

## CHAPTER 8. REPORTING REQUIREMENTS

- 8-1 APPLICABILITY Follow reporting procedures applicable to the CDBG program. Field Offices may be required by ARC to submit periodic reports with an indication of work progress.
- 8-2 ARC REPORTS Field Offices must furnish to the Commission:
- A. A copy of all executed grant agreements (or other implementing documents) and amendments, thereto, for each project involving transferred ARC funds;
  - B. Information on any unusual problems encountered and any actions taken to resolve such problems; and
  - C. A final report on the costs of each project in sufficient detail to permit a reasonable review of the expenditures which includes certification of final total eligible project costs, total ineligible project costs, and the amount of HUD, ARC, and non-Federal funds including source (i.e., state or local) used to meet such project costs. This information is usually found in the closeout report.
