ADDITIONAL INSTRUCTIONS AND INFORMATION, FORM HUD-93114

USE ONLY EDIIONS OF THIS FORM DATED 1982 OR LATER. EARLIER VERSIONS ARE OBSOLETE. Supplies of the current form are available from any HUD Area or Service Office.

Item 1: Check case numbers carefully. To correct an error, execute another Form HUD-93114 for your file.

Item 3: The mortgagor affected by the report. For simultaneous suspensions and reinstatements, enter the old mortgagor for suspension and the new ones for reinstatement.

Item 6: Enter the interest rate as one digit before the decimal and a two-digit fraction after the decimal, (i.e., 12.25 for 12% 1/4, 8.00 for 8%, and 7.50 for 7 1/2%, etc.).

Item 8: The cumulative amount billed for months beginning after the date in Item 9 for suspensions and terminations only. The amount must be refunded by deduction from the next regular bill on Form HUD-93102. A record of the credit must be established on the related Form HUD-300 or equivalent ADP printout. After suspension or termination, no further assistance payments or handling charges are to be billed unless the contract is later reinstated.

Item 9: The date of the event requiring the action in Item 7. The date eligibility was established.

Item 10: The amount of the last assistance payment to which the mortgagor was entitled before suspension or termination, regardless of the action being reported now. The last payment to which the mortgagor was entitled was the payment due the first of the month in which termination or suspension became necessary.

Item 11: The formula under which the payment in the 10th item was computed: 1 = the difference between the full mortgage payment and 20% or 25% of adjusted income. 2 = the difference between principal, interest, and MIP on the mortgage and principal and interest on an identical mortgage at the applicable assisted interest rate 1%. 5%. 4%. 4%. 5%. 5%. 6%. 6%. 6%. 6%. 6%. 8%. 8%. 8%.

Item 12: Reinstatements only. The amount of the first assistance payment to be billed regardless of the month for which it is billed.

Item 13: The formula under which the payment in Item 12 was computed. See Item 11 above.

Item 14: First billing which will include payment on a reinstated contract.

CHECK ONLY ONE BOX IN ITEMS 15 THROUGH 17.

Item 15 (3): Use if annual recertification is not received by 30 days after anniversary date or other required recertification is not received by 30 days after it is required and requested by the mortgagor.

Item 15 (5): This takes place when the first action required by law as a part of the foreclosure process is taken.

Item 15 (6): Use when eligibility of the assumitor is not certain, but an application has been or will be submitted. If no application will be submitted, terminate. Applicable for recapture cases as well.

Item 15 (7): Use when citizenship or eligible alien status has not been established.

Item 16: A report must be executed if one of the reasons for termination occurs while the contract is suspended.

Item 16 (3): Use only when no application for approval of the assumitor will be submitted or an application is disapproved by the HUD field office.

Item 16 (5): Use only for 235 cases subject to recapture when note has not been executed by eligible assumitor to support continued assistance payments.

Item 17: The date of the first assistance payment to which the mortgagor is entitled varies, depending on the reasons for suspension and reinstatement.

Item 17 (1) and (2): Use only when an earlier termination or suspension should not have been reported. An explanation is required in the mortgagor’s file. Reinstatement is retroactive to the date of the error.

Item 17 (3): Use when suspension was because of 15 (1) or (2). The mortgagor is entitled assistance from the first of the month in which he occupied the property, unless a recertification is involved, in which case see instruction 17 (5).

Item 17 (4): Use when suspension was because of 15 (2). The mortgagor is entitled to assistance from the first of the month following the election.

Item 17 (5): Use when suspension was because of 15 (4). Reinstatement must be based on recertification. Mortgagor is entitled to assistance beginning with assistance payment due no earlier than first of month following, no later than first of second month following mortgagor’s receipt of recertification, at the mortgagor’s option.

Item 17 (6): Use when suspension was because of 15 (3). Reinstatement as for 17 (5).

Item 17 (7): Reinstatement may be retroactive to the date of suspension. Costs incurred prior to dismissal of foreclosure may be recovered from the mortgagor but may not be included in any assistance payments calculation or claim for mortgage insurance benefits.

Item 17 (8): No payment may be billed until eligibility is established, but payments are authorized from the date the assumitor acquired an interest in and occupied the property. If the contract of sale was less than 90 days after the seller ceased to occupy, payments may be retroactive to the date of suspension, at the rate for which the assumitor qualifies. Use when suspension was because of 15 (1), or (6).

Item 18: Must be completed when reinstatement is reported. Reinstatement is not retroactive unless the first payment is earlier than the first of the month in which Item 9 fails. The date is the due date of the oldest assistance payment to be billed on behalf of the present mortgagor. If there has been an assumption and both mortgagors must be eligible for payment for the same month, only one payment, based on the seller’s eligibility, is authorized, provided the seller occupied the property.

THE TERMINATION OR SUSPENSION OF THE ASSISTANCE PAYMENTS CONTRACT HAS NO EFFECT ON THE CONTRACT OF MORTGAGE INSURANCE. All the rights of the mortgagor under the contract of mortgage insurance remain in full force and effect, regardless of the status of the assistance payments contract.
