CHAPTER 8
REPORTING SECTION 8
MODERATE REHABILITATION PHA-ADMINISTERED
Form HUD-52491.3

8-1 CHAPTER OVERVIEW. This Chapter describes procedures for reporting to
the Section 8 MIS projects (funding increments) administered by Public
Housing Authorities (PHAs) for the Section 8 tenant-based Moderate
Rehabilitation program.

A. For the PHA administered Moderate Rehabilitation Program, each PHA
has only two project numbers in a fiscal year. One of these
projects is for units in metropolitan funding allocation areas;
the other is for units in non-metropolitan funding allocation
areas.

B. The Moderate Rehabilitation PHA-Administered program (including
Section 23 Conversions) is the only Section 8 program for which
HAP Agreement and HAP Contract data are reported to the Field
Office for input to the Section 8 MIS by an entity outside of HUD
via Form HUD-52685, Program Utilization Form (refer to paragraph
8-2 of this Chapter).

C. References in this Chapter to the Housing Funding Control systems
pertain to systems which are officially designated by the
Department for input by the Regional Accounting Division (RAD) of
Reservation and/or Contract data which is automatically interfaced
daily to the Section 8 MIS. The Assisted Housing Accounting
System (AHAS) and the Program Accounting System (PAS) are system
examples.

D. State Code abbreviations, Field Office Codes, County Code(s),
Locality Code(s), SMSA Code(s), Congressional District Code(s),
and Central City Indicators are to be selected for reporting from
the Headquarters' computer-generated Field Office reports of
D71AAC-A and D71AAC-B, entitled "Geographic Code System Population
and SMSA Report". For report samples, refer to appendices 1 and 2
of the User Guide for Geographic Code System, I-160.10 Rev.1. For
information on these reports, contact the following Headquarters'
organizations:

1. The Office of Information Policies and Systems, Systems
   Engineering Group, Project Management Staff, AIS.

2. The Office of Information Policies and Systems, Systems
   Engineering Group, Administrative Systems Divisions,
   Administrative Support Systems Branch, AISAA.

E. For reporting instructions on the Moderate Rehabilitation Property
Disposition program, refer to Chapter 4 of this Handbook.

8-2 FORM HUD-52491.3. The responsible Section 8 Program organizational
staff member, after completion of each development stage on the form,
is to initial, date, and submit the green copy (where applicable) to the assigned program data entry staff member(s) for data entry to the Section 8 MIS. The assigned data entry staff member(s) is to initial and date the form upon completion of the data entry session. Refer to Figure 8-1 on the following page for an illustration of the form.

8-12 PROGRAM UTILIZATION (OCCUPANCY)
MODERATE REHABILITATION PHA-ADMINISTERED
FORM HUD-52685 (MOD FRAME). For Reporting Procedures, refer to Handbook 7420.7 CHG 4, Chapters 3 and 12. Within the requirements of an Annual Contributions Contract (ACC), the PHA and/or private owner shall submit occupancy data to HUD which describes the extent of program participation by characteristics of assisted families and financial data which discloses how annual contributions were spent.
For each set of units (funding increment) under the ACC, PHAs and/or private owners are to prepare and submit to HUD Field Offices on a project-by-project basis (i.e., for each funding increment under the PHA's ACC) occupancy data on Form HUD-52685, Report on Program Utilization. PHAs and/or private owners shall prepare at least two report copies, submitting one copy to the HUD Field Office and keeping one copy for its records.

A. REPORTING FREQUENCY (Refer to Handbook 7420.3 REV 2 CHG-3)

1. Quarterly Reporting. The report is to be first submitted as of the end of the quarter during which the ACC was initially executed or amended to incorporate a new funding increment. Thereafter, it is to be submitted as of the end of each subsequent quarter (even if there is no change from the previous quarter report) until ninety-five percent of the units in the funding increment (i.e. authorized by ACC) are under lease (HAP Contract).

2. Annual Reporting. Once ninety-five percent of the units in the funding increment (i.e. authorized by the ACC) are under lease (HAP Contract), reporting on Form HUD-52685 is to be annually as of September 30 to be received by HUD Field Office by October 10. Once annual reporting has begun, reporting on Form HUD-52685 is to continue annually, even if the assisted units under lease drop below ninety-five percent of units in the funding increment.

Should the funding increment reach ninety-five percent occupancy during a quarter other than the quarter ending September 30, that quarterly report must be submitted, but no further reporting is required until September 30 of that year.

If ninety-five percent occupancy is reached during the quarter ending September 30, the report is to be submitted as of September 30 as a quarterly report.

3. Field Office Report Receipt. The reports are to be submitted to and received by the HUD Field Office by the 10th of the month following the quarter/year covered by the report period.

4. Section 8 MIS Data Entry. The Field Office organization responsible for the Section 8 program(s) should forward the report, upon receipt, to the assigned program data entry staff member(s) for entering to the Section 8 MIS during the month following the quarter/year covered by the report period.

Example: Reporting Period - June 30, 1991
Section 8 MIS Data Entry - July 1, 1991 and after

MOD, Line 1: Project Number. Enter the eleven character assigned funding increment number.

MOD, Line 2: Report Date. Enter month and year (MM/YY) of the quarter/year covered by the occupancy report period.

MOD, Line 4: Initial Lease Date. Enter the date (MM/DD/YY - Example, 04/11/90) on which the first assisted lease under the ACC is signed by the tenant and owner. This item is completed once and only on the quarterly report which represents the first time assisted units under lease (Line 8) are reported.

MOD, Line 6: Units Under Agreement. Enter the total number of assisted units for which a HAP Agreement has been executed including those units under agreement which have resulted in HAP Contracts. Reported cumulatively for all units in the project instead of quarter by quarter units aggregate. Do not include assisted units which have been dropped out
of the program and for which a HAP Contract will not be executed. If no units are under agreement, enter zeros.

MOD, Line 7: Units Under HAP Contract. Enter the total number of assisted units for which HAP Contracts have been executed. A. REPORTING MANAGEMENT REVIEWS. The responsible Section 8 program organization of the Field Office is to report on the initial (original) management review within five to eight months after the ACC was executed for the first Moderate Rehabilitation project. A second review shall be conducted one year after the initial review. Subsequent reviews are reported every two years after the second review regardless of whether or not new units have been added to the program (refer to Handbook 7420.3 REV-2 CHG-4, CHAPTER 5).

B. FOR MODERATE REHABILITATION PHA-ADMINISTERED. The PHA is reviewed, not the project(s), which are funding increments. Should the FHA have more than one funding increment, management review data need only be entered into the Section 8 MIS for any one funding increment/project for a given PHA moderate Rehabilitation funding increment. Therefore, the Field Office should select a funding increment/project for which an ACC has been executed and each time a PHA is reviewed, that same funding increment/project number should be used to update the management review information in the Section 8 MIS.

C. FORM HUD-52491.7. The form is designed for entering six annual reviews for a given PHA. Therefore, the original form should reflect each of the subsequent annual reviews, with a copy forwarded to the assigned program data entry staff member(s) who is to enter only the last entry. Refer to Figure 8-3 on the following page for an illustration of the form.
D. SPECIFIC MANAGEMENT REVIEW REPORTING INSTRUCTIONS
MODERATE REHABILITATION PHA-ADMINISTERED
FORM HUD-52491.7 (MGT FRAME)

52491.7(MGT): Project Number. Enter the eleven character assigned PHA review funding increment number.

52491.7(MGT): Original Management Review Date. Enter date (MM/DD/YY - Example, 12/09/89) which is the date six months after the ACC execution for the funding increment being used for the PHA review.

52491.7(MGT): Annual Management Review Date. Enter date (MM/DD/YY - Example, 12/09/90) which is the once a year or every two years review date subsequent to the original review date.

Note: Field Offices may elect to use the first issued PHA funding increment number for the original and subsequent reporting of PHA review dates. In this instance, if the first funding increment issued for a PHA becomes terminated, expired, defunded, or opted-out in the Section 8 MIS, both the original and/or subsequent annual review dates that were reported to the now inactive increment are to be reported to the next active sequentially issued PHA funding increment number.
