1 Introduction

The Integrated Disbursement and Information System (IDIS) OnLine system is sponsored by the Office of Community Planning and Development (CPD) within the Department of Housing and Urban Development (HUD). IDIS OnLine is a real-time, web-based computer application that provides financial disbursement, tracking, and reporting activities for the CPD formula grant programs. IDIS OnLine enables HUD grantees to drawdown program funds and report on the activities and accomplishments outlined in each jurisdiction’s Consolidated Plan. IDIS OnLine provides timely performance information regarding accomplishments achieved with the use of program funds, pursuant to the Government Performance and Results Act of 1993 (GPRA) and the specific requirements of the formula programs administered by CPD. IDIS OnLine programs include the Community Development Block Grant (CDBG) Program, HOME Investment Partnership Program (HOME), Emergency Shelter Grants (ESG), and Housing Opportunities for Persons with AIDS (HOPWA). IDIS OnLine also supports the American Recovery and Reinvestment Act (ARRA) grant programs Tax Credit Assistance Program (TCAP), CDBG Recovery (CDBGR), and Homelessness Prevention and Rapid Rehousing Program (HPRP). NOTE: HPRP grantees use IDIS OnLine for drawing funds only.

1.1 IDIS OnLine System Overview

IDIS OnLine is used by three different types of users:

- 1,100 CPD formula grant program participants located throughout the US
- HUD’s 42 Field Offices (FOs)
- HUD Headquarters (HQ) staff

There are more than 14,000 active IDIS OnLine users.

IDIS OnLine Roles of Organization include the following:

**Grantee** – any organization receiving grant funds directly or indirectly from HUD to perform HUD-approved program work. A grantee is the “owner” of the program funds and is responsible for performance of the approved, CPD-funded projects and activities. All grantees are given a Unit of Government code and number (UOG CD and UOG NM) to identify them. Grantees can delegate some or all of their project activities to **subrecipients**, who are organizations that may or may not have access to IDIS OnLine. For example: in the HOME program, CHDOs do not have access to IDIS OnLine. Grantees can delegate some or all of their project activities to **subgrantees**, who receive funds for this work and who update these activities using IDIS OnLine. The HOME program has special rules and regulations for state subgrantees regarding usage of grant funds.

**Other Entity** is a special subgrantee organization receiving a subgrant and is identified as an Other Entitiy on the system.
Community Housing Development Organization (CHDO) is a special type of grantee that receives a set-aside subgrant.

CPD’s formula grants management process includes the following seven steps:

### CPD 7-Step Grants Management Process

<table>
<thead>
<tr>
<th>Step</th>
<th>Grants Management Process Description</th>
</tr>
</thead>
</table>
| Step 1 | Develop and gain approval of 3 to 5 year Consolidated Plan that serves as:  
- A planning document for the jurisdiction  
- A single application for federal funds under HUD’s formula grant programs  
- A strategy to be followed in carrying out HUD’s performance government  
- An action plan that provides the basis for assessing performance |
| Step 2 | Annually, create and gain approval of an Action Plan that describes the projects and assigns budget amounts for the upcoming plan year |
| Step 3 | Receive Annual Funding under HUD formula grant programs and other sources |
| Step 4 | Designate detailed Activities and related annual budgets under each project that can be measured to assess progress for the work being done |
| Step 5 | Commit Funds for a given activity |
| Step 6 | Drawdown and Disburse committed funds for an activity |
| Step 7 | Report on program year accomplishments and performance |

The role of IDIS OnLine in Grants Management is to begin supporting the grants management process after the planning stage. After a grantee signs a grant agreement with HUD, grant funds are then reported to IDIS OnLine and the grantee is ready to set up activities, drawdown funds, and report on the progress of each activity. IDIS OnLine supports the process through the transaction and performance reporting stage and feeds information into other CPD systems (Line of Credit Control System – LOCCS and Grants Management Process System – GMP).

### 1.2 IDIS OnLine User Technical Support Resources

If a user needs assistance while working on IDIS OnLine, there are several resources available. In addition to getting help from their local Field Office, they may also contact the following:
The IDIS OnLine Quick Tips User Guide serves to walk IDIS OnLine users step-by-step through the major IDIS OnLine system functionalities. The major functionalities covered in this guide include:

- Adding, Search/Edit, View, and Copy Projects
- Adding, Editing, and Funding Activities
- Creating and Approving Drawdowns/Vouchers
- Adding Receipts
- Search/Edit Receipts
- View Receipts
- View Receipt Accounts
- Adding Subfunds and Subgrants
- Editing a Grantee User Profile
- Editing Existing User Roles
- Viewing Existing User Roles
2  Logging into IDIS OnLine

1) Go to the Log on to IDIS web page:

   http://www.hud.gov/offices/cpd/systems/idisidis.cfm

2) Click the word here to get to the login screen.

3) IDIS Login page will appear (https://www21.hud.gov/idis)

4) Enter Username and Password

   I. Grantee users will use their C# or B# as their Username. Their temporary password is the first initial (lowercase), and the last initial (lowercase) plus the last 4 digits of their Social Security Number. For example, if your name is ABRAHAM LINCOLN your temporary password will be a1234. You will be prompted to change your password immediately upon login. The new password must contain the following:

   - At least 8 characters
   - At least one capitalized letter
   - At least one lower case letter
   - At least one number
   - At least one special character (any symbol, such as $#*@!&)
II. HUD employees access IDIS with their regular H-ID and regular network password. There is no need to change your IDIS password as it is linked and synchronized to the Department’s “Active Directory.” As long as your regular network ID and password work, you will have access to IDIS. Whenever you change your network password, your IDIS password will change automatically.

5) Next, click the Login button

6) IDIS Disclaimer page will appear

7) Read disclaimer statement and click I accept button if you agree to the disclaimer.

8) If you have multiple profiles, the Profile Selection page will be displayed with all of your available profiles listed. Select your appropriate profile, next click Select Profile button
9) **Welcome to the Integrated Disbursement and Information System** page will appear

10) Congratulations - you are now in IDIS OnLine!
NOTE 1: Your IDIS OnLine password will be locked after 3 successive incorrect password attempts. If this happens, you must call 1-888-297-8689 option 3 for a reset. You will be asked several security questions to verify your identity.

NOTE 2: IDIS OnLine passwords expire every 90 days. IDIS OnLine will issue a warning each day starting 10 days before your password expires, reminding you to change your password.

Grantee users who have not been active (no logins) for 180 days will be automatically disabled. Grantee users who wish to renew a disabled ID must re-submit an IDIS Access Request Form to their CPD Representative, indicating “renew lapsed ID.”

NOTE 3: CPD posts important news items about IDIS OnLine in the NEWS section. News may related to system outages, reports, tips, known errors, holiday hours, etc. Please take a moment to read the NEWS each time you login; it may answer many of your questions!

3. Projects

3.1 Add Projects
