Dear Mr. Nelson:

This letter obligates $30,432 of Operating Fund subsidy for the months of February and March 2012. For more information on the methodology used to establish both initial subsidy eligibility and funding availability, please see  

Please note that the initial estimated eligibility for this project may vary from its final eligibility determination. The program’s total operating subsidy eligibility and funding amounts for all PHAs may change once all FFY 2012 operating subsidy forms and 2012 subsidy allocation adjustments have been processed. Therefore, the final proration level may vary from the interim proration level.
