The Uniform Act applies to all programs or projects undertaken by Federal agencies or with Federal

**SUPPLEMENTARY INFORMATION:** The Uniform Act established a program, which includes the payment of moving and related expenses, to assist persons who move because of Federal or federally assisted projects. The FHWA is the lead agency for implementing the provisions of the Uniform Act, and has issued governmentwide implementing regulations at 49 CFR part 24.

The following 17 Federal departments and agencies have, by cross reference, adopted the governmentwide regulations. (The governmentwide regulations also apply to other agencies within DOT that are covered by the Uniform Act.):

- Department of Agriculture
- Department of Commerce
- Department of Defense
- Department of Education
- Department of Energy
- Environmental Protection Agency
- Federal Emergency Management Agency
- General Services Administration
- Department of Health and Human Services
- Department of Housing and Urban Development
- Department of the Interior
- Department of Justice

- Department of Labor

Section 202(b) of the Uniform Act provides that as an alternative to being paid for actual moving and related expenses, a displaced individual or family may elect payment for moving expenses on the basis of a moving expense and dislocation allowance schedule established by the head of the lead agency. The governmentwide regulations at 49 CFR 24.302 provide that the FHWA will develop, approve, maintain and update this schedule, as appropriate.

The purpose of this notice is to update the current schedule published on June 14, 1991 (56 FR 27549). The schedule is being updated to reflect the increased costs associated with moving personal property and is developed from data provided by State highway agencies. This update increases the schedule amounts in the States of Alabama, Alaska, Arizona, California, Florida, Hawaii, Iowa, Kansas, Kentucky, Michigan, Mississippi, Missouri, Montana, Nebraska, Nevada, New York, North Carolina, North Dakota, Oklahoma, Oregon, South Carolina, South Dakota, Virginia, Washington, and Wisconsin. The following exceptions and limitations apply to this schedule:

1. The expense and dislocation allowance to a person whose residential move is performed by an agency at no cost to the person shall be limited to \$50.00.
2. An occupant will be paid on an actual cost basis for moving his or her

mobile home from the displacement site. In addition, a reasonable payment to the occupant for packing and securing personal property for the move may be paid at the agency's discretion.

3. The expense and dislocation allowance to a person with minimal personal possessions who is in occupancy of a dormitory style room shared by two or more other unrelated persons shall be limited to \$50.00.

4. An occupant who moves from a mobile home may be paid for the removal of personal property from the mobile home in accordance with the moving and dislocation allowance payment schedule.

The schedule continues to be based on the "number of rooms of furniture" owned by a displaced individual or family and was developed from data provided by State highway agencies. In the interest of fairness and accuracy, and to encourage the use of the schedule (and thereby simplify the computation and payment of moving expenses), an agency should increase the room count for purposes of applying the schedule if the amount of possessions in a single room or space actually constitute more than the normal contents of one room of furniture or other personal property. For example, a basement may count as two rooms if the equivalent of two rooms worth of possessions is located in the basement. In addition, an agency may elect to pay for items stored outside the dwelling unit by adding the appropriate number of rooms.

**Authority:** 42 U.S.C. 4622(b) and 4633(b); 49 CFR 1.48 and 24.302.

Issued on: December 2, 1996.
