determined the PHA has the capacity to implement and oversee the grant successfully. A “non-performing PHA” is defined as a PHA that is designated as a troubled performer under the Public Housing Assessment System (PHAS) as listed on HUD’s most recent official Troubled List or is designated a substandard performer based on its most recent published PHAS score. See Threshold requirements in Section III.C.3 for more information.

PHAs that have more than one development already listed as eligible in Appendix B may apply to serve more than one of the eligible developments as long as they are contiguous or show in the application that they meet the required criteria for place (see above). No Request for Review of Eligibility is required prior to submitting the application.

PHAs that have developments not listed on Appendix B that they believe, when combined, meet the criteria, may submit a request for review of eligibility. PHAs may propose to combine two or more developments (e.g., two small developments) to meet the criteria for eligible developments, subject to the following conditions:

- Parts of developments cannot be combined. Only entire developments may be combined.
- The combined developments must meet the criteria for size (see above).

- The combined developments must meet the criteria for unemployment (see above).

Process for Request for Review of Eligibility. In advance of submitting this grant application, applicants whose developments are not on Appendix B but who believe a combination of developments will meet eligibility requirements, must submit a Request for Review of Eligibility of their target developments. To be considered, applicants must submit a Request via email to JobsPlus@hud.gov that lists the development name and numbers (in the format found in Appendix B) that are proposed to be combined to meet the criteria for the Jobs Plus program. HUD will review the request using the same query of PIC data on the proposed combined developments to determine if the proposed developments meet the criteria for size and unemployment (see above) that were used to generate Appendix B. HUD will respond within five working days of receipt of the request. That response will be an eligibility approval, eligibility disapproval, or a request for more information. If more information is requested, HUD will respond within five working days upon receipt of the additional information. All initial Requests for Review of Eligibility must be received no later than 20 calendar days prior to the due date of this NOFA.

HUD does not award grants to individuals. HUD will also not evaluate applications from ineligible applicants.

As required in the Code of Federal Regulations (CFR) at 2 CFR 25.200 and 24 CFR Part 5 Subpart K, all applicants for financial assistance must have an active Data Universal Numbering System (DUNS) number (<http://fedgov.dnb.com/webform>) and have an active registration in the System for Award Management (SAM) (www.sam.gov) before submitting an application. Getting a DUNS number and completing SAM registration can take up to four weeks; therefore, applicants should start this process or check their status early.

See also Section IV.B for necessary form and content information.

B. Cost Sharing or Matching.

This Program requires an applicant to leverage resources through cost sharing or matching as described below.

All applicants are required to have in place a firmly committed match contribution equivalent to at least 25 percent of their total grant amount requested. Commitments beyond 25 percent will be considered leverage. The match/leverage may be provided as a cash or in-kind donation. All agencies listed as providing match/leverage are required to provide a detailed letter on agency letterhead attesting to match/leverage signed by a person authorized to make the commitment.

In order to meet the Match Threshold according to HUD guidelines, match/leverage letters must contain:

- Letterhead of contributing agency
- Written signature of authorized individual at the contributing agency, dated between the publication date and application date of the NOFA
- Total dollar value of commitment, per year of grant and overall
- For in-kind matches, detailed calculations showing how the total dollar value was derived
 - For match based on participants served, the calculation should be: $__ \text{ residents} \times __ \text{ cost of program per resident per year} \times __ \text{ years of grant} = \text{total commitment}$
 - Example – ABC agency is committing 5 slots per year in a computer training program. The match commitment letter must read: $5 \text{ slots} \times \$100 \text{ per slot} \times 4 \text{ years} = \$2,000$
 - For match based on staff/volunteer time, the calculation should be: $__ \text{ hours per year} \times __ \text{ hourly rate} \times __ \text{ years of grant} = \text{total commitment}$
 - Example – XYZ agency is committing 20 hours of volunteer time per week to operate a drop-in daycare center. The match commitment letter must read: $20 \text{ hours per week} \times$

\$7.50 per hour x 52 weeks x 4 years = \$31,200

- For match based on a set resource, the calculation should be: __ monthly rate x __ months per year x __ years of grant = total commitment
 - Example – 123 PHA is committing case manager office space and associated utilities. The match commitment must read: 800 square feet x \$1.50/sq. foot x 12 months x 4 years = \$57,600
- Calculations must be clear and able to be repeated by reviewers
- Number of participants served must be reasonable and appropriate for the size of the development and proposed program
- For cash match, the source of the funds must be clearly stated but calculations are not necessary
- Explanation of how the contributed resource relates to the success of participants in the Jobs Plus program

Applicants proposing to use their own, non-Jobs Plus resources to provide match or leverage must also have a letter of commitment indicating:

- The type of match/leverage (cash or in-kind);
- The source of the match/leverage;
- The value of the match/leverage; and
- How the match/leverage will be used.

PHA Operating and Capital Funds may be used as match, if used for purposes eligible under the programs. Regular PHA staff time is not eligible to be used for match.

In-kind contributions may include, but are not limited to, items in the following list. All must be related to the activities of the Jobs Plus program.

- The rental value of a building or space in a building donated for Jobs Plus purposes;
- Other infrastructure for Jobs Plus purposes;
- Time and services contributed by volunteers;
- Staff salaries and benefits of service providers (PHA staff time may not be counted);
- The value of supportive services provided by a partner agency
- TANF services:
 - Existing and newly generated TANF cash benefits (for individuals) will not be accepted as a resource for match funding.
 - Existing and newly generated non-cash services provided by TANF agencies may be accepted as a resource for match funding.

Wages projected to be paid to residents through jobs or projected benefits (e.g., health/insurance/retirement benefits) related to projected resources to be provided by the Jobs Plus program may not be counted.

If preferred, match commitments may be laid out in the MOU specified in section III.C.1.c, below, instead of a Match Commitment letter, but must contain all calculations described above. The letterhead requirement does not apply if match is detailed in the MOU.

Applicants that do not demonstrate the minimum match and attach corresponding match commitment letters and/or MOUs will not receive further consideration for funding.

C. Other.

All applicants must comply with the following requirements, which may determine whether your application is reviewed or make your application ineligible for funding. Eligibility criteria for this competition include:

1. Threshold Requirements.

Applicants who fail to meet any of the following threshold eligibility requirements will be deemed ineligible. Applications from ineligible applicants will not be evaluated. See also Section I.A.3 Definitions.

a. **Timely Submission of Applications** – Applications submitted after the deadline stated within this NOFA and that do not meet the requirements of the grace period policy will be marked late. Late applications are deemed ineligible and will not be considered for funding. See also Section IV Application and Submission Information, part D.

b. **Civil Rights Matters** – Outstanding civil rights matters must be resolved prior to the application deadline.

(1) Applicants having any of the charges, cause determinations, lawsuits, or letters of findings referenced in subparagraphs (a) – (e) that have not been resolved to HUD’s satisfaction before or on the application deadline date are ineligible for funding.

(a) Charges from HUD concerning a systemic violation of the Fair Housing Act or receipt of a cause determination from a substantially equivalent state or local fair housing agency concerning a systemic violation of a substantially equivalent state or local fair housing law proscribing discrimination because of race, color, religion, sex, national origin, disability or familial status;

(b) Status as a defendant in a Fair Housing Act lawsuit filed by the Department of Justice alleging a pattern or practice of discrimination or denial of rights to a group of persons raising an issue of general public importance pursuant to 42 U.S.C. 3614(a);

(c) Status as a defendant in any other lawsuit filed or joined by the Department of Justice alleging a pattern or practice or systemic violation of Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Section 109 of the Housing and Community Development Act of 1974, Title II of the Americans with Disabilities Act, or a claim under the False Claims Act related to fair housing, nondiscrimination, or civil rights generally including an alleged failure to affirmatively further fair housing;

(d) Receipt of a letter of findings identifying systemic noncompliance with Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Section 109 of the Housing and Community Development Act of 1974; or Title II of the Americans with Disabilities Act; or

(e) Receipt of a cause determination from a substantially equivalent state or local fair housing agency concerning a systemic violation of provisions of a state or local law prohibiting discrimination in housing based on sexual orientation, gender identity, or lawful source of income.

(2) HUD will determine if actions to resolve the charge, cause determination, lawsuit, or letter of findings taken before the application deadline date are sufficient to resolve the matter. Examples of actions that may be considered sufficient to resolve the matter include, but are not limited to:

(a) Current compliance with a voluntary compliance agreement signed by all the parties;

(b) Current compliance with a HUD-approved conciliation agreement signed by all the parties;

(c) Current compliance with a conciliation agreement signed by all the parties and approved by the state governmental or local administrative agency with jurisdiction over the matter;

(d) Current compliance with a consent order or consent decree; or

(e) Current compliance with a final judicial ruling or administrative ruling or decision.

c. **Memorandum of Understanding (MOU)** – Applicants must establish and maintain a working relationship with the local Workforce Investment Board and/or local American Job Center (formerly known as One-Stop Center). In order to meet the threshold requirement, the applicant must submit documentation of this relationship in the form of a MOU between the Housing Authority and the local Workforce Investment Board or American Job Center/One-Stop Center. The MOU must identify roles and responsibilities of the signatory agencies, and have been signed by all parties between the date of publication of this NOFA and the application due date. If there is an MOU already in place, the parties must execute an Addendum that specifically references the Jobs Plus Program for Fiscal Year 2016, and meets the date requirements above.

d. **Match** – Applicants that do not demonstrate the minimum match through the attachment of detailed match commitment letters as described in this NOFA Section III.B will not receive further consideration for funding.

e. **Rent Incentives** – Applicants that request more than 60% of their grant be used for rent incentives will be rejected.

2. Statutory and Regulatory Requirements.

a. Compliance with Nondiscrimination and Related Requirements.

Compliance with Fair Housing and Civil Rights Laws.

Applicants and their prospective subrecipients must comply with all applicable fair housing and civil rights requirements in 24 CFR 5.105(a), including, but not limited to, the Fair Housing Act; Title VI of the Civil Rights Act of 1964; Section 504 of the Rehabilitation Act of 1973; Title II and Title III of the Americans with Disabilities Act of 1990; and Section 109 of the Housing and Community Development Act of 1974. Applicants, and their prospective subrecipients, who are conducting programs or activities within a state or local jurisdiction that has passed a law prohibiting discrimination in housing based upon sexual orientation or gender identity, or a law prohibiting discrimination in housing based on lawful source of income, must comply with the law(s) of the state or locality in which the program activities are conducted.

Physical Accessibility. Note that all meetings must be held and services provided in facilities that are physically accessible to persons with disabilities. Where physical accessibility is not achievable, successful applicants must give priority to alternative methods of product or information delivery that offer programs and activities to qualified individuals with disabilities in the most integrated setting appropriate in accordance with HUD's implementing regulations for section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794) at 24 CFR part 8. In addition, all notices of and communications during all training sessions and public meetings shall be provided in a manner that is effective for persons with hearing, visual, and other communication-related disabilities or provide other means of accommodation for persons with disabilities consistent with section 504 of the Rehabilitation Act of 1973 and HUD's section 504 regulations. See 24 CFR section 8.6.

Affirmatively Furthering Fair Housing.

Section 808(e)(5) of the Fair Housing Act requires HUD to affirmatively further the purposes of the Fair Housing Act in its housing and urban development programs. Accordingly, HUD requires recipients of funds that are not specifically exempted to take affirmative steps to further fair housing. An applicant must discuss how it is going to carry out the proposed activities in a manner that affirmatively furthers fair housing in complete compliance with Section 808(e)(5) of the Fair Housing Act.

Applicants should note that this requirement, which is listed in Section III.C.1.b of the FY 2016 General Section, has been modified under this NOFA. Section III.C.1.b of the FY 2016 General Section generally requires applicants to submit a statement (unless otherwise stated in the program NOFA) describing how it is going to carry out the proposed activities in a manner that is in compliance with Section 808(e)(5) of the Fair Housing Act, which requires the Department to affirmatively further the purposes of the Fair Housing Act in its housing and urban development Programs. Applicants under this NOFA do not have to include a statement on Affirmatively Furthering Fair Housing (AFFH) in their application; instead, successful applicants are required to undertake to take affirmative steps to further fair housing.

Improving Access to Services for Persons with Limited English Proficiency (LEP).

Executive Order 13166 seeks to improve access to federally assisted programs and activities for individuals who, as a result of national origin, are limited in their English proficiency. Applicants obtaining federal financial assistance from HUD shall take reasonable steps to ensure meaningful access to their programs and activities to LEP individuals. As an aid to recipients, HUD published Final Guidance to Federal Financial Assistance Recipients: Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons (LEP Guidance) in the Federal Register on January 22, 2007 (72 FR 2732). For assistance and information regarding LEP obligations, go to

www.lep.gov/guidance/HUD_guidance_Jan07.pdf. For more information on LEP, please visit www.hud.gov/offices/ftheo/promotingfh/lep.cfm.

b. HUD Agency Wide or Federal Government Wide Requirements.

(1) Outstanding Delinquent Federal Debts – It is HUD policy, consistent with the purposes and intent of 31 U.S.C. 3720B and 28 U.S.C. 3201(e), that applicants with outstanding delinquent federal debt will not be eligible to receive an award of funds, unless:

- (a) A negotiated repayment schedule is established and the repayment schedule is not delinquent, or
- (b) Other arrangements satisfactory to HUD are made prior to the award of funds by HUD. If satisfactory arrangements cannot be completed within 90 days of notification of selection, HUD will not make an award of funds to the applicant, and instead offer the award to the next eligible applicant. HUD may act earlier than the above stated 90 days to ensure, in HUD’s determination, that the funds can be obligated in a timely manner. Applicants selected for funding, or awarded funds, must report any changes in status of current agreements covering federal debt. HUD may withhold funding, terminate an award, or seek other remedies from a grantee if a previously agreed-upon payment schedule has not been followed or a new agreement with the federal agency to which the debt is owed has not been signed.

(2) Pre-Award Accounting System Survey – HUD will not award or disburse funds to applicants that do not have a financial management system that meets federal standards. HUD may arrange for a pre-award survey of any such financial management system for applicants selected for award who have not previously received federal financial assistance, where HUD Program officials have reason to question whether a financial management system meets federal financial management standards, or for applicants considered high risk based upon past performance or financial management findings.

(3) Debarments and/or Suspensions – In accordance with 2 CFR part 2424, no award of federal funds may be made to debarred or suspended applicants, or those proposed to be debarred or suspended from doing business with the Federal Government.

(4) False Statements – A false statement in an application is grounds for denial or termination of an award and possible punishment, as provided in 18 U.S.C. 1001.

(5) Do Not Pay Website Review – As part of the Improper Payments Elimination and Recovery Improvement Act (IPERIA) of 2012, in making funding determinations HUD will look up applicant information on the Federal website <http://www.donotpay.treas.gov/>. The Do Not Pay Portal is intended to prevent improper payments and can be used by HUD to ensure that applicants that receive funding do not owe funds to the federal government; are not on the Excluded Parties List System (EPLS); the List of Excluded Individuals/Entities List (LEIE); the Social Security Administration (SSA) Death Master File (DMF); or other federal databases that would provide adverse information regarding the applicant. HUD reserves the right to:

- (a) Deny funding, or in the case of a renewal or continuing award, consider suspension or termination of an award immediately for cause,
- (b) Require the removal of any key individual from association with management or implementation of the award, and
- (c) Make appropriate provisions or revisions with respect to the method of payment or financial reporting requirements.

(6) Conducting Business in Accordance with Ethical Standards/Code of Conduct – Applicants are required to develop and maintain a written code of conduct in accordance with 2 CFR 200.112 and 200.318. Codes of conduct must prohibit real and apparent conflicts of interest that may arise among officers, employees, or agents; prohibit the solicitation and acceptance of gifts or gratuities by officers, employees, or agents for their personal benefit in excess of minimal value; and outline administrative and disciplinary actions available to remedy violations of such standards.

Pursuant to applicable Federal and HUD regulations, applicants must disclose in writing any potential

conflict of interest and all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal award.

Before entering into an agreement with HUD, applicants selected to receive funding under a Program NOFA must submit an up-to-date copy of their code of conduct. Applicants with codes already on file with HUD do not need to resubmit a new code unless the information on file has changed. New or updated submissions must be dated and signed by the Executive Director, or Chair, or equivalent official, of the governing body of the organization. Applicants must also describe the methods to be used to ensure that all officers, employees, and agents are aware of and have agreed to adhere to the code of conduct.

(7) Conflict of Interest of Consultants or Technical Experts Assisting HUD – Consultants and technical experts who assist HUD in rating and ranking applications for funding under published FY 2016 Program NOFAs are subject to 18 U.S.C. 208, the federal criminal conflict-of-interest statute, and the Standards of Ethical Conduct for Employees of the Executive Branch regulation published at 5 CFR part 2635. As a result, consultants and technical experts who have assisted or plan to assist applicants with preparing applications for FY 2016 Program NOFAs may not serve on a selection panel and may not serve as a technical advisor to HUD. Anyone involved in rating and ranking FY 2016 Program NOFA applications, including departmental staff, experts and consultants must avoid conflicts of interest or the appearance of such conflicts. These individuals must also disclose to HUD’s Office of General Counsel Ethics Law Division the following information, if applicable:

(a) How the selection or non-selection of any applicant under a FY 2016 Program NOFA will affect the individual’s financial interests, as provided in 18 U.S.C. 208, or

(b) How the application process involves a party with whom the individual has a covered relationship under 5 CFR 2635.502.

The consultant or technical expert assisting HUD must disclose this information before participating in any matter regarding an FY 2016 program NOFA. Applicants with questions regarding these provisions or concerning a conflict of interest, please call the Office of General Counsel, Ethics Law Division, at (202) 708-3815 (this is not a toll-free number). The phone number above may also be reached by individuals who are deaf or hard of hearing, or who have speech disabilities, through the Federal Relay Service’s teletype service at 1-800-877-8339.

(8) Prohibition Against Lobbying Activities – Applicants are subject to the provisions of Section 319 of Public Law 101-121, 31 U.S.C. 1352, (the Byrd Amendment) and 24 CFR part 87, which prohibit recipients of federal contracts, grants, or loans from using appropriated funds for lobbying the executive or legislative branches of the Federal Government in connection with a specific contract, grant, loan, or cooperative agreement. In addition, applicants must disclose, using Standard Form LLL (SFLLL), “Disclosure of Lobbying Activities,” any funds, other than federally appropriated funds, that will be or have been used to influence federal employees, members of Congress, or congressional staff regarding specific grants or contracts. Federally-recognized Indian tribes and tribally designated housing entities (TDHEs) established by federally-recognized Indian tribes as a result of the exercise of the tribe’s sovereign power are excluded from coverage of the Byrd Amendment, but state-recognized Indian tribes and TDHEs established only under state law shall comply with this requirement. Applicants must submit the SFLLL if they have used or intend to use non-federal funds for lobbying activities.

(9) Consistency with the Consolidated Plan and Analysis of Impediments (AI)/Assessment of Fair Housing – Certain competitive Programs require applications to contain a certification of consistency with a HUD-approved Consolidated Plan. This certification means that the proposed activities are consistent with the jurisdiction’s strategic plan, and the location of the proposed activities is consistent with the geographic areas specified in the Consolidated Plan. The Consolidated Plan also includes the jurisdiction’s certification to affirmatively further fair housing which means, among other requirements, that the jurisdiction has conducted an AI/Assessment of Fair Housing. If a program NOFA requires a certification of consistency with the Consolidated Plan and you fail to provide the certification, and you do not cure the omission as a

technical deficiency, HUD will not fund the application.

Under HUD's regulations at 24 CFR 91.2(d), an applicant's PHA Plan must include a certification by the appropriate state or local official that the PHA Plan is consistent with the applicable Consolidated Plan for the jurisdiction in which the PHA is located and must describe the manner in which the applicable contents of the PHA Plan are consistent with the Consolidated Plan. To the extent that a proposal funded under this NOFA is addressed or should be addressed in the PHA Plan, it must be certified to be consistent with the Consolidated Plan.

3. Program Specific Requirements.

Non-Performing PHAs. Non performing PHAs (per the definition in Section III.A) must submit a justification explaining their capacity to manage a grant despite their non-performing status. PHA's may contact their field office representative to determine if they are on the Troubled list. When applications are received, a list of non-performing PHA applicants will be forwarded to the Office of Field Operations along with any submitted justifications. The Office of Field Operations will make a pass/fail determination on whether the non-performing PHA's application can be scored. If an applicant is selected for funding and it is deemed necessary by HUD, applicants may be required enter into a Recovery Agreement with HUD, which may include contracting with an entity acceptable to the HUD field office to act as Contract Administrator for the program.

Tribes or Tribally Designated Housing Entities (TDHEs). This program is not open to federally designated tribes or tribally designated housing entities

Subawards Subrecipients. This program does not allow subawards or subrecipients.

Technical Assistance. HUD encourages PHAs and partners to seek technical assistance in implementing a successful Jobs Plus program. Technical assistance is an eligible use of funds and should be accounted for in the budget; however HUD reserves the right to approve all technical assistance and providers for the PHA. Further guidance will be issued upon grant award.

Data Sharing. Applicants must agree to share any and all data gathered as part of the Jobs Plus program with HUD or HUD designees upon HUD's request. This includes, but is not limited to, data on program management, outcomes, participants and expenditures.

4. Criteria for Beneficiaries.

This program has eligibility criteria for beneficiaries.

You must refer to Sections V, III.C.2.b., and III.3 of the General Section for information on the following eligibility requirements. These requirements may, where applicable, determine whether your application is reviewed or make your application ineligible for funding:

- Resolution of civil rights matters;
- Compliance with nondiscrimination and other requirements, including but not limited to:
 - compliance with all applicable fair housing and civil rights laws;
 - affirmatively furthering fair housing;
- Delinquent Federal debts
- Financial management systems that meet Federal standards;
- Debarment and/or suspension from doing business with the Federal Government;
- False statements;
- Do Not Pay review and compliance with the Improper Payments Elimination and Recovery Improvement Act of 2012;
- Standards of ethical conduct/code of conduct;

- Conflicts of interest.

IV. Application and Submission Information.

A. Obtaining an Application Package

An electronic copy of the Application Package and Application Instructions for this NOFA can be downloaded from Grants.gov at <http://www.grants.gov/applicants/apply-for-grants.html>. Except for Continuum of Care applications, or unless an applicant received a waiver for good cause, all applications must be submitted electronically via Grants.gov. The Continuum of Care application is submitted through HUD's e-snaps system.

An applicant demonstrating good cause may request a waiver from the requirement for electronic submission. For example, a lack of available Internet access in the geographic area in which the applicant's business offices are located. Applicants that cannot submit their applications electronically and must seek a waiver of the electronic grant submission requirements must submit a waiver request so that the request is received at least 15 days before the application deadline. If HUD waives the requirement, HUD must receive your paper application before the deadline of this NOFA. To request a waiver and receive a paper copy of the application materials, you should contact:

Email: JobsPlus@hud.gov

The subject line of the email message should be "FY 2016 Jobs Plus NOFA Waiver Request". If an applicant is granted a waiver, then the approval will provide instructions for submitting paper copies to the appropriate HUD office(s). See Section VI.A.3 of the General Section ("Obtaining a Paper Application") and Section VI.A.2 of the General Section ("Obtaining a Waiver of Electronic Submission Requirements") for more information.

B. Content and Form of Application Submission.

To ensure that the correct Application Package and Application Instructions are used, applicants must verify that the CFDA Number and CFDA Description on the first page of the Application Package downloaded from Grants.gov, as well as the Funding Opportunity Title, and the Funding Opportunity Number match the Program and NOFA to which they are applying. Applications will only be considered for the competition indicated in box 11, 12, and 13 on the SF-424 submitted in the application.

Most applicants for Jobs Plus will answer "Yes" to Part I Threshold Question 2. If you answered Yes to Question 2, you must fill in the rest of the form (Parts II and III) even if the answers are "N/A". If you answer "No" to Question 2, you will not need to fill out the rest of the form, but you still must send it in. It will be considered signed as a result of your electronic application submission.

C. System for Award Management (SAM) and Dun & Bradstreet Universal Numbering System (DUNS) Number.

1. SAM Registration Requirement.

Applicants must be registered with SAM before submitting their application. In addition, applicants must continue to maintain an active SAM registration with current information at all times during which they have an active Federal award or an application or plan under consideration by HUD.

2. DUNS Number Requirement.

Applicants must provide a valid DUNS number in their application. DUNS numbers may be obtained for free at <http://fedgov.dnb.com/webform>.

D. Application Submission Dates and Times.

The application deadline is 11:59:59 p.m. Eastern time on **06/13/2016**. Applications must be received no later than the deadline.

Submit your application to Grants.gov unless a waiver has been issued allowing you to submit your application in paper form or you are applying for the Continuum of Care program. The Continuum of Care application is submitted through HUD’s e-snaps system. Instructions for submitting your application to Grants.gov are contained within the Application Package you downloaded from Grants.gov. Instructions for submitting your paper application will be contained in the waiver of electronic submission.

Your application must be both **received and validated** by Grants.gov. Your application is “received” when Grants.gov provides you a confirmation of receipt and an application tracking number. **If you do not see this confirmation and tracking number, your application has not been received.**

After your application has been received, your application still must be validated by Grants.gov. During this process, your application may be “validated” or “rejected with errors.” To know whether your application

was rejected with errors and the reason(s) why, you must log into Grants.gov, select “Applicants” from the top navigation, and select “Track my application” from the drop-down list. If the status is “rejected with errors,” you have the option to correct the error(s) and resubmit your application before the Grace Period ends. **If your application was “rejected with errors” and you do not correct these errors, Grants.gov will not send your application to HUD, and HUD will not review your application.** If your status is “validated” your application will be forwarded to HUD by Grants.gov.

1. Amending or Resubmitting an Application.

Before the submission deadline, applicants who choose to amend an application that has been validated by Grants.gov may resubmit a revised application containing the new or changed material. The resubmitted application must be received by the applicable deadline.

2. Grace Period for Grants.gov Submissions.

If an application is received by Grants.gov before the deadline, but is rejected with errors, applicants have a grace period of 24 hours beyond the application deadline to submit a corrected application that is received and validated by Grants.gov. Any application submitted during the grace period that does not meet the criteria above will not be considered for funding. There is no grace period for paper applications.

3. Late Applications.

An application received after the Program NOFA deadline date that does not meet the requirements of the grace period policy will be marked late, and will not be considered for funding.

4. Corrections to Deficient Applications.

Except as provided by the electronic submission grace period described in this notice, HUD may not consider any unsolicited information that applicants may want to provide after the application deadline. (Refer to 24 CFR part 4, subpart B.) In addition, HUD may not seek clarification of items or responses that improve the substantive quality of an applicant’s response to any rating factors or which correct deficiencies which are in whole or part of a rating factor, including items that impact bonus points. HUD may contact the applicant to clarify other items in its application. In order not to unreasonably exclude applications from being rated and ranked in situations where there are curable deficiencies, HUD will notify applicants of each technical deficiency and will do so on a uniform basis.

If HUD finds a curable deficiency in an application, HUD will notify the applicant by email describing the clarification or technical deficiency. HUD will send an email to the person designated in item 8F of the SF424 and to the person listed as the authorized representative in item 21 of the SF424. Both email notifications will be sent from HUD with confirmation of delivery receipt requested. The email notifications will be the official notification of the need to cure a technical deficiency. It is the responsibility of applicants to provide accurate email addresses for receipt of these notifications and to monitor their email accounts to determine whether a cure letter has been received. The applicant must carefully review the request for cure of a technical deficiency and must provide the response in accordance with the instructions contained in the deficiency notification.

Clarifications or corrections of technical deficiencies must be received by HUD within the time limits specified in the notification. In no case shall the time allowed to correct deficiencies exceed 14 calendar days or be less than 48 hours from the date of the email notification. The start of the cure period will be the date stamp on the email HUD sends to the applicant. If the deficiency cure deadline date falls on a Saturday, Sunday, federal holiday, or other day when HUD’s Headquarters offices in Washington, DC, are closed, then the applicant’s correction must be received on the next day that is not a Saturday, Sunday, or federal holiday, or other day when the HUD’s Headquarters offices in Washington, DC, are closed.

Curable deficiency items must be submitted via email addressed to ApplicationSupport@hud.gov. When

submitting technical deficiency cure items you must enter “Technical Cure” plus the Grants.gov application tracking number in the subject line of the email (e.g., Subject: Technical Cure - GRANT123456). If this information is not included, HUD will not be able to match the response to the application under review and the application may therefore be rejected due to the deficiency.

Corrections to a paper application should be sent in accordance with and to the address indicated in the notification of deficiency. HUD will treat a paper application submitted in accordance with a waiver of electronic application that contains the wrong DUNS number as having a technical deficiency. Failure to correct the deficiency and meet the requirement to have a DUNS number and active registration in SAM will render the application ineligible for funding.

E. Intergovernmental Review.

This program is not subject to Executive Order 12372, Intergovernmental Review of Federal Programs.

F. Funding Restrictions.

Ineligible Activities. Funds under this Jobs Plus NOFA may not be used for performance of routine PH or HCV program functions, or for renovation or repairs of the property, beyond minimal alterations in order to make the facilities accessible for a person with disabilities.

Indirect Cost Rate

Indirect Cost Rate: No restrictions, applicants may use their negotiated rate or the *de Minimis* rate (10% of Modified Total Direct Costs).

G. Other Submission Requirements.

1. Discrepancies between the NOFA on Grants.gov and Other Documents.

The Program NOFA posted at the Grants.gov website is the official document HUD uses to solicit applications. Applicants are advised to review their application submission against the requirements in the posted Program NOFA. If there is a discrepancy between the Program NOFA posted on Grants.gov and other information provided in any other copy or version or supporting documentation, the posted Program NOFA located at www.Grants.gov prevails. If discrepancies are found, please notify HUD immediately by calling the program contact listed in the Program NOFA. HUD will post any corrections or changes to a Program NOFA on the Grants.gov website. Applicants who enroll an email address at the application download page will receive an e-mail alert from Grants.gov in the event the opportunity is changed.

2. Application Certifications and Assurances.

Applicants signing the SF424 cover page either through electronic submission or in paper copy submission (for those granted a waiver) affirm that the certifications and assurances associated with the application are material representations of the facts upon which HUD will rely when making an award to the applicant. If it is later determined that the signatory to the application submission knowingly made a false certification or assurance or did not have the authority to make a legally binding commitment for the applicant, the applicant may be subject to criminal prosecution, and HUD may terminate the award to the applicant organization or pursue other available remedies. Each applicant is responsible for including the correct certifications and assurances with its application submission, including those applicable to all applicants, those applicable only to federally-recognized Indian tribes, and those applicable to applicants other than federally-recognized Indian tribes. All program-specific certifications and assurances are included in the program Instructions Download on Grants.gov.

3. Lead Based Paint Requirements

Not Applicable

4. Indirect Cost Rate (ICR)

If you are a governmental organization or agency that receives more than \$35 million in federal funding, you are required to request an Indirect Cost Rate from your cognizant agency (2 CFR 200 Appendix VII). If you have not requested an indirect cost rate or have not received a negotiated indirect cost rate, you may not claim indirect costs until you receive a negotiated rate.

Non-governmental organizations: If your organization has never had an indirect cost rate and wishes to use the *de minimis* rate, your application's budget narrative must clearly state you intend to use the *de minimis* 10% of Modified Total Direct Costs (MTDC). If you are using a negotiated indirect cost rate, your application must clearly state the approved rate and distribution base and include a letter or other documentation from the cognizant agency showing the approved rate.

Governmental organizations: If your organization has a negotiated indirect cost rate, your application's budget narrative must include the rate and a letter or other documentation from the cognizant agency showing the negotiated rate. If your organization has prepared and maintains documentation supporting an indirect rate proposal but has not negotiated approval of the rate, your application's budget narrative must include the rate and applicable distribution base. State and local government departments that have never negotiated indirect cost rates with the Federal government and receive less than \$35 million in direct Federal funding per year may use the 10% *de minimis* indirect cost rate, and must keep the documentation of this decision on file. Federally recognized Indian tribes that have never negotiated an indirect cost rate with the Federal government may also use the 10% *de minimis* rate and must keep the documentation of this decision on file.

V. Application Review Information.

A. Review Criteria.

1. Rating Factors

Threshold Requirements. Applicants that meet all of the General Section and non-General Section threshold requirements listed on this NOFA will be eligible to be scored and ranked based on the total number of points allocated for each of the four rating factors described below in this section.

Award Factors. Each of the factors is weighted as indicated by the number of points that are assigned to it. The total maximum score that can be attained is 100 points. Applicants should be certain that each of these factors is adequately addressed. To the extent feasible, include all the needed information with the response to each rating factor. If the response to a particular rating factor cites information provided in the response to another factor, clearly indicate where the information is located so that the information can be easily located by the reviewer. In order to be awarded full points for each rating factor, you must provide comprehensive, high-quality responses to each of the requested items in each factor.

 - The minimum required match is 25% of the grant total. For a \$3 million grant (the maximum award) the minimum required match would be \$750,000.

Rating Factor 4- Match/Leveraging - No Page Limit **Maximum Points: 4**

Match/Leverage – both financial and in-kind – is an essential element of Jobs Plus. Jobs Plus grant dollars enable grantees to leverage other local, state and federal resources to catalyze significant change in employment outcomes for public housing residents. Federal sources are generally not allowed to be used as match or leverage unless otherwise permitted by that program’s authorizing statute. HUD encourages applicants to create a comprehensive continuum of committed resources that support the proposed program. To receive points under this rating factor, leveraged resource commitments must directly contribute to the Jobs Plus program. Please include a table in your response to this rating factor in the following format summarizing the leverage commitments you have secured:

Organization	Brief Description of Cash/In-Kind to be Provided	Amount of Match /Leverage
Q Organization	Adult Literacy	\$120,000

Y Organization	Asset Building and GED	\$50,000
Total		\$170,000

HUD will use the ratio of grant funds requested to the dollar value of documented, committed resources leveraged from other sources.

Leverage Ratio	Points Awarded
101 percent or more of the requested grant amount	4
76 percent to 100 percent of the requested grant amount	3
51 percent to 75 percent of the requested grant amount	2
26 percent to 50 percent of the requested grant amount	1
25 percent of the requested grant amount	0

For each entity listed on the Match/Leverage Chart, the application must contain a corresponding Match Commitment Letter containing the information required in Section III.B – Match. Applications without the required Match Commitment Letters will not meet the 25% match threshold and will not be considered for funding.

2. NOFA Priorities.

HUD encourages applicants for funding to undertake programs and projects that contribute to HUD's NOFA Priorities. Applicants that undertake activities that result in achievement of specific NOFA Priorities listed below are eligible to receive priority points in the rating of their application. These points will be awarded only if the application otherwise meets or exceeds the Program's minimum fundable score based on the rating factors of this NOFA.

Priority points are not available for this program.

This program does not award NOFA priority points.

Promote Economic Development and Economic Resilience: One of HUD's goals is to build strong, resilient, and inclusive communities. Strong communities provide job opportunities for all including low-income residents. The goals and design of the Jobs Plus Program automatically meet the priority of promoting economic development and economic resilience. Therefore applicants do not need to provide additional language addressing this NOFA priority.

3. Bonus Points.

In support of certain inter-agency initiatives, HUD awards bonus points to projects where the preponderance of work will occur in a designated zone, community or region. **These points will be awarded only if the application otherwise meets or exceeds the Program's minimum fundable score based on the rating factors of this NOFA.**

HUD encourages activities in communities with Preferred Sustainability Status (PSS) and/or Promise Zones (PZ), HUD will award two (2) points for qualified activities within a designated zone or area and supporting either or both initiative(s). In no case will HUD award more than two bonus points for these activities.

a. To receive **Preferred Sustainability Status Communities Bonus Points**, applicants must submit form HUD2995, Certification of Consistency with Sustainable Communities Planning and Implementation, signed by the designated Preferred Sustainability Status Community point of contact. Designated PSS Communities Points of Contacts can be found on HUD's website at http://portal.hud.gov/hudportal/HUD?src=/program_offices/administration/grants/nofa11/psscontacts.

b. To receive **Promise Zones Bonus Points**, applicants must submit form HUD 50153, Certification of Consistency with Promise Zone Goals and Implementation, signed by the Promise Zone Official authorized to certify the project meets the criteria to receive bonus points. To view the list of designated Promise Zones and persons authorized to certify, please go to <https://www.hudexchange.info/promise-zones/promise-zones-designees/>.

B. Reviews and Selection Process.

1. Past Performance

In evaluating applications for funding HUD will take into account an applicant's past performance in managing funds, including, but not limited to: the ability to account for funds appropriately; the timely use of funds received from HUD or other federal, state, or local programs; the timely submission and quality of reports submitted to HUD; meeting program requirements; meeting performance targets as established in Logic Models or other performance evaluation tools approved as part of the grant agreement; the timelines for completion of activities and receipt of promised matching or leveraged funds; and the number of persons to be served or targeted for assistance. Before making a Federal award, HUD is required by 31 U.S.C. 3321 and 41 U.S.C. 2313 note to review information available through any OMB-designated repositories of government-wide eligibility qualification or financial integrity information, such as Federal Awardee Performance and Integrity Information System (FAPIIS), Dun and Bradstreet, and "Do Not Pay." HUD may consider other public sources such as newspapers, Inspector General or Government Accountability Office reports or findings, or hotline or other complaints that have been proven to have merit. In evaluating past performance, HUD may deduct points from the rating score or establish threshold levels as specified under the Factors for Award in the Program NOFAs. Each Program NOFA will specify how past performance will be rated.

2. Integrity

HUD evaluates the integrity of the applicant as reflected in government-wide websites, information in HUD's files, the federal Do Not Pay portal, public information and information received during HUD's Name Check Review process. If this integrity evaluation results in an adverse finding, HUD reserves the right to take any of the remedies provided in Section III.C.4.a.5, Do Not Pay website Review.

Review Types. Two types of reviews will be conducted. First, HUD will review each application to determine whether it meets threshold eligibility requirements. Second, HUD will review and assign scores to applications that meet threshold eligibility requirements.

Ranked Order. Once scores have been assigned, applications will be funded in ranked order with a minimum score of 70 required in order to be funded.

Tiebreaker. If there is a tie, the application with the highest score for Soundness of Approach will be awarded grant funds. If there is still a tie, the score for Capacity will be the deciding factor.

Corrections to Deficient Applications. The General Section (see Section VI.B.7; "Corrections to Deficient Applications") provides the procedures for corrections to deficient applications. For timely completion of the

review process, this NOFA establishes a 7-calendar-day window for applicants to correct deficiencies; that is, clarifications or corrections of technical deficiencies in accordance with information provided by HUD in the email notification of a technical deficiency must be received by HUD within 7 calendar days of the date of the HUD email notification. In the case of a deficiency, further instructions on how to submit corrections will be included in the deficiency request.

Unacceptable Applications. After the technical deficiency correction period, HUD will disapprove applications that it determines are not acceptable for processing (e.g., applications that fail the threshold requirements of the General Section or of this NOFA, or that do not correct technical deficiencies required for funding).

C. Anticipated Announcement and Award Dates.

It is anticipated that award announcements will take place in the fall of 2016.

VI. Award Administration Information.

A. Award Notices.

Following the evaluation process HUD will notify successful applicants of their selection for funding. HUD will also notify all other applicants, whose applications were received by the deadline, that have not been chosen for award. Notifications will be sent by email, delivery receipt requested, to the person designated in item 8F of the SF424 and to the person listed as authorized representative in item 21 of the SF424.

Successful applicants will receive an award letter from HUD. The award letter will provide instructions about the steps grantees must take in order to access funding and begin implementing grant activities; funding will be provided via a grant agreement and through the LOCCS system.

Unsuccessful applicants will receive a denial letter from HUD that will state the basis for the decision. Unsuccessful applicants may request an applicant debriefing. (See Section VI.A.5 of the General Section ("Debriefing") for additional information regarding a debriefing.) Applicants requesting to be debriefed must follow the instructions provided in the rejection letter.

B. Administrative, National and Department Policy Requirements.

For this NOFA, the following requirements apply:

Ensuring the Participation of Small Disadvantaged Business, and Women-Owned Business.

HUD is committed to ensuring that small businesses, small disadvantaged businesses, and women-owned businesses participate fully in the direct contracting and contracting opportunities generated by HUD's financial assistance. State, local, and Indian tribal governments are required by 24 CFR 85.36(e) to take all necessary affirmative steps in contracting for the purchase of goods or services to assure that minority firms, women-owned business enterprises, and labor surplus area firms are used whenever possible or as specified in the Program NOFAs. Nonprofit recipients of assistance (grantees and subgrantees) are required by 24 CFR 84.44(b) to make positive efforts to utilize small businesses, minority-owned firms, and women's business enterprises, whenever possible.

Environmental Requirements. In accordance with 24 CFR 58.34(a)(3), (4) and (9), 24 CFR 58.35(b)(2) and (3), and 24 CFR 50.19(b)(3), (4), (9), (12), and (13), activities funded under this NOFA are categorically excluded from environmental review under the National Environmental Policy Act of 1969 (42 U.S.C. 4321) and are not subject to environmental review under related laws and authorities.

C. Reporting.

1. Race and Ethnicity Data Reporting Form. HUD requires grantees that provide HUD-funded program benefits to individuals or families to report data on the race and ethnicity of those individuals receiving such benefits. Grantees that provide benefits to individuals during the period of performance, whether directly or through subrecipients or contractors, must report the data using the Race and Ethnic Data Reporting Form found on Grants.gov. The form is a data collection based on the standards published by OMB on August 13, 2002.

2. Performance Reports.

Grantee Reporting and Program Evaluation

All Jobs Plus program grantees will be required to report to HUD on a regular basis on grant progress and program activities using a standardized format that will be provided to grantees at the time that a grant agreement is established. In addition to regular reporting, grantees will be required to participate in an independent evaluation of the Jobs Plus program to be funded by HUD.

a. Grantee Reporting

Grantees will be required to report to HUD on grant progress and activities in two ways:

1. Grantees will be required to submit a quarterly report to HUD identifying specific program outputs and metrics (e.g., number of individuals enrolled into the program, number of individuals who completed an ITSP, number of households accessing the JPEID). Standardized quarterly reporting requirements will be provided to grantees at the time that a grant agreement is established.
2. Grantees will be required to submit an annual narrative report to HUD that describes program operations over the past year, including elements such as: current set of program partners and the health of the partnership, challenges encountered and strategies deployed to address challenges, and plans for the upcoming year. A standardized format for the annual narrative report will be provided to grantees at the time that a grant agreement is established.

b. SF-425. Grantees must also submit a completed Federal Financial Report, SF-425, on an annual basis.

3. Racial and Ethnic Data. HUD requires that funded recipients collect racial and ethnic beneficiary data. It has adopted the Office of Management and Budget's Standards for the Collection of Racial and Ethnic Data. In view of these requirements, funded recipients should use Form HUD_27061, Racial and Ethnic Data Reporting Form (HUD Race Ethnic Form on Grants.gov), or a comparable form.

Please direct questions regarding specific reporting requirements to the point of contact listed in Section VII below.

D. Debriefing.

For a period of at least 120 days, beginning 30 days after the awards for a Program NOFA are publicly announced, HUD will provide to a requesting applicant a debriefing related to its application. A request for debriefing must be made in writing or by email by the authorized official whose signature appears on the SF424 or by his or her successor in office, and be submitted to the person, organization, or email address identified as the contact under the section entitled Agency Contact(s) in the Program NOFA. Information provided during a debriefing may include the final score the applicant received for each rating factor, final evaluator comments for each rating factor, and the final assessment indicating the basis upon which assistance was provided or denied.

VII. Agency Contact(s).

HUD staff will be available to provide clarification on the content of this NOFA. Please note that HUD staff cannot assist applicants in preparing their applications.

Questions regarding specific program requirements for this NOFA should be directed to the point of contact listed below.

VIII. Other Information.

Paperwork Reduction Act Statement. The information collection requirements in this notice have been approved by OMB under the Paperwork Reduction Act of 1995 (44 U.S.C.3501-3520). In accordance with the Paperwork Reduction Act, HUD may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a valid OMB control number. Each Program NOFA will identify its applicable OMB control number unless its collection of information is excluded from these requirements under 5 CFR part 1320.

HUD is required to comply with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520). This Act governs the collection of information from the public including responses to this NOFA. HUD may not collect this information, and you are not required to complete these forms unless they display current, valid OMB control number(s). The results of this collection will not be published or be used for statistical purposes.

A Finding of No Significant Impact (FONSI) with respect to the environment has been made for this NOFA in accordance with HUD regulations at 24 CFR Part 50, which implement section 102(2)(C) of the National Environmental Policy Act of 1969 (42 U.S.C. 4332(2)(C)). The FONSI is available for inspection at HUD's Funds Available web page at http://portal.hud.gov/hudportal/HUD?src=/program_offices/administration/grants/fundsavail

Appendix.

Appendix A: List of Common Mistakes

Failure to Meet Match Threshold. All match commitment letters for in-kind match must contain proper calculations to show how the amount was derived. See Section III.B of the NOFA for directions. If match commitment letters are missing or do not contain calculations, the match commitment cannot be counted and the application will fail the match threshold.

Missing or Incomplete MOU. MOUs must follow the guidelines laid out in the NOFA Section III.C.1.c. If the MOU is not signed by both parties and dated appropriately, the application will fail the MOU threshold requirement.

Including PHA Staff Time. PHA staff time for regular PHA functions cannot be included in the Jobs Plus budget.

Expired System for Award Management (SAM) Registration. Please note that SAM registrations must be renewed and revalidated at least every 12 months from the date the applicant last certified and submitted the registration in SAM, and sooner if the applicant's information changes. Getting your SAM registration can take up to four weeks; therefore, applicants should start this process or check their status immediately upon publication of this NOFA.

Failure to Respond to Deficiency Notice. Applicants will be notified when corrections or clarifications to their application are needed. The Department will notify applicants of a deficiency in two ways. Initially, the

Department will send an email to the person designated in item 8 of the SF424 submitted with the application; and to the person listed in item 21 of the SF424 as authorized representative; and to the person designated in Part I.D of the JP application form. These email notifications will be sent from the Department with confirmation of delivery receipt. The email notifications will be the official notification of the need to cure a technical deficiency. As a courtesy, the Department will also send a fax copy of the email notification to the fax numbers identified for the individuals on the SF424. The fax notification is a courtesy copy only. It is the responsibility of the applicant to provide the Department with accurate email addresses and fax numbers for receipt of these notifications. The Department is not responsible for correcting an email address or fax number that was not correctly entered into the SF424 or JP application. Applicants are responsible for monitoring their email accounts and fax depositories to determine whether a cure letter has been received and for notifying appropriate staff of the receipt of the fax promptly.

File Attachment Names. Please note that file attachment names longer than approximately 50 characters can cause problems processing packages in grants.gov. Also, avoid using any special characters (example: -, &, *, %, /, #) or spacing in the file names. If you need spaces in the name of your files, use the underscore (example: m]My_Attached_File.pdf) in naming the attachments. Please ensure that your file attachment names meet these criteria; otherwise, your application will be rejected by Grants.gov.

Not Checking Validation Status. Please ensure that the application was validated by Grants.gov. In some cases, the application was rejected by Grants.gov, and the applicant did not resubmit before the grace period ended, and the applicant was, therefore, ineligible for funding. As described in the General Section (Section IV.B.1 'Electronic Application Submissions') and in this NOFA (Section IV.D 'Application Submission Dates and Times'), your application must be 'validated' by Grants.gov after it is 'received' by Grants.gov. The applicant is responsible for tracking the application, as described in the General Section and in this NOFA.

Late Applications. Applicants must successfully submit their applications prior to the deadline date as stated in the NOFA; otherwise, their applications will not be processed. The deadline date for application submission can be found on the first page of this NOFA.

Appendix B: List of Potentially Eligible PHAs and Developments

LIST OF DEVELOPMENTS MEETING SOME OF THE MINIMUM REQUIREMENTS FOR PARTICIPATION IN THE JOBS-PLUS PILOT

PLEASE NOTE: In order to be considered for funding a development must be on this list. However, please refer back to the NOFA in order to meet all NOFA requirements. The attached list of developments only identifies developments that meet two of the selection criteria listed in the NOFA, namely:

(1) a development must have at least 200 households (excluding elderly-only households);
