MULTIFAMILY HOUSING X2328 ENTRY WORKSHEET

Attached is a copy of the Contractor's 2328 for use in the data entry process. There should be one 2328 for each structure type, e.g., Det, Semi-Det, Walkup, Th., Highrise. Site work and fees should be shown on the last structure type 2328.
 Indicate structure type: D S W T H

Project Name:

Item 1. Project Number: -

If 2328 data already exists but has not been accepted, Go To Item 2.

Item 2. Modify or remove data: MOD REM

NOTE: The MOD option allows the user to revise previously entered dollar values by answering No to the prompt "Does Total Check Yes or No" and/or accept previously entered data. The REM option simply removes the previously 2328 data and allows the user to re-run the X2328 program.
