This Contract constitutes the entire agreement between the parties, and any previously existing contract concerning the work contemplated by the Contract Document is hereby revoked.

B. The Contractor shall furnish all of the materials and perform all of the work (within the property lines) shown on, and in accordance with, the Drawings and Specifications entitled \_\_\_\_\_

C. If the work is not brought to final completion in accordance with the Drawings and Specifications, including any authorized changes, by the date specified above, or by such date to which the contract time may be extended, the contract sums stated in Article 3A(1) below shall be reduced by the actual cost of taxes and insurance, as approved by HUD, for the period from the scheduled date of completion through the date construction was actually completed. This cost shall be reduced by an amount equal to the project's net operating income (as determined by HUD) for the period upon which the aforementioned actual costs are based.

D. The Owner and Contractor may amend this contract prior to initial endorsement, in a form prescribed by the Commissioner, to provide for an incentive payment to the Contractor, which will result in an increase in the contract sums stated in Article 3A below, if the work is completed before the date specified in this contract. The Contractor will **not** be entitled to any incentive payment resulting from early completion if HUD determines that the Contractor's cost certification, required by Article 10, is fraudulent or materially misrepresents the Contractor's actual cost of construction.
