Public reporting burden for this collection of information is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB control number.

The information is collected in the event of default of a multifamily mortgage. In this event, the mortgagee is entitled to receive benefits under the coinsurance coverage prescribed in Sections 255.815 through 255.828 of the CFR. To receive these benefits the mortgagee must submit the information to allow HUD to determine the claim amount due the mortgagee. This information is required under Statue 12 USC 1715z-9 and Title II, Section 244 of the National Housing Act.

Privacy Act Statement. The information collected is considered sensitive and is protected by the Privacy Act. The Privacy Act requires that these records be maintained with appropriate administrative, technical, and physical safeguards to ensure their security and confidentiality. In addition, these records should be protected against any anticipated threats or hazards to their security or integrity which could result in substantial harm, embarrassment, inconvenience, or unfairness to any individual on whom the information is maintained.
